To whom it may concern,

I'm a senior citizen. I'm on a fixed
income. I barely get by now. Even
if the Ky. utilities bill goes up a few
dollars (it takes away from my grocery
money & my medical supplement
Insurance money) etc. What are all
of the (fixed income citizens) going to
do? Yes, I want to know!!! I'm
trying to stay in my house where I've
lived most of my life. (Us senior
citizens) don't even get cost of living
increase this year & several more years we
^{won't} open the news.

over - over -
over. please!
