PUBLIC SERVICE
COMMISSION

DEAR PSC

2-10-10

I AM writing this letter in hope of persuading you to oppose the K.U. rate hike. I CAN NOT FOR THE LIFE OF ME SEE WHY they need so much money. Where does the money they make already go? Shouldn't they have to live within their means like everyone else right now.

They say we ^{KU} ARE #4 in lowest costs, so why do they want to go higher? I CAN see a little INCREASE but this is out : out robbery if you ask me.

Does ANYONE know how much income the top executives make? CAN the AVERAGE person see this?

Why ARE the residential households hit harder when the factories ; malls ; such consume so much more energy.

What about the commission there? Are you elected by the public?

I do hope you tell KU ; EON ; LGE that the INCREASE in these times is NOT a good idea or to come up with some PLAN that is a little more modest.

What do you tell the elderly on fixed incomes to make a choice of eating today or keeping heat to their house.

I know I am probably wasting time
PAPER : postage but this has been
EATING AT ME SINCE I SAW IT IN THE
PAPER.

SOMEONE HAS TO TELL THE BIG CO. THAT
EXCESS IS NOT AN OPTION ANYMORE. I HOPE
IT STARTS WITH YOU DENYING THIS INCREASE.

DO YOU NOT THINK 137,000,000 DOLLARS A YR IS A
BIT MUCH?

I DON'T KNOW ABOUT YOU, BUT I HAVE LIVED
VERY COMFORTABLY ON 50,000 OR SO A YR FOR
A LONG TIME : DID NOT RECEIVE A RAISE
LAST YR. CAN'T THEY HOLD OFF ON THIS 'TIL
IF EVER, THE ECONOMY GETS BETTER?

I DO HOPE YOU MAKE THE RIGHT CHOICE.

THANKS FOR YOUR TIME

JOE WOODRUM
