Gentlemen:

As senior citizens aged 73 and 74 years, my husband and I wish to object to the 34.95% rate increase proposed by Kentucky Power Company. We received no increase this year and none is projected for 2011 on our social security. We wish to ask you to exempt senior citizens from this rate increase. This rate increase would cause a big hardship for seniors. Thank you.

Sincerely,
Orville K. Rice
