I AM SENDING THIS LETTER IN REGARD TO THE RATE INCREASE OF KU.
PEOPLE ARE ALREADY STRESSED DUE TO HIGH BILLS. NOT ONLY WITH THE
RATES FOR ELECTRICITY BUT WITH ALL UTILITIES.

I HAVE NO LUXURIES SUCH AS CABLE TV, INTERNET, HOME PHONE, IN ORDER
TO PAY MY BILLS. I GET BY, BY THE SKIN ON MY TEETH.

I KEEP MY THERMOSTAT ON 68 DEGREES AND I AM BUNDLED UP AND STILL
COLD.

IF THEY ARE GOING TO RAISE THE RATES PUT ME ON THE WINTER CARE LIST.
I REALLY CANNOT GUESS WHAT PEOPLE ARE GOING TO PAY WITH THAT DO
NOT HAVE A JOB.

MAYBE KU CAN HIRE SOME OF THEM TO HELP WITH THE POWER OUTAGE
CLEAN-UPS FOR LESS MONEY IN ORDER TO LESSEN THE OVERTIME PAY FOR
THE ELECTRICIANS. I AM NOT SMART ENOUGH TO HELP WITH ANY SOLUTIONS
BUT PEOPLE NEED HELP NOT HURT.

SINCERELY,
JENNY
