I oppose the RATE hike for K.U. EON.

(A) Too much INCREASE AT ONE TIME.

(B) RATES should be held TO 1 1/2% OR L

(C) CONSUMERS PAY HAS NOT RISEN 13%
BUT declined. Some overtime

CUT.

(D) 10% UNEMPLOYMENT

KU/LGE/EON USA SHOULD BE SOLD
BACK TO A U.S. FIRM OR TO
A RURAL ELECTRIC COOP.

I REALIZE ICE STORM
2008 WAS COSTLY BUT
RECOVERY COST SHOULD

BE SPREAD OUT

MORE
Thanks
Darrell Living
