PUBLIC SERVICE
COMMISSION

Apr. 20 2010

To the President of C&E

I'm writing in reference to the proposed 34.95 Percent increase in the residential electric Bill.

As A Senior Citizen 78 yrs old. I wish to be exempt from this Proposed increase

I and other Senior Citizens are at the poverty level. & it would surely create an additional Hardship on us.

Sincerely yours
Anna R. Kelly.
