PUBLIC SERVICE  
COMMISSION

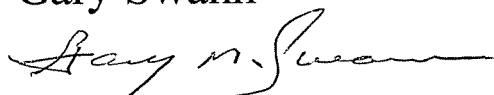

337 Highland Ave.  
Raceland, Ky. 41169  
April 21, 2010

To whom it may concern:

As a senior citizen, nearly 66 years old, I wish to be exempt from the proposed increase to my electric bill. Many seniors in Kentucky are at the poverty level now. This will only create an additional hardship on each of us.

Thank you.  
Sincerely,

Gary Swann
