TO THE PUBLIC SERVICE COMMISSION

PUBLIC SERVICE
COMMISSION

I AM WRITING IN REGARDS TO KU RATE HIKE
OF 11.5 PERCENT. I AM APPALLED TO THINK THAT
YOU AS PUBLIC SERVANTS CAN EVEN THINK OF
ALLOWING THIS RATE HIKE AGAINST THE PEOPLE.

WHAT WITH THE RISING COST OF FOOD, GAS,
INSURANCE, AND OTHER LIVING EXPENSES. NOT TO
MENTION THE PEOPLE THAT ARE OUT OF WORK.
SEND THE MIND REELING & WE ARE ALREADY ~~PAYING~~
PAYING FOR THE GREEN ENERGY PLANS THROUGH
KU. NOW THEY WANT MORE FROM US.

WHY NOT LET THE STOCK HOLDERS LOSE SOME
OF THEIR PROFITS, FROM SHARES AND HELP
THEIR OWN CAUSE RATHER THAN THE
PEOPLE WHO ARE ALREADY STRETCHED TO
THEIR LIMITS ON BUDGETS. ABSORB ANOTHER
RATE HIKE FROM KU. THIS IS MY
OPINION ON THIS MATTER. HOPEFULLY YOU
WILL LOOK AT THE RATE OF UNEMPLOYMENT
PEOPLE LOSING THEIR HOME AND JOBS. AND
THINK THIS OVER AND TELL KU. NO GO
ON THEIR RATE HIKE

Sincerely
Jonny Phillips
