

April 20, 2010

Kentucky Public Service Commission:

I am a 61 year old Greenup Co. Resident. I am living on a fixed income of \$674.00, I get \$87.00 in food stamps. That is my total income, how am I to pay the raise in electric you are proposing? This will put a terrible hardship on me and I would like to be exempt from the proposed raise.

Thank you for reading my letter.
