PUBLIC SERVICE
COMMISSION

I am writing this letter to let you know how I feel about the new proposed increase in our Electric Power Service Rates.

I am a senior citizen who has been retired for 13 years and inflation is taking my retirement funds up.

Your proposed increase in our Power Rate is REALLY going to make it bad on those of us on fixed incomes.

Please reconsider this ~~planned~~ planned raise and think of the ones who made you the Great Co. you are today, the seniors of our Great Nation

Please exempt us from this Raise
