Please do not allow AEP  
to increase their rates up to  
15% more.

I am a senior on SS, I can barely  
keep up with my utilities as it  
is. Many friends and neighbors  
are in the same situation - please  
help - when we worked, pay was  
good tho we put money aside  
but was not much - in today's  
standards - Thank you!
