PUBLIC SERVICE  
COMMISSION

To anyone who will listen:

For once, be on the side of the consumer and do not approve this outrageous request for adjustment of rates and charges made by the Kentucky Utilities Company, c/o E.ON U.S. LLC, 220 West Main St., P. O. Box 32010, Louisville, KY 40232.

The amount being requested is absolutely TOO HIGH. Until we all get pay raises of 10-14%, then tell Kentucky Utilities to learn to live within their current budget and make updates from the money they have already received from their customers.

Sincerely, a taxed to death KU customer.
