RE: Formal Application for Tariff Revisions

2009-00025

This filing shall serve notice that Corinth Water District has filed an application with the Public Service Commission to revise its tariff language and to adjust certain non-recurring charges.

Corinth Water District is not requesting a water rate increase at this time. However, increased costs attributable to certain non-recurring charges can no longer be absorbed by the District. The customers affected by these increases will be the customers that cause the District to incur these additional expenses.

The District will publish a public notice of these requested rate revisions in the local newspaper for three consecutive weeks. You will find a copy of this publication notice enclosed.

Very truly yours,

enclosure
