

ATTENTION: President and CEO of the

"Kentuck Power Co." that proposed  
is Terrible. and should be stopped  
a \$34.95 percent increase in our

residential electric bill. We have been  
a Green-up Co resident since 1965.

We are Senior Citizens, ages 72 + 71,

Trying to live on a fixed income

since 1994. We wish you would exempt

us, from this terrible increase on

our "electric bill." We are living

in poverty now. Help us, if you

can. on this proposal.
