Dear Sir or Madam

Ky power case # 2009-00459

In the this case I would like to go on record as being opposed to this increase of 33.43 % on my electric bill, which list six separate items to be increased.

If any thing should be change is the way that the bill is written, plain and simple language were average people can understand it.

Also note that request was filed on Dec 29th 2009, with a requested start date of Jan 29, 2010, I sure hope that you do not allow this increase period.
