Mr. President and CEO,

We are senior citizens over 65 years old and object Kentucky Power Co.'s proposed 34.95 percent increase in our residential electric bill. We request to be exempted from said proposed increase due to being put in an added economic hardship. \$35.00 a month is an extreme amount to be charged at one time. Please reconsider this proposal.

We can be reached at our e-mail: 

Sincerely,

Harry and Sandra VanHorn
