To Whom It Concerns

I'm writing to tell you I object to Kentucky  
Power Co. On raising our electric bill  
We poor people can't hardly make it now  
let alone you all raising it I'm asking  
you all not to raise our electric anymore  
we all just make ends meet now I think  
you all should decrease it now let alone raising  
it higher so don't raise our electric bill.

Thanks
