Re: In the Matter of: Notice and Application of

Big Rivers Electric Corporation for a General

Rate Adjustment in Rates, P.S.C. Case No. 2009-00040

Dear Mr. Derouen:

Enclosed for filing on behalf on Big Rivers Electric Corporation ("Big Rivers") are an original and seven (7) copies of Big Rivers' response to the Commission Staff's March 18, 2009, data request and Big Rivers' response to KIUC's First Set of Data Requests. Also attached to this letter is an email dated March 20, 2009, reflecting an agreement between Big Rivers and KIUC with regard to a discovery dispute concerning the KIUC data requests. I certify that a copy of each of the responses has been served on the attached service list.

Sincerely yours,

James M. Miller

Jim.

Your email is generally accurate. I would add that the CFC correspondence relates to the \$15 million line of credit, the \$2.5 million line of credit and the \$3 million CFC borrowing option.

Mike,

Regarding the objections Big Rivers Electric Corporation has raised to KIUC's data requests dated March 17, 2009, in our telephone conversation this afternoon I understood us to reach the following agreements or conclusions on the indicated items of your data request:

Item 8 is limited to information related to the \$2.5 million CFC line of credit, or the \$15 million CFC line of credit.

Items 9, 10 and 11 are limited to information regarding financing in a scenario where there is no unwind transaction.

Item 12. We discussed Big Rivers' objections and reached no agreement. Big Rivers will generally file information that is non-privileged, and that may be relevant to or may lead to the discovery of information relevant to the subject matter of this proceeding. KIUC will review the information produced, and take whatever additional action it deems appropriate.

Please let me know whether you believe I have accurately stated the substance of our conversation.

Jim Miller

- Item 1) a. Confirm that, outside of cash generated from providing wholesale electric and transmission service, Big Rivers' only current source of cash or working capital is through its existing \$15 million National Rural Utilities Cooperative Finance Corporation ("CFC") line of credit.
- b. State the amount of cash reserve Big Rivers believes is necessary to have on hand at any given time excluding any cash that may be available under the \$15 million line of credit with CFC. Explain the basis for this amount and provide any analyses or studies that support the derivation of this amount.
- **Response)** a. Apart from the margins earned on the provision of wholesale electric and transmission service (and including the rental payments from E.ON under the terms of the 1998 Transaction relating to the lease of Big Rivers' generation), Big Rivers confirms that its only currently available source of cash or working capital is from CFC. As explained in the Direct Testimony of C. William Blackburn, Exhibit 47 at p. 40, Big Rivers currently has a \$15 million secured line of credit from CFC as well as an unsecured \$2.5 million emergency line of credit it received in connection with its response to the January 27, 2009 ice storm damage.
- The \$15 million secured line of credit is a revolving facility which terminates July 13, 2013. This revolving facility serves two important functions for Big Rivers. First, the secured line of credit is used by Big Rivers whenever it needs to issue a letter of credit in connection with Big Rivers' activities in the wholesale power market. This establishes an important limitation on Big Rivers' ability to draw down this line of credit to meet ordinary costs of operations that are not met by rates if this revolving facility already has been drawn down Big Rivers has no other means of posting a letter of credit that might be required for it to continue transacting in the wholesale power market. Given the critical importance to Big Rivers of continuing to access the wholesale power market, Big Rivers must be extremely judicious in its recourse to this line of credit. As recently as 2007, Big Rivers simultaneously issued \$14.5 million in letters of credit under the CFC line of credit in order to transact in the market.

Second, because this line of credit must be completely repaid at least once every year, it is not a long-term solution to any cash insufficiency and cannot be seen as available to meet ordinary costs of operations. Instead, this line of credit is a temporary stopgap that Big Rivers may access while it seeks a more permanent solution to a particular cash need. Moreover, there are limitations on Big Rivers' ability to draw funds from it. The CFC revolving credit agreement conditions the making of loans on a number of things, including no default under the RUS Mortgage, and no material adverse change in the financial condition, operations or business prospects of Big Rivers from that set forth in its December 31, 2002 financial statements. This requirement is found in the July 14, 2003 Revolving Credit Agreement in Section 3.1(c), and a similar requirement exists in the February 20, 2009, Revolving Credit Agreement in Section 4.01.D (See response of Big Rivers to KIUC First Information Request, Item 1-5). Thus, the CFC facility cannot be relied upon as a source of financing in adverse circumstances. Big Rivers is concerned that if it cannot obtain rates that will provide sufficient cash to operate without leaning on the CFC line of credit that was obtained for another purpose, CFC may

operations or business prospects."

The \$2.5 million unsecured line of credit from CFC terminates February 24, 2011 and was entered into solely to finance Big Rivers' ice storm damages while Big Rivers waited for its insurance payments and any amounts forthcoming from the Federal Emergency Management Agency. Big Rivers' storm damages amounted to approximately \$2.4 million and thus little to no additional borrowing under this facility will be available once Big Rivers draws down for these damages. Big Rivers has no expectation that CFC would permit it to make additional draws upon this line of credit for other purposes once amounts from the ice storm have been repaid.

Item 1 Page 2 of 7

which Big Rivers is willing to expose itself given the role that cash reserves play in meeting Big Rivers' unanticipated costs. This request for emergency interim rate relief was premised on getting Big Rivers over the immediate short-term liquidity problem posed during the period December 2009 to January 2010 as Big Rivers confronts the need to both repay PMCC its \$12.4 million and meet its quarterly \$15.8 million payment to the RUS even as current rates were projected to under-recover Big Rivers' revenue requirement. In seeking emergency interim rate relief in the amount requested, Big Rivers' March 2<sup>nd</sup> Application proposes reducing its cash on hand (as augmented by significant deferrals and cuts in Big Rivers' expenditures) to a bare minimum level in January of 2010 that left little to no room for Big Rivers to meet any additional unplanned adverse financial developments that might arise between now and next January or in the months immediately thereafter. The minimum cash reserve amount which Big Rivers proposed temporarily in this single month in these unusual circumstances would not be considered by Big Rivers to be acceptable on an ongoing, long-term basis.

Subsequent events have resulted in a likely deterioration of Big Rivers' anticipated cash position in January 2010 even assuming the full interim rate relief is granted by the Commission. Big Rivers has no doubt that it will require the full amount of this requested relief, and Big Rivers seriously questions whether it has requested a large enough increase should certain known risks materialize. Big Rivers may need to make a new request or augment this existing request in that event. Big Rivers believes that these known risks must be discussed in order to properly frame the question of the minimum cash requirements it will need in January 2010 and thereafter.

 A host of variables that are now largely unknown can, and likely may, decrease the amount of cash Big Rivers will have in January 2010 after repayment of PMCC and the quarterly RUS payment. As an example, when Big Rivers fixed the amount of its proposed rate increase, Big Rivers assumed that a final resolution of the Unwind Transaction would occur on or before mid-April. That now will not be the case – Big

Rivers continues to expend funds throughout March on pursuing the Unwind Transaction, and those expenditures will continue into April and potentially later until the Unwind Transaction is either closed or abandoned. The effects of these expenditures on Big Rivers' cash levels were not accounted for in the initial request and resulting January 5, 2010 cash balance, and cannot be known at this point. As another example, the weakened national economy continues to depress demand for power and thus power prices, and Big Rivers' 2009 power sales revenues likely will not reach the revenues projected. Weather during 2009 will remain an additional unknown variable that could increase or decrease non-Member power sales and resulting revenues. Moreover, 60 days from the date that Big Rivers and the smelters acknowledge that the Unwind Transaction is not going to close, the current Tier 3 sales of power Big Rivers is making to the smelters at a weighted average price of \$48.67 per MWh will terminate. Since Big Rivers projects the market price of power to be much lower than the current Tier 3 price, this will significantly reduce Big Rivers' income from the assumptions made in the *pro forma* revenue requirement.

Big Rivers does not seek to be alarmist, but the risks it faces in 2009 remain in large part unknown and the consequences of unprojected changes in future cash levels are severe given the extremely low level of cash on hand on which Big Rivers based its proposed request for interim rate relief. While none of these events necessarily will come to pass, Big Rivers remains mindful of their potential adverse effects on the cash that will be available in January 2010 even with the requested interim rate increase. Any discussion of Big Rivers' minimum cash requirements must recognize the fluidity of Big Rivers' current situation and the lack of flexibility already built into the January 2010 cash levels that will be produced by the requested rate increases. These cash levels already were set as low as possible. Any further reduction significantly would endanger Big Rivers' ability to operate.

As Big Rivers noted in its March 2<sup>nd</sup> Application, Big Rivers' need to maintain a cash reserve is greatly heightened due to its inability to borrow funds to meet new costs.

Whereas a utility with an adequate ability to obtain financing need only maintain sufficient cash or working capital to account for leads and lags between normal and anticipated disbursements and receipts for all O&M expenditures, Big Rivers also must rely on its cash reserves to meet all anticipated capital expenditures and debt service as well as to provide for any unanticipated cash requirements. This elevates the role of cash reserves for Big Rivers, leaving no room for error on the downside.

Quantification of the minimum level of cash reserves Big Rivers would require in a given month is determined by a combination of factors. Measured on a simple lead-lag basis of cash inflows and outflows in a single month, Big Rivers could operate on a short-term basis with cash equivalent to approximately twenty days' worth of budgeted O&M and capital expenditures (approximately \$10 million), assuming all payments owed to Big Rivers were made on a timely basis. These twenty days' of costs are a function of the timing of Big Rivers' cash flows. Each month, WKEC owes Big Rivers a monthly rental payment on the 1<sup>st</sup> of the month (as offset by amounts Big Rivers owes for power under the power purchase agreement) and thereafter Big Rivers has no further inflow of cash until the 20<sup>th</sup> of the month when Aces Power Marketing provides Big Rivers with payments for off-system sales made on Big Rivers' account. Maintaining a minimum cash level of 20 days of expected operations thus bridges this lag period under the assumed circumstances.

However, Big Rivers' minimum cash requirements in a given month also will depend on the amount of time remaining until the next quarterly payment is due on the New RUS Note as well as the amount of time until the next pollution control bond ("PCB") payment. In order for Big Rivers to be in position to make the RUS quarterly payment on the first business day of each new quarter, Big Rivers must build sufficient cash on top of amounts held to meet 20 days of budgeted O&M and capital expenditures. Big Rivers generally must plan to have on hand approximately 1/3 of the next quarterly payment at the end of the first month in a quarter, approximately 2/3 of the next quarterly payment at the end of the second month in a quarter, and all of the next quarterly payment at the end

of the third month in a quarter. Similarly, in order for Big Rivers to be in a position to make its twice annual PCB payments, Big Rivers must plan to accumulate sufficient funds before those payments are due.

And any amounts retained for unanticipated contingencies then must be retained as part of cash reserves on top of these minimum amounts for lead-lag, the RUS quarterly payments, and the twice-yearly PCB payments. These contingencies are various and were disclosed in the Direct Testimony of C. William Blackburn, Exhibit 47 at pp. 43-50. At the time that Big Rivers decided to enter into the PMCC Buyout, Big Rivers determined that it was not comfortable depleting its cash reserves below \$20 million after the PMCC Buyout, and the amount of the PMCC loan was keyed off of this assumption. Big Rivers continues to believe this represents an appropriate minimum amount for its cash reserves (exclusive of additional cash being built to make the RUS quarterly payments and the PCB payments, which necessarily will vary by month). In the future, Big Rivers needs to rebuild its cash reserves higher than this level if it is to have any ability to respond to unanticipated contingencies.

Barring the occurrence of any of the possible risks that may occur in 2009 as discussed above, Big Rivers projects an \$8.5 million level of cash reserves on January 5, 2010 if the full amount of its interim request for rate relief is granted. Because Big Rivers thereafter will need to cover only a 15 day gap in cash inflows until January 20, 2010, and because Big Rivers will have just made its quarterly RUS payment, Big Rivers estimates this will be a sufficient level of cash reserves, recognizing that no amounts whatsoever would be reserved for unanticipated costs. However, Big Rivers continues to look for additional costs that may be cut or deferred in order to increase this level of January 2010 cash reserves.

While Big Rivers would prefer a minimum cash level of approximately \$20 million in isolation, when it set the amount of its requested rate increase Big Rivers was mindful of a need to hold rates as low as possible, and was aware that January 2010 would constitute

a "trough" month for cash reserves given the need to meet both the RUS quarterly payment and the PMCC loan in quick succession.

SECTION 12. Any Noteholder may, at any time or times in succession without notice to or the consent of the Mortgagor or any other Noteholder and upon such terms as such Noteholder may prescribe, grant to any person, firm or corporation who shall have become obligated to pay all or any part of the principal of or interest on any Note held by or indebtedness owed to such Noteholder or who may be affected by the lien hereby created, an extension of the time for the payment of such principal or interest, and after any such extension the Mortgagor will remain liable for the payment of such Note or indebtedness to the same extent as though it had at the time of such extension consented thereto in writing.

SECTION 13. The Mortgagor, subject to applicable laws, and rules and orders of regulatory bodies, and taking into consideration all other sources of revenue available to the Mortgagor, will design its rates for electric energy and other services furnished by it with a view to paying and discharging all taxes, maintenance expenses, cost of electric energy and other operating expenses of its electric transmission and distribution system and electric generating facilities, if any, and also to making all payments on Notes when and as the same shall become due and to providing and maintaining reasonable working capital for the Mortgagor.

SECTION 14. The Mortgagor will not, in any one year, without the approval in writing of the Mortgagees, declare or pay any dividends, or pay or determine to pay any patronage refunds, or retire any patronage capital or make any other Cash Distributions (such dividends, refunds, retirements and other distributions being hereinafter collectively called "Distributions"), to its members, stockholders or consumers if after giving effect to any such Distribution the total Equity of the Mortgagor will not equal or exceed 40% of its total assets and other debits; provided, however, that the Mortgagor may nevertheless make Distributions in any year up to 25% of the patronage capital and margins received by the Mortgagor in the next preceding year where after giving effect to any such Distribution the total Equity of the Mortgagor will equal or exceed 20% of its total assets and other debits, and provided, further, however, that in no event will the Mortgagor make any Distributions if there is unpaid when due any installment of principal of or interest on the Notes, if the Mortgagor is otherwise in default hereunder or if, after giving effect to any such Distribution, the Mortgagor's total current and accrued assets would be less than its total current and accrued liabilities.

For the purpose of this section, a "Cash Distribution" shall be deemed to include any general cancellation or abatement of charges for electric energy or services furnished by the Mortgagor, but not the repayment of a membership fee of not in excess of \$100 upon termination of a membership. As used or applied in this Mortgage (1) "Equity" shall mean the aggregate of Equities and Margins (as such terms are defined in the Uniform System of Accounts) and Subordinated Indebtedness; and (2) "Subordinated Indebtedness" shall mean unsecured indebtedness of the Mortgagor, payment of which shall be subordinated to the prior payment of the Notes in form and substance satisfactory to the Mortgagees.

SECTION 15. In the event that the Mortgaged Property, or any part thereof, shall be taken under the power of eminent domain, unless RUS and the Mortgagor shall otherwise agree and, subject to any applicable provisions of the LG&E Transaction Agreements, the Mortgagor shall replace the Mortgaged Property, or part thereof, taken under the power of eminent domain; provided, however that in the event that the Mortgagor, with the agreement therefor of RUS, shall not replace such Mortgaged Property, the Mortgagor shall, and subject to

- Item 4) Refer to Big Rivers' Application, Exhibit 47, page 8. Big Rivers states the Philip Morris Credit Corporation ("PMCC") loan in the amount of \$12.4 million is due on December 15, 2009.
- Describe the consequences to Big Rives if this payment is not a. made on or before December 15, 2009.
- Summarize all discussions, correspondence, and results thereof b. between Big Rivers and PMCC with regard to postponing or refinancing the repayment of this loan. If no such discussions or correspondence have occurred, explain why.
- Big Rivers will be in default and PMCC will have all the usual Response) remedies of a creditor holding a defaulted debt obligation including the right to bring suit to enforce payment. If not paid when due, the interest rate will increase by 200 basis points. The failure to pay the PMCC note when due would also be a default under the RUS loan contracts which is cross defaulted to other indebtedness for borrowed money in excess of \$10,000,000.
- h. Mark Bailey talked with Joan Woodruff at PMCC on the morning of March 19, 2009, to inquire about whether PMCC would give Big Rivers some relief from the December 15, 2009, due date for this note. Ms. Woodruff telephoned Mr. Bailey that afternoon to say that PMCC management had already built repayment of the loan into its "numbers" for the year, and PMCC was unable to offer Big Rivers anything in the way of relief from the due date of the note.

- **Item 5)** Refer to Big Rivers' Application, Exhibit 47, page 41. Big Rivers states the quarterly payment in the amount of \$15.8 million on its new Rural Utilities Service ("RUS") note is due on January 4, 2010.
- a. Describe the consequences to Big Rives if this payment is not made on or before January 4, 2010.
- b. Summarize all discussions, correspondence, and results thereof between Big Rives and RUS with regard to postponing or refinancing the repayment of this loan. If no such discussions or correspondence have occurred, explain why.
- **Response)** a. Big Rivers will be in default under the note, the RUS loan contract and the RUS Mortgage. This will permit the acceleration of all of the debt secured by the RUS Mortgage, including (1) the new RUS note, (2) the ARVP RUS note, (3) the CFC debt, and (4) both series of pollution control debt. In addition, the creditors can take immediate possession of all of Big Rivers' properties, bring suit to enforce all remedies and cause the mortgage property to be sold as permitted by law.
- b. On March 23, 2009, Mark Bailey and Bill Blackburn spoke with the acting administrator of RUS, Jim Newby, Bill Railey, from the RUS power supply division, and Victor Vu, the director of the RUS power supply division, to inquire about postponing or refinancing the repayment of the RUS New Note. RUS requested that Big Rivers submit a written request for their consideration, which Big Rivers did on March 23, 2009. RUS informed Big Rivers that it would consider this request and try to provide a response prior to the March 23, 2009 hearing.

Item 6) a. Provide Big Rivers' cash and cash equivalent balances as of March 16, 2009.

- Beginning with Big Rivers' cash and cash equivalent balance as b. stated in response to Item a., provide a detailed projected cash flow analysis up to January 5, 2010, showing each month separately, assuming Big Rivers' current rates remain in effect. Ensure that this analysis includes only cash flows and that no non-cash revenue or expense accruals are included. When presenting this analysis, separate receipts and disbursements by Uniform System of Accounts account numbers and titles in as much detail as is practical. State the basis for the projected amounts in each account. Where the pro forma adjustments shown in Big Rivers' Application, Exhibit 46, Seelye – 2 are incorporated into these projections, show the monthly impact of the adjustments. Where there is any degree of speculation in the projected cash flows, provide the impact on the analysis assuming a best- and worst-case scenario. For example, Exhibit 46, Seelye -2, Schedule 1.11 details an adjustment decreasing test year net revenues by \$18.9 million, in part, due to anticipated changes in test year off-system sales revenue resulting from changes in contract and market prices. When calculating the impact of this adjustment, use a range of market prices that could be expected between now and January 5, 2010, assuming the best and worst market conditions that could be reasonably anticipated. Using this approach, Big Rivers will develop two possible cash balances that can be reasonably anticipated on January 5, 2010, one assuming all best-case scenarios and another assuming all worst-case scenarios.
- c. If the cash flow analysis provided in response to Item b. includes cash expenditures for capital improvements, explain the reasons why it is imperative that each project be completed when included in the analysis and why it could not be delayed until such time as funds are more readily available.
- d. The cash flow analysis provided in response to Item b. includes two possible cash balances on January 5, 2010, assuming best- and worst-case scenarios of projected receipts and disbursements. State the anticipated cash available to Big Rivers on January 5, 2010 through its \$15 million line of credit with CFC under each of

b. Beginning with the March 16, 2009, cash and cash equivalents balance of \$28,537,250 per Item a. above, the projected calendar month cash flow analysis through December 31, 2009, using Big Rivers' current member tariff rates, and including the Uniform System of Accounts account numbers, separated between receipts and disbursements in the format of a statement of cash flows (direct method), is attached hereto as Schedule A. As shown thereon, the projected cash and cash equivalents balance on December 31, 2009, is \$6,258,336. Then, the first business day of 2010, January 4, the following receipt and disbursements are due:

Vendor	Description	Amount		
December 31, 20	\$6,258,336			
From:WKEC	Monthly Lease Payment	\$2,580,407		
To: WKEC	Non-Incremental Capital	(585,500)		
To: RUS	Quarterly Debt Service	(15,800,679)		
January 5, 2010	(\$7,547.436)			

The resulting January 5, 2010, cash and cash equivalents balance is (\$7,547,436). While Schedule A reflects Big Rivers' current member tariff rates without increase, we note that the projected cash and cash equivalents balance on January 5, 2010 would be \$8,539,115 with the proposed rate increase made effective April 1, 2009.

The basis for the projected cash flows per the attached schedule was a detailed process that began with Big Rivers' 2009 budget approved by Big Rivers' board of directors in December 2008 Big Rivers then factored in both the relevant pro forma amounts (sales, purchased power, pollution control bond interest, income taxes, rate case cost, pension, and "unwind" cost-share) and the current results of management's O&M and capital

expenditure cost-deferral and cost-containment efforts (approximately \$13.9 million from management's cost-deferral/cost-containment efforts to date is reflected).

Regarding a best- and worst-case scenario, Big Rivers management contends that

In providing the worst-case scenario, attached hereto as Schedule B, a similar cash flow analysis was performed as revised for three high-risk cost elements. Those three items

are less favorable off-system and smelter Tier 3 sales, the associated purchased power

Schedule A attached hereto remains the company's best-case scenario, largely due to the weakening state of power markets. For several reasons, as noted in PSC item 1b, Big Rivers believes the down-side risks far outweigh the potential for up-side improvements. First, due to the weak economy, the off-system sales market from which Big Rivers has significantly benefited in recent years has softened markedly in recent months. Second, the potential exists for member loss of load, as several of Big Rivers' member's large industrial customers are cutting back production. Kenergy's large industrial customer, Aleris, has filed for a Chapter 11 reorganization. Third, adverse weather, perhaps a hot and dry summer, could result in Big Rivers needing to purchase higher priced power on the wholesale market. This results from the Wolf Creek Dam (SEPA) not having adequate water-flow to generate hydroelectric power in sufficient quantity to supply Big Rivers with its full entitlement under the SEPA contract. A significant storm could cause transmission and distribution system damages, thereby producing a loss of revenue and unanticipated costs. Fourth, while the interest rates Big Rivers is paying on its two series of pollution control bonds are already high, one component of those interest rates could cause those rates to be much higher. Dexia, the liquidity provider for the \$58.8 million variable rate demand bonds, currently holds \$40.45 million as Bank Bonds. Bank Bonds bear interest at the Bank Rate, currently 3.25%, while the market rate is 8%. Fifth, Big Rivers continues to incur cost for the "Unwind", as reflected in Item 1b. There are certainly other adverse risks to Big Rivers projected cash position, such as costs to comply with new environmental laws, claims by WKEC or LEM, environmental costs such as the price of allowances or variable costs being much higher than projected, etc.

(\$1,599,569), \$7,857,905 worse than the Schedule A best-case. Please see attached list of capital and capital construction projects c. along with an explanation of why each project that is not to be deferred is to be completed and not delayed until funds are more readily available. Big Rivers will

continue to monitor each project and will use reasonable diligence to defer costs when

cost, and the higher current market rate of interest on the \$40.45 million of the \$58.8

worst-case, reflects a December 31, 2009, cash and cash equivalents balance of

million series of pollution control bonds currently held as Bank Bonds. Schedule B, the

practical. Big Rivers does not count on the CFC \$15 million line of credit d.

for purposes other than its indispensable purpose of enabling Big Rivers to obtain access to the wholesale power markets. The CFC \$15 million revolving credit agreement conditions the making of loans on a number of things, including no default under the RUS Mortgage, and no material adverse change in the financial condition, operations or business prospects of Big Rivers from that set forth in its December 31 2002 financial statements. Thus, the CFC facility cannot be relied upon as a source of financing in adverse circumstances. Moreover, it is the sole source of cash available for unplanned cash needs, such as described in Big Rivers' response to Commission Staff's Second Request for Information, Item 1(a).

## 2009 Construction Budget

Project	Explanation
I370H014	Project was used as an offset in budget for an emergent, higher priority project involving the Crider microwave tower replacement which failed during the late January ice storm.
І370Н006	All project expenditures were deferred except for materials already purchased and for some staff engineering labor involved in project planning. This project involves conductor replacement on an existing transmission line to increase its power flow capacity.
1370Н007	Project is necessary to prevent an existing transmission line river crossing structure and foundations from sliding into the river due to bank erosion.
I420H021, I420H022, I420H023, & I420H024	Budget expenditures in all four projects are for staff labor involved in project planning only.
W8640000	All project expenditures were deferred except for ongoing right-of-way easement legal work associated with court cases. This is a new transmission line construction project to meet load demands of the member distribution cooperative.
W8950000	Project is under construction and all 2009 funding is either committed under a contract or previously spent. This is a new transmission line construction project needed to meet load demands of the member distribution cooperative.
I370Н003	All project expenditures shown are for staff labor involved in project planning and engineering only.
W8700000	Project needs to be completed by July 1, 2009 to meet requirements of a new EPA regulation. Project is under construction and nearing completion.
W9170000	Project is under construction and all 2009 funding is either committed under a contract or previously spent. This is a new transmission line construction project needed to meet load demands of the member distribution cooperative.
I420H007	Project is for replacement of rejected wood poles from pole inspection program and are necessary to avoid pole failures and to prevent resulting customer outages.
W9260000	Project construction is completed. This project involved conductor replacement on an existing transmission line to increase its power flow capacity.
W8850000	Project construction is completed. This project involved conductor replacement on an existing transmission line to increase its power flow capacity.
1370Н008	Project was used as an offset in budget for an emergent, higher priority project involving the Crider microwave tower replacement which failed during the late January ice storm.

## 2009 Construction Budget (continued)

Project	Explanation
I420H006	All materials have been purchased. Only staff installation labor expenditures remain to be completed. This project involves the replacement of worn out 161 kV station disconnect switches at the Reid Switchyard.
I420H025	All materials have been purchased. Only staff installation labor expenditures remain to be completed. This project involves the replacement of voltage transformer units found to have serious insulation deterioration and the same type as two units which failed during 2008.
I420H002, I420H003, I420H004	All three battery systems have at least one bad unit in them and are well past the expected battery life. No spare units are available and no direct replacement units can be purchased. These battery systems provide the power to critical transmission line and station protection systems and communication systems at each of these stations.
I420H026	All materials have been purchased. Only staff installation labor expenditures remain to be completed. This project is needed for the same reason as that for Project I420H025.
І370Н017	Project needs to be completed by July 1, 2009 to meet requirements of a new EPA regulation. Project is under construction.
W9230000	All project expenditures were deferred except for purchases of the frequency spectrum rights in Big Rivers' service territory and for engineering work needed to apply for and receive FCC approval of the spectrum acquisition, license assignment to operate a land based system, and specific site licenses to meet the design requirements of the two-way radio system. This project is necessary due to the difficulty of maintaining existing equipment because replacement parts are no longer available and due to a change in the FCC regulations effective in 2012 which will necessitate the replacement of the existing system equipment.
I420H010	Project involves the replacement of current transformers in the revenue metering installation at an existing distribution substation of a member cooperative to accommodate an upgrade of the main power transformer at that station.
W9070000	Project was used as an offset in the budget for the emergent, higher priority Armstrong Coal Equality Mine electric service project. This is a new customer of member distribution cooperative.
W9300000	All project expenditures were deferred except for major equipment already purchased (i.e. power transformer, power circuit breakers, and voltage transformers) and for the purchase of the land for the new station which is already committed. This is a new transmission substation construction project needed to meet load demands of the member distribution cooperative.
1370Н001	All project expenditures shown are for staff labor involved in project planning and engineering only.

## 2009 Capital Budget

Item	Explanation
Battery Load Tester	New equipment needed to meet NERC Standards pertaining to testing and maintenance of transmission line and station protection systems including battery banks.
A/C Unit Replacements	As needed replacement of failed air conditioning units at system substation control and communication buildings.
Hoist, Grip, and Rope Replacments	As needed replacement of worn out equipment used by staff maintenance personnel performing transmission line work.
Hydraulic Pump and Press Replacement	Equipment needed for maintaining transmission lines with new conductor types and as needed replacement of worn out equipment used by staff maintenance personnel performing transmission line work.
Tool Replacements	As needed replacement of worn out small hand tools used by transmission line and station maintenance personnel.
Portable Generator (2) Replacements	As needed replacement of worn out generator units used by transmission line and station maintenance personnel during planned or unplanned power outages at system substation and communication sites.
Typewriter	Purchased earlier in 2009. This replaced worn out unit used at transmission system maintenance office.
3/4 Ton, 4x4 Crew Cab Pickup Truck-Veh.254	Purchased earlier in 2009. This truck replaced transmission line maintenance crew vehicle which had more than 200,000 miles on it.
1/2 Ton, 4x4 Ext. Cab Pickup Truck-Veg. Mgmt.	Purchased earlier in 2009. This is vehicle for new employee performing vegetation management program supervision.

### 2009 Capital Budget

## 1. <u>GIS—Personal computer/Laptop Replacements/Server Replacements \$ 185,000 (member cooperatives and BREC)</u>

- a. The Geographic Information System (GIS) is used in the member distribution cooperatives' service trucks, line trucks and the Engineering departments as a tool to better serve their customers. The data on these include the Customer Information System (CIS) Meter Information, Transformer Information, Pole Information and Outage Management System. Additional information relates to Line Sections, kWh and kW information, as well as load studies.
- b. It is used to engineer new service installations and to revise existing service facilities.
- c. This system is used by Big Rivers and the member cooperatives to better respond to customers inquires/needs, and reduce the time to complete service installations.

### 2. Servers, Firewalls, Switches, Computer Equipment - Disaster Recovery Center \$ 62,500

a. This is needed to comply within the <u>NERC Critical Infrastructure Protection (CIP)</u> (Transmission Control System) and RUS (Business Systems) requirements for a readiness of the disaster recovery center.

### 3. Compliance Tracking Software (NERC, SERC, CIPS) \$ 50,000

a. Software to track the compliance requirements (NERC/CIP's) and alerts to ensure completion of required tasks.

## 4. Cyber Security Equipment \$ 21,000

a. Equipment required to ensure security of Big Rivers' computers via the electronic connections from the outside world.

## 5. Software Tools \$ 20,800

a. Software needed to increase computer effectiveness and efficiency by permitting computers to communicate together for unified communications.

#### 6. Laser Fiche \$ 15,000 (member cooperatives and BREC)

 a. Laser Fiche is a document scanning and retrieval system. This system is essential in electronic office handling of documents to retrieve records, reduce storage cost etc. This type of system allows quicker response to inquiries from the member distribution cooperatives' customers and cooperative personnel.

#### 7. Remote Access to SOE's (Sequence of events), Digital Relays \$ 10,000

a. This is needed to comply with <u>NERC recommendations</u>, to enable Big Rivers' engineers to access the substation data systems to retrieve information, to set controls, etc via remote electronic communications.

#### 8. Scanner \$ 10,000 (Already Purchased-January 2009)

a. Scanner used by the Records Management Department to reduce the volume of paper records.

#### 9. Additional Disk for Coop Web Computer \$ 1,500

a. This is additional disk space, to be increased based on standard recommendation to increase disk capacity if greater than 80% utilization. This Server is used to host the Member Cooperatives' Customer Relations Management (CRM) system. The CRM site allows customers to view customer billing information up to four years as well as PDF's of the last eighteen months of utility bills, payment processing and other functions.

Please provide Big Rivers' 12-month ending TIER and DSC for each

**Response)** For purposes of clarification in responding to this request and KIUC item 1-3, Big Rivers has used the following definitions of DSC and TIER:

month from January 2008 to date. Please provide the calculations that support your

#### DSC:

Item 1-2)

answer.

shall mean the ratio of (1) net income (after taxes and after eliminating any gain or loss on sale of assets or other extraordinary gain or loss), plus depreciation expense, amortization expense, and interest expense, minus capitalized interest not paid from operating cash flow, non-cash patronage and non-cash income from subsidiaries and/or joint ventures; to (2) all principal payments due within the period on all Long Term Debt plus interest expense (all as calculated on a consolidated basis for the applicable period in accordance with GAAP consistently applied or the appropriate standards of the regulatory agency having jurisdiction over the company) minus capitalized interest not paid from operating cash flow.

#### TIER:

shall mean the ratio of (1) net income (after taxes and after eliminating any gain or loss on sale of assets or other extraordinary gain or loss), plus interest expense; to (2) interest expenses (all as calculated on a consolidated basis for the applicable period in accordance with GAAP consistently applied or the appropriate standards of the regulatory agency having jurisdiction over the company) minus capitalized interest not paid from operating cash flow.

Big Rivers attaches its 12-month ending TIER and DSC for each month from January 2008 through February 2009. However, the testimony of Mr. Seelye from Exhibit 46 at page 22 bears repeating in these circumstances, "While standard calculations of TIER

and DSC for Big Rivers may appear robust, insolvency will result just as surely from a lack of cash."

Item 1-3) Please provide Big Rivers' projected 12-month ending TIER and DSC for each month of 2009. Please provide the calculations that support your answer.

DSC and TIER used in responding to this request. The projected 12-month ending TIER and DSC for each month March 2009 through December 2009 are attached. January and

February 2009 were included in our response to KIUC item 1-2. Again, Big Rivers notes

from a lack of cash at some point in January 2010 absent the interim rate relief requested.

that however robust TIER and DSC may appear Big Rivers will still become insolvent

#### ARTICLE I

#### REPRESENTATIONS AND WARRANTIES

### Section 1.1. The Borrower represents and warrants that:

- (a) <u>Good Standing</u>. The Borrower is a corporation duly incorporated and validly existing under the laws of the State, is duly qualified in those states in which it is required to be qualified to conduct its business and has corporate power to make and perform this Agreement, the Note (as hereinafter defined), the Nondisturbance Agreement and the Mortgage, to borrow hereunder and to give security as provided for herein and therein.
- (b) <u>Authority</u>. The execution, delivery and performance of the Borrower of this Agreement, the Note (as hereinafter defined), the Nondisturbance Agreement and the Mortgage and the performance of the transactions contemplated hereby and thereby have been duly authorized by all necessary corporate action and will not violate any provision of law or regulation or the Articles of Incorporation or By-Laws of the Borrower or result in a breach of or constitute a default under, any order, decree, agreement, indenture or other instrument to which the Borrower is a party or by which it may be bound. This Agreement, the Note (as hereinafter defined), the Nondisturbance Agreement and the Mortgage constitute the legal, valid and binding obligations of the Borrower.
- (c) <u>Litigation</u>. Except with respect to or in connection with litigation disclosed on Schedule 1 hereto, there are no suits or proceedings pending or, to the knowledge of the Borrower, threatened against or affecting the Borrower or its properties which, if adversely determined, would have a material adverse effect upon the financial condition or the business of the Borrower. The Borrower is not, to its knowledge, in default with respect to any judgment, order, rule or regulation of any court, governmental agency or other instrumentality which would have a material adverse effect on the Borrower.
- (d) <u>Financial Statements</u>. (i) The Borrower has no contingent obligation or unusual forward or long-term commitments except as specifically stated in the financial statements of the Borrower as at December 31, 2002 or otherwise disclosed on Schedule 1 hereto. (ii) There has been no material adverse change in the financial condition, operations or (other than matters generally affecting generation and transmission cooperatives) business prospects of the Borrower from that set forth in the financial statements of the Borrower as at December 31, 2002 or disclosed on Schedule 1 hereto.
- (e) <u>Location of Office</u>. The principal place of business of the Borrower and the office where its records concerning accounts and the contract rights are kept is identified in Schedule 1 hereto.
- (f) <u>Location of Properties</u>. All counties in which the recordation of the Mortgage in the real estate records and/or the filing of the Mortgage in the UCC records is necessary in order to perfect a security interest in all of the Mortgaged Property (as defined in the Mortgage) are identified on Schedule 1 hereto.
- (g) No Other Liens. As to the property which is presently included in the description of Mortgaged Property (as the term is defined in the Mortgage and exclusive of property released from the lien thereof in accordance with the terms thereof, including any property released under the Mortgage Amendment), the Borrower has not signed any security agreement or filed or permitted to be filed any financing statement with respect thereto, other than (i) security agreements and financing statements described in and contemplated by the Mortgage, (ii) any Permitted Encumbrances (as defined in the Mortgage), and (iii) the LEM Mortgage and the LG&E Subordinated Mortgage (each as defined in the Nondisturbance Agreement).

- (h) <u>Required Approvals</u>. No license, consent or approval of any governmental agency or authority is required to enable the Borrower to make or enter into this Agreement, the Note, the Nondisturbance Agreement or the Mortgage, or to perform any of its obligations provided for herein or therein except (i) those consents or approvals, received prior to the date hereof, from the Mortgagees, and (ii) the additional consents or approvals set forth in Schedule 1 hereto.
- (i) <u>Survival</u>. All representations and warranties made by the Borrower herein or made in any certificate delivered pursuant hereto shall survive the making of the Advances (as hereinafter defined) and the execution and delivery to CFC of the Note.

#### Section 1.2. CFC represents and warrants that:

- (a) <u>Good Standing</u>. CFC is a cooperative association incorporated and validly existing under the laws of the District of Columbia, is duly qualified in those states in which it is required to be qualified to conduct its business and has corporate power to make and perform this Agreement, the Nondisturbance Agreement and the Mortgage.
- (b) <u>Authority</u>. The execution, delivery and performance by CFC of this Agreement, the Nondisturbance Agreement and the Mortgage, and the performance of the transactions contemplated hereby and thereby have been duly authorized by all necessary corporate action and will not violate any provision of law or regulation or the Articles of Incorporation or By-Laws of CFC or result in a breach of, or constitute a default under, any order, decree, agreement, indenture or other instrument to which CFC is a party or by which it may be bound. This Agreement, the Nondisturbance Agreement and the Mortgage constitute the legal, valid and binding obligations of CFC.

#### ARTICLE II

#### LOAN

#### Section 2.1. Advances.

- (a) CFC agrees to advance funds to the Borrower pursuant to the terms and conditions hereof (each such advance of funds is referred to herein as an "Advance"), provided, however, that the amount at any time outstanding under this line of credit shall not exceed the CFC Commitment (as defined in Schedule 1 hereto). The Borrower may borrow, repay and reborrow funds at any time or from time to time for a period up to one hundred twenty (120) months from the date hereof; provided, however, that CFC may, in its sole discretion, terminate this Agreement effective as of the date that is sixty (60) months after the date hereof so long as CFC shall have delivered written notice thereof to Borrower at least six (6) months prior to such date.
- (b) The obligation of the Borrower to repay the Advances shall be evidenced by that certain First Amended and Restated Secured Promissory Note of the Borrower dated as of the date hereof (herein called the "Note") in the principal amount of the CFC Commitment.
- (c) Any Advances outstanding under the Original Agreement as of the date hereof shall be transferred to and deemed to be Advances under this Agreement, with the obligations of the Borrower to repay such Advances evidenced by the Note.

#### Section 2.2. Interest Rate and Payments.

The Borrower unconditionally promises and agrees to pay, as and when due, Interest on all amounts advanced hereunder from the date of each Advance and to repay all amounts advanced hereunder with interest on the date this Agreement terminates as provided herein. Interest shall be due and payable in accordance with CFC's regular quarterly billing cycles as may be in effect from time to time. CFC shall send a payment notice to the Borrower at least five (5) days prior to the due date of any interest or principal payment, including any principal payment due at maturity. All amounts shall be payable at CFC's main office at 2201 Cooperative Way, Herndon, Virginia 20171-3025 or at such other location as designated by CFC from time to time. The interest rate on all Advances will be equal to the total rate per annum as may be fixed by CFC from time to time, which shall not exceed the Prevailing Bank Prime Rate (as defined herein), plus one percent per annum. Interest will be computed on the basis of a 365 day year for the actual number of days that any Advance is outstanding. The effective date of an interest rate adjustment will be determined from time to time by CFC, provided that no such adjustment may be effective on a date other than the first or sixteenth day of any month, and any such adjustment shall remain in effect until any subsequent change in the interest rate occurs.

The "Prevailing Bank Prime Rate" is that bank prime rate published in the "Money Rates" column of The Wall Street Journal on the publication day immediately preceding the day on which an adjustment in the interest rate hereof shall become effective. If The Wall Street Journal shall cease to be published, then the Prevailing Bank Prime Rate shall be determined by CFC by reference to another publication reporting bank prime rates in a similar manner.

- Notwithstanding anything contained in this Section 2.2 to the contrary, the entire (b) outstanding principal amount of the Note shall mature on the date ("Maturity Date") that is one hundred twenty (120) months from the date hereof; provided, however, that CFC may, in its sole discretion, terminate this Agreement effective as of the date that is sixty (60) months after the date hereof so long as CFC shall have delivered written notice thereof to Borrower at least six (6) months prior to such date, and the Borrower shall pay the outstanding principal amount of the Note, together with interest accrued and unpaid thereon, and all other amounts due hereunder, in full, on the Maturity Date. The Borrower shall have the right, at any time and at its discretion, to repay Advances from time to time on one (1) Business Day's notice to CFC, without premium or penalty.
- Each payment in respect of the Note shall be applied first to fees, if any, then to interest, if any, due on the date of such payment and the balance to the reduction of principal due on such date.
- Borrower agrees that for each 12-month period while this Agreement is in effect, (d) Borrower shall, for a period of at least five consecutive business days, reduce to zero all amounts outstanding hereunder. Borrower shall make the first balance reduction within 360 days of the first Advance hereunder. Each subsequent balance reduction shall be made within 360 days of the last day of such five-day period.

#### ARTICLE III

#### CONDITIONS OF LENDING

- Initial Advance. The obligation of CFC to make the initial Advance hereunder is Section 3.1. subject to satisfaction of the following conditions:
- Documents. CFC shall have been furnished with executed copies satisfactory to CFC of this Agreement, the Note, the Mortgage, the Nondisturbance Agreement and certified copies, reasonably

satisfactory to CFC, of all such corporate documents and proceedings of the Borrower authorizing the transactions hereby and thereby contemplated as CFC or its counsel shall require including, without limitation, certified copies of the Borrower's Articles of Incorporation and By-Laws, certificates setting forth the resolutions of the Borrower's Board of Directors adopted in respect of the transactions contemplated hereby and thereby and a certificate of the Borrower in respect of each of the officers who is authorized to sign this Agreement, the Note, the Mortgage, and the Nondisturbance Agreement on its behalf. CFC shall have received an opinion of counsel for Borrower addressing such legal matters as CFC or its counsel shall reasonably require.

- (b) <u>Government Approvals</u>. The Borrower shall have furnished to CFC originals, or true and correct copies, certified to CFC's satisfaction, of the consents referred to in Section 1.1(h) hereof necessary for the execution, delivery or performance by Borrower of this Agreement, the Note and the Mortgage.
- Representations and Warranties. (i) The representations and warranties contained in Section 1.1 hereof shall (except as affected by the transactions contemplated by this Agreement) be true on the date of the making of the initial Advance hereunder with the same effect as though such representations and warranties had been made on such date; (ii) no Event of Default specified in Article V hereof and no event specified in Article V hereof which, with the lapse of time or the giving of notice or both would become such an Event of Default, shall have occurred and be continuing or will have occurred after giving effect to the Advance on the books of the Borrower, and (iii) the Borrower shall have delivered to CFC, if requested, a certificate of its chief financial officer as to the matters referred to in clauses (i) and (ii) above.
- (d) Mortgage Filing. (i) The Mortgage Amendment shall have been duly recorded as a mortgage on real property, (ii) the Second Amendment shall have been duly recorded, and (iii) appropriate UCC financing statements, shall have been duly filed, recorded or indexed to perfect a security interest in all personal property encumbered by the Mortgage wherever CFC shall have requested, all in accordance with applicable law, and the Borrower shall have caused satisfactory evidence thereof to be furnished to CFC.
- (e) Requisitions. The Borrower will requisition Advances by notifying CFC in writing of the date on which CFC is to make such Advance (which, unless waived by CFC, shall be at least two (2) days after the delivery of such notice to CFC), the amount of the Advance and the date on which such Advance is proposed to be repaid to CFC (it being understood and acknowledged that such proposed date of repayment shall constitute a non-binding, good faith estimate by the Borrower, and that Borrower's obligation for repayment of Advances shall be governed by Article II, above).
  - (f) Special Conditions. Any special conditions set forth in Schedule 1 hereto.
- Section 3.2. <u>Subsequent Advances</u>. CFC's obligation to make Advances to the Borrower subsequent to the initial Advance is subject to (i) fulfillment by the Borrower of all of the conditions contained in Section 3.1, (ii) the representations and warranties contained in Section 1.1 hereof shall be true on and as of the date of the making of each Advance with the same force and effect as if made on and as of such date; and (iii) no Event of Default specified in Article V hereof and no event specified in Article V hereof which, with the lapse of time or the giving of notice or both would become such an Event of Default, shall have occurred and be continuing or will have occurred after giving effect to such Advance on the books of the Borrower.

#### ARTICLE IV

#### AFFIRMATIVE COVENANTS

From the date hereof and until payment in full of the Note and performance of all obligations of the Borrower hereunder, the Borrower agrees that it will:

- (a) Membership. Remain a member of CFC.
- (b) Annual Certificate. Within 60 days after the close of each calendar year, commencing with the year following the year in which the initial Advance hereunder shall have been made, deliver to CFC a written statement signed by its President or Chief Executive Officer, stating that said person has furnished to the governing board of the Borrower a report of the activities of the Borrower, and of its performance under this Agreement, the Note and the Mortgage during such year, and that to the best of said person's knowledge, the Borrower has fulfilled all of its obligations under this Agreement, the Note and the Mortgage throughout such year or, if there has been a default in the fulfillment of any such obligations, specifying each such default known to said person and the nature and status thereof.
- (c) <u>Special Affirmative Covenants</u>. Comply with any and all special affirmative covenants set forth in Schedule 1 hereto.
- (d) <u>Location of Office and Properties</u>. Advise CFC promptly of any changes in the information furnished in Schedule 1 hereto pursuant to Sections 1.1 (e) and (f) hereof.

#### ARTICLE V

#### **EVENTS OF DEFAULT**

Each of the following shall be an Event of Default under this Agreement:

- (a) <u>Representations and Warranties</u>. Any representation or warranty made by the Borrower in Section 1.1 hereof or in any certificate furnished to CFC hereunder shall prove to have been untrue or incorrect in any material respect at the time made or deemed made hereunder, be untrue or incorrect in any material respect and remain uncured;
- (b) <u>Payment</u>. Default shall be made in the payment of or on account of interest on or principal of the Note when and as the same shall be due and payable, whether in connection with a prepayment, by acceleration or otherwise, and such payment default shall have continued for a period of five (5) days;
- (c) <u>Bankruptcy</u>. A court having jurisdiction in the premises shall enter a decree or order for relief in respect of the Borrower in an involuntary case under any applicable bankruptcy, insolvency or other similar law now or hereafter in effect, or appointing a receiver, liquidator, assignee, custodian, trustee, sequestrator or similar official, or ordering the winding up or liquidation of its affairs, and such decree or order shall remain unstayed and in effect for a period of 90 consecutive days or the Borrower shall commence a voluntary case under any applicable bankruptcy, insolvency or other similar law now or hereafter in effect, or under any such law, or consent to the appointment or taking possession by a receiver, liquidator, assignee, custodian or trustee, of a substantial part of its property, or make any general assignment for the benefit of creditors;

- Corporate Existence. The Borrower shall forfeit or otherwise be deprived of its corporate (d) charter, franchises, permits, easements, or licenses required to carry on any material portion of its business and, to the extent that the loss or termination of such corporate charter franchises, permits, easements or licenses is involuntary, Borrower shall (i) fail to promptly contest such loss or termination and seek to reinstate such charter, franchises, permits, easements or licenses, or (ii) fail to cause such or such charter, franchises, permits, easements or licenses to be reinstated within ninety (90) days after the date of such loss or termination; or
- Cross Default. There shall occur an Event of Default, as such term is defined in the Mortgage, and, in the case of the Mortgage, any Mortgagee thereunder shall exercise any right or remedy available to such Mortgagee pursuant to the Mortgage; provided that this clause (e) of Article V shall not apply to any such Event of Default that is existing as of the date of execution of this Agreement and disclosed on Schedule 1 hereto.

#### ARTICLE VI

#### REMEDIES

If any of the Events of Default listed in Article V hereof shall occur after the date of this Agreement and shall not have been remedied, then CFC may cancel the CFC Commitment and decline to make any further Advances hereunder, declare the unpaid principal amount of the Advances and interest thereon and all other amounts payable hereunder or under the Note due and payable (whereupon such amounts shall immediately become due and payable) and/or pursue all rights and remedies available to CFC that are contemplated by the Mortgage in the respective manner, upon the conditions and with the effect provided in the Mortgage, including, without limitation, a suit for specific performance, injunctive relief or damages. Nothing herein shall be construed to limit the right of CFC to pursue all rights and remedies available to a creditor following the occurrence of an Event of Default listed in clause (e) of Article V hereof. Each right, power and remedy of CFC shall be cumulative and concurrent and not exclusive of any remedies provided by law, and recourse to one or more rights or remedies shall not constitute a waiver of any other right, power or remedy.

Section 7.2. <u>Expenses</u>. To the extent permitted by the Mortgage, the Borrower will pay promptly upon receipt of an invoice therefor all costs and expenses of CFC, including reasonable fees of outside counsel, incurred in connection with the enforcement of this Agreement, the Note, the Mortgage, and the other instruments provided for herein or with the preparation for such enforcement if CFC has reasonable grounds to believe that such enforcement may be necessary.

Section 7.3. <u>Late Payment Charges</u>. If payment of any principal and/or interest due under the terms of the Note is not received by CFC within five (5) calendar days of when due, the Borrower will pay to CFC, in addition to all other amounts due under the terms of the Note and this Agreement, any late payment charge as may be fixed by CFC from time to time, which shall not exceed the average late payment charge CFC charges its other borrowers.

Section 7.4. Filing Fees. To the extent permitted by law, the Borrower agrees to pay all expenses of CFC (including the reasonable fees and reasonable expenses of its outside counsel) in connection with the filing or recordation of all financing statements and instruments as may be required by CFC in connection with this Agreement, including, without limitation, all documentary stamps, recordation of any document or instrument in connection herewith. Borrower agrees to save harmless and indemnify CFC from and against any liability resulting from the failure to pay any required documentary stamps, recordation and transfer taxes, recording costs, or any other expenses reasonably incurred by CFC in connection with this Agreement. The provisions of this Section and of Section 7.2 shall survive the execution and delivery of this Agreement and the payment of all other amounts due hereunder.

Section 7.5. Setoff. In addition to any rights now or hereafter granted under applicable law and not by way of limitation of any such rights, upon and after the occurrence of any Event of Default listed In Article V hereof, CFC is hereby authorized by the Borrower, at any time or from time to time, subject to the terms of the Mortgage and the Nondisturbance Agreement, to the extent applicable, without notice to the Borrower or to any other person, any such notice being hereby expressly waived, to set off and to appropriate and to apply any and all deposits (general or special, including but not limited to. indebtedness evidenced by commercial paper, whether matured or unmatured) and any other indebtedness at any time held or owing by CFC to or for the credit or the account of the Borrower against and on account of the obligations and liabilities of the Borrower to CFC under this Agreement and the Note, including, but not limited to, all claims of any nature or description arising out of or connected with this Agreement, regardless of whether or not CFC shall have made any demand hereunder or CFC shall have declared the principal of and interest on the Note and other amounts due hereunder to be due and payable as permitted by Article VI and although said obligations and liabilities, or any of them, shall be contingent or unmatured, and pending any such setoff or appropriation or application, to hold amounts of all deposits as collateral.

Section 7.6. <u>No Waiver</u>. No failure on the part of CFC to exercise, and no delay in exercising, any right hereunder shall operate as a waiver thereof nor shall any single or partial exercise by CFC of any right hereunder preclude any other or further exercise thereof or the exercise of any other right.

- Section 7.7. GOVERNING LAW; JURISDICTION; WAIVER OF JURY TRIAL.
- (a) THE PERFORMANCE AND CONSTRUCTION OF THIS AGREEMENT SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAWS OF THE COMMONWEALTH OF VIRGINIA.
- (b) BORROWER HEREBY SUBMITS TO THE NONEXCLUSIVE JURISDICTION OF THE UNITED STATES COURTS LOCATED IN VIRGINIA AND OF ANY STATE COURT SO LOCATED FOR PURPOSES OF ALL LEGAL PROCEEDINGS ARISING OUT OF OR RELATING TO THIS AGREEMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY. BORROWER IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY OBJECTION THAT IT MAY NOW OR HEREAFTER HAVE TO THE ESTABLISHING OF THE VENUE OF ANY SUCH PROCEEDING BROUGHT IN SUCH A COURT AND ANY CLAIM THAT ANY SUCH PROCEEDING HAS BEEN BROUGHT IN AN INCONVENIENT FORUM.
- (c) EACH OF THE BORROWER AND CFC HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY AND ALL RIGHT TO TRIAL BY JURY IN ANY LEGAL PROCEEDING ARISING OUT OF OR RELATING TO THIS AGREEMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY.
- Section 7.8. <u>Holiday Payments</u>. If any payment to be made by the Borrower hereunder shall become due on a day which is not a Business Day such payment shall be made on the immediately preceding Business Day and such reduction of time shall be included in computing any interest in respect of such payment,
- Section 7.9. <u>Modifications</u>. No modification or waiver of any provision of this Agreement or the Note and no consent to any departure by the Borrower therefrom shall in any event be effective unless the same shall be in writing. The Borrower may not assign its rights hereunder or under the Note.
- Section 7.10. <u>Merger and Integration</u>. This Agreement, the attached exhibits and schedules, and matters incorporated by reference contain the entire agreement of the parties hereto with respect to the matters covered and the transactions contemplated hereby.
- Section 7.11. <u>Headings</u>. The headings and subheadings contained in the titling of this Agreement are intended to be used for convenience only and do not constitute part of this Agreement.

#### SCHEDULE 1

- 1. The purpose of this revolving credit facility is to finance the Borrower's short term working capital needs.
- 2. The litigation referred to in Section 1.1(c) is described on Exhibit A hereto.
- 3. The financial obligations/changes referred to in Section 1.1(d) are as follows (\$ in Thousands):
  - Based upon a letter from Western Kentucky Energy Corp. (WKE), an affiliate of LG&E Energy Corp. (LEC), dated August 16, 2001, wherein WKE waived all residual value claims for certain ordinary capital expenditures (described and defined in the LEC lease documents as Non-Incremental Capital Costs) in excess of the approved annual capital budget, Big Rivers recorded \$4,232 of lease revenue and \$158 of depreciation expense in 2001. The associated balance sheet impact was to increase net utility plant \$4,353 and other deferred credits \$279. Pursuant to a Big Rivers' September 19, 2002, letter to the RUS, and the response dated November 4, 2002, it was determined that any capital asset of this nature should not be reflected on Big Rivers' financial statements. Accordingly, the accompanying financial statements as of and for the year ended December 31, 2001, have been restated to reduce previously reported lease revenue, net utility plant, depreciation expense and other deferred credits. A summary of the effects of the restatement follows:

	As Previously Reported	As Restated
December 31, 2001: Utility plant, net Other deferred credits Equities (deficit)	\$ 875,990 45,415 (324,611)	\$ 871,637 45,136 (328,685)
Year ended December 31, 2001: Lease revenue Depreciation expense Electric operating margin Net margin	\$ 57,904 27,607 80,625 20,870	53,672 27,449 76,551 16,796

- Included with their letter to Big Rivers dated January 15, 2003, LG&E Energy Marketing invoiced Big Rivers for certain generation-based ancillary services (spinning and supplemental operating reserves) they claim WKEC provided Big Rivers in connection with Big Rivers' SEPA power purchases and other non-LEM power purchases from July 1998 through December 2002 in the amount of \$2,717. While the LG&E Transaction documents require Big Rivers to pay the invoiced amount, Big Rivers disputes this billing and will seek reimbursement of most, if not all, of such amount. As the amount for which Big Rivers is ultimately liable cannot yet be determined or reasonably estimated, the accrual has been made in the balance sheet as of December 31, 2002, but has not impacted the statement of operations for the year then ended.
- 4. The principal place of business of the Borrower referred to in Section 1.1(e) is 201 Third Street, Henderson Kentucky 42420.

Credit Agreement

- 5. The counties referred to in Section 1.1(f) are: Breckinridge, Caldwell, Crittenden, Daviess, Hancock, Henderson, Hopkins, Livingston, Meade, McCraken, Ohio, Union and Webster in the State of Kentucky.
- 6. The term "CFC Commitment" as used shall mean fifteen million dollars (\$15,000,000) in maximum aggregate principal amount outstanding under the loan to the Borrower at any one time under this Agreement, provided, however that the amount available for Advances shall be reduced by the aggregate amount of any letters of credit issued by CFC at the request of the Borrower under the terms, conditions and provisions of (i) that certain First Amended and Restated Letter of Credit Application and Agreement between the Borrower and CFC, dated as of even date herewith, as the same may be amended or restated from time to time and (ii) that certain Line of Credit Reserve Authorization, executed and delivered by the Borrower to CFC, dated as of even date herewith, as the same may be amended or restated from time to time.
- 7. The term "Business Day" as used herein shall mean any day that both CFC and the depository institution it utilizes for funds transfers hereunder are open for business.
- 8. The entities referred to in Section 1.1(h) are: (i) the Kentucky Public Service Commission and (ii) RUS, the approval of each of which has been received prior to the date hereof.
- 9. The special conditions referred to in Section 3.1(f) are as follows: Borrower shall have granted to CFC a lien on the Mortgaged Property (as defined in the Mortgage) that is (i) a first priority lien on a pari passu basis with Ambac, CSFBNYB and the Series 2001A Trustee, and (ii) prior in right to the lien of the Government and the 2000 Mortgagees (as defined in the Mortgage). Said conditions shall be deemed satisfied upon recordation of the Mortgage Amendment as provided in Section 3.1(d) hereof.
- 10. The Special Affirmative Covenant(s) referred to in clause (c) of Article IV are as follows: None
- 11. The existing Event(s) of Default (as defined in the Mortgage) referred to in clause (e) of Article V are as follows: None.

#### LITIGATION

1. In Re: Big Rivers Electric Corporation, Case No. 96-41168, United States Bankruptcy Court, Western District of Kentucky, Owensboro Division; Case No. 4:01CV-49, United States District Court, Western District of Kentucky, Owensboro Division.

On September 25, 1996, Big Rivers filed a petition under Chapter 11 of the Bankruptcy Code. Big Rivers remained in possession of its assets and continued to operate its business as a debtor in possession. On June 9, 1997, the Bankruptcy Court confirmed Big Rivers' plan of reorganization, and on June 1, 1998, the Bankruptcy Court approved modifications thereto. The plan was consummated July 17, 1998. The United States District Court for the Western District of Kentucky subsequently withdrew the reference of Big Rivers' bankruptcy case, and on November 14, 2002 the District Court entered a Final Decree closing the case.

Numerous proofs of claim were filed by creditors of Big Rivers in the bankruptcy proceeding. Except for the claims discussed below, all such claims were resolved prior to January 1, 2002:

(a) J. Baxter Schilling Claim: Following consummation of the modified plan of reorganization, J. Baxter Schilling, the examiner appointed in the case (the "Examiner"), filed his final fee application covering the period from October 18, 1996 through October 12, 1998 (the "Final Application"). The Final Application requested total compensation of \$4.41 million, with credit for fees previously paid to the Examiner on an hourly rate basis, plus reimbursement of out-of-pocket expenses. For services rendered from October 18, 1996 through October 12, 1998, Big Rivers paid the Examiner hourly fees of \$530,928.75. Thus, the Examiner sought a \$3,879,071.25 enhancement of the amount paid to him on an hourly basis. Big Rivers objected to the Final Application. In addition to objecting to the fee enhancement, Big Rivers objected to approval of the hourly fees and expenses charged by the Examiner for pursuing that enhancement (the "Enhancement Fees").

On March 26, 1999, the Bankruptcy Court entered an order and supporting memorandum awarding the Examiner base compensation of \$527,641 and an enhancement of \$2,110,564, for total compensation of \$2,638,205 (the "Fee Order"). The base compensation approved by the Bankruptcy Court included the Enhancement Fees to which Big Rivers had objected.

By order entered August 24, 2000, the District Court reversed the Bankruptcy Court's award of a fee enhancement to the Examiner. Big Rivers Electric Corporation v. J. Baxter Schilling, Case Number 4:99CV-118-M, United States District Court, Western District of Kentucky. The District Court also held that the Examiner must refund the Enhancement Fees to Big Rivers, and remanded the Examiner's Final Application to the Bankruptcy Court to determine the amount of those fees (the "Partial Disgorgement Proceeding"). The District Court also remanded the Examiner's Final Application to the Bankruptcy Court to determine whether

the Examiner should be required to refund to Big Rivers all fees previously paid to him because of certain improper fee agreements with certain creditors (the "Total Disgorgement Proceeding").

The Examiner had also appealed from the Bankruptcy Court's fee enhancement order, claiming that he was entitled to interest on the award and that he was not required to credit against the award fees which Big Rivers was required to pay him on a monthly basis for the period after October 12, 1998. The District Court ruled that, since no portion of the allowable fee remained unpaid, the Examiner was not entitled to interest on his fee award. The District Court also found that the Bankruptcy Court intended that the Examiner not be paid any additional fees for work performed after October 12, 1998. However, since it reversed the fee enhancement awarded by the Bankruptcy Court, the District Court held that the Examiner may be entitled to additional compensation for certain services performed after that date. Big Rivers has paid those fees monthly except for approximately \$5,700 which remains unpaid at this time.

The Examiner appealed the decision of the District Court to the Sixth Circuit Court of Appeals. By order entered January 12, 2001, the Court of Appeals dismissed the appeal because the District Court's order was not yet final and appealable. Big Rivers Electric Corporation v. J. Baxter Schilling, Case No. 00-6560, United States Court of Appeals for the Sixth Circuit.

After October 12, 1998, Big Rivers continued to pay the Examiner monthly interim compensation as required by previous orders of the Bankruptcy Court. When the Bankruptcy Court entered the Fee Order awarding the Examiner "final compensation", Big Rivers ceased making monthly payments to the Examiner. On July 15, 1999, the Bankruptcy Court entered an order requiring Big Rivers to continue paying the hourly rate fees of the Law Firm of J. Baxter Schilling (the "Examiner's Counsel") on a monthly basis for the period after October 12, 1998. Big Rivers appealed that order. The District Court affirmed the order, but held that in considering any final application for compensation, the Bankruptcy Court should disallow any fees charged by the Examiner's Counsel for pursuing or defending the Examiner's fee enhancement or for other services not beneficial to the bankruptcy estate. Big Rivers Electric Corporation v. J. Baxter Schilling, Case No. 4:99CV-175-M, United States District Court, Western District of Kentucky. Neither party appealed that ruling of the District Court and the ruling is now final.

After it remanded the Examiner's Final Application to the Bankruptcy Court to conduct the Partial Disgorgement Proceeding and the Total Disgorgement Proceeding, the District Court withdrew the reference of Big Rivers' entire bankruptcy case to conduct those proceedings itself. Big Rivers subsequently moved the District Court to modify the Bankruptcy Court's July 15, 1999 order to relieve Big Rivers of the obligation to pay the Examiner's Counsel on a monthly basis. By order entered April 12, 2001, that motion was granted. Except for approximately \$5,766.32 in fees for the period August 18, 2000 through November 21, 2000, Big Rivers has not paid the Examiner's Counsel's fees for the period since August 18, 2000. If the Examiner succeeds, or if the Examiner prevails in the appeals to the Sixth Circuit Court of Appeals described below, the Examiner's Counsel may seek additional fees for the period after August 18, 2000.

ExA-2

In the Total Disgorgement Proceeding and the Partial Disgorgement Proceeding, the District Court held that the Examiner must disgorge all fees paid to him. On September 6, 2002, the District Court entered a judgment granting the total disgorgement motions of the Rural Utilities Service and the U.S. Trustee and the partial disgorgement motion of Big Rivers, and denying the final fee applications the Examiner and the Examiner's Counsel. The judgment provided that Big Rivers recover from the Examiner and the Examiner's Counsel the sum of \$931,075.50, with interest thereon at the legal rate from the date of the judgment until paid. (This was the amount recoverable by Big Rivers on the total disgorgement motions of the Rural Utilities Service and the U.S. Trustee. The amount recoverable by Big Rivers on its partial disgorgement motion was subsumed within this amount.) The District Court subsequently awarded Big Rivers \$3,452.38 in costs incurred in the Partial Disgorgement Proceeding.

The Examiner and the Examiner's Counsel appealed the reversal of his fee enhancement and the disgorgement ruling. In re: Big Rivers Electric Corporation, United States Court of Appeals for the Sixth Circuit, Consolidated Case Nos. 02-6212, 02-6213, 02-6338, 02-6340, 02-6341, and 02-6344; and In re: Big Rivers Electric Corporation, United States Court of Appeals for the Sixth Circuit, Case No. 02-6347. The parties are in the process of briefing the issues on appeal, and final briefs are due April 21, 2003. The Court of Appeals' decision on the disgorgement issue may involve the exercise of the Court's discretion with respect to the scope of disgorgement. Its decision on the fee enhancement issue may turn on vigorously disputed facts. For these reasons, we are unable to evaluate the risk of an unfavorable outcome in these appeals. In the event of an unfavorable outcome, the potential loss to Big Rivers would be the \$2,110,564 enhancement, plus possible interest and additional hourly fees of the Examiner and the Examiner's Counsel.

(b) Monte Hatfield Claim: Mr. Hatfield pursued a claim against the disability insurance carrier (Fortis) which terminated his disability benefits. Mr. Hatfield's counsel indicated that Mr. Hatfield did not desire to pursue any action against Big Rivers until the conclusion of his action against Fortis. On February 18, 2000, a final judgment was entered in that suit (Monte C. Hatfield v. Fortis Benefits Insurance Company, Case No. 4:97-CV-17-M, U.S. District Court, Western District of Kentucky, Owensboro Division.). All of the claims of Hatfield were denied. No appeal was taken. The bankruptcy court previously entered an agreed order between Mr. Hatfield and Big Rivers allowing claim number 68 as amended by claim number 114 to the extent that a non-bankruptcy court may, in the future, determine Big Rivers to be liable on the claim. To date, no further action has been taken by Mr. Hatfield regarding the claim in any non-bankruptcy court or by bringing on for hearing his union grievance filed in 1995 that he was wrongfully terminated.

## 2. Green River Disposal Superfund Site.

The United States Environmental Protection Agency ("EPA") informed Big Rivers Electric Corporation by letter dated October 23, 1991, that Big Rivers has been identified as one of approximately 150 parties potentially liable for damages under federal law with respect to the Green River Disposal Superfund Site. The federal law under which EPA is proceeding is the

ExA-3 KIUU 1-5b 16 of 32

Comprehensive Environmental Response, Compensation and Liability Act of 1980, 42 USC §9601, et seq., as amended ("CERCLA"). As applied to the Green River Disposal Superfund Site, the basic purpose of CERCLA is to provide funding and enforcement authority for cleaning up hazardous waste sites created in the United States in the past.

Pursuant to a CERCLA §106 order issued by EPA on April 13, 1990, four companies (General Electric Corporation, W. R. Grace & Company, Athlone Industries, Inc., and Commonwealth Aluminum Company) formed the Green River Disposal Site Coordinating Committee (the "Committee"), which undertook activities at the site to mitigate immediate threats purportedly posed by the release or threatened release of hazardous substances into the environment. The Committee expended approximately \$4.65 million to stabilize the site and to develop a remedial investigation/ feasibility study at the site.

Big Rivers joined a second group of potentially responsible parties, known as the Green River Review Committee, which negotiated a settlement with the Committee regarding the extent of its participation in the site costs incurred through the remedial investigation/feasibility study. Big Rivers' share through the remedial investigation/ feasibility study stage was approximately \$16,000, and the Green River Review Committee has been dissolved.

The Environmental Protection Agency issued its Record of Decision (ROD) in this matter on December 14, 1994. The ROD prescribes the remedies which EPA has found appropriate for the site. Although there has been no significant activity in its litigation since 1997, the next step in connection with the site will likely be the issuance by EPA of orders requiring potentially responsible parties to accept responsibility for the costs of implementing the chosen remedy. Those costs are estimated in excess of \$12 million. Although EPA was put on notice of Big Rivers' bankruptcy filing, it did not file a proof of claim. Therefore, Big Rivers' liability to EPA may have been discharged.

Big Rivers is vigorously defending its position in this administrative action. The latest estimate of the volume of waste contributed to the total site waste by Big Rivers is less than one percent, making Big Rivers a de minimis PRP. However, liability under CERCLA is joint and several. Because the cost of implementing a remedy at the site and Big Rivers' ultimate share in that cost are unknown and undeterminable, we cannot evaluate the amount or range of Big Rivers' potential liability.

# 3. LG&E Energy Corp. Matters

a. By letter dated July 15, 1999, Western Kentucky Energy Corp., a subsidiary of LG&E Energy Corp., ("WKEC") notified Big Rivers of claims arising from the alleged breach by Big Rivers of certain representations and warranties, as set forth in the agreements among Big Rivers, WKEC, and other LG&E Energy Corp. subsidiaries or affiliates entered into in connection with the LG&E Transaction.

The letter alleges that the condition of the Wilson Station storm water runoff pond and the condition of the Reid combustion turbine generator were not as represented by Big Rivers

ExA-4

under the warranties and representations contained in the LG&E Transaction agreements. The claim of misrepresentation regarding the Reid combustion turbine generator has been waived by WKEC.

Big Rivers and WKEC exchanged correspondence and met on several occasions regarding the alleged breach of warranties and representations about the condition of the Wilson Station storm water runoff pond. WKEC estimated that its total claim would be \$1,616,222.23. If WKEC were awarded this amount after arbitration with Big Rivers under the dispute resolution procedures of the Participation Agreement, Big Rivers would also be responsible for the costs of the arbitration, including the reasonable attorney's fees of WKEC. Management has vigorously defended against this claim.

In accordance with the contractual dispute resolution process applicable to this dispute, Big River paid WKEC the portion of its claim that had been demanded, and then began proceedings to recover those amounts. A verbal settlement of this claim has been reached that fixed Big Rivers' liability at \$1.20 million, which is less than the amount already paid to WKEC. Big Rivers and WKEC are negotiating the detail of the agreement settling this matter.

- b. By letter dated January 15, 2003, LG&E Energy Marketing, Inc. ("LEM") asserted that Big Rivers owed it \$2,716,560.00 for generation-based ancillary services LEM contends that it provided Big Rivers since July 1998 under the terms of its tariff and the July 15, 1998, Power Purchase Agreement between Big Rivers and LEM. Big Rivers and LEM have reached a verbal settlement of this dispute, in accordance with which Big Rivers will pay LEM \$2,223,860 for the ancillary services in dispute for the period from July 15, 1998, through May 31, 2003, and will pay monthly for such services incurred in the future. The parties are negotiating the details of the settlement agreement that will incorporate these terms.
- 4. Kenneth Neal and Sandra Neal v. The Babcock & Wilcox Company, Babcock & Wilcox Construction Co. Inc., Big Rivers Electric Corporation, Western Kentucky Energy Corp., LG&E Energy Corp., and The Unknown Defendant(s), Civil Action No. 02-CI-00053, Webster Circuit Court

This personal injury action arises out of an injury that occurred to Kenneth Neal on March 17, 2001 while he was working for an independent contractor at Big Rivers' Green Station. The action was filed on March 5, 2002. Western Kentucky Energy Corp. ("WKE") maintains general liability insurance coverage, subject to certain levels of self-insurance by WKE, on Big Rivers' generating facilities, including Green Station, under the New Participation Agreement Among Big Rivers Electric Corporation, LG&E Energy Marketing, Inc., Western Kentucky Leasing Corp., WKE Station 2, Inc., And Western Kentucky Energy Corp. Dated April 6, 1998 (the "New Participation Agreement"). The New Participation Agreement provides for Big Rivers to be an additional insured. Big Rivers has a right of contractual indemnification from WKE for claims, liabilities, damages, costs and expenses arising from WKE's operation of Big Rivers' plants, including Green Station, pursuant to Section 18.2 of the New Participation Agreement.

The case is in the discovery stage. Management intends to vigorously defend the action for as long as it remains a party. Big Rivers, WKE and LG&E previously moved for summary judgment on the ground that the plaintiffs' claims are barred by the exclusivity provisions of the Kentucky Workers' Compensation Act. The court denied these motions, but Big Rivers, WKE and LG&E intend to renew the motions after further discovery is conducted. Plaintiffs' claims are primarily based on the theory of product liability. Mr. Neal sustained serious injuries, including partial amputation of a leg, but there are significant issues regarding liability, comparative negligence and apportionment of liability among the defendants. No party has, at this time, disclosed any expert witness.

5. James Clark and E. June Clark vs. ABB, Inc., et al., Cause No. 49D02-9601-MI-0001-798, Marion, Indiana Superior Court.

On or about February 4, 2003, Big Rivers was joined as a defendant with numerous other entities in this suit for damages sustained as a result of allegations that James Clark, age 82, was diagnosed with terminal malignant pleural mesothelioma in November 2002. The plaintiffs claim this medical condition to be due to exposure to asbestos products primarily while James was employed as a field service engineer for Westinghouse Electric Corporation from 1946 to 1986 when he retired. Mr. Clark claims exposure to asbestos at Big Rivers' plants in Hawesville from 1970-1972; Henderson from 1973-1974; and Livermore from 1982-1983. On February 4, 2002, the Clarks filed their complaint, which is now a claim within a Master Complaint as numbered above. Big Rivers' insurance carrier has assumed defense of this matter under a reservation of rights.

6. Industrial Contractors, Inc v. FLS miljo, Inc., Western Kentucky Energy Corp., Big Rivers Electric Corporation, United States of America, acting through the Administrator of the Rural Utilities Services, as successor to the Administrator of the Rural Electrification Administration, Ambac Assurance Corporation, National Rural Utilities Cooperative Finance Corporation, PBR-1 Statutory Trust, PBR-2 Statutory Trust, PBR-3 Statutory Trust, FBR-1 Statutory Trust, FBR-2 Statutory Trust, Ambac Credit Products, LLC, Credit Suisse First Boston, LG&E Energy Marketing, Inc., WKE Station Two, Inc. and WKE Corporation, Hancock Circuit Court, Civil Action No. 03-CI-31.

In late January and early February of 2003, Industrial Contractors, Inc. and PSP Industries asserted mechanic's and materialman's liens in the amounts of \$2,808,596.97 and \$534,671.90, respectively, against property owned by Big Rivers in Hancock County, Kentucky, on which Big Rivers' Coleman generating station is located. Industrial Contractors, Inc. subsequently filed the above-captioned action to enforce the mechanics' lien, and joined in the action Big Rivers and all of Big Rivers' creditors. The principal parties to this action have entered into a settlement agreement, and counsel for Big Rivers has been advised by counsel for Industrial Contractors, Inc. that the mechanics' liens will be released, and this action will be dismissed within a matter of days.

# FIRST AMENDED AND RESTATED SECURED PROMISSORY NOTE

\$15,000,000.00 July 14, 2003

FOR VALUE RECEIVED, Big Rivers Electric Corporation, a Kentucky rural electric cooperative (the "Borrower"), hereby promises to pay, without setoff, deduction, recoupment or counterclaim, to the order of NATIONAL RURAL UTILITIES COOPERATIVE FINANCE CORPORATION (the "Payee"), at the Payee's main office, or such other place as may be designated by Payee, in lawful money of the United States and in immediately available funds, the principal sum of FIFTEEN MILLION DOLLARS (\$15,000,000), or such lesser amount as shall equal the sum of the aggregate unpaid principal amount of all Advances made by the Payee pursuant to the Credit Agreement (as defined below) on the dates provided therein (except that if not sooner paid, any balance shall be due and payable on the Maturity Date, as defined below) with interest thereon in like money from the respective dates of each Advance (as defined in the Credit Agreement), at the interest rate and dates provided for in said Credit Agreement, together with any other amount payable under the Credit Agreement. The Maturity Date hereof shall be the earlier of the date that is (a) one hundred twenty (120) months after the date hereof, and (b) sixty (60) months after the date hereof, but only if Payee shall have terminated the Credit Agreement effective as of such date in accordance with Section 2.1(a) of the Credit Agreement.

This Note is secured under that certain Third Restated Mortgage and Security Agreement dated as of August 1, 2001, to be amended by the First Amendment thereto, dated as of July 15, 2003, among the Borrower, the Payee, the United States of America acting through the Rural Utilities Service, Ambac Assurance Corporation, Credit Suisse First Boston acting through its New York Branch, U.S. Bank National Association, as Trustee, PBR-1 Statutory Trust, PBR-2 Statutory Trust, FBR-1 Statutory Trust, FBR-2 Statutory Trust and Ambac Credit Products, LLC, as the same has been or may be further amended, supplemented, restated or consolidated (the "Mortgage"). This Note is the Note referred to in the First Amended and Restated Revolving Credit Agreement dated as of the date hereof, between the Payee and the Borrower, as amended from time to time (the "Credit Agreement"), and evidences Advances thereunder. Capitalized terms used in this Note have the respective meanings assigned to them in the Credit Agreement.

Upon the occurrence of an Event of Default, the principal hereof and accrued interest hereon may be declared to be forthwith due and payable in the respective manner, upon the conditions and with the effect provided for in the Credit Agreement and the Mortgage.

The Borrower waives demand, presentment for payment, notice of dishonor, protest, notice of protest, and notice of non-payment of this Note, and all other notices which under applicable law the Borrower may waive, except as otherwise expressly provided in the Credit Agreement.

This First Amended and Restated Secured Promissory Note is intended to amend, restate and supersede in its entirety that certain Secured Promissory Note dated as of July 15, 1998, executed by Borrower in favor of Payee.

# LETTER OF CREDIT APPLICATION AND AGREEMENT (Master Facility)

# Name and Address of Applicant:

BIG RIVERS ELECTRIC CORPORATION 201 Third Street Henderson, Kentucky 42420 Attn: President and Chief Executive Officer

Fax Number: 270-827-2558

# Name and Address of Beneficiary:

To be determined as requested by Applicant from time to time as provided hereunder.

# Date of this Application and Agreement: January 30, 2009

- A. Applicant hereby requests National Rural Utilities Cooperative Finance Corporation ("CFC") to issue one or more irrevocable letters of credit for its own account in favor of the beneficiary or beneficiaries requested by Applicant from time to time as provided hereunder under the terms and conditions stated herein.
- B. In consideration of the issuance by CFC of a Letter of Credit (as hereinafter defined), Applicant hereby agrees with CFC to the following terms and conditions which constitute a valid and binding agreement between Applicant and CFC.

**Definitions:** For purposes of this Agreement, the following capitalized terms shall have the following meanings (such definitions to be equally applicable to the singular and the plural form thereof). All terms not otherwise defined herein shall have the meaning ascribed to them in the First Amended and Restated Revolving Credit Agreement, dated July 14, 2003, by and between Applicant and CFC bearing CFC loan designation KY062-R-5101 (as amended, the "Line of Credit Agreement").

"DSC Ratio" shall mean the ratio determined as follows: for any calendar year add: (1) net income (after taxes and after eliminating any gain or loss on sale of assets or other extraordinary gain or loss), plus depreciation expense, amortization expense, and interest expense, minus capitalized interest not paid from operating cash flow, non-cash patronage and non-cash income from subsidiaries and/or joint ventures; and divide the sum so obtained by the sum of (2) all principal payments due within the period on all Long Term Debt plus interest expense (all as calculated on a consolidated basis for the applicable period in accordance with GAAP consistently applied or the appropriate standards of the regulatory agency having jurisdiction over the company) minus capitalized interest not paid from operating cash flow.

"TIER" shall mean the ratio determined as follows: for any calendar year add: (1) net income (after taxes and after eliminating any gain or loss on sale of assets or other extraordinary gain or loss), plus interest expense; and divide the sum so obtained by the sum of (2) interest expenses (all as calculated on a consolidated basis for the applicable period in accordance with GAAP

consistently applied or the appropriate standards of the regulatory agency having jurisdiction over the company) minus capitalized interest not paid from operating cash flow.

1. Letter of Credit Facility: The maximum aggregate amount of letters of credit which may be issued hereunder is Fifteen Million Dollars (\$15,000,000.00) ("Letter of Credit Facility"). Within this amount and subject to the limitation set forth in Section 3, Applicant may request, and National Rural Utilities Cooperative Finance Corporation ("CFC") shall issue, letters of credit to such beneficiary or beneficiaries as may be requested by Applicant from time to time under the terms and conditions of this Letter of Credit Application and Agreement (the "Agreement").

Each such request shall be in writing and substantially in the form of Exhibit A hereto. Each such letter is referred to herein as a "Letter of Credit". Each Letter of Credit shall be substantially in the form of Exhibit B hereto and shall reflect the amount available for draw thereunder (the "Letter of Credit Amount").

The Letter of Credit Amount reflected on any expired Letter of Credit shall be added back into the Letter of Credit Facility and be available for issuance of additional Letters of Credit during the term of this Agreement. The amount of any Draw that has been repaid shall also be added back into the Letter of Credit Facility and be available for issuance of additional Letters of Credit during the term of this Agreement.

2. Amendment to Existing Letter of Credit Facility. On and after the Effective Date no additional letters of credit shall be issued under the terms of that certain First Amended and Restated Letter of Credit Application and Agreement (Master Facility) bearing CFC loan designation, KY062-L-9001, dated July 14, 2003 with an effective date of July 15, 2003, as amended (the "Prior Facility"). Letters of credit issued under the Prior Facility shall remain outstanding and subject to the terms, conditions and provisions of the Prior Facility until their expiration or until they are otherwise terminated, at which time the Prior Facility shall be deemed canceled, with no further action required of either CFC or Borrower to effect such termination.

For purposes of the Prior Facility, the execution of this Agreement shall be deemed a writing executed by the parties hereto that is required to amend the Prior Facility.

#### 3. Limitation on Letter of Credit Issuances.

The amount at any time available for Borrower to Advance under the Line of Credit Agreement or the line of credit agreement which is to replace the Line of Credit Agreement upon the termination of Borrower's lease, power purchase agreement and other arrangements with subsidiaries of E.ON U.S. LLC (formerly LG&E Energy LLC) (such replacement agreement, is referred to herein as the "Replacement Credit Agreement), shall be referred to herein as the "Available Amount".

Applicant agrees that it shall not request the issuance of, nor shall CFC be obligated to issue, a Letter of Credit hereunder unless the Available Amount is equal to or greater than the sum of (i) the total Letter of Credit Amounts of all issued and outstanding Letters of Credit, plus (ii) the Letter of Credit Amount requested, provided, however, that so long the Prior Facility has not been cancelled pursuant to Section 2 hereof, Applicant agrees that it shall not request the issuance of, nor shall CFC be obligated to issue, a Letter of Credit hereunder unless the Available Amount is equal to or greater than the sum of (i) the total Letter of Credit Amounts of all issued and outstanding Letters of Credit, plus (ii) the aggregate amount of letters of credit issued and then

outstanding under the Prior Facility, plus (iii) the aggregate amount of unpaid Draws (as defined in the Prior Facility) under any letter of credit issued under the Prior Facility and plus (iv) the Letter of Credit Amount requested

Applicant hereby agrees not to request any Advance (as defined in the Line of Credit Agreement until replaced by the Replacement Credit Agreement, then upon such replacement, as defined in the Replacement Credit Agreement) under the Line of Credit Agreement (until replaced by the Replacement Credit Agreement, then upon such replacement, under the Replacement Credit Agreement) if the effect of any such Advance would be to reduce the Available Amount below the sum of the Letter of Credit Amounts reflected in all issued and outstanding Letters of Credit plus the sum of the letter of credit amounts reflected in all issued and outstanding letters of credit issued under the Prior Facility.

# 4. Letter of Credit Expiration Date; Termination of Agreement:

Each Letter of Credit issued hereunder shall expire on the date indicated thereon, but in no event shall such date be later than February 28, 2010. Provided that no default hereunder by the Applicant has occurred and is continuing, CFC's obligation to issue any Letter of Credit under this Agreement shall remain in effect until the date that is February 27, 2010.

- 5. Effective Date: The Effective Date of this Agreement is set forth on the signature page hereof.
- **6. CFC Letter of Credit Designation:** The first Letter of Credit issued hereunder shall bear CFC designation KY062-L-9002-001. Each subsequent Letter of Credit issued hereunder shall be numbered consecutively thereafter.
- 7. Draws. On any day that CFC is open for business, CFC hereby agrees to advance funds under a Letter of Credit to the Beneficiary in such amounts as the Beneficiary may from time to time request (each such advance is referred to herein as a "Draw"), provided that: (a) on the date of each such request, the outstanding unpaid balance of all Draws shall not exceed the amount of the Letter of Credit Facility stated above; (b) each Draw request is accompanied by the documentation specified in a Letter of Credit, the authenticity, form and substance of which shall be satisfactory to CFC; and (c) no Draw request will be honored after CFC's close of business on the Letter of Credit Expiration Date set forth in the respective Letter of Credit.
- 8. Documents. CFC's obligation to issue a Letter of Credit is conditioned upon CFC's receipt of the following documents, in form and substance satisfactory to CFC: (a) an executed copy of this Agreement and any collateral security documents required herein; (b) certified copies of all such corporate documents and proceedings of the Applicant as CFC may require authorizing the transactions hereby contemplated; (c) true and correct copies of all certificates, authorizations and consents of any regulatory authority necessary for the execution, delivery or performance by the Applicant of this Agreement; (d) an executed line of credit reservation authorization executed in favor of CFC; and (e) an opinion of counsel for the Applicant addressing such legal matters as CFC shall reasonably require.
- **9.** Irrevocable Instruction. Applicant hereby irrevocably instructs CFC to honor drafts presented in accordance with the terms hereof and contained in a Letter of Credit. It is expressly agreed that CFC may honor such drafts without requiring any documentation or information other than expressly stated in a Letter of Credit, and without regard to any contrary instructions Applicant may hereafter give to CFC.

- **10.** Legal Representatives. Applicant agrees that CFC shall have no liability to the Applicant or to any other person for honoring drafts presented in accordance with the terms hereof and contained in a Letter of Credit which may be presented by the administrator, trustee in bankruptcy, debtor-in-possession, assignee for the benefit of creditors, liquidator, receiver or other legal representative of the Beneficiary.
- 11. No Liability. CFC shall have no liability for, and the Applicant's repayment and other obligations hereunder shall not be affected by (a) the use which may be made of the funds drawn under a Letter of Credit or for the acts or omissions of the Beneficiary or any other person, (b) the validity, accuracy, sufficiency or genuineness of drafts, required statements or documents, even if such drafts, statements or documents should in fact prove to be in any or all respects invalid, inaccurate, insufficient, fraudulent or forged, (c) errors, omissions, interruptions or delays in transmission or delivery of any message by mail, telephone, facsimile or otherwise, or (d) any consequences arising from causes beyond CFC's control.

#### 12. Fees.

- Annual Facility Fee. On the Effective Date set forth below, and at each anniversary date thereof ("Anniversary Date") for so long as this Agreement is in effect, there shall be due and payable to CFC a nonrefundable facility fee ("Facility Fee"). Applicant shall pay the Facility Fee to CFC promptly upon receipt of an invoice from CFC relating thereto. The initial Facility Fee shall be expressed in a number of basis points (hundredths of a percentage point) of the aggregate amount of the Letter of Credit Facility. The amount of the Facility Fee shall be determined as of the Effective Date set forth below in accordance with CFC's credit policies and practices as of said date. Subsequent Facility Fees shall be expressed in the same manner, in amounts determined in accordance with CFC's credit policies and practices in effect as of each applicable Anniversary Date. Any increase in the Facility Fee shall be effective only as of an Anniversary Date. The Facility Fee shall be prorated for any year in which this Agreement is not in effect for the entire year. It is a precondition to the issuance of any Letter of Credit that Applicant is current in its payment of the Facility Fee.
- B. Issuance Fee. For each Letter of Credit issued hereunder, Applicant shall pay to CFC a nonrefundable fee ("Issuance Fee"). The Issuance Fee shall be in an amount determined in accordance with CFC's credit policies and practices as of the date of issuance. In the event the Letter of Credit is outstanding for more than one year, then the Issuance Fee shall be due and payable annually and shall be in an amount determined in accordance with CFC's credit policies and practices in effect as of each anniversary of the date of issuance. Applicant shall pay the Issuance Fee to CFC promptly upon receipt of an invoice from CFC relating thereto. The Issuance Fee shall be prorated for any year in which the Letter of Credit is not outstanding for the entire year.

In addition to the above fees, Borrower shall pay, as and when due, such additional fees as may be charged from time to time by CFC for issuing amendments to or transferring any Letter of Credit issued hereunder, and any fees that may be imposed by a confirming bank or other financial institution in the event that a Letter of Credit issued hereunder is confirmed by such other bank or financial institution.

## 13. Repayment.

- A. CFC shall notify Applicant promptly of each (i) Draw request that it receives under a Letter of Credit, (ii) Draw that is made, and (ii) each Advance under the Line of Credit Agreement or Replacement Credit Agreement that is made to pay a Draw referred to in clause C of this Paragraph 13.
- B. Upon receipt of notice by Applicant from CFC that a Draw has been made, Applicant shall pay, in lawful money of the United States, without setoff, deduction, recoupment or counterclaim, to the order of NATIONAL RURAL UTILITIES COOPERATIVE FINANCE CORPORATION, at its office in Herndon, Virginia or such other offices as CFC may designate, the principal sum of the aggregate unpaid principal amount of such Draw (the "Draw Amount"), and interest as hereinafter provided on all amounts remaining unpaid hereunder from the date of such Draw in like money at said office (the "Interest Amount"). The Interest Amount shall be due and payable in accordance with CFC's regular billing cycles as may be in effect from time to time. CFC shall send a payment notice to Applicant at least five days prior to the due date of such Interest Amount.
- C. If, prior to the close of business on the day that any Draw has been made, Applicant has not paid the Draw Amount to CFC, Applicant hereby authorizes CFC to make an Advance under the Line of Credit Agreement (until replaced by the Replacement Credit Agreement, then upon such replacement, under the Replacement Credit Agreement) in an amount equal to the Draw Amount to apply such Advance to pay the Draw Amount on behalf of Applicant. If such day is not a day that both CFC and the depository institution CFC uses for funds transfers are open for business, then the Advance shall be made on the next day that both CFC and the depository institution CFC uses for funds transfers are open for business.
- D. In the event that for any reason, a Draw is not repaid with the proceeds of an Advance under the Line of Credit Agreement (until replaced by the Replacement Credit Agreement, then upon such replacement, under the Replacement Credit Agreement) as described herein, Applicant shall pay such Draw and the Interest Amount no later than one year from the date of such Draw.
- **14. Interest.** The interest rate on all Draws will be equal to the total rate per annum as published by CFC as its line of credit rate and in effect from time to time. Interest will be computed **on** the basis of a 365 day year for the actual number of days that any Draw is outstanding. The effective date of an interest rate adjustment will be determined from time to time by CFC, and shall remain in effect until any subsequent change in the interest rate occurs.
- **15. Prepayment.** Applicant may, at any time, make prepayments of the principal amount of any Draw, together with any interest accrued thereon.
- 16. Default; Remedies. Applicant shall be in default if (i) it fails to pay any Draw Amount or Interest Amount, or fails to pay any other sum due hereunder, in full, when due, (ii) it fails to comply with clause C of this Paragraph 13 or if it fails to comply with Paragraphs 19 and 20 of this Agreement. Upon default, Applicant agrees that (a) CFC's obligation to issue Letters of Credit hereunder shall terminate without liability to CFC, (b) all amounts outstanding under this Agreement shall become immediately due and payable in full with accrued interest, (c) CFC may exercise rights of setoff or recoupment and apply any and all amounts held, or hereby held, by

CFC or owed to the Borrower or for the credit or account of the Borrower, including, but not limited to, patronage capital allocations and retirements, money due to Borrower from equity certificates purchased from CFC, and any membership or other fees that would otherwise be returned to Borrower; and (d) CFC may, in addition thereto, exercise any other remedies available to it under applicable law. Applicant hereby expressly waives demand, presentment for payment, notice of dishonor, protest, notice of protest, and notice of non-payment, and all other notices that m

- 17. Required Notices. Applicant agrees that, so long as any amount due is outstanding under this Agreement, Applicant shall promptly notify CFC (a) of any delinquency or default on any of its debt, including but not limited to money borrowed, debt evidenced by securities issued, or any indebtedness directly or indirectly guaranteed by Applicant, or (b) if there is a material adverse change in Applicant's financial condition. Applicant further agrees that if CFC shall determine, in its sole and absolute discretion, that such delinquency or default, or such inaccurate financial information materially increases CFC's risk of repayment hereunder, CFC may exercise all remedies available to it under applicable law, including but not limited to acceleration of all amounts due hereunder.
- 18. Right of Setoff. If Applicant fails to pay any amount hereunder when due, then CFC is hereby authorized at any time and from time to time, without prior notice to the Applicant, to exercise rights of setoff or recoupment and apply any and all amounts held, or hereafter held, by CFC or owed to the Applicant or for the credit or account of the Applicant against any and all of the obligations of the Applicant hereunder. CFC agrees to notify the Applicant promptly after any such setoff or recoupment and the application thereof, provided that the failure to give such notice shall not affect the validity of such setoff, recoupment or application. The rights of CFC under this section are in addition to any other rights and remedies (including other rights of setoff or recoupment) which CFC may have. Applicant waives all rights of setoff, deduction, recoupment or counterclaim.
- **19. Financial Ratios; Design of Rates.** The Borrower shall achieve a DSC Ratio of not less than 1.0 and a TIER of note less than 1.05. The Borrower shall not decrease its rates for electric service if it has failed to achieve a DSC Ratio of 1.0 for the calendar year prior to such reduction subject only to an order from a governmental authority properly exercising jurisdiction over the Borrower.
- 20. Financial Information. Applicant will cause to be prepared and furnished to CFC a full and complete report of its financial condition and operations as of the end of the Applicant's fiscal year in form and substance satisfactory to CFC, audited by independent certified public accountants nationally recognized or otherwise satisfactory to CFC and accompanied by a report of such audit in form and substance satisfactory to CFC. Such report shall be furnished within 120 days of the end of such fiscal year. Applicant also agrees that, so long as any amount due to CFC is outstanding under this Agreement, Applicant shall deliver to CFC a copy of Applicant's monthly and quarterly financial statements, and a copy of Applicant's annual audit report. Monthly statements shall be furnished within thirty (30) days after the end of the month and quarterly statements shall be furnished within thirty (30) days after the end of the quarter. The foregoing requirements shall survive the making of Draws hereunder and the expiration of a Letter of Credit until all sums due under this Agreement have been paid in full.
- 21. Late Fee; Collection Costs. If payment of any principal and/or interest due under the terms of this Agreement is not received at CFC's offices in Herndon, Virginia, or such other place as

CFC may designate, within 5 business days after the due date thereof, Applicant will pay to CFC, in addition to all other amounts due under the terms of this Agreement, a late payment charge as may then be in effect pursuant to CFC's policies of general application. Applicant further agrees to pay the costs of collection, including reasonable attorneys' fees, of any amount due under this Agreement.

# 22. GOVERNING LAW; SUBMISSION TO JURISDICTION; WAIVER OF JURY TRIAL.

THE PERFORMANCE AND CONSTRUCTION OF THIS AGREEMENT SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAWS OF THE COMMONWEALTH OF VIRGINIA.

APPLICANT HEREBY SUBMITS TO THE NONEXCLUSIVE JURISDICTION OF THE UNITED STATES COURTS LOCATED IN VIRGINIA AND OF ANY STATE COURT SO LOCATED FOR PURPOSES OF ALL LEGAL PROCEEDINGS ARISING OUT OF OR RELATING TO THIS AGREEMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY. APPLICANT IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY OBJECTION THAT IT MAY NOW OR HEREAFTER HAVE TO THE ESTABLISHING OF THE VENUE OF ANY SUCH PROCEEDING BROUGHT IN SUCH A COURT AND ANY CLAIM THAT ANY SUCH PROCEEDING HAS BEEN BROUGHT IN AN INCONVENIENT FORUM.

EACH OF THE APPLICANT AND CFC HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY AND ALL RIGHT TO TRIAL BY JURY IN ANY LEGAL PROCEEDING ARISING OUT OF OR RELATING TO THIS AGREEMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY.

23. Notices: All notices, requests and other communications provided for herein including, without limitation, any modifications of, or waivers, requests or consents under, this Agreement shall be given or made in writing (including, without limitation, by telecopy) and delivered to the Applicant at the address and telecopy number stated above, and to CFC at:

National Rural Utilities Cooperative Finance Corporation 2201 Cooperative Way Hemdon, Virginia 20171-3025 Fax: (703) 709-6776

Either party my designate another address by notice as provided herein. All communications shall be deemed to have been duly given when personally delivered or, in the case of a telecopied or mailed notice, upon receipt, in each case given or addressed as provided for herein.

17. Miscellaneous. No modification or waiver of any provision of this Agreement, and no consent to any departure by Applicant therefrom, shall in any event be effective unless the same shall be in writing by the party granting such modification, waiver or consent. This Agreement and any schedules or exhibits together contain the entire agreement of the parties hereto with respect to the matters covered and the transactions contemplated hereby. If any term, provision or condition of this Agreement shall for any reason be found or held invalid or unenforceable by any governmental agency or court of competent jurisdiction, such invalidity or unenforceability shall not affect the remainder of such term, provision or condition nor any other term, provision or condition, and this Agreement shall survive and be construed as if such invalid or unenforceable term, provision or condition had not been contained therein.

**Item 1-6)** With respect to Big Rivers \$2.5 million unsecured line of credit with CFC:

- a. How much of that line of credit is currently available to Big Rivers.
- b. Please provide the loan agreements with CFC.
- **Response)** a. Big Rivers has not yet drawn on the \$2.5 million line of credit with CFC. However, Big Rivers' ice storm damages are estimated at \$2.4 million and this unsecured line of credit will be drawn down for that purpose. This line of credit was part of emergency line of credit arrangements offered by CFC to cooperatives affected by the catastrophic ice storm and can only be used for that purpose. Further, this line of credit requires that all Federal Emergency Management Agency funds received in connection with that damage be applied to payoff any amounts drawn.

#### REVOLVING LINE OF CREDIT AGREEMENT

REVOLVING LINE OF CREDIT AGREEMENT (this "Agreement"), dated as of February 20, 2009 , between BIG RIVERS ELECTRIC CORPORATION ("Borrower"), a corporation organized and existing under the laws of the State of Kentucky, and NATIONAL RURAL UTILITIES COOPERATIVE FINANCE CORPORATION ("CFC"), a cooperative association organized and existing under the laws of the District of Columbia.

#### RECITALS

WHEREAS, the Borrower has applied to CFC for a line of credit for the purposes set forth in Schedule 1 hereto, and CFC is willing to extend such a line of credit to the Borrower on the terms and conditions stated herein.

**NOW**, THEREFORE, for and in consideration of the premises and the mutual covenants hereinafter contained, the parties hereto agree and bind themselves as follows:

#### ARTICLE I

#### **DEFINITIONS**

Section 1.01 For purposes of this Agreement, the following capitalized terms shall have the following meanings (such definitions to be equally applicable to the singular and the plural form thereof).

"Advance" shall mean each advance of funds by CFC to the Borrower pursuant to the terms and conditions of this Agreement.

"Business Day" shall mean any day that both CFC and the depository institution CFC utilizes for funds transfers hereunder are open for business.

"CFC Commitment" shall have the meaning as defined in Schedule 1 hereto.

"CFC Line of Credit Rate" shall mean the rate published by CFC from time to time, by electronic or other means, for similarly classified lines of credit, but if not published, then the rate determined for such lines of credit by CFC from time to time.

"DSC Ratio" shall mean the ratio determined as follows: for any calendar year add. (1) net income (after taxes and after eliminating any gain or loss on sale of assets or other extraordinary gain or loss), plus depreciation expense, amortization expense, and interest expense, minus capitalized interest not paid from operating cash flow, non-cash patronage and non-cash income from subsidiaries and/or joint ventures; and divide the sum so obtained by the sum of (2) all principal payments due within the period on all Long Term Debt plus interest expense (all as calculated on a consolidated basis for the applicable period in accordance with GAAP consistently applied or the appropriate standards of the regulatory agency having jurisdiction over the company) minus capitalized interest not paid from operating cash flow.

"Default Rate" shall mean a rate per annum equal to the interest rate in effect for an Advance plus two hundred basis points.

"Effective Date" shall mean the date designated as such by CFC on the signature page hereof.

"Event of Default" shall have the meaning as described in Article VI hereof.

"GAAP" shall mean generally accepted accounting principles set forth in the opinions and pronouncements of the Accounting Principles Board and the American Institute of Certified Public Accountants and statements and pronouncements of the Financial Accounting Standards Board.

"Governmental Authority" shall mean the government of the United States of America, any other nation or government, any state or other political subdivision thereof, whether state or local, and any agency, authority, instrumentality, regulatory body, court or other entity exercising executive, legislative, judicial, taxing, regulatory or administrative powers or functions of or pertaining to government.

"Lien" shall mean any statutory or common law consensual or non-consensual mortgage, pledge, security interest, encumbrance, lien, right of set off, claim or charge of any kind, including, without limitation, any conditional sale or other title retention transaction, any lease transaction in the nature thereof and any secured transaction under the Uniform Commercial Code.

"Line of Credit" shall mean the line of credit extended by CFC to the Borrower, pursuant to this Agreement, in an aggregate principal amount outstanding at any time not to exceed the CFC Commitment.

"Loan Documents" shall mean this Agreement and all other documents or instruments executed, delivered or executed and delivered by the Borrower and evidencing, securing, governing or otherwise pertaining to the Line of Credit.

"Maturity Date" shall mean the date set forth in Schedule 1 hereto.

"Obligations" shall mean any and all liabilities, obligations or indebtedness owing by the Borrower to CFC, of any kind or description, irrespective of whether for the payment of money, whether direct or indirect, absolute or contingent, due or to become due, now existing or hereafter arising.

"Person" shall mean natural persons, cooperatives, corporations, limited liability companies, limited partnerships, general partnerships, limited liability partnerships, joint ventures, associations, companies, trusts or other organizations, irrespective of whether they are legal entities, and Governmental Authorities.

"TIER" shall mean the ratio determined as follows: for any calendar year add: (1) net income (after taxes and after eliminating any gain or loss on sale of assets or other extraordinary gain or loss), plus interest expense; and divide the sum so obtained by the sum of (2) interest expenses (all as calculated on a consolidated basis for the applicable period in accordance with GAAP consistently applied or the appropriate standards of the regulatory agency having jurisdiction over the company) minus capitalized interest not paid from operating cash flow.

#### ARTICLE II

#### REPRESENTATIONS AND WARRANTIES

Section 2.01 The Borrower represents and warrants to CFC that as of the date of this Agreement:

- A. Good Standing. The Borrower is duly organized, validly existing and in good standing under the laws of the jurisdiction of its incorporation or organization, is duly qualified to do business and is in good standing in those states in which it is required to be qualified to conduct its business.
- B. Authority; Validity. The Borrower has the power and authority to enter into this Agreement; to make the borrowing hereunder; to execute and deliver all documents and instruments required hereunder and to incur and perform the obligations provided for herein, all of which have been duly authorized by all necessary and proper action; and no consent or approval of any Person, including, as applicable and without limitation, members of the Borrower, which has not been obtained is required as a condition to the validity or enforceability hereof or thereof.

This Agreement is, and when fully executed and delivered will be, legal, valid and binding upon the Borrower and enforceable against the Borrower in accordance with its terms, subject to applicable bankruptcy, insolvency, reorganization, moratorium or other laws affecting creditors' rights generally and subject to general principles of equity.

C. No Conflicting Agreements. The execution and delivery of the Loan Documents and performance by the Borrower of the obligations thereunder, and the transactions contemplated hereby or thereby, will not: (i) violate any provision of law, any order, rule or regulation of any court or other agency of government, any award of any arbitrator, the articles of incorporation or bylaws of the Borrower, or any indenture, contract, agreement, mortgage, deed of trust or other instrument to which the Borrower is a party or by which it or any of its property is bound; or (ii) be in conflict with, result in a breach of or constitute (with due notice and/or lapse of time) a default under, any such award, indenture, contract, agreement, mortgage, deed of trust or other instrument, or result in the creation or imposition of any Lien upon any of the property or assets of the Borrower.

The Borrower is not in default in any material respect under any agreement or instrument to which it is a party or by which it is bound and no event or condition exists which constitutes a default, or with the giving of notice or lapse of time, or both, would constitute a default under any such agreement or instrument.

- D. Taxes. The Borrower has filed or caused to be filed all federal, state and local tax returns which are required to be filed and has paid or caused to be paid all federal, state and local taxes, assessments, and governmental charges and levies thereon, including interest and penalties to the extent that such taxes, assessments, and governmental charges and levies have become due, except for such taxes, assessments, and governmental charges and levies which the Borrower is contesting in good faith by appropriate proceedings for which adequate reserves have been set aside.
- E. Licenses and Permits. The Borrower has duly obtained and now holds all licenses, permits, certifications, approvals and the like necessary to own and operate its CFC LOCAGMT KY062-R-5103 (JABLONJ) 131638-1

property and business that are required by Governmental Authorities and each remains valid and in full force and effect.

- F. Litigation. There are no outstanding judgments, suits, claims, actions or proceedings pending or, to the knowledge of the Borrower, threatened against or affecting the Borrower or any of its properties which, if adversely determined, either individually or collectively, would have a material adverse effect upon the business, operations, prospects, assets, liabilities or financial condition of the Borrower. The Borrower is not, to the Borrower's knowledge, in default or violation with respect to any judgment, order, writ, injunction, decree, rule or regulation of any Governmental Authority which would have a material adverse effect upon the business, operations, prospects, assets, liabilities or financial condition of the Borrower.
- G. Financial Statements. The balance sheet of the Borrower as at the date identified in Schedule 1 hereto, the statement of operations of the Borrower for the period ending on said date, and the interim financial statements of the Borrower, all heretofore furnished to CFC, are complete and correct. Said balance sheet fairly presents the financial condition of the Borrower as at said date and said statement of operations fairly reflects its operations for the period ending on said date. The Borrower has no contingent obligations or extraordinary forward or long-term commitments except as specifically stated in said balance sheet or herein. There has been no material adverse change in the financial condition or operations of the Borrower from that set forth in said financial statements except changes disclosed in writing to CFC prior to the date hereof.
- H. Required Approvals. No license, consent or approval of any Governmental Authority is required to enable the Borrower to enter into this Agreement, or to perform any of its Obligations provided for herein, including without limitation (and if applicable), that of any state public utilities commission, any state public service commission, and the Federal Energy Regulatory Commission, except as disclosed in Schedule 1 hereto, all of which Borrower has obtained prior to the date hereof.
- I. Compliance With Laws. The Borrower is in compliance, in all material respects, with all applicable requirements of law and all applicable rules and regulations of each Governmental Authority.
- J. Disclosure. To the Borrower's knowledge, information and belief, neither this Agreement nor any document, certificate or financial statement furnished to CFC by or on behalf of the Borrower in connection herewith (all such documents, certificates and financial statements, taken as a whole) contains any untrue statement of a material fact or omits to state any material fact necessary in order to make the statements contained herein and therein not misleading.

#### **ARTICLE III**

# **CREDIT TERMS**

Section 3.01 Advances. CFC agrees to advance funds to the Borrower pursuant to the terms and conditions hereof, provided, however, that the principal amount at any time outstanding under this Agreement shall not exceed the CFC Commitment. The Borrower may borrow, repay and reborrow funds at any time or from time up to, but not including, the Maturity Date, at which

time all principal amounts outstanding, and accrued, but unpaid interest thereon, shall be due and payable in full.

Section 3.02 Payment and Interest Rate. The Line of Credit shall be payable and bear interest as follows:

- A. Interest Rate and Payment. The Borrower unconditionally promises and agrees to pay, as and when due, interest on all amounts advanced hereunder from the date of each Advance and to repay all amounts advanced hereunder with interest on the Maturity Date, if not sooner paid. Interest shall be due and payable in accordance with CFC's regular billing cycles as may be in effect from time to time. CFC shall send a payment notice to the Borrower at least five days prior to the due date of any interest payment, provided, however, that CFC's failure to send a payment notice shall not constitute a waiver by CFC or be deemed to relieve the Borrower of its obligation to make payments as and when due as provided for herein. All amounts shall be payable at CFC's main office at 2201 Cooperative Way, Herndon, Virginia 20171-3025 or at such other location as designated by CFC from time to time. The interest rate on all Advances will be equal to the CFC Line of Credit Rate as published by CFC and in effect from time to time. Interest will be computed on the basis of a 365 day year for the actual number of days that any Advance is outstanding. The effective date of an interest rate adjustment will be determined from time to time by CFC, and shall remain in effect until any subsequent change in the interest rate occurs.
- B. Application of Payments. Each payment shall be applied to the Obligations, first to any fees, costs, expenses or charges other than interest or principal then due on the Borrower's indebtedness to CFC, second to interest accrued and the balance to principal.

# Section 3.03 RESERVED.

Section 3.04 Limitation on Advances. While an Advance is outstanding, CFC reserves the right to limit further Advances if the sum of (a) all Advances outstanding, (b) the amount of any further Advance requested, and (c) the total amount of Borrower's other unsecured outstanding debt, would exceed the CFC Commitment. CFC may in its sole discretion decline to make any Advance during any period when the Borrower is in default hereunder.

Section 3.05 Mandatory Prepayment. If there is a change in the Borrower's corporate structure (including without limitation by merger, consolidation, conversion or acquisition), then upon the effective date of such change, (a) the Borrower shall no longer have the ability to request, and CFC shall have no obligation to make, Advances hereunder and (b) the Borrower shall prepay the outstanding principal balance of all Obligations, together with any accrued but unpaid interest thereon, any unpaid costs or expenses provided for herein, and a prepayment premium prescribed by CFC pursuant to its policies of general application in effect from time to time, and upon prepayment thereof, this Agreement shall automatically terminate without further action by either Borrower or CFC.

Notwithstanding the foregoing, Borrower shall retain the ability to request, and CFC shall retain the obligation to make, Advances hereunder and no prepayment shall be required under this Section 3.05 if, after giving effect to such change, Borrower, or its successor in interest, is engaged in the furnishing of electric utility services to its members and is organized as a cooperative, nonprofit corporation, public utility district, municipality, or other public governmental body.

Section 3.06 RESERVED.

Section 3.07 Default Rate. If Borrower defaults on its obligation to make a payment due hereunder by the applicable date payment is due, and such default continues for thirty days thereafter, then beginning on the thirty-first day after the payment is due and for so long as such default continues. Advances shall bear interest at the Default Rate.

#### **ARTICLE IV**

#### CONDITIONS OF LENDING

**Section 4.01** The obligation of CFC to make any Advance hereunder is subject to satisfaction of the following conditions in form and substance satisfactory to CFC:

- A. Legal Matters. All legal matters incident to the consummation of the transactions hereby contemplated shall be satisfactory to counsel for CFC.
- B. Documents. CFC shall have been furnished with (i) the executed Loan Documents, (ii) certified copies of all such organizational documents and proceedings of the Borrower authorizing the transactions hereby contemplated as CFC shall require, (iii) an opinion of counsel for the Borrower addressing such legal matters as CFC shall reasonably require, and (iv) all other such documents as CFC may reasonably request.
- C. Government Approvals. The Borrower shall have furnished to CFC true and correct copies of all certificates, authorizations, consents, permits and licenses from Governmental Authorities necessary for the execution or delivery of the Loan Documents or performance by the Borrower of the obligations thereunder.
- D. Representations and Warranties. The representations and warranties contained in Article II shall be true on the date of the making of each Advance hereunder with the same effect as though such representations and warranties had been made on such date; no Event of Default and no event which, with the lapse of time or the notice and lapse of time would become such an Event of Default, shall have occurred and be continuing or will have occurred after giving effect to each Advance on the books of the Borrower; there shall have occurred no material adverse change in the business or condition, financial or otherwise, of the Borrower; and nothing shall have occurred which in the opinion of CFC materially and adversely affects the Borrower's ability to perform its obligations hereunder.
- E. Requisitions. Borrower will requisition each Advance by submitting its requisition to CFC in form and substance satisfactory to CFC no later than 12:00 noon local time at CFC's offices in Herndon, Virginia on the Business Day prior to the Business Day Borrower seeks to have funds advanced.

CFC may require the Borrower to submit such additional information as it may reasonably require prior to funding the Advance request.

F. Special Conditions. CFC shall be fully satisfied that the Borrower has complied with all special conditions identified in Schedule 1 hereto.

#### ARTICLE V

#### COVENANTS

**Section 5.01** The Borrower covenants and agrees with CFC that until payment in full of the Line of Credit and performance of all obligations of the Borrower hereunder:

- A. Use of Proceeds. The Borrower shall use the proceeds of this Line of Credit solely for the purposes identified on Schedule 1 hereto.
  - B. Notice. The Borrower shall promptly notify CFC in writing of:
    - (i) any material adverse change in the business, operations, prospects, assets, liabilities or financial condition of the Borrower or its subsidiaries;
    - the institution or threat of any litigation or administrative proceeding of any nature involving the Borrower or any subsidiary which could materially affect the business, operations, prospects, assets, liabilities or financial condition of the Borrower or any subsidiary;
    - (iii) the occurrence of an Event of Default hereunder, or any event that, with the giving of notice or lapse of time, or both, would constitute an Event of Default.
- C. Default Notices. Upon receipt of any notices with respect to a default by the Borrower or any subsidiary under the terms of any evidence of any indebtedness with parties other than CFC or of any loan agreement, mortgage or other agreement relating thereto, the Borrower shall, and shall cause each subsidiary to, deliver copies of such notice to CFC.
- Financial Books; Financial Reports; Right of Inspection. The Borrower will D. at all times keep, and safely preserve, proper books, records and accounts in which full and true entries will be made of all of the dealings, business and affairs of the Borrower, in accordance with GAAP. The Borrower will cause to be prepared and furnished to CFC within one hundred twenty (120) days of the end of each of the Borrower's fiscal years during the term hereof, a full and complete consolidated and consolidating report of its financial condition and of its operations as of the end of such fiscal year, audited and certified by independent certified public accountants nationally recognized or otherwise satisfactory to CFC and accompanied by a report of such audit in form and substance satisfactory to CFC, including without limitation a consolidated and consolidating balance sheet and the related consolidated and consolidating statements of income and cash flow. CFC, through its representatives, shall at all times during reasonable business hours and upon prior notice have access to, and the right to inspect and make copies of, any or all books, records and accounts, and any or all invoices, contracts, leases, payrolls, canceled checks, statements and other documents and papers of every kind belonging to or in the possession of the Borrower or in anyway pertaining to its property or business.
- E. Compliance With Laws. The Borrower and each subsidiary shall remain in compliance, in all material respects, with all applicable requirements of law and applicable rules and regulations of each Governmental Authority.

- F. Taxes. The Borrower shall pay, or cause to be paid all taxes, assessments or governmental charges lawfully levied or imposed on or against it and its properties prior to the time they become delinquent, except for any taxes, assessments or charges that are being contested in good faith and with respect to which adequate reserves as determined in good faith by Borrower have been established and are being maintained.
- G. Special Covenants. The Borrower will comply with any special covenants identified in Schedule 1 hereto.

## **ARTICLE VI**

#### **EVENTS OF DEFAULT**

Section 6.01 The following shall be "Events of Default" under this Agreement:

- A. Representations and Warranties. Any representation or warranty made by the Borrower herein, or in any of the other Loan Documents, or in any certificate or financial statement furnished to CFC hereunder or under any of the other Loan Documents shall prove to be false or misleading in any material respect.
- B. Payment. The Borrower shall fail to pay (whether upon stated maturity, by acceleration, or otherwise) any principal, interest, premium (if any) or other amount payable under the Line of Credit within five (5) Business Days after the due date thereof.

#### C. Other Covenants.

- (i) No Grace Period. Failure of the Borrower to observe or perform any covenant or agreement contained in Sections 5.01.A, 5.01.C, 5.01.D, or 5.01.G, of this Agreement.
- (ii) Thirty Day Grace Period. Failure of the Borrower to observe or perform any other covenant or agreement contained in this Agreement or any of the other Loan Documents, which shall remain unremedied for thirty (30) calendar days after written notice thereof shall have been given to the Borrower by CFC.
- D. Legal Existence, Permits and Licenses. The Borrower shall forfeit or otherwise be deprived of (i) its authority to conduct business in the jurisdiction in which it is organized or in any other jurisdiction where such authority is required in order for the Borrower to conduct its business in such jurisdiction or (ii) permits, easements, consents or licenses required to carry on any material portion of its business.
- E. Other CFC Obligations. The Borrower shall be in breach or default of any Obligation, which breach or default continues uncured beyond the expiration of any applicable grace period.
- F. Other Obligations. The Borrower shall (i) fail to make any payment of any principal, premium or any other amount due or interest on any indebtedness with parties other than CFC which shall remain unpaid beyond the expiration of any applicable grace period, or (ii) be in breach or default with respect to any other term of any evidence of any other indebtedness with parties other than CFC or of any loan agreement, mortgage or other agreement relating thereto which breach or default continues uncured beyond the expiration of any applicable

grace period, if the effect of such failure, default or breach is to cause the holder or holders of that indebtedness to cause that indebtedness to become or be declared due prior to its stated maturity (upon the giving or receiving of notice, lapse of time, both or otherwise).

- G. Involuntary Bankruptcy. An involuntary case or other proceeding shall be commenced against the Borrower seeking liquidation, reorganization or other relief with respect to it or its debts under bankruptcy, insolvency or other similar law now or hereafter in effect or seeking the appointment of a trustee, receiver, liquidator, custodian or other similar official of it or any substantial part of its property and such involuntary case or other proceeding shall continue without dismissal or stay for a period of sixty (60) days; or an order for relief shall be entered against the Borrower under the federal bankruptcy laws or applicable state law as now or hereafter in effect.
- H. Insolvency. The Borrower shall commence a voluntary case or other proceeding seeking liquidation, reorganization or other relief with respect to itself or its debts under any bankruptcy, insolvency or other similar law now or hereafter in effect or seeking the appointment of a trustee, receiver, liquidator, custodian or other similar official of it or any substantial part of its property, or shall consent to any such relief or to the appointment of or taking possession by any such official in an involuntary case or proceeding commenced against it, or shall make a general assignment for the benefit of creditors, or shall admit in writing its inability to, or be generally unable to, pay its debts as they become due, or shall take any action to authorize any of the foregoing.
- 1. Dissolution or Liquidation. Other than as provided in subsection H. above, the dissolution or liquidation of the Borrower, or failure by the Borrower promptly to forestall or remove any execution, garnishment or attachment of such consequence as will impair its ability to continue its business or fulfill its obligations and such execution, garnishment or attachment shall not be vacated within sixty (60) days.
- J. Material Adverse Change. Any material adverse change in the business or condition, financial or otherwise, of the Borrower or any subsidiary.
- K. Monetary Judgment. The Borrower shall suffer any money judgment not covered by insurance, writ or warrant of attachment or similar process involving an amount in excess of \$100,000 and shall not discharge, vacate, bond or stay the same within a period of sixty (60) days.
- L. Nonmonetary Judgment. One or more nonmonetary judgments or orders (including, without limitation, injunctions, writs or warrants of attachment, garnishment, execution, distraint, replevin or similar process) shall be rendered against the Borrower that, either individually or in the aggregate, could reasonably be expected to have a material adverse effect upon the business, operations, prospects, assets, liabilities or financial condition of the Borrower.

#### **ARTICLE VII**

#### REMEDIES

Section 7.01 If any of the Events of Default listed in Section 6 hereof shall occur after the date of this Agreement and shall not have been remedied within the applicable grace periods specified therein, then CFC may:

- (a) Cease making Advances hereunder;
- (b) Declare all unpaid principal outstanding on the Line of Credit, all accrued and unpaid interest thereon, and all other Obligations to be immediately due and payable and the same shall thereupon become immediately due and payable without presentment, demand, protest or notice of any kind, all of which are hereby expressly waived;
- (c) Exercise rights of setoff or recoupment and apply any and all amounts held, or hereby held, by CFC or owed to the Borrower or for the credit or account of the Borrower against any and all of the Obligations of the Borrower now or hereafter existing hereunder or under the Line of Credit, including, but not limited to, patronage capital allocations and retirements, money due to Borrower from equity certificates purchased from CFC, and any membership or other fees that would otherwise be returned to Borrower. The rights of CFC under this section are in addition to any other rights and remedies (including other rights of setoff or recoupment) which CFC may have. The Borrower waives all rights of setoff, deduction, recoupment or counterclaim;
- (d) Pursue all rights and remedies available to CFC, including, but not limited to, a suit for specific performance, injunctive relief or damages;
- (e) Pursue any other rights and remedies available to CFC at law or in equity.

Nothing herein shall limit the right of CFC to pursue all rights and remedies available to a creditor following the occurrence of an Event of Default. Each right, power and remedy of CFC shall be cumulative and concurrent, and recourse to one or more rights or remedies shall not constitute a waiver of any other right, power or remedy.

## **ARTICLE VIII**

#### **MISCELLANEOUS**

Section 8.01 Notices. All notices, requests and other communications provided for herein including, without limitation, any modifications of, or waivers, requests or consents under, this Agreement shall be given or made in writing (including, without limitation, by telecopy) and delivered to the intended recipient at the "Address for Notices" specified below; or, as to any party, at such other address as shall be designated by such party in a notice to each other party. All such communications shall be deemed to have been duly given (a) when personally delivered including, without limitation, by overnight mail or courier service, (b) in the case of notice by United States mail, certified or registered, postage prepaid, return receipt requested, upon receipt thereof, or (c) in the case of notice by telecopy, upon transmission thereof, provided such transmission is promptly confirmed by either of the methods set forth in clauses

(a) or (b) above in each case given or addressed as provided for herein. The Address for Notices of each of the respective parties is as follows:

National Rural Utilities Cooperative Finance Corporation 2201 Cooperative Way Herndon, Virginia 20171-3025 Attention: Senior Vice President – Member Services Fax # 703-709-6776

The Borrower:

The address set forth in Schedule 1 hereto

Section 8.02 Expenses. Borrower shall reimburse CFC for any reasonable costs and out-of-pocket expenses paid or incurred by CFC (including, without limitation, reasonable fees and expenses of outside attorneys, paralegals and consultants) for all actions CFC takes, (a) to enforce the payment of any Obligation or in preparation for such enforcement, (b) to restructure any of the Obligations, (c) to review, approve or grant any consents or waivers hereunder, (d) to prepare, negotiate, execute, deliver, review, amend or modify this Agreement, and (e) to prepare, negotiate, execute, deliver, review, amend or modify any other agreements, documents and instruments deemed necessary or appropriate by CFC in connection with any of the foregoing.

The amount of all such expenses identified in this Section 8.02 shall be payable upon demand, and if not paid, shall accrue interest at the then prevailing CFC Line of Credit Rate plus two hundred basis points.

Section 8.03 Late Payments. If payment of any amount due hereunder is not received at CFC's office in Herndon, Virginia or such other location as CFC may designate to the Borrower, within five (5) Business Days after the due date thereof, the Borrower will pay to CFC, in addition to all other amounts due under the terms of the Loan Documents, any late payment charge as may be fixed by CFC from time to time pursuant to its policies of general application as in effect from time to time.

Section 8.04. Non-Business Day Payments. If any payment to be made by the Borrower hereunder shall become due on a day which is not a Business Day, such payment shall be made on the next succeeding Business Day and such extension of time shall be included in computing any interest in respect of such payment.

Section 8.05 Filing Fees. To the extent permitted by law, the Borrower agrees to pay all expenses of CFC (including the reasonable fees and expenses of its counsel) in connection with the filing, registration, recordation or perfection of any instruments as may be required by CFC in connection with this Agreement, including, without limitation, all documentary stamps, recordation and transfer taxes and other costs and taxes incident to execution, filing, registration, recordation or perfection of any document or instrument in connection herewith. The Borrower agrees to save harmless and indemnify CFC from and against any liability resulting from the failure to pay any required documentary stamps, recordation and transfer taxes, recording costs, or any other expenses incurred by CFC in connection with this

Agreement. The provisions of this subsection shall survive the execution and delivery of this Agreement and the payment of all other amounts due hereunder.

Section 8.06 CFC Accounts. Borrower agrees that the records of, and all computations by, CFC (in whatever media they are recorded or maintained) as to the amount of principal, interest and fees due on the Line of Credit shall be conclusive in the absence of manifest error.

Section 8.07 Waiver; Modification. No failure on the part of CFC to exercise, and no delay in exercising, any right or power hereunder or under the other Loan Documents shall operate as a waiver thereof, nor shall any single or partial exercise by CFC of any right hereunder, or any abandonment or discontinuance of steps to enforce such right or power, preclude any other or further exercise thereof or the exercise of any other right or power. No modification or waiver of any provision of this Agreement or the other Loan Documents and no consent to any departure by the Borrower therefrom shall in any event be effective unless the same shall be in writing by the party granting such modification, waiver or consent, and then such modification, waiver or consent shall be effective only in the specific instance and for the purpose for which given.

SECTION 8.08 GOVERNING LAW; SUBMISSION TO JURISDICTION; WAIVER OF JURY TRIAL.

- (A) THE PERFORMANCE AND CONSTRUCTION OF THIS AGREEMENT SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAWS OF THE COMMONWEALTH OF VIRGINIA.
- (B) THE BORROWER HEREBY SUBMITS TO THE NON-EXCLUSIVE JURISDICTION OF THE UNITED STATES COURTS LOCATED IN VIRGINIA AND OF ANY STATE COURT SO LOCATED FOR PURPOSES OF ALL LEGAL PROCEEDINGS ARISING OUT OF OR RELATING TO THIS AGREEMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY. THE BORROWER IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY OBJECTIONS THAT IT MAY NOW OR HEREAFTER HAVE TO THE ESTABLISHING OF THE VENUE OF ANY SUCH PROCEEDINGS BROUGHT IN SUCH A COURT AND ANY CLAIM THAT ANY SUCH PROCEEDING HAS BEEN BROUGHT IN AN INCONVENIENT FORUM.
- (C) THE BORROWER AND CFC EACH HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY AND ALL RIGHT TO TRIAL BY JURY IN ANY LEGAL PROCEEDING ARISING OUT OF OR RELATING TO THIS AGREEMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY.

SECTION 8.09 INDEMNIFICATION. THE BORROWER HEREBY INDEMNIFIES AND AGREES TO HOLD HARMLESS, AND DEFEND CFC AND ITS MEMBERS, DIRECTORS, OFFICERS, EMPLOYEES, AGENTS, ATTORNEYS AND REPRESENTATIVES (EACH AN "INDEMNITEE") FOR, FROM, AND AGAINST ALL CLAIMS, DAMAGES, LOSSES, LIABILITIES, COSTS, AND EXPENSES (INCLUDING, WITHOUT LIMITATION, COSTS AND EXPENSES OF LITIGATION AND REASONABLE ATTORNEYS' FEES) ARISING FROM ANY CLAIM OR DEMAND IN RESPECT OF THIS AGREEMENT AND THE OTHER LOAN DOCUMENTS OR THE TRANSACTIONS DESCRIBED IN THIS AGREEMENT AND THE OTHER LOAN DOCUMENTS AND ARISING AT ANY TIME, WHETHER BEFORE OR AFTER PAYMENT AND PERFORMANCE OF ALL OBLIGATIONS UNDER THIS AGREEMENT AND

THE OTHER LOAN DOCUMENTS IN FULL, EXCEPTING ANY SUCH MATTERS ARISING SOLELY FROM THE GROSS NEGLIGENCE OR WILLFUL MISCONDUCT OF CFC OR ANY INDEMNITEE. NOTWITHSTANDING ANYTHING TO THE CONTRARY CONTAINED IN SECTION 8.11 HEREOF, THE OBLIGATIONS IMPOSED UPON THE BORROWER BY THIS SECTION SHALL SURVIVE THE REPAYMENT OF THE LINE OF CREDIT AND THE TERMINATION OF THIS AGREEMENT.

Section 8.10 Complete Agreement. This Agreement, together with the schedules to this Agreement and the other Loan Documents, and the other agreements and matters referred to herein or by their terms referring hereto, is intended by the parties as a final expression of their agreement and is intended as a complete statement of the terms and conditions of their agreement. In the event of any conflict in the terms and provisions of this Agreement and any other Loan Documents, the terms and provisions of this Agreement shall control.

Section 8.11 Survival; Successors and Assigns. All covenants, agreements, representations and warranties of the Borrower which are contained in this Agreement shall survive the execution and delivery to CFC of the Loan Documents and the making of the Advances hereunder and shall continue in full force and effect until all of the obligations under the Loan Documents have been paid in full. All covenants, agreements, representations and warranties of the Borrower which are contained in this Agreement shall inure to the benefit of the successors and assigns of CFC. The Borrower shall not have the right to assign its rights or obligations under this Agreement.

Section 8.12 Use of Terms. The use of the singular herein shall also refer to the plural, and vice versa.

Section 8.13 Headings. The headings and sub-headings contained in this Agreement are intended to be used for convenience only and do not constitute part of this Agreement.

Section 8.14 Severability. If any term, provision or condition, or any part thereof, of this Agreement or the other Loan Documents shall for any reason be found or held invalid or unenforceable by any governmental agency or court of competent jurisdiction, such invalidity or unenforceability shall not affect the remainder of such term, provision or condition nor any other term, provision or condition, and this Agreement and the other Loan Documents shall survive and be construed as if such invalid or unenforceable term, provision or condition had not been contained therein.

Section 8.15 Binding Effect. This Agreement shall become effective when it shall have been executed by both Borrower and CFC and thereafter shall be binding upon and inure to the benefit of Borrower and CFC and their respective successors and assigns.

Section 8.16 Counterparts. This Agreement may be executed in one or more counterparts, each of which will be deemed an original and all of which together will constitute one and the same document. Signature pages may be detached from the counterparts and attached to a single copy of this Agreement to physically form one document.

Section 8.17 Schedule 1. Schedule 1 attached hereto is an integral part of this Agreement.

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be duly executed as of the day and year first above written.

**Item 1-7)** With respect to the \$3 million of additional unsecured financing from CFC:

- a. How much of that financing is currently available to Big Rivers?
- b. Please provide the loan agreements with CFC.
- Response) a. There is no "\$3 million of additional unsecured financing from CFC." During the course of the discussions with CFC regarding the availability of an emergency unsecured line of credit through CFC to assist with the expenses of the catastrophic ice storm experienced in western Kentucky in late January and early February of 2009, before Big Rivers quantified its line of credit requirements, it was informed that CFC would be unwilling to lend Big Rivers more than \$3 million unsecured. The amount eventually requested by Big Rivers and agreed to by CFC for the emergency unsecured line of credit was \$2.5 million.
  - b. See Response to KIUC 1-6.

Thanks Mark for the update. We are glad to hear that PSC's approval is not needed for the letter of credit renewal. As for the unwind, we will hang tight and wait for the order.

We look forward to receiving your fed-ex.

Have a good day.

I have good news and bad news. First the good news. This afternoon the PSC confirmed the 1-year CFC \$15 million letter of credit facility was exempt from needing their approval. So, I'm sending the document set via Fed Ex to you this evening. Look forward to receipt of executed document set. The bad news is that we now hear the PSC will likely not be issuing the Order on the Unwind for between 7 to 21 days.

Talk to you soon. Have a wonderful evening with your wife, your 3 year old, and the one in the oven.

Regarding the \$2.5 million ELOC, other than the CFC Line of Credit Rate on any Advances, are there any other fees? Don't see anything in the document, but wanted to confirm. Thanks!

To address my concern, may I suggest adding the following sentence to Schedule 1:

During 2008, primarily as a result of Big Rivers execution a buyout of its leveraged lease (reducing cash \$107.1 million), Big Rivers' cash and cash equivalents balance decreased from \$148.9 million to \$35.6 million.

Having just hung up from speaking with you, please allow me to follow-up. My comments were due to 2.01 G. Financial Statements indicating there has been no significant change to that balance sheet other than that disclosed to CFC in writing. So, am wondering about the 2008 leveraged lease buyout. If you're saying CFC is aware of the buyout and the impact it had, then shouldn't Schedule 1 say so?

We are pleased to inform you that National Rural Utilities Cooperative Finance Corporation (CFC) has approved a new credit facility for your company. The CFC documents for the facility are enclosed for execution.

As a condition of CFC's credit commitment, all of the attached documents must be executed by your cooperative and received by CFC within 90 days of the date of this correspondence. CFC's credit commitment is dependent upon the execution of the CFC documents by your cooperative and their receipt and acceptance by CFC. CFC will notify you after its receipt of the documents regarding the status of this facility.

Please note that the attached documents have been transmitted only to your cooperative. If you would like us to send a copy to your attorney or if you have any other questions, please contact me or the legal department contact listed in the enclosed instructions.

Please review the enclosed instructions for information on the number of copies of each document to be printed, executed and returned to CFC.

Any changes made to the documents to be executed by your Cooperative (i.e., the Loan Agreement, Note, Security Agreement, etc.) without the prior written consent of CFC shall invalidate all documents.

We at CFC appreciate the opportunity to do business with you and look forward to serving your financial needs in the future.

Please mail your executed documents to: Legal Administrative Assistant NRUCFC 2201 Cooperative Way Herndon, Virginia 20171

## REVOLVING LINE OF CREDIT AGREEMENT

REVOLVING LINE OF CREDIT AGREEMENT (this "Agreement"), dated as of <a href="February 20">February 20</a>, 2009, between BIG RIVERS ELECTRIC CORPORATION ("Borrower"), a corporation organized and existing under the laws of the State of Kentucky, and NATIONAL RURAL UTILITIES COOPERATIVE FINANCE CORPORATION ("CFC"), a cooperative association organized and existing under the laws of the District of Columbia.

#### RECITALS

WHEREAS, the Borrower has applied to CFC for a line of credit for the purposes set forth in Schedule 1 hereto, and CFC is willing to extend such a line of credit to the Borrower on the terms and conditions stated herein.

NOW, THEREFORE, for and in consideration of the premises and the mutual covenants hereinafter contained, the parties hereto agree and bind themselves as follows:

#### ARTICLE I

### **DEFINITIONS**

Section 1.01 For purposes of this Agreement, the following capitalized terms shall have the following meanings (such definitions to be equally applicable to the singular and the plural form thereof).

"Advance" shall mean each advance of funds by CFC to the Borrower pursuant to the terms and conditions of this Agreement.

"Business Day" shall mean any day that both CFC and the depository institution CFC utilizes for funds transfers hereunder are open for business.

"CFC Commitment" shall have the meaning as defined in Schedule 1 hereto.

"CFC Line of Credit Rate" shall mean the rate published by CFC from time to time, by electronic or other means, for similarly classified lines of credit, but if not published, then the rate determined for such lines of credit by CFC from time to time.

"DSC Ratio" shall mean the ratio determined as follows: for any calendar year add: (1) net income (after taxes and after eliminating any gain or loss on sale of assets or other extraordinary gain or loss), plus depreciation expense, amortization expense, and interest expense, minus capitalized interest not paid from operating cash flow, non-cash patronage and non-cash income from subsidiaries and/or joint ventures; and divide the sum so obtained by the sum of (2) all principal payments due within the period on all Long Term Debt plus interest expense (all as calculated on a consolidated basis for the applicable period in accordance with GAAP consistently applied or the appropriate standards of the regulatory agency having jurisdiction over the company) minus capitalized interest not paid from operating cash flow.

"Default Rate" shall mean a rate per annum equal to the interest rate in effect for an Advance plus two hundred basis points.

"Effective Date" shall mean the date designated as such by CFC on the signature page hereof.

"Event of Default" shall have the meaning as described in Article VI hereof.

"GAAP" shall mean generally accepted accounting principles set forth in the opinions and pronouncements of the Accounting Principles Board and the American Institute of Certified Public Accountants and statements and pronouncements of the Financial Accounting Standards Board.

"Governmental Authority" shall mean the government of the United States of America, any other nation or government, any state or other political subdivision thereof, whether state or local, and any agency, authority, instrumentality, regulatory body, court or other entity exercising executive, legislative, judicial, taxing, regulatory or administrative powers or functions of or pertaining to government.

"Lien" shall mean any statutory or common law consensual or non-consensual mortgage, pledge, security interest, encumbrance, lien, right of set off, claim or charge of any kind, including, without limitation, any conditional sale or other title retention transaction, any lease transaction in the nature thereof and any secured transaction under the Uniform Commercial Code.

"Line of Credit" shall mean the line of credit extended by CFC to the Borrower, pursuant to this Agreement, in an aggregate principal amount outstanding at any time not to exceed the CFC Commitment.

"Loan Documents" shall mean this Agreement and all other documents or instruments executed, delivered or executed and delivered by the Borrower and evidencing, securing, governing or otherwise pertaining to the Line of Credit.

"Maturity Date" shall mean the date set forth in Schedule 1 hereto.

"Obligations" shall mean any and all liabilities, obligations or indebtedness owing by the Borrower to CFC, of any kind or description, irrespective of whether for the payment of money, whether direct or indirect, absolute or contingent, due or to become due, now existing or hereafter arising.

"Person" shall mean natural persons, cooperatives, corporations, limited liability companies, limited partnerships, general partnerships, limited liability partnerships, joint ventures, associations, companies, trusts or other organizations, irrespective of whether they are legal entities, and Governmental Authorities.

"TIER" shall mean the ratio determined as follows: for any calendar year add: (1) net income (after taxes and after eliminating any gain or loss on sale of assets or other extraordinary gain or loss), plus interest expense; and divide the sum so obtained by the sum of (2) interest expenses (all as calculated on a consolidated basis for the applicable period in accordance with GAAP consistently applied or the appropriate standards of the regulatory agency having jurisdiction over the company) minus capitalized interest not paid from operating cash flow.

### ARTICLE II

## REPRESENTATIONS AND WARRANTIES

Section 2.01 The Borrower represents and warrants to CFC that as of the date of this Agreement:

- A. Good Standing. The Borrower is duly organized, validly existing and in good standing under the laws of the jurisdiction of its incorporation or organization, is duly qualified to do business and is in good standing in those states in which it is required to be qualified to conduct its business.
- B. Authority; Validity. The Borrower has the power and authority to enter into this Agreement; to make the borrowing hereunder; to execute and deliver all documents and instruments required hereunder and to incur and perform the obligations provided for herein, all of which have been duly authorized by all necessary and proper action; and no consent or approval of any Person, including, as applicable and without limitation, members of the Borrower, which has not been obtained is required as a condition to the validity or enforceability hereof or thereof.

This Agreement is, and when fully executed and delivered will be, legal, valid and binding upon the Borrower and enforceable against the Borrower in accordance with its terms, subject to applicable bankruptcy, insolvency, reorganization, moratorium or other laws affecting creditors' rights generally and subject to general principles of equity.

C. No Conflicting Agreements. The execution and delivery of the Loan Documents and performance by the Borrower of the obligations thereunder, and the transactions contemplated hereby or thereby, will not: (i) violate any provision of law, any order, rule or regulation of any court or other agency of government, any award of any arbitrator, the articles of incorporation or bylaws of the Borrower, or any indenture, contract, agreement, mortgage, deed of trust or other instrument to which the Borrower is a party or by which it or any of its property is bound; or (ii) be in conflict with, result in a breach of or constitute (with due notice and/or lapse of time) a default under, any such award, indenture, contract, agreement, mortgage, deed of trust or other instrument, or result in the creation or imposition of any Lien upon any of the property or assets of the Borrower.

The Borrower is not in default in any material respect under any agreement or instrument to which it is a party or by which it is bound and no event or condition exists which constitutes a default, or with the giving of notice or lapse of time, or both, would constitute a default under any such agreement or instrument.

- D. Taxes. The Borrower has filed or caused to be filed all federal, state and local tax returns which are required to be filed and has paid or caused to be paid all federal, state and local taxes, assessments, and governmental charges and levies thereon, including interest and penalties to the extent that such taxes, assessments, and governmental charges and levies have become due, except for such taxes, assessments, and governmental charges and levies which the Borrower is contesting in good faith by appropriate proceedings for which adequate reserves have been set aside.
- E. Licenses and Permits. The Borrower has duly obtained and now holds all licenses, permits, certifications, approvals and the like necessary to own and operate its CFC LOCAGMT KY062-R-5103 (JABLONJ) 131638-1

property and business that are required by Governmental Authorities and each remains valid and in full force and effect.

- F. Litigation. There are no outstanding judgments, suits, claims, actions or proceedings pending or, to the knowledge of the Borrower, threatened against or affecting the Borrower or any of its properties which, if adversely determined, either individually or collectively, would have a material adverse effect upon the business, operations, prospects, assets, liabilities or financial condition of the Borrower. The Borrower is not, to the Borrower's knowledge, in default or violation with respect to any judgment, order, writ, injunction, decree, rule or regulation of any Governmental Authority which would have a material adverse effect upon the business, operations, prospects, assets, liabilities or financial condition of the Borrower.
- G. Financial Statements. The balance sheet of the Borrower as at the date identified in Schedule 1 hereto, the statement of operations of the Borrower for the period ending on said date, and the interim financial statements of the Borrower, all heretofore furnished to CFC, are complete and correct. Said balance sheet fairly presents the financial condition of the Borrower as at said date and said statement of operations fairly reflects its operations for the period ending on said date. The Borrower has no contingent obligations or extraordinary forward or long-term commitments except as specifically stated in said balance sheet or herein. There has been no material adverse change in the financial condition or operations of the Borrower from that set forth in said financial statements except changes disclosed in writing to CFC prior to the date hereof.
- H. Required Approvals. No license, consent or approval of any Governmental Authority is required to enable the Borrower to enter into this Agreement, or to perform any of its Obligations provided for herein, including without limitation (and if applicable), that of any state public utilities commission, any state public service commission, and the Federal Energy Regulatory Commission, except as disclosed in Schedule 1 hereto, all of which Borrower has obtained prior to the date hereof.
- I. Compliance With Laws. The Borrower is in compliance, in all material respects, with all applicable requirements of law and all applicable rules and regulations of each Governmental Authority.
- J. Disclosure. To the Borrower's knowledge, information and belief, neither this Agreement nor any document, certificate or financial statement furnished to CFC by or on behalf of the Borrower in connection herewith (all such documents, certificates and financial statements, taken as a whole) contains any untrue statement of a material fact or omits to state any material fact necessary in order to make the statements contained herein and therein not misleading.

### ARTICLE III

#### **CREDIT TERMS**

Section 3.01 Advances. CFC agrees to advance funds to the Borrower pursuant to the terms and conditions hereof, provided, however, that the principal amount at any time outstanding under this Agreement shall not exceed the CFC Commitment. The Borrower may borrow, repay and reborrow funds at any time or from time up to, but not including, the Maturity Date, at which

time all principal amounts outstanding, and accrued, but unpaid interest thereon, shall be due and payable in full.

Section 3.02 Payment and Interest Rate. The Line of Credit shall be payable and bear interest as follows:

- A. Interest Rate and Payment. The Borrower unconditionally promises and agrees to pay, as and when due, interest on all amounts advanced hereunder from the date of each Advance and to repay all amounts advanced hereunder with interest on the Maturity Date, if not sooner paid. Interest shall be due and payable in accordance with CFC's regular billing cycles as may be in effect from time to time. CFC shall send a payment notice to the Borrower at least five days prior to the due date of any interest payment, provided, however, that CFC's failure to send a payment notice shall not constitute a waiver by CFC or be deemed to relieve the Borrower of its obligation to make payments as and when due as provided for herein. All amounts shall be payable at CFC's main office at 2201 Cooperative Way, Herndon, Virginia 20171-3025 or at such other location as designated by CFC from time to time. The interest rate on all Advances will be equal to the CFC Line of Credit Rate as published by CFC and in effect from time to time. Interest will be computed on the basis of a 365 day year for the actual number of days that any Advance is outstanding. The effective date of an interest rate adjustment will be determined from time to time by CFC, and shall remain in effect until any subsequent change in the interest rate occurs.
- B. Application of Payments. Each payment shall be applied to the Obligations, first to any fees, costs, expenses or charges other than interest or principal then due on the Borrower's indebtedness to CFC, second to interest accrued and the balance to principal.

#### Section 3.03 RESERVED.

Section 3.04 Limitation on Advances. While an Advance is outstanding, CFC reserves the right to limit further Advances if the sum of (a) all Advances outstanding, (b) the amount of any further Advance requested, and (c) the total amount of Borrower's other unsecured outstanding debt, would exceed the CFC Commitment. CFC may in its sole discretion decline to make any Advance during any period when the Borrower is in default hereunder.

Section 3.05 Mandatory Prepayment. If there is a change in the Borrower's corporate structure (including without limitation by merger, consolidation, conversion or acquisition), then upon the effective date of such change, (a) the Borrower shall no longer have the ability to request, and CFC shall have no obligation to make, Advances hereunder and (b) the Borrower shall prepay the outstanding principal balance of all Obligations, together with any accrued but unpaid interest thereon, any unpaid costs or expenses provided for herein, and a prepayment premium prescribed by CFC pursuant to its policies of general application in effect from time to time, and upon prepayment thereof, this Agreement shall automatically terminate without further action by either Borrower or CFC.

Notwithstanding the foregoing, Borrower shall retain the ability to request, and CFC shall retain the obligation to make, Advances hereunder and no prepayment shall be required under this Section 3.05 if, after giving effect to such change, Borrower, or its successor in interest, is engaged in the furnishing of electric utility services to its members and is organized as a cooperative, nonprofit corporation, public utility district, municipality, or other public governmental body.

Section 3.06 RESERVED.

Section 3.07 Default Rate. If Borrower defaults on its obligation to make a payment due hereunder by the applicable date payment is due, and such default continues for thirty days thereafter, then beginning on the thirty-first day after the payment is due and for so long as such default continues. Advances shall bear interest at the Default Rate.

#### ARTICLE IV

### CONDITIONS OF LENDING

Section 4.01 The obligation of CFC to make any Advance hereunder is subject to satisfaction of the following conditions in form and substance satisfactory to CFC:

- A. Legal Matters. All legal matters incident to the consummation of the transactions hereby contemplated shall be satisfactory to counsel for CFC.
- B. Documents. CFC shall have been furnished with (i) the executed Loan Documents, (ii) certified copies of all such organizational documents and proceedings of the Borrower authorizing the transactions hereby contemplated as CFC shall require, (iii) an opinion of counsel for the Borrower addressing such legal matters as CFC shall reasonably require, and (iv) all other such documents as CFC may reasonably request.
- C. Government Approvals. The Borrower shall have furnished to CFC true and correct copies of all certificates, authorizations, consents, permits and licenses from Governmental Authorities necessary for the execution or delivery of the Loan Documents or performance by the Borrower of the obligations thereunder.
- D. Representations and Warranties. The representations and warranties contained in Article II shall be true on the date of the making of each Advance hereunder with the same effect as though such representations and warranties had been made on such date; no Event of Default and no event which, with the lapse of time or the notice and lapse of time would become such an Event of Default, shall have occurred and be continuing or will have occurred after giving effect to each Advance on the books of the Borrower; there shall have occurred no material adverse change in the business or condition, financial or otherwise, of the Borrower; and nothing shall have occurred which in the opinion of CFC materially and adversely affects the Borrower's ability to perform its obligations hereunder.
- E. Requisitions. Borrower will requisition each Advance by submitting its requisition to CFC in form and substance satisfactory to CFC no later than 12:00 noon local time at CFC's offices in Herndon, Virginia on the Business Day prior to the Business Day Borrower seeks to have funds advanced.

CFC may require the Borrower to submit such additional information as it may reasonably require prior to funding the Advance request.

F. Special Conditions. CFC shall be fully satisfied that the Borrower has complied with all special conditions identified in Schedule 1 hereto.

#### ARTICLE V

#### COVENANTS

Section 5.01 The Borrower covenants and agrees with CFC that until payment in full of the Line of Credit and performance of all obligations of the Borrower hereunder:

- A. Use of Proceeds. The Borrower shall use the proceeds of this Line of Credit solely for the purposes identified on Schedule 1 hereto.
  - B. Notice. The Borrower shall promptly notify CFC in writing of:
    - (i) any material adverse change in the business, operations, prospects, assets, liabilities or financial condition of the Borrower or its subsidiaries;
    - (ii) the institution or threat of any litigation or administrative proceeding of any nature involving the Borrower or any subsidiary which could materially affect the business, operations, prospects, assets, liabilities or financial condition of the Borrower or any subsidiary;
    - (iii) the occurrence of an Event of Default hereunder, or any event that, with the giving of notice or lapse of time, or both, would constitute an Event of Default.
- C. Default Notices. Upon receipt of any notices with respect to a default by the Borrower or any subsidiary under the terms of any evidence of any indebtedness with parties other than CFC or of any loan agreement, mortgage or other agreement relating thereto, the Borrower shall, and shall cause each subsidiary to, deliver copies of such notice to CFC.
- Financial Books; Financial Reports; Right of Inspection. The Borrower will D. at all times keep, and safely preserve, proper books, records and accounts in which full and true entries will be made of all of the dealings, business and affairs of the Borrower, in accordance with GAAP. The Borrower will cause to be prepared and furnished to CFC within one hundred twenty (120) days of the end of each of the Borrower's fiscal years during the term hereof, a full and complete consolidated and consolidating report of its financial condition and of its operations as of the end of such fiscal year, audited and certified by independent certified public accountants nationally recognized or otherwise satisfactory to CFC and accompanied by a report of such audit in form and substance satisfactory to CFC, including without limitation a consolidated and consolidating balance sheet and the related consolidated and consolidating statements of income and cash flow. CFC, through its representatives, shall at all times during reasonable business hours and upon prior notice have access to, and the right to inspect and make copies of, any or all books, records and accounts, and any or all invoices, contracts, leases, payrolls, canceled checks, statements and other documents and papers of every kind belonging to or in the possession of the Borrower or in anyway pertaining to its property or business.
- E. Compliance With Laws. The Borrower and each subsidiary shall remain in compliance, in all material respects, with all applicable requirements of law and applicable rules and regulations of each Governmental Authority.

- F. Taxes. The Borrower shall pay, or cause to be paid all taxes, assessments or governmental charges lawfully levied or imposed on or against it and its properties prior to the time they become delinquent, except for any taxes, assessments or charges that are being contested in good faith and with respect to which adequate reserves as determined in good faith by Borrower have been established and are being maintained.
- G. Special Covenants. The Borrower will comply with any special covenants identified in Schedule 1 hereto.

### ARTICLE VI

## **EVENTS OF DEFAULT**

Section 6.01 The following shall be "Events of Default" under this Agreement:

- A. Representations and Warranties. Any representation or warranty made by the Borrower herein, or in any of the other Loan Documents, or in any certificate or financial statement furnished to CFC hereunder or under any of the other Loan Documents shall prove to be false or misleading in any material respect.
- B. Payment. The Borrower shall fail to pay (whether upon stated maturity, by acceleration, or otherwise) any principal, interest, premium (if any) or other amount payable under the Line of Credit within five (5) Business Days after the due date thereof.

### C. Other Covenants.

- (i) No Grace Period. Failure of the Borrower to observe or perform any covenant or agreement contained in Sections 5.01.A, 5.01.C, 5.01.D, or 5.01.G, of this Agreement.
- (ii) Thirty Day Grace Period. Failure of the Borrower to observe or perform any other covenant or agreement contained in this Agreement or any of the other Loan Documents, which shall remain unremedied for thirty (30) calendar days after written notice thereof shall have been given to the Borrower by CFC.
- D. Legal Existence, Permits and Licenses. The Borrower shall forfeit or otherwise be deprived of (i) its authority to conduct business in the jurisdiction in which it is organized or in any other jurisdiction where such authority is required in order for the Borrower to conduct its business in such jurisdiction or (ii) permits, easements, consents or licenses required to carry on any material portion of its business.
- E. Other CFC Obligations. The Borrower shall be in breach or default of any Obligation, which breach or default continues uncured beyond the expiration of any applicable grace period.
- F. Other Obligations. The Borrower shall (i) fail to make any payment of any principal, premium or any other amount due or interest on any indebtedness with parties other than CFC which shall remain unpaid beyond the expiration of any applicable grace period, or (ii) be in breach or default with respect to any other term of any evidence of any other indebtedness with parties other than CFC or of any loan agreement, mortgage or other agreement relating thereto which breach or default continues uncured beyond the expiration of any applicable CFC LOCAGMT

KY062-R-5103 (JABLONJ) 131638-1 grace period, if the effect of such failure, default or breach is to cause the holder or holders of that indebtedness to cause that indebtedness to become or be declared due prior to its stated maturity (upon the giving or receiving of notice, lapse of time, both or otherwise).

- G. Involuntary Bankruptcy. An involuntary case or other proceeding shall be commenced against the Borrower seeking liquidation, reorganization or other relief with respect to it or its debts under bankruptcy, insolvency or other similar law now or hereafter in effect or seeking the appointment of a trustee, receiver, liquidator, custodian or other similar official of it or any substantial part of its property and such involuntary case or other proceeding shall continue without dismissal or stay for a period of sixty (60) days; or an order for relief shall be entered against the Borrower under the federal bankruptcy laws or applicable state law as now or hereafter in effect.
- H. Insolvency. The Borrower shall commence a voluntary case or other proceeding seeking liquidation, reorganization or other relief with respect to itself or its debts under any bankruptcy, insolvency or other similar law now or hereafter in effect or seeking the appointment of a trustee, receiver, liquidator, custodian or other similar official of it or any substantial part of its property, or shall consent to any such relief or to the appointment of or taking possession by any such official in an involuntary case or proceeding commenced against it, or shall make a general assignment for the benefit of creditors, or shall admit in writing its inability to, or be generally unable to, pay its debts as they become due, or shall take any action to authorize any of the foregoing.
- I. Dissolution or Liquidation. Other than as provided in subsection H. above, the dissolution or liquidation of the Borrower, or failure by the Borrower promptly to forestall or remove any execution, garnishment or attachment of such consequence as will impair its ability to continue its business or fulfill its obligations and such execution, garnishment or attachment shall not be vacated within sixty (60) days.
- J. Material Adverse Change. Any material adverse change in the business or condition, financial or otherwise, of the Borrower or any subsidiary.
- K. Monetary Judgment. The Borrower shall suffer any money judgment not covered by insurance, writ or warrant of attachment or similar process involving an amount in excess of \$100,000 and shall not discharge, vacate, bond or stay the same within a period of sixty (60) days.
- L. Nonmonetary Judgment. One or more nonmonetary judgments or orders (including, without limitation, injunctions, writs or warrants of attachment, garnishment, execution, distraint, replevin or similar process) shall be rendered against the Borrower that, either individually or in the aggregate, could reasonably be expected to have a material adverse effect upon the business, operations, prospects, assets, liabilities or financial condition of the Borrower.

## **ARTICLE VII**

#### REMEDIES

**Section 7.01** If any of the Events of Default listed in Section 6 hereof shall occur after the date of this Agreement and shall not have been remedied within the applicable grace periods specified therein, then CFC may:

- (a) Cease making Advances hereunder;
- (b) Declare all unpaid principal outstanding on the Line of Credit, all accrued and unpaid interest thereon, and all other Obligations to be immediately due and payable and the same shall thereupon become immediately due and payable without presentment, demand, protest or notice of any kind, all of which are hereby expressly waived;
- (c) Exercise rights of setoff or recoupment and apply any and all amounts held, or hereby held, by CFC or owed to the Borrower or for the credit or account of the Borrower against any and all of the Obligations of the Borrower now or hereafter existing hereunder or under the Line of Credit, including, but not limited to, patronage capital allocations and retirements, money due to Borrower from equity certificates purchased from CFC, and any membership or other fees that would otherwise be returned to Borrower. The rights of CFC under this section are in addition to any other rights and remedies (including other rights of setoff or recoupment) which CFC may have. The Borrower waives all rights of setoff, deduction, recoupment or counterclaim;
- (d) Pursue all rights and remedies available to CFC, including, but not limited to, a suit for specific performance, injunctive relief or damages;
- (e) Pursue any other rights and remedies available to CFC at law or in equity.

Nothing herein shall limit the right of CFC to pursue all rights and remedies available to a creditor following the occurrence of an Event of Default. Each right, power and remedy of CFC shall be cumulative and concurrent, and recourse to one or more rights or remedies shall not constitute a waiver of any other right, power or remedy.

# **ARTICLE VIII**

## **MISCELLANEOUS**

Section 8.01 Notices. All notices, requests and other communications provided for herein including, without limitation, any modifications of, or waivers, requests or consents under, this Agreement shall be given or made in writing (including, without limitation, by telecopy) and delivered to the intended recipient at the "Address for Notices" specified below; or, as to any party, at such other address as shall be designated by such party in a notice to each other party. All such communications shall be deemed to have been duly given (a) when personally delivered including, without limitation, by overnight mail or courier service, (b) in the case of notice by United States mail, certified or registered, postage prepaid, return receipt requested, upon receipt thereof, or (c) in the case of notice by telecopy, upon transmission thereof, provided such transmission is promptly confirmed by either of the methods set forth in clauses

(a) or (b) above in each case given or addressed as provided for herein. The Address for Notices of each of the respective parties is as follows:

National Rural Utilities Cooperative Finance Corporation 2201 Cooperative Way Herndon, Virginia 20171-3025 Attention: Senior Vice President – Member Services Fax # 703-709-6776

The Borrower:

The address set forth in Schedule 1 hereto

Section 8.02 Expenses. Borrower shall reimburse CFC for any reasonable costs and out-of-pocket expenses paid or incurred by CFC (including, without limitation, reasonable fees and expenses of outside attorneys, paralegals and consultants) for all actions CFC takes, (a) to enforce the payment of any Obligation or in preparation for such enforcement, (b) to restructure any of the Obligations, (c) to review, approve or grant any consents or waivers hereunder, (d) to prepare, negotiate, execute, deliver, review, amend or modify this Agreement, and (e) to prepare, negotiate, execute, deliver, review, amend or modify any other agreements, documents and instruments deemed necessary or appropriate by CFC in connection with any of the foregoing.

The amount of all such expenses identified in this Section 8.02 shall be payable upon demand, and if not paid, shall accrue interest at the then prevailing CFC Line of Credit Rate plus two hundred basis points.

Section 8.03 Late Payments. If payment of any amount due hereunder is not received at CFC's office in Herndon, Virginia or such other location as CFC may designate to the Borrower, within five (5) Business Days after the due date thereof, the Borrower will pay to CFC, in addition to all other amounts due under the terms of the Loan Documents, any late payment charge as may be fixed by CFC from time to time pursuant to its policies of general application as in effect from time to time.

Section 8.04. Non-Business Day Payments. If any payment to be made by the Borrower hereunder shall become due on a day which is not a Business Day, such payment shall be made on the next succeeding Business Day and such extension of time shall be included in computing any interest in respect of such payment.

Section 8.05 Filing Fees. To the extent permitted by law, the Borrower agrees to pay all expenses of CFC (including the reasonable fees and expenses of its counsel) in connection with the filing, registration, recordation or perfection of any instruments as may be required by CFC in connection with this Agreement, including, without limitation, all documentary stamps, recordation and transfer taxes and other costs and taxes incident to execution, filing, registration, recordation or perfection of any document or instrument in connection herewith. The Borrower agrees to save harmless and indemnify CFC from and against any liability resulting from the failure to pay any required documentary stamps, recordation and transfer taxes, recording costs, or any other expenses incurred by CFC in connection with this

Agreement. The provisions of this subsection shall survive the execution and delivery of this Agreement and the payment of all other amounts due hereunder.

Section 8.06 CFC Accounts. Borrower agrees that the records of, and all computations by, CFC (in whatever media they are recorded or maintained) as to the amount of principal, interest and fees due on the Line of Credit shall be conclusive in the absence of manifest error.

Section 8.07 Waiver; Modification. No failure on the part of CFC to exercise, and no delay in exercising, any right or power hereunder or under the other Loan Documents shall operate as a waiver thereof, nor shall any single or partial exercise by CFC of any right hereunder, or any abandonment or discontinuance of steps to enforce such right or power, preclude any other or further exercise thereof or the exercise of any other right or power. No modification or waiver of any provision of this Agreement or the other Loan Documents and no consent to any departure by the Borrower therefrom shall in any event be effective unless the same shall be in writing by the party granting such modification, waiver or consent, and then such modification, waiver or consent shall be effective only in the specific instance and for the purpose for which given.

SECTION 8.08 GOVERNING LAW; SUBMISSION TO JURISDICTION; WAIVER OF JURY TRIAL.

- (A) THE PERFORMANCE AND CONSTRUCTION OF THIS AGREEMENT SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAWS OF THE COMMONWEALTH OF VIRGINIA.
- (B) THE BORROWER HEREBY SUBMITS TO THE NON-EXCLUSIVE JURISDICTION OF THE UNITED STATES COURTS LOCATED IN VIRGINIA AND OF ANY STATE COURT SO LOCATED FOR PURPOSES OF ALL LEGAL PROCEEDINGS ARISING OUT OF OR RELATING TO THIS AGREEMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY. THE BORROWER IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY OBJECTIONS THAT IT MAY NOW OR HEREAFTER HAVE TO THE ESTABLISHING OF THE VENUE OF ANY SUCH PROCEEDINGS BROUGHT IN SUCH A COURT AND ANY CLAIM THAT ANY SUCH PROCEEDING HAS BEEN BROUGHT IN AN INCONVENIENT FORUM.
- (C) THE BORROWER AND CFC EACH HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY AND ALL RIGHT TO TRIAL BY JURY IN ANY LEGAL PROCEEDING ARISING OUT OF OR RELATING TO THIS AGREEMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY.

SECTION 8.09 INDEMNIFICATION. THE BORROWER HEREBY INDEMNIFIES AND AGREES TO HOLD HARMLESS, AND DEFEND CFC AND ITS MEMBERS, DIRECTORS, OFFICERS, EMPLOYEES, AGENTS, ATTORNEYS AND REPRESENTATIVES (EACH AN "INDEMNITEE") FOR, FROM, AND AGAINST ALL CLAIMS, DAMAGES, LOSSES, LIABILITIES, COSTS, AND EXPENSES (INCLUDING, WITHOUT LIMITATION, COSTS AND EXPENSES OF LITIGATION AND REASONABLE ATTORNEYS' FEES) ARISING FROM ANY CLAIM OR DEMAND IN RESPECT OF THIS AGREEMENT AND THE OTHER LOAN DOCUMENTS OR THE TRANSACTIONS DESCRIBED IN THIS AGREEMENT AND THE OTHER LOAN DOCUMENTS AND ARISING AT ANY TIME, WHETHER BEFORE OR AFTER PAYMENT AND PERFORMANCE OF ALL OBLIGATIONS UNDER THIS AGREEMENT AND

THE OTHER LOAN DOCUMENTS IN FULL, EXCEPTING ANY SUCH MATTERS ARISING SOLELY FROM THE GROSS NEGLIGENCE OR WILLFUL MISCONDUCT OF CFC OR ANY INDEMNITEE. NOTWITHSTANDING ANYTHING TO THE CONTRARY CONTAINED IN SECTION 8.11 HEREOF, THE OBLIGATIONS IMPOSED UPON THE BORROWER BY THIS SECTION SHALL SURVIVE THE REPAYMENT OF THE LINE OF CREDIT AND THE TERMINATION OF THIS AGREEMENT.

Section 8.10 Complete Agreement. This Agreement, together with the schedules to this Agreement and the other Loan Documents, and the other agreements and matters referred to herein or by their terms referring hereto, is intended by the parties as a final expression of their agreement and is intended as a complete statement of the terms and conditions of their agreement. In the event of any conflict in the terms and provisions of this Agreement and any other Loan Documents, the terms and provisions of this Agreement shall control.

Section 8.11 Survival; Successors and Assigns. All covenants, agreements, representations and warranties of the Borrower which are contained in this Agreement shall survive the execution and delivery to CFC of the Loan Documents and the making of the Advances hereunder and shall continue in full force and effect until all of the obligations under the Loan Documents have been paid in full. All covenants, agreements, representations and warranties of the Borrower which are contained in this Agreement shall inure to the benefit of the successors and assigns of CFC. The Borrower shall not have the right to assign its rights or obligations under this Agreement.

Section 8.12 Use of Terms. The use of the singular herein shall also refer to the plural, and vice versa.

Section 8.13 Headings. The headings and sub-headings contained in this Agreement are intended to be used for convenience only and do not constitute part of this Agreement.

Section 8.14 Severability. If any term, provision or condition, or any part thereof, of this Agreement or the other Loan Documents shall for any reason be found or held invalid or unenforceable by any governmental agency or court of competent jurisdiction, such invalidity or unenforceability shall not affect the remainder of such term, provision or condition nor any other term, provision or condition, and this Agreement and the other Loan Documents shall survive and be construed as if such invalid or unenforceable term, provision or condition had not been contained therein.

Section 8.15 Binding Effect. This Agreement shall become effective when it shall have been executed by both Borrower and CFC and thereafter shall be binding upon and inure to the benefit of Borrower and CFC and their respective successors and assigns.

Section 8.16 Counterparts. This Agreement may be executed in one or more counterparts, each of which will be deemed an original and all of which together will constitute one and the same document. Signature pages may be detached from the counterparts and attached to a single copy of this Agreement to physically form one document.

Section 8.17 Schedule 1. Schedule 1 attached hereto is an integral part of this Agreement.

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be duly executed as of the day and year first above written.

Mr. Nazir K. Rostom National Rural Utilities Cooperative Finance Corporation 2201 Cooperative Way Herndon, VA 20171-3025

Dear Mr. Rostom:

Regarding our recent discussions regarding the CFC ELOC, I have gathered more information on the impact the recent winter storm has had and will have on Big Rivers. At the height of the storms damage, all but 5 of Big Rivers' delivery points were out of service. Big Rivers had all its 110 delivery points re-energized within 8 days of the storm. Big Rivers' restoration costs are estimated to be \$2.4 million. At this time, we believe about \$800,000 of that amount may be eligible for an insurance claim, less a \$300,000 deductible.

We also currently estimate about 80% of the balance will be eligible for FEMA reimbursement, as the Obama administration has made a declaration that the area is eligible for major disaster relief. So, it appears Big Rivers net out-of pocket cost will be about \$400,000. I understand insurance and FEMA reimbursement may quite some time, perhaps a year or so. That said, Big Rivers would like to pursue a 2 year unsecured CFC ELOC for \$2.5 million.

Thanks for your assistance with this matter. I look forward to hearing from you.

Respectfully,

Mark Hite

**BIG RIVERS ELECTRIC CORPORATION** Re:

Loan Designation KY062-R-5103

Dear Sir:

We are counsel for BIG RIVERS ELECTRIC CORPORATION, organized under the laws of the Commonwealth of Kentucky ("Borrower"), and render this opinion to you in connection with a line of credit in the amount of \$2,500,000.00 provided for in the Revolving Line of Credit Agreement ("Line of Credit Agreement"), dated as of February 20, 2009, between the Borrower and National Rural Utilities Cooperative Finance Corporation ("CFC").

We have examined such corporate records and proceedings of the Borrower, and such other documents as we have deemed necessary as a basis for the opinions hereinafter expressed.

We have also examined the Line of Credit Agreement as executed and delivered by the Borrower.

Based upon the foregoing, we are of the opinion that:

- the Borrower is a duly organized, validly existing corporation and in (i) good standing under the laws of the jurisdiction of its organization, and the Borrower has full corporate power (a) to execute and deliver the Line of Credit Agreement; and (b) to perform all acts required to be done by it under the Line of Credit Agreement; and
- no authorization from any regulatory body is required in connection with (ii) the execution, delivery and performance of the Line of Credit Agreement including, without limitation, the Federal Energy Regulatory Commission and/or the state public utility commission, if applicable.

Very truly yours,

Sullivan, Mountjoy, Stainback & Miller, P.S.C.

## REVOLVING LINE OF CREDIT AGREEMENT

REVOLVING LINE OF CREDIT AGREEMENT (this "Agreement"), dated as of February 20, 2009, between BIG RIVERS ELECTRIC CORPORATION ("Borrower"), a corporation organized and existing under the laws of the State of Kentucky, and NATIONAL RURAL UTILITIES COOPERATIVE FINANCE CORPORATION ("CFC"), a cooperative association organized and existing under the laws of the District of Columbia.

#### **RECITALS**

WHEREAS, the Borrower has applied to CFC for a line of credit for the purposes set forth in Schedule 1 hereto, and CFC is willing to extend such a line of credit to the Borrower on the terms and conditions stated herein.

**NOW, THEREFORE,** for and in consideration of the premises and the mutual covenants hereinafter contained, the parties hereto agree and bind themselves as follows:

#### ARTICLE I

## **DEFINITIONS**

**Section 1.01** For purposes of this Agreement, the following capitalized terms shall have the following meanings (such definitions to be equally applicable to the singular and the plural form thereof).

"Advance" shall mean each advance of funds by CFC to the Borrower pursuant to the terms and conditions of this Agreement.

"Business Day" shall mean any day that both CFC and the depository institution CFC utilizes for funds transfers hereunder are open for business.

"CFC Commitment" shall have the meaning as defined in Schedule 1 hereto.

"CFC Line of Credit Rate" shall mean the rate published by CFC from time to time, by electronic or other means, for similarly classified lines of credit, but if not published, then the rate determined for such lines of credit by CFC from time to time.

"DSC Ratio" shall mean the ratio determined as follows: for any calendar year add: (1) net income (after taxes and after eliminating any gain or loss on sale of assets or other extraordinary gain or loss), plus depreciation expense, amortization expense, and interest expense, minus capitalized interest not paid from operating cash flow, non-cash patronage and non-cash income from subsidiaries and/or joint ventures; and divide the sum so obtained by the sum of (2) all principal payments due within the period on all Long Term Debt plus interest expense (all as calculated on a consolidated basis for the applicable period in accordance with GAAP consistently applied or the appropriate standards of the regulatory agency having jurisdiction over the company) minus capitalized interest not paid from operating cash flow.

"Default Rate" shall mean a rate per annum equal to the interest rate in effect for an Advance plus two hundred basis points.

"Effective Date" shall mean the date designated as such by CFC on the signature page hereof.

"Event of Default" shall have the meaning as described in Article VI hereof.

"GAAP" shall mean generally accepted accounting principles set forth in the opinions and pronouncements of the Accounting Principles Board and the American Institute of Certified Public Accountants and statements and pronouncements of the Financial Accounting Standards Board.

"Governmental Authority" shall mean the government of the United States of America, any other nation or government, any state or other political subdivision thereof, whether state or local, and any agency, authority, instrumentality, regulatory body, court or other entity exercising executive, legislative, judicial, taxing, regulatory or administrative powers or functions of or pertaining to government.

"Lien" shall mean any statutory or common law consensual or non-consensual mortgage, pledge, security interest, encumbrance, lien, right of set off, claim or charge of any kind, including, without limitation, any conditional sale or other title retention transaction, any lease transaction in the nature thereof and any secured transaction under the Uniform Commercial Code.

"Line of Credit" shall mean the line of credit extended by CFC to the Borrower, pursuant to this Agreement, in an aggregate principal amount outstanding at any time not to exceed the CFC Commitment.

"Loan Documents" shall mean this Agreement and all other documents or instruments executed, delivered or executed and delivered by the Borrower and evidencing, securing, governing or otherwise pertaining to the Line of Credit.

"Maturity Date" shall mean the date set forth in Schedule 1 hereto.

"Obligations" shall mean any and all liabilities, obligations or indebtedness owing by the Borrower to CFC, of any kind or description, irrespective of whether for the payment of money, whether direct or indirect, absolute or contingent, due or to become due, now existing or hereafter arising.

"Person" shall mean natural persons, cooperatives, corporations, limited liability companies, limited partnerships, general partnerships, limited liability partnerships, joint ventures, associations, companies, trusts or other organizations, irrespective of whether they are legal entities, and Governmental Authorities.

"TIER" shall mean the ratio determined as follows: for any calendar year add: (1) net income (after taxes and after eliminating any gain or loss on sale of assets or other extraordinary gain or loss), plus interest expense; and divide the sum so obtained by the sum of (2) interest expenses (all as calculated on a consolidated basis for the applicable period in accordance with GAAP consistently applied or the appropriate standards of the regulatory agency having jurisdiction over the company) minus capitalized interest not paid from operating cash flow.

### ARTICLE II

#### REPRESENTATIONS AND WARRANTIES

**Section 2.01** The Borrower represents and warrants to CFC that as of the date of this Agreement:

- A. Good Standing. The Borrower is duly organized, validly existing and in good standing under the laws of the jurisdiction of its incorporation or organization, is duly qualified to do business and is in good standing in those states in which it is required to be qualified to conduct its business.
- B. Authority; Validity. The Borrower has the power and authority to enter into this Agreement; to make the borrowing hereunder; to execute and deliver all documents and instruments required hereunder and to incur and perform the obligations provided for herein, all of which have been duly authorized by all necessary and proper action; and no consent or approval of any Person, including, as applicable and without limitation, members of the Borrower, which has not been obtained is required as a condition to the validity or enforceability hereof or thereof.

This Agreement is, and when fully executed and delivered will be, legal, valid and binding upon the Borrower and enforceable against the Borrower in accordance with its terms, subject to applicable bankruptcy, insolvency, reorganization, moratorium or other laws affecting creditors' rights generally and subject to general principles of equity.

C. No Conflicting Agreements. The execution and delivery of the Loan Documents and performance by the Borrower of the obligations thereunder, and the transactions contemplated hereby or thereby, will not: (i) violate any provision of law, any order, rule or regulation of any court or other agency of government, any award of any arbitrator, the articles of incorporation or bylaws of the Borrower, or any indenture, contract, agreement, mortgage, deed of trust or other instrument to which the Borrower is a party or by which it or any of its property is bound; or (ii) be in conflict with, result in a breach of or constitute (with due notice and/or lapse of time) a default under, any such award, indenture, contract, agreement, mortgage, deed of trust or other instrument, or result in the creation or imposition of any Lien upon any of the property or assets of the Borrower.

The Borrower is not in default in any material respect under any agreement or instrument to which it is a party or by which it is bound and no event or condition exists which constitutes a default, or with the giving of notice or lapse of time, or both, would constitute a default under any such agreement or instrument.

- D. Taxes. The Borrower has filed or caused to be filed all federal, state and local tax returns which are required to be filed and has paid or caused to be paid all federal, state and local taxes, assessments, and governmental charges and levies thereon, including interest and penalties to the extent that such taxes, assessments, and governmental charges and levies have become due, except for such taxes, assessments, and governmental charges and levies which the Borrower is contesting in good faith by appropriate proceedings for which adequate reserves have been set aside.
- E. Licenses and Permits. The Borrower has duly obtained and now holds all licenses, permits, certifications, approvals and the like necessary to own and operate its CFC LOCAGMT KY062-R-5103 (JABLONJ) 131638-1

property and business that are required by Governmental Authorities and each remains valid and in full force and effect.

- **F. Litigation.** There are no outstanding judgments, suits, claims, actions or proceedings pending or, to the knowledge of the Borrower, threatened against or affecting the Borrower or any of its properties which, if adversely determined, either individually or collectively, would have a material adverse effect upon the business, operations, prospects, assets, liabilities or financial condition of the Borrower. The Borrower is not, to the Borrower's knowledge, in default or violation with respect to any judgment, order, writ, injunction, decree, rule or regulation of any Governmental Authority which would have a material adverse effect upon the business, operations, prospects, assets, liabilities or financial condition of the Borrower.
- G. Financial Statements. The balance sheet of the Borrower as at the date identified in Schedule 1 hereto, the statement of operations of the Borrower for the period ending on said date, and the interim financial statements of the Borrower, all heretofore furnished to CFC, are complete and correct. Said balance sheet fairly presents the financial condition of the Borrower as at said date and said statement of operations fairly reflects its operations for the period ending on said date. The Borrower has no contingent obligations or extraordinary forward or long-term commitments except as specifically stated in said balance sheet or herein. There has been no material adverse change in the financial condition or operations of the Borrower from that set forth in said financial statements except changes disclosed in writing to CFC prior to the date hereof.
- H. Required Approvals. No license, consent or approval of any Governmental Authority is required to enable the Borrower to enter into this Agreement, or to perform any of its Obligations provided for herein, including without limitation (and if applicable), that of any state public utilities commission, any state public service commission, and the Federal Energy Regulatory Commission, except as disclosed in Schedule 1 hereto, all of which Borrower has obtained prior to the date hereof.
- I. Compliance With Laws. The Borrower is in compliance, in all material respects, with all applicable requirements of law and all applicable rules and regulations of each Governmental Authority.
- J. Disclosure. To the Borrower's knowledge, information and belief, neither this Agreement nor any document, certificate or financial statement furnished to CFC by or on behalf of the Borrower in connection herewith (all such documents, certificates and financial statements, taken as a whole) contains any untrue statement of a material fact or omits to state any material fact necessary in order to make the statements contained herein and therein not misleading.

# ARTICLE III

# CREDIT TERMS

**Section 3.01 Advances.** CFC agrees to advance funds to the Borrower pursuant to the terms and conditions hereof, provided, however, that the principal amount at any time outstanding under this Agreement shall not exceed the CFC Commitment. The Borrower may borrow, repay and reborrow funds at any time or from time up to, but not including, the Maturity Date, at which

time all principal amounts outstanding, and accrued, but unpaid interest thereon, shall be due and payable in full.

**Section 3.02 Payment and Interest Rate.** The Line of Credit shall be payable and bear interest as follows:

- A. Interest Rate and Payment. The Borrower unconditionally promises and agrees to pay, as and when due, interest on all amounts advanced hereunder from the date of each Advance and to repay all amounts advanced hereunder with interest on the Maturity Date, if not sooner paid. Interest shall be due and payable in accordance with CFC's regular billing cycles as may be in effect from time to time. CFC shall send a payment notice to the Borrower at least five days prior to the due date of any interest payment, provided, however, that CFC's failure to send a payment notice shall not constitute a waiver by CFC or be deemed to relieve the Borrower of its obligation to make payments as and when due as provided for herein. All amounts shall be payable at CFC's main office at 2201 Cooperative Way, Herndon, Virginia 20171-3025 or at such other location as designated by CFC from time to time. The interest rate on all Advances will be equal to the CFC Line of Credit Rate as published by CFC and in effect from time to time. Interest will be computed on the basis of a 365 day year for the actual number of days that any Advance is outstanding. The effective date of an interest rate adjustment will be determined from time to time by CFC, and shall remain in effect until any subsequent change in the interest rate occurs.
- **B.** Application of Payments. Each payment shall be applied to the Obligations, first to any fees, costs, expenses or charges other than interest or principal then due on the Borrower's indebtedness to CFC, second to interest accrued and the balance to principal.

## Section 3.03 RESERVED.

**Section 3.04 Limitation on Advances.** While an Advance is outstanding, CFC reserves the right to limit further Advances if the sum of (a) all Advances outstanding, (b) the amount of any further Advance requested, and (c) the total amount of Borrower's other unsecured outstanding debt, would exceed the CFC Commitment. CFC may in its sole discretion decline to make any Advance during any period when the Borrower is in default hereunder.

Section 3.05 Mandatory Prepayment. If there is a change in the Borrower's corporate structure (including without limitation by merger, consolidation, conversion or acquisition), then upon the effective date of such change, (a) the Borrower shall no longer have the ability to request, and CFC shall have no obligation to make, Advances hereunder and (b) the Borrower shall prepay the outstanding principal balance of all Obligations, together with any accrued but unpaid interest thereon, any unpaid costs or expenses provided for herein, and a prepayment premium prescribed by CFC pursuant to its policies of general application in effect from time to time, and upon prepayment thereof, this Agreement shall automatically terminate without further action by either Borrower or CFC.

Notwithstanding the foregoing, Borrower shall retain the ability to request, and CFC shall retain the obligation to make, Advances hereunder and no prepayment shall be required under this Section 3.05 if, after giving effect to such change, Borrower, or its successor in interest, is engaged in the furnishing of electric utility services to its members and is organized as a cooperative, nonprofit corporation, public utility district, municipality, or other public governmental body.

Section 3.06 RESERVED.

Section 3.07 Default Rate. If Borrower defaults on its obligation to make a payment due hereunder by the applicable date payment is due, and such default continues for thirty days thereafter, then beginning on the thirty-first day after the payment is due and for so long as such default continues, Advances shall bear interest at the Default Rate.

## **ARTICLE IV**

#### CONDITIONS OF LENDING

**Section 4.01** The obligation of CFC to make any Advance hereunder is subject to satisfaction of the following conditions in form and substance satisfactory to CFC:

- A. Legal Matters. All legal matters incident to the consummation of the transactions hereby contemplated shall be satisfactory to counsel for CFC.
- B. Documents. CFC shall have been furnished with (i) the executed Loan Documents, (ii) certified copies of all such organizational documents and proceedings of the Borrower authorizing the transactions hereby contemplated as CFC shall require, (iii) an opinion of counsel for the Borrower addressing such legal matters as CFC shall reasonably require, and (iv) all other such documents as CFC may reasonably request.
- C. Government Approvals. The Borrower shall have furnished to CFC true and correct copies of all certificates, authorizations, consents, permits and licenses from Governmental Authorities necessary for the execution or delivery of the Loan Documents or performance by the Borrower of the obligations thereunder.
- D. Representations and Warranties. The representations and warranties contained in Article II shall be true on the date of the making of each Advance hereunder with the same effect as though such representations and warranties had been made on such date; no Event of Default and no event which, with the lapse of time or the notice and lapse of time would become such an Event of Default, shall have occurred and be continuing or will have occurred after giving effect to each Advance on the books of the Borrower; there shall have occurred no material adverse change in the business or condition, financial or otherwise, of the Borrower; and nothing shall have occurred which in the opinion of CFC materially and adversely affects the Borrower's ability to perform its obligations hereunder.
- **E.** Requisitions. Borrower will requisition each Advance by submitting its requisition to CFC in form and substance satisfactory to CFC no later than 12:00 noon local time at CFC's offices in Herndon, Virginia on the Business Day prior to the Business Day Borrower seeks to have funds advanced.

CFC may require the Borrower to submit such additional information as it may reasonably require prior to funding the Advance request.

**F.** Special Conditions. CFC shall be fully satisfied that the Borrower has complied with all special conditions identified in Schedule 1 hereto.

#### ARTICLE V

#### COVENANTS

**Section 5.01** The Borrower covenants and agrees with CFC that until payment in full of the Line of Credit and performance of all obligations of the Borrower hereunder:

- A. Use of Proceeds. The Borrower shall use the proceeds of this Line of Credit solely for the purposes identified on Schedule 1 hereto.
  - **B. Notice.** The Borrower shall promptly notify CFC in writing of:
    - (i) any material adverse change in the business, operations, prospects, assets, liabilities or financial condition of the Borrower or its subsidiaries;
    - (ii) the institution or threat of any litigation or administrative proceeding of any nature involving the Borrower or any subsidiary which could materially affect the business, operations, prospects, assets, liabilities or financial condition of the Borrower or any subsidiary;
    - (iii) the occurrence of an Event of Default hereunder, or any event that, with the giving of notice or lapse of time, or both, would constitute an Event of Default.
- C. Default Notices. Upon receipt of any notices with respect to a default by the Borrower or any subsidiary under the terms of any evidence of any indebtedness with parties other than CFC or of any loan agreement, mortgage or other agreement relating thereto, the Borrower shall, and shall cause each subsidiary to, deliver copies of such notice to CFC.
- Financial Books; Financial Reports; Right of Inspection. The Borrower will at all times keep, and safely preserve, proper books, records and accounts in which full and true entries will be made of all of the dealings, business and affairs of the Borrower, in accordance with GAAP. The Borrower will cause to be prepared and furnished to CFC within one hundred twenty (120) days of the end of each of the Borrower's fiscal years during the term hereof, a full and complete consolidated and consolidating report of its financial condition and of its operations as of the end of such fiscal year, audited and certified by independent certified public accountants nationally recognized or otherwise satisfactory to CFC and accompanied by a report of such audit in form and substance satisfactory to CFC, including without limitation a consolidated and consolidating balance sheet and the related consolidated and consolidating statements of income and cash flow. CFC, through its representatives, shall at all times during reasonable business hours and upon prior notice have access to, and the right to inspect and make copies of, any or all books, records and accounts, and any or all invoices, contracts, leases, payrolls, canceled checks, statements and other documents and papers of every kind belonging to or in the possession of the Borrower or in anyway pertaining to its property or business.
- E. Compliance With Laws. The Borrower and each subsidiary shall remain in compliance, in all material respects, with all applicable requirements of law and applicable rules and regulations of each Governmental Authority.

- F. Taxes. The Borrower shall pay, or cause to be paid all taxes, assessments or governmental charges lawfully levied or imposed on or against it and its properties prior to the time they become delinquent, except for any taxes, assessments or charges that are being contested in good faith and with respect to which adequate reserves as determined in good faith by Borrower have been established and are being maintained.
- **G.** Special Covenants. The Borrower will comply with any special covenants identified in Schedule 1 hereto.

#### ARTICLE VI

## **EVENTS OF DEFAULT**

Section 6.01 The following shall be "Events of Default" under this Agreement:

- A. Representations and Warranties. Any representation or warranty made by the Borrower herein, or in any of the other Loan Documents, or in any certificate or financial statement furnished to CFC hereunder or under any of the other Loan Documents shall prove to be false or misleading in any material respect.
- **B.** Payment. The Borrower shall fail to pay (whether upon stated maturity, by acceleration, or otherwise) any principal, interest, premium (if any) or other amount payable under the Line of Credit within five (5) Business Days after the due date thereof.

## C. Other Covenants.

- (i) No Grace Period. Failure of the Borrower to observe or perform any covenant or agreement contained in Sections 5.01.A, 5.01.C, 5.01.D, or 5.01.G, of this Agreement.
- (ii) Thirty Day Grace Period. Failure of the Borrower to observe or perform any other covenant or agreement contained in this Agreement or any of the other Loan Documents, which shall remain unremedied for thirty (30) calendar days after written notice thereof shall have been given to the Borrower by CFC.
- D. Legal Existence, Permits and Licenses. The Borrower shall forfeit or otherwise be deprived of (i) its authority to conduct business in the jurisdiction in which it is organized or in any other jurisdiction where such authority is required in order for the Borrower to conduct its business in such jurisdiction or (ii) permits, easements, consents or licenses required to carry on any material portion of its business.
- E. Other CFC Obligations. The Borrower shall be in breach or default of any Obligation, which breach or default continues uncured beyond the expiration of any applicable grace period.
- F. Other Obligations. The Borrower shall (i) fail to make any payment of any principal, premium or any other amount due or interest on any indebtedness with parties other than CFC which shall remain unpaid beyond the expiration of any applicable grace period, or (ii) be in breach or default with respect to any other term of any evidence of any other indebtedness with parties other than CFC or of any loan agreement, mortgage or other agreement relating thereto which breach or default continues uncured beyond the expiration of any applicable CFC LOCAGMT

grace period, if the effect of such failure, default or breach is to cause the holder or holders of that indebtedness to cause that indebtedness to become or be declared due prior to its stated maturity (upon the giving or receiving of notice, lapse of time, both or otherwise).

- G. Involuntary Bankruptcy. An involuntary case or other proceeding shall be commenced against the Borrower seeking liquidation, reorganization or other relief with respect to it or its debts under bankruptcy, insolvency or other similar law now or hereafter in effect or seeking the appointment of a trustee, receiver, liquidator, custodian or other similar official of it or any substantial part of its property and such involuntary case or other proceeding shall continue without dismissal or stay for a period of sixty (60) days; or an order for relief shall be entered against the Borrower under the federal bankruptcy laws or applicable state law as now or hereafter in effect.
- H. Insolvency. The Borrower shall commence a voluntary case or other proceeding seeking liquidation, reorganization or other relief with respect to itself or its debts under any bankruptcy, insolvency or other similar law now or hereafter in effect or seeking the appointment of a trustee, receiver, liquidator, custodian or other similar official of it or any substantial part of its property, or shall consent to any such relief or to the appointment of or taking possession by any such official in an involuntary case or proceeding commenced against it, or shall make a general assignment for the benefit of creditors, or shall admit in writing its inability to, or be generally unable to, pay its debts as they become due, or shall take any action to authorize any of the foregoing.
- I. Dissolution or Liquidation. Other than as provided in subsection H. above, the dissolution or liquidation of the Borrower, or failure by the Borrower promptly to forestall or remove any execution, garnishment or attachment of such consequence as will impair its ability to continue its business or fulfill its obligations and such execution, garnishment or attachment shall not be vacated within sixty (60) days.
- J. Material Adverse Change. Any material adverse change in the business or condition, financial or otherwise, of the Borrower or any subsidiary.
- K. Monetary Judgment. The Borrower shall suffer any money judgment not covered by insurance, writ or warrant of attachment or similar process involving an amount in excess of \$100,000 and shall not discharge, vacate, bond or stay the same within a period of sixty (60) days.
- L. Nonmonetary Judgment. One or more nonmonetary judgments or orders (including, without limitation, injunctions, writs or warrants of attachment, garnishment, execution, distraint, replevin or similar process) shall be rendered against the Borrower that, either individually or in the aggregate, could reasonably be expected to have a material adverse effect upon the business, operations, prospects, assets, liabilities or financial condition of the Borrower.

# **ARTICLE VII**

#### REMEDIES

Section 7.01 If any of the Events of Default listed in Section 6 hereof shall occur after the date of this Agreement and shall not have been remedied within the applicable grace periods specified therein, then CFC may:

- Cease making Advances hereunder; (a)
- (b) Declare all unpaid principal outstanding on the Line of Credit, all accrued and unpaid interest thereon, and all other Obligations to be immediately due and payable and the same shall thereupon become immediately due and payable without presentment, demand, protest or notice of any kind, all of which are hereby expressly waived;
- Exercise rights of setoff or recoupment and apply any and all amounts held, or (c) hereby held, by CFC or owed to the Borrower or for the credit or account of the Borrower against any and all of the Obligations of the Borrower now or hereafter existing hereunder or under the Line of Credit, including, but not limited to. patronage capital allocations and retirements, money due to Borrower from equity certificates purchased from CFC, and any membership or other fees that would otherwise be returned to Borrower. The rights of CFC under this section are in addition to any other rights and remedies (including other rights of setoff or recoupment) which CFC may have. The Borrower waives all rights of setoff. deduction, recoupment or counterclaim;
- Pursue all rights and remedies available to CFC, including, but not limited to, a (d) suit for specific performance, injunctive relief or damages;
- (e) Pursue any other rights and remedies available to CFC at law or in equity.

Nothing herein shall limit the right of CFC to pursue all rights and remedies available to a creditor following the occurrence of an Event of Default. Each right, power and remedy of CFC shall be cumulative and concurrent, and recourse to one or more rights or remedies shall not constitute a waiver of any other right, power or remedy.

## **ARTICLE VIII**

## **MISCELLANEOUS**

Section 8.01 Notices. All notices, requests and other communications provided for herein including, without limitation, any modifications of, or waivers, requests or consents under. this Agreement shall be given or made in writing (including, without limitation, by telecopy) and delivered to the intended recipient at the "Address for Notices" specified below; or, as to any party, at such other address as shall be designated by such party in a notice to each other party. All such communications shall be deemed to have been duly given (a) when personally delivered including, without limitation, by overnight mail or courier service, (b) in the case of notice by United States mail, certified or registered, postage prepaid, return receipt requested, upon receipt thereof, or (c) in the case of notice by telecopy, upon transmission thereof, provided such transmission is promptly confirmed by either of the methods set forth in clauses CFC LOCAGMT

KY062-R-5103 (JABLONJ)

(a) or (b) above in each case given or addressed as provided for herein. The Address for Notices of each of the respective parties is as follows:

National Rural Utilities Cooperative Finance Corporation 2201 Cooperative Way Herndon, Virginia 20171-3025 Attention: Senior Vice President – Member Services Fax # 703-709-6776

The Borrower:

The address set forth in Schedule 1 hereto

Section 8.02 Expenses. Borrower shall reimburse CFC for any reasonable costs and out-of-pocket expenses paid or incurred by CFC (including, without limitation, reasonable fees and expenses of outside attorneys, paralegals and consultants) for all actions CFC takes, (a) to enforce the payment of any Obligation or in preparation for such enforcement, (b) to restructure any of the Obligations, (c) to review, approve or grant any consents or waivers hereunder, (d) to prepare, negotiate, execute, deliver, review, amend or modify this Agreement, and (e) to prepare, negotiate, execute, deliver, review, amend or modify any other agreements, documents and instruments deemed necessary or appropriate by CFC in connection with any of the foregoing.

The amount of all such expenses identified in this Section 8.02 shall be payable upon demand, and if not paid, shall accrue interest at the then prevailing CFC Line of Credit Rate plus two hundred basis points.

**Section 8.03 Late Payments.** If payment of any amount due hereunder is not received at CFC's office in Herndon, Virginia or such other location as CFC may designate to the Borrower, within five (5) Business Days after the due date thereof, the Borrower will pay to CFC, in addition to all other amounts due under the terms of the Loan Documents, any late payment charge as may be fixed by CFC from time to time pursuant to its policies of general application as in effect from time to time.

Section 8.04. Non-Business Day Payments. If any payment to be made by the Borrower hereunder shall become due on a day which is not a Business Day, such payment shall be made on the next succeeding Business Day and such extension of time shall be included in computing any interest in respect of such payment.

Section 8.05 Filing Fees. To the extent permitted by law, the Borrower agrees to pay all expenses of CFC (including the reasonable fees and expenses of its counsel) in connection with the filing, registration, recordation or perfection of any instruments as may be required by CFC in connection with this Agreement, including, without limitation, all documentary stamps, recordation and transfer taxes and other costs and taxes incident to execution, filing, registration, recordation or perfection of any document or instrument in connection herewith. The Borrower agrees to save harmless and indemnify CFC from and against any liability resulting from the failure to pay any required documentary stamps, recordation and transfer taxes, recording costs, or any other expenses incurred by CFC in connection with this

Agreement. The provisions of this subsection shall survive the execution and delivery of this Agreement and the payment of all other amounts due hereunder.

**Section 8.06 CFC Accounts.** Borrower agrees that the records of, and all computations by, CFC (in whatever media they are recorded or maintained) as to the amount of principal, interest and fees due on the Line of Credit shall be conclusive in the absence of manifest error.

Section 8.07 Waiver; Modification. No failure on the part of CFC to exercise, and no delay in exercising, any right or power hereunder or under the other Loan Documents shall operate as a waiver thereof, nor shall any single or partial exercise by CFC of any right hereunder, or any abandonment or discontinuance of steps to enforce such right or power, preclude any other or further exercise thereof or the exercise of any other right or power. No modification or waiver of any provision of this Agreement or the other Loan Documents and no consent to any departure by the Borrower therefrom shall in any event be effective unless the same shall be in writing by the party granting such modification, waiver or consent, and then such modification, waiver or consent shall be effective only in the specific instance and for the purpose for which given.

SECTION 8.08 GOVERNING LAW; SUBMISSION TO JURISDICTION; WAIVER OF JURY TRIAL.

- (A) THE PERFORMANCE AND CONSTRUCTION OF THIS AGREEMENT SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAWS OF THE COMMONWEALTH OF VIRGINIA.
- (B) THE BORROWER HEREBY SUBMITS TO THE NON-EXCLUSIVE JURISDICTION OF THE UNITED STATES COURTS LOCATED IN VIRGINIA AND OF ANY STATE COURT SO LOCATED FOR PURPOSES OF ALL LEGAL PROCEEDINGS ARISING OUT OF OR RELATING TO THIS AGREEMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY. THE BORROWER IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY OBJECTIONS THAT IT MAY NOW OR HEREAFTER HAVE TO THE ESTABLISHING OF THE VENUE OF ANY SUCH PROCEEDINGS BROUGHT IN SUCH A COURT AND ANY CLAIM THAT ANY SUCH PROCEEDING HAS BEEN BROUGHT IN AN INCONVENIENT FORUM.
- (C) THE BORROWER AND CFC EACH HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY AND ALL RIGHT TO TRIAL BY JURY IN ANY LEGAL PROCEEDING ARISING OUT OF OR RELATING TO THIS AGREEMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY.

SECTION 8.09 INDEMNIFICATION. THE BORROWER HEREBY INDEMNIFIES AND AGREES TO HOLD HARMLESS, AND DEFEND CFC AND ITS MEMBERS, DIRECTORS, OFFICERS, EMPLOYEES, AGENTS, ATTORNEYS AND REPRESENTATIVES (EACH AN "INDEMNITEE") FOR, FROM, AND AGAINST ALL CLAIMS, DAMAGES, LOSSES, LIABILITIES, COSTS, AND EXPENSES (INCLUDING, WITHOUT LIMITATION, COSTS AND EXPENSES OF LITIGATION AND REASONABLE ATTORNEYS' FEES) ARISING FROM ANY CLAIM OR DEMAND IN RESPECT OF THIS AGREEMENT AND THE OTHER LOAN DOCUMENTS OR THE TRANSACTIONS DESCRIBED IN THIS AGREEMENT AND THE OTHER LOAN DOCUMENTS AND ARISING AT ANY TIME, WHETHER BEFORE OR AFTER PAYMENT AND PERFORMANCE OF ALL OBLIGATIONS UNDER THIS AGREEMENT AND

THE OTHER LOAN DOCUMENTS IN FULL, EXCEPTING ANY SUCH MATTERS ARISING SOLELY FROM THE GROSS NEGLIGENCE OR WILLFUL MISCONDUCT OF CFC OR ANY INDEMNITEE. NOTWITHSTANDING ANYTHING TO THE CONTRARY CONTAINED IN SECTION 8.11 HEREOF, THE OBLIGATIONS IMPOSED UPON THE BORROWER BY THIS SECTION SHALL SURVIVE THE REPAYMENT OF THE LINE OF CREDIT AND THE TERMINATION OF THIS AGREEMENT.

**Section 8.10 Complete Agreement.** This Agreement, together with the schedules to this Agreement and the other Loan Documents, and the other agreements and matters referred to herein or by their terms referring hereto, is intended by the parties as a final expression of their agreement and is intended as a complete statement of the terms and conditions of their agreement. In the event of any conflict in the terms and provisions of this Agreement and any other Loan Documents, the terms and provisions of this Agreement shall control.

Section 8.11 Survival; Successors and Assigns. All covenants, agreements, representations and warranties of the Borrower which are contained in this Agreement shall survive the execution and delivery to CFC of the Loan Documents and the making of the Advances hereunder and shall continue in full force and effect until all of the obligations under the Loan Documents have been paid in full. All covenants, agreements, representations and warranties of the Borrower which are contained in this Agreement shall inure to the benefit of the successors and assigns of CFC. The Borrower shall not have the right to assign its rights or obligations under this Agreement.

Section 8.12 Use of Terms. The use of the singular herein shall also refer to the plural, and vice versa.

Section 8.13 Headings. The headings and sub-headings contained in this Agreement are intended to be used for convenience only and do not constitute part of this Agreement.

Section 8.14 Severability. If any term, provision or condition, or any part thereof, of this Agreement or the other Loan Documents shall for any reason be found or held invalid or unenforceable by any governmental agency or court of competent jurisdiction, such invalidity or unenforceability shall not affect the remainder of such term, provision or condition nor any other term, provision or condition, and this Agreement and the other Loan Documents shall survive and be construed as if such invalid or unenforceable term, provision or condition had not been contained therein.

Section 8.15 Binding Effect. This Agreement shall become effective when it shall have been executed by both Borrower and CFC and thereafter shall be binding upon and inure to the benefit of Borrower and CFC and their respective successors and assigns.

**Section 8.16 Counterparts.** This Agreement may be executed in one or more counterparts, each of which will be deemed an original and all of which together will constitute one and the same document. Signature pages may be detached from the counterparts and attached to a single copy of this Agreement to physically form one document.

Section 8.17 Schedule 1. Schedule 1 attached hereto is an integral part of this Agreement.

**IN WITNESS WHEREOF,** the parties hereto have caused this Agreement to be duly executed as of the day and year first above written.

Re: BIG RIVERS ELECTRIC CORPORATION

Loan Designation KY062-R-5103

Dear Sir:

We are counsel for BIG RIVERS ELECTRIC CORPORATION, organized under the laws of the Commonwealth of Kentucky ("Borrower"), and render this opinion to you in connection with a line of credit in the amount of \$2,500,000.00 provided for in the Revolving Line of Credit Agreement ("Line of Credit Agreement"), dated as of February 20, 2009, between the Borrower and National Rural Utilities Cooperative Finance Corporation ("CFC").

We have examined such corporate records and proceedings of the Borrower, and such other documents as we have deemed necessary as a basis for the opinions hereinafter expressed.

We have also examined the Line of Credit Agreement as executed and delivered by the Borrower.

Based upon the foregoing, we are of the opinion that:

- (i) the Borrower is a duly organized, validly existing corporation and in good standing under the laws of the jurisdiction of its organization, and the Borrower has full corporate power (a) to execute and deliver the Line of Credit Agreement; and (b) to perform all acts required to be done by it under the Line of Credit Agreement; and
- (ii) no authorization from any regulatory body is required in connection with the execution, delivery and performance of the Line of Credit Agreement including, without limitation, the Federal Energy Regulatory Commission and/or the state public utility commission, if applicable.

Very truly yours,

Sullivan, Mountjoy, Stainback & Miller, P.S.C.

## REVOLVING LINE OF CREDIT AGREEMENT

REVOLVING LINE OF CREDIT AGREEMENT (this "Agreement"), dated as of February 20, 2009 , between BIG RIVERS ELECTRIC CORPORATION ("Borrower"), a corporation organized and existing under the laws of the State of Kentucky, and NATIONAL RURAL UTILITIES COOPERATIVE FINANCE CORPORATION ("CFC"), a cooperative association organized and existing under the laws of the District of Columbia.

#### RECITALS

WHEREAS, the Borrower has applied to CFC for a line of credit for the purposes set forth in Schedule 1 hereto, and CFC is willing to extend such a line of credit to the Borrower on the terms and conditions stated herein.

**NOW**, **THEREFORE**, for and in consideration of the premises and the mutual covenants hereinafter contained, the parties hereto agree and bind themselves as follows:

## ARTICLE I

## **DEFINITIONS**

**Section 1.01** For purposes of this Agreement, the following capitalized terms shall have the following meanings (such definitions to be equally applicable to the singular and the plural form thereof).

"Advance" shall mean each advance of funds by CFC to the Borrower pursuant to the terms and conditions of this Agreement.

"Business Day" shall mean any day that both CFC and the depository institution CFC utilizes for funds transfers hereunder are open for business.

"CFC Commitment" shall have the meaning as defined in Schedule 1 hereto.

"CFC Line of Credit Rate" shall mean the rate published by CFC from time to time, by electronic or other means, for similarly classified lines of credit, but if not published, then the rate determined for such lines of credit by CFC from time to time.

"DSC Ratio" shall mean the ratio determined as follows: for any calendar year add: (1) net income (after taxes and after eliminating any gain or loss on sale of assets or other extraordinary gain or loss), plus depreciation expense, amortization expense, and interest expense, minus capitalized interest not paid from operating cash flow, non-cash patronage and non-cash income from subsidiaries and/or joint ventures; and divide the sum so obtained by the sum of (2) all principal payments due within the period on all Long Term Debt plus interest expense (all as calculated on a consolidated basis for the applicable period in accordance with GAAP consistently applied or the appropriate standards of the regulatory agency having jurisdiction over the company) minus capitalized interest not paid from operating cash flow.

"Default Rate" shall mean a rate per annum equal to the interest rate in effect for an Advance plus two hundred basis points.

"Effective Date" shall mean the date designated as such by CFC on the signature page hereof.

"Event of Default" shall have the meaning as described in Article VI hereof.

"GAAP" shall mean generally accepted accounting principles set forth in the opinions and pronouncements of the Accounting Principles Board and the American Institute of Certified Public Accountants and statements and pronouncements of the Financial Accounting Standards Board.

"Governmental Authority" shall mean the government of the United States of America, any other nation or government, any state or other political subdivision thereof, whether state or local, and any agency, authority, instrumentality, regulatory body, court or other entity exercising executive, legislative, judicial, taxing, regulatory or administrative powers or functions of or pertaining to government.

"Lien" shall mean any statutory or common law consensual or non-consensual mortgage, pledge, security interest, encumbrance, lien, right of set off, claim or charge of any kind, including, without limitation, any conditional sale or other title retention transaction, any lease transaction in the nature thereof and any secured transaction under the Uniform Commercial Code.

"Line of Credit" shall mean the line of credit extended by CFC to the Borrower, pursuant to this Agreement, in an aggregate principal amount outstanding at any time not to exceed the CFC Commitment.

"Loan Documents" shall mean this Agreement and all other documents or instruments executed, delivered or executed and delivered by the Borrower and evidencing, securing, governing or otherwise pertaining to the Line of Credit.

"Maturity Date" shall mean the date set forth in Schedule 1 hereto.

"Obligations" shall mean any and all liabilities, obligations or indebtedness owing by the Borrower to CFC, of any kind or description, irrespective of whether for the payment of money, whether direct or indirect, absolute or contingent, due or to become due, now existing or hereafter arising.

"Person" shall mean natural persons, cooperatives, corporations, limited liability companies, limited partnerships, general partnerships, limited liability partnerships, joint ventures, associations, companies, trusts or other organizations, irrespective of whether they are legal entities, and Governmental Authorities.

"TIER" shall mean the ratio determined as follows: for any calendar year add: (1) net income (after taxes and after eliminating any gain or loss on sale of assets or other extraordinary gain or loss), plus interest expense; and divide the sum so obtained by the sum of (2) interest expenses (all as calculated on a consolidated basis for the applicable period in accordance with GAAP consistently applied or the appropriate standards of the regulatory agency having jurisdiction over the company) minus capitalized interest not paid from operating cash flow.

# ARTICLE II

# REPRESENTATIONS AND WARRANTIES

**Section 2.01** The Borrower represents and warrants to CFC that as of the date of this Agreement:

- A. Good Standing. The Borrower is duly organized, validly existing and in good standing under the laws of the jurisdiction of its incorporation or organization, is duly qualified to do business and is in good standing in those states in which it is required to be qualified to conduct its business.
- B. Authority; Validity. The Borrower has the power and authority to enter into this Agreement; to make the borrowing hereunder; to execute and deliver all documents and instruments required hereunder and to incur and perform the obligations provided for herein, all of which have been duly authorized by all necessary and proper action; and no consent or approval of any Person, including, as applicable and without limitation, members of the Borrower, which has not been obtained is required as a condition to the validity or enforceability hereof or thereof.

This Agreement is, and when fully executed and delivered will be, legal, valid and binding upon the Borrower and enforceable against the Borrower in accordance with its terms, subject to applicable bankruptcy, insolvency, reorganization, moratorium or other laws affecting creditors' rights generally and subject to general principles of equity.

C. No Conflicting Agreements. The execution and delivery of the Loan Documents and performance by the Borrower of the obligations thereunder, and the transactions contemplated hereby or thereby, will not: (i) violate any provision of law, any order, rule or regulation of any court or other agency of government, any award of any arbitrator, the articles of incorporation or bylaws of the Borrower, or any indenture, contract, agreement, mortgage, deed of trust or other instrument to which the Borrower is a party or by which it or any of its property is bound; or (ii) be in conflict with, result in a breach of or constitute (with due notice and/or lapse of time) a default under, any such award, indenture, contract, agreement, mortgage, deed of trust or other instrument, or result in the creation or imposition of any Lien upon any of the property or assets of the Borrower.

The Borrower is not in default in any material respect under any agreement or instrument to which it is a party or by which it is bound and no event or condition exists which constitutes a default, or with the giving of notice or lapse of time, or both, would constitute a default under any such agreement or instrument.

- D. Taxes. The Borrower has filed or caused to be filed all federal, state and local tax returns which are required to be filed and has paid or caused to be paid all federal, state and local taxes, assessments, and governmental charges and levies thereon, including interest and penalties to the extent that such taxes, assessments, and governmental charges and levies have become due, except for such taxes, assessments, and governmental charges and levies which the Borrower is contesting in good faith by appropriate proceedings for which adequate reserves have been set aside.
- E. Licenses and Permits. The Borrower has duly obtained and now holds all licenses, permits, certifications, approvals and the like necessary to own and operate its CFC LOCAGMT KY062-R-5103 (JABLONJ) 131638-1

property and business that are required by Governmental Authorities and each remains valid and in full force and effect.

- **F. Litigation.** There are no outstanding judgments, suits, claims, actions or proceedings pending or, to the knowledge of the Borrower, threatened against or affecting the Borrower or any of its properties which, if adversely determined, either individually or collectively, would have a material adverse effect upon the business, operations, prospects, assets, liabilities or financial condition of the Borrower. The Borrower is not, to the Borrower's knowledge, in default or violation with respect to any judgment, order, writ, injunction, decree, rule or regulation of any Governmental Authority which would have a material adverse effect upon the business, operations, prospects, assets, liabilities or financial condition of the Borrower.
- G. Financial Statements. The balance sheet of the Borrower as at the date identified in Schedule 1 hereto, the statement of operations of the Borrower for the period ending on said date, and the interim financial statements of the Borrower, all heretofore furnished to CFC, are complete and correct. Said balance sheet fairly presents the financial condition of the Borrower as at said date and said statement of operations fairly reflects its operations for the period ending on said date. The Borrower has no contingent obligations or extraordinary forward or long-term commitments except as specifically stated in said balance sheet or herein. There has been no material adverse change in the financial condition or operations of the Borrower from that set forth in said financial statements except changes disclosed in writing to CFC prior to the date hereof.
- H. Required Approvals. No license, consent or approval of any Governmental Authority is required to enable the Borrower to enter into this Agreement, or to perform any of its Obligations provided for herein, including without limitation (and if applicable), that of any state public utilities commission, any state public service commission, and the Federal Energy Regulatory Commission, except as disclosed in Schedule 1 hereto, all of which Borrower has obtained prior to the date hereof.
- I. Compliance With Laws. The Borrower is in compliance, in all material respects, with all applicable requirements of law and all applicable rules and regulations of each Governmental Authority.
- J. Disclosure. To the Borrower's knowledge, information and belief, neither this Agreement nor any document, certificate or financial statement furnished to CFC by or on behalf of the Borrower in connection herewith (all such documents, certificates and financial statements, taken as a whole) contains any untrue statement of a material fact or omits to state any material fact necessary in order to make the statements contained herein and therein not misleading.

#### ARTICLE III

#### CREDIT TERMS

Section 3.01 Advances. CFC agrees to advance funds to the Borrower pursuant to the terms and conditions hereof, provided, however, that the principal amount at any time outstanding under this Agreement shall not exceed the CFC Commitment. The Borrower may borrow, repay and reborrow funds at any time or from time up to, but not including, the Maturity Date, at which

time all principal amounts outstanding, and accrued, but unpaid interest thereon, shall be due and payable in full.

Section 3.02 Payment and Interest Rate. The Line of Credit shall be payable and bear interest as follows:

- A. Interest Rate and Payment. The Borrower unconditionally promises and agrees to pay, as and when due, interest on all amounts advanced hereunder from the date of each Advance and to repay all amounts advanced hereunder with interest on the Maturity Date, if not sooner paid. Interest shall be due and payable in accordance with CFC's regular billing cycles as may be in effect from time to time. CFC shall send a payment notice to the Borrower at least five days prior to the due date of any interest payment, provided, however, that CFC's failure to send a payment notice shall not constitute a waiver by CFC or be deemed to relieve the Borrower of its obligation to make payments as and when due as provided for herein. All amounts shall be payable at CFC's main office at 2201 Cooperative Way, Herndon, Virginia 20171-3025 or at such other location as designated by CFC from time to time. The interest rate on all Advances will be equal to the CFC Line of Credit Rate as published by CFC and in effect from time to time. Interest will be computed on the basis of a 365 day year for the actual number of days that any Advance is outstanding. The effective date of an interest rate adjustment will be determined from time to time by CFC, and shall remain in effect until any subsequent change in the interest rate occurs.
- B. Application of Payments. Each payment shall be applied to the Obligations, first to any fees, costs, expenses or charges other than interest or principal then due on the Borrower's indebtedness to CFC, second to interest accrued and the balance to principal.

## Section 3.03 RESERVED.

**Section 3.04 Limitation on Advances.** While an Advance is outstanding, CFC reserves the right to limit further Advances if the sum of (a) all Advances outstanding, (b) the amount of any further Advance requested, and (c) the total amount of Borrower's other unsecured outstanding debt, would exceed the CFC Commitment. CFC may in its sole discretion decline to make any Advance during any period when the Borrower is in default hereunder.

Section 3.05 Mandatory Prepayment. If there is a change in the Borrower's corporate structure (including without limitation by merger, consolidation, conversion or acquisition), then upon the effective date of such change, (a) the Borrower shall no longer have the ability to request, and CFC shall have no obligation to make, Advances hereunder and (b) the Borrower shall prepay the outstanding principal balance of all Obligations, together with any accrued but unpaid interest thereon, any unpaid costs or expenses provided for herein, and a prepayment premium prescribed by CFC pursuant to its policies of general application in effect from time to time, and upon prepayment thereof, this Agreement shall automatically terminate without further action by either Borrower or CFC.

Notwithstanding the foregoing, Borrower shall retain the ability to request, and CFC shall retain the obligation to make, Advances hereunder and no prepayment shall be required under this Section 3.05 if, after giving effect to such change, Borrower, or its successor in interest, is engaged in the furnishing of electric utility services to its members and is organized as a cooperative, nonprofit corporation, public utility district, municipality, or other public governmental body.

Section 3.06 RESERVED.

**Section 3.07 Default Rate.** If Borrower defaults on its obligation to make a payment due hereunder by the applicable date payment is due, and such default continues for thirty days thereafter, then beginning on the thirty-first day after the payment is due and for so long as such default continues, Advances shall bear interest at the Default Rate.

# ARTICLE IV

## CONDITIONS OF LENDING

**Section 4.01** The obligation of CFC to make any Advance hereunder is subject to satisfaction of the following conditions in form and substance satisfactory to CFC:

- A. Legal Matters. All legal matters incident to the consummation of the transactions hereby contemplated shall be satisfactory to counsel for CFC.
- B. Documents. CFC shall have been furnished with (i) the executed Loan Documents, (ii) certified copies of all such organizational documents and proceedings of the Borrower authorizing the transactions hereby contemplated as CFC shall require, (iii) an opinion of counsel for the Borrower addressing such legal matters as CFC shall reasonably require, and (iv) all other such documents as CFC may reasonably request.
- C. Government Approvals. The Borrower shall have furnished to CFC true and correct copies of all certificates, authorizations, consents, permits and licenses from Governmental Authorities necessary for the execution or delivery of the Loan Documents or performance by the Borrower of the obligations thereunder.
- D. Representations and Warranties. The representations and warranties contained in Article II shall be true on the date of the making of each Advance hereunder with the same effect as though such representations and warranties had been made on such date; no Event of Default and no event which, with the lapse of time or the notice and lapse of time would become such an Event of Default, shall have occurred and be continuing or will have occurred after giving effect to each Advance on the books of the Borrower; there shall have occurred no material adverse change in the business or condition, financial or otherwise, of the Borrower; and nothing shall have occurred which in the opinion of CFC materially and adversely affects the Borrower's ability to perform its obligations hereunder.
- E. Requisitions. Borrower will requisition each Advance by submitting its requisition to CFC in form and substance satisfactory to CFC no later than 12:00 noon local time at CFC's offices in Herndon, Virginia on the Business Day prior to the Business Day Borrower seeks to have funds advanced.

CFC may require the Borrower to submit such additional information as it may reasonably require prior to funding the Advance request.

**F. Special Conditions.** CFC shall be fully satisfied that the Borrower has complied with all special conditions identified in Schedule 1 hereto.

#### **ARTICLE V**

#### COVENANTS

**Section 5.01** The Borrower covenants and agrees with CFC that until payment in full of the Line of Credit and performance of all obligations of the Borrower hereunder:

- A. Use of Proceeds. The Borrower shall use the proceeds of this Line of Credit solely for the purposes identified on Schedule 1 hereto.
  - B. Notice. The Borrower shall promptly notify CFC in writing of:
    - (i) any material adverse change in the business, operations, prospects, assets, liabilities or financial condition of the Borrower or its subsidiaries;
    - the institution or threat of any litigation or administrative proceeding of any nature involving the Borrower or any subsidiary which could materially affect the business, operations, prospects, assets, liabilities or financial condition of the Borrower or any subsidiary;
    - (iii) the occurrence of an Event of Default hereunder, or any event that, with the giving of notice or lapse of time, or both, would constitute an Event of Default.
- C. Default Notices. Upon receipt of any notices with respect to a default by the Borrower or any subsidiary under the terms of any evidence of any indebtedness with parties other than CFC or of any loan agreement, mortgage or other agreement relating thereto, the Borrower shall, and shall cause each subsidiary to, deliver copies of such notice to CFC.
- Financial Books; Financial Reports; Right of Inspection. The Borrower will at all times keep, and safely preserve, proper books, records and accounts in which full and true entries will be made of all of the dealings, business and affairs of the Borrower, in accordance with GAAP. The Borrower will cause to be prepared and furnished to CFC within one hundred twenty (120) days of the end of each of the Borrower's fiscal years during the term hereof, a full and complete consolidated and consolidating report of its financial condition and of its operations as of the end of such fiscal year, audited and certified by independent certified public accountants nationally recognized or otherwise satisfactory to CFC and accompanied by a report of such audit in form and substance satisfactory to CFC, including without limitation a consolidated and consolidating balance sheet and the related consolidated and consolidating statements of income and cash flow. CFC, through its representatives, shall at all times during reasonable business hours and upon prior notice have access to, and the right to inspect and make copies of, any or all books, records and accounts, and any or all invoices, contracts, leases, payrolls, canceled checks, statements and other documents and papers of every kind belonging to or in the possession of the Borrower or in anyway pertaining to its property or business.
- E. Compliance With Laws. The Borrower and each subsidiary shall remain in compliance, in all material respects, with all applicable requirements of law and applicable rules and regulations of each Governmental Authority.

- F. Taxes. The Borrower shall pay, or cause to be paid all taxes, assessments or governmental charges lawfully levied or imposed on or against it and its properties prior to the time they become delinquent, except for any taxes, assessments or charges that are being contested in good faith and with respect to which adequate reserves as determined in good faith by Borrower have been established and are being maintained.
- G. Special Covenants. The Borrower will comply with any special covenants identified in Schedule 1 hereto.

#### **ARTICLE VI**

#### **EVENTS OF DEFAULT**

**Section 6.01** The following shall be "Events of Default" under this Agreement:

- A. Representations and Warranties. Any representation or warranty made by the Borrower herein, or in any of the other Loan Documents, or in any certificate or financial statement furnished to CFC hereunder or under any of the other Loan Documents shall prove to be false or misleading in any material respect.
- B. Payment. The Borrower shall fail to pay (whether upon stated maturity by acceleration, or otherwise) any principal, interest, premium (if any) or other amount payable under the Line of Credit within five (5) Business Days after the due date thereof.

## C. Other Covenants.

- (i) No Grace Period. Failure of the Borrower to observe or perform any covenant or agreement contained in Sections 5.01.A, 5.01.C, 5.01.D, or 5.01.G, of this Agreement.
- (ii) Thirty Day Grace Period. Failure of the Borrower to observe or perform any other covenant or agreement contained in this Agreement or any of the other Loan Documents, which shall remain unremedied for thirty (30) calendar days after written notice thereof shall have been given to the Borrower by CFC.
- D. Legal Existence, Permits and Licenses. The Borrower shall forfeit or otherwise be deprived of (i) its authority to conduct business in the jurisdiction in which it is organized or in any other jurisdiction where such authority is required in order for the Borrower to conduct its business in such jurisdiction or (ii) permits, easements, consents or licenses required to carry on any material portion of its business.
- E. Other CFC Obligations. The Borrower shall be in breach or default of any Obligation, which breach or default continues uncured beyond the expiration of any applicable grace period.
- F. Other Obligations. The Borrower shall (i) fail to make any payment of any principal, premium or any other amount due or interest on any indebtedness with parties other than CFC which shall remain unpaid beyond the expiration of any applicable grace period, or (ii) be in breach or default with respect to any other term of any evidence of any other indebtedness with parties other than CFC or of any loan agreement, mortgage or other agreement relating thereto which breach or default continues uncured beyond the expiration of any applicable CFC LOCAGMT

KY062-R-5103 (JABLONJ) 131638-1 grace period, if the effect of such failure, default or breach is to cause the holder or holders of that indebtedness to cause that indebtedness to become or be declared due prior to its stated maturity (upon the giving or receiving of notice, lapse of time, both or otherwise).

- G. Involuntary Bankruptcy. An involuntary case or other proceeding shall be commenced against the Borrower seeking liquidation, reorganization or other relief with respect to it or its debts under bankruptcy, insolvency or other similar law now or hereafter in effect or seeking the appointment of a trustee, receiver, liquidator, custodian or other similar official of it or any substantial part of its property and such involuntary case or other proceeding shall continue without dismissal or stay for a period of sixty (60) days; or an order for relief shall be entered against the Borrower under the federal bankruptcy laws or applicable state law as now or hereafter in effect.
- H. Insolvency. The Borrower shall commence a voluntary case or other proceeding seeking liquidation, reorganization or other relief with respect to itself or its debts under any bankruptcy, insolvency or other similar law now or hereafter in effect or seeking the appointment of a trustee, receiver, liquidator, custodian or other similar official of it or any substantial part of its property, or shall consent to any such relief or to the appointment of or taking possession by any such official in an involuntary case or proceeding commenced against it, or shall make a general assignment for the benefit of creditors, or shall admit in writing its inability to, or be generally unable to, pay its debts as they become due, or shall take any action to authorize any of the foregoing.
- I. Dissolution or Liquidation. Other than as provided in subsection H. above, the dissolution or liquidation of the Borrower, or failure by the Borrower promptly to forestall or remove any execution, garnishment or attachment of such consequence as will impair its ability to continue its business or fulfill its obligations and such execution, garnishment or attachment shall not be vacated within sixty (60) days.
- J. Material Adverse Change. Any material adverse change in the business or condition, financial or otherwise, of the Borrower or any subsidiary.
- K. Monetary Judgment. The Borrower shall suffer any money judgment not covered by insurance, writ or warrant of attachment or similar process involving an amount in excess of \$100,000 and shall not discharge, vacate, bond or stay the same within a period of sixty (60) days.
- L. Nonmonetary Judgment. One or more nonmonetary judgments or orders (including, without limitation, injunctions, writs or warrants of attachment, garnishment, execution, distraint, replevin or similar process) shall be rendered against the Borrower that, either individually or in the aggregate, could reasonably be expected to have a material adverse effect upon the business, operations, prospects, assets, liabilities or financial condition of the Borrower.

# ARTICLE VII

## REMEDIES

**Section 7.01** If any of the Events of Default listed in Section 6 hereof shall occur after the date of this Agreement and shall not have been remedied within the applicable grace periods specified therein, then CFC may:

- (a) Cease making Advances hereunder;
- (b) Declare all unpaid principal outstanding on the Line of Credit, all accrued and unpaid interest thereon, and all other Obligations to be immediately due and payable and the same shall thereupon become immediately due and payable without presentment, demand, protest or notice of any kind, all of which are hereby expressly waived;
- (c) Exercise rights of setoff or recoupment and apply any and all amounts held, or hereby held, by CFC or owed to the Borrower or for the credit or account of the Borrower against any and all of the Obligations of the Borrower now or hereafter existing hereunder or under the Line of Credit, including, but not limited to, patronage capital allocations and retirements, money due to Borrower from equity certificates purchased from CFC, and any membership or other fees that would otherwise be returned to Borrower. The rights of CFC under this section are in addition to any other rights and remedies (including other rights of setoff or recoupment) which CFC may have. The Borrower waives all rights of setoff, deduction, recoupment or counterclaim;
- (d) Pursue all rights and remedies available to CFC, including, but not limited to, a suit for specific performance, injunctive relief or damages;
- (e) Pursue any other rights and remedies available to CFC at law or in equity.

Nothing herein shall limit the right of CFC to pursue all rights and remedies available to a creditor following the occurrence of an Event of Default. Each right, power and remedy of CFC shall be cumulative and concurrent, and recourse to one or more rights or remedies shall not constitute a waiver of any other right, power or remedy.

#### **ARTICLE VIII**

## **MISCELLANEOUS**

Section 8.01 Notices. All notices, requests and other communications provided for herein including, without limitation, any modifications of, or waivers, requests or consents under, this Agreement shall be given or made in writing (including, without limitation, by telecopy) and delivered to the intended recipient at the "Address for Notices" specified below; or, as to any party, at such other address as shall be designated by such party in a notice to each other party. All such communications shall be deemed to have been duly given (a) when personally delivered including, without limitation, by overnight mail or courier service, (b) in the case of notice by United States mail, certified or registered, postage prepaid, return receipt requested, upon receipt thereof, or (c) in the case of notice by telecopy, upon transmission thereof, provided such transmission is promptly confirmed by either of the methods set forth in clauses CFC LOCAGMT

The Borrower:

The address set forth in Schedule 1 hereto

Section 8.02 Expenses. Borrower shall reimburse CFC for any reasonable costs and out-of-pocket expenses paid or incurred by CFC (including, without limitation, reasonable fees and expenses of outside attorneys, paralegals and consultants) for all actions CFC takes, (a) to enforce the payment of any Obligation or in preparation for such enforcement, (b) to restructure any of the Obligations, (c) to review, approve or grant any consents or waivers hereunder, (d) to prepare, negotiate, execute, deliver, review, amend or modify this Agreement, and (e) to prepare, negotiate, execute, deliver, review, amend or modify any other agreements, documents and instruments deemed necessary or appropriate by CFC in connection with any of the foregoing.

The amount of all such expenses identified in this Section 8.02 shall be payable upon demand, and if not paid, shall accrue interest at the then prevailing CFC Line of Credit Rate plus two hundred basis points.

Section 8.03 Late Payments. If payment of any amount due hereunder is not received at CFC's office in Herndon, Virginia or such other location as CFC may designate to the Borrower, within five (5) Business Days after the due date thereof, the Borrower will pay to CFC, in addition to all other amounts due under the terms of the Loan Documents, any late payment charge as may be fixed by CFC from time to time pursuant to its policies of general application as in effect from time to time.

Section 8.04. Non-Business Day Payments. If any payment to be made by the Borrower hereunder shall become due on a day which is not a Business Day, such payment shall be made on the next succeeding Business Day and such extension of time shall be included in computing any interest in respect of such payment.

Section 8.05 Filing Fees. To the extent permitted by law, the Borrower agrees to pay all expenses of CFC (including the reasonable fees and expenses of its counsel) in connection with the filing, registration, recordation or perfection of any instruments as may be required by CFC in connection with this Agreement, including, without limitation, all documentary stamps, recordation and transfer taxes and other costs and taxes incident to execution, filing, registration, recordation or perfection of any document or instrument in connection herewith. The Borrower agrees to save harmless and indemnify CFC from and against any liability resulting from the failure to pay any required documentary stamps, recordation and transfer taxes, recording costs, or any other expenses incurred by CFC in connection with this

Agreement. The provisions of this subsection shall survive the execution and delivery of this Agreement and the payment of all other amounts due hereunder.

**Section 8.06 CFC Accounts.** Borrower agrees that the records of, and all computations by, CFC (in whatever media they are recorded or maintained) as to the amount of principal, interest and fees due on the Line of Credit shall be conclusive in the absence of manifest error.

Section 8.07 Waiver; Modification. No failure on the part of CFC to exercise, and no delay in exercising, any right or power hereunder or under the other Loan Documents shall operate as a waiver thereof, nor shall any single or partial exercise by CFC of any right hereunder, or any abandonment or discontinuance of steps to enforce such right or power, preclude any other or further exercise thereof or the exercise of any other right or power. No modification or waiver of any provision of this Agreement or the other Loan Documents and no consent to any departure by the Borrower therefrom shall in any event be effective unless the same shall be in writing by the party granting such modification, waiver or consent, and then such modification, waiver or consent shall be effective only in the specific instance and for the purpose for which given.

SECTION 8.08 GOVERNING LAW; SUBMISSION TO JURISDICTION; WAIVER OF JURY TRIAL.

- (A) THE PERFORMANCE AND CONSTRUCTION OF THIS AGREEMENT SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAWS OF THE COMMONWEALTH OF VIRGINIA.
- (B) THE BORROWER HEREBY SUBMITS TO THE NON-EXCLUSIVE JURISDICTION OF THE UNITED STATES COURTS LOCATED IN VIRGINIA AND OF ANY STATE COURT SO LOCATED FOR PURPOSES OF ALL LEGAL PROCEEDINGS ARISING OUT OF OR RELATING TO THIS AGREEMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY. THE BORROWER IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY OBJECTIONS THAT IT MAY NOW OR HEREAFTER HAVE TO THE ESTABLISHING OF THE VENUE OF ANY SUCH PROCEEDINGS BROUGHT IN SUCH A COURT AND ANY CLAIM THAT ANY SUCH PROCEEDING HAS BEEN BROUGHT IN AN INCONVENIENT FORUM.
- (C) THE BORROWER AND CFC EACH HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY AND ALL RIGHT TO TRIAL BY JURY IN ANY LEGAL PROCEEDING ARISING OUT OF OR RELATING TO THIS AGREEMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY.

SECTION 8.09 INDEMNIFICATION. THE BORROWER HEREBY INDEMNIFIES AND AGREES TO HOLD HARMLESS, AND DEFEND CFC AND ITS MEMBERS, DIRECTORS, OFFICERS, EMPLOYEES, AGENTS, ATTORNEYS AND REPRESENTATIVES (EACH AN "INDEMNITEE") FOR, FROM, AND AGAINST ALL CLAIMS, DAMAGES, LOSSES, LIABILITIES, COSTS, AND EXPENSES (INCLUDING, WITHOUT LIMITATION, COSTS AND EXPENSES OF LITIGATION AND REASONABLE ATTORNEYS' FEES) ARISING FROM ANY CLAIM OR DEMAND IN RESPECT OF THIS AGREEMENT AND THE OTHER LOAN DOCUMENTS OR THE TRANSACTIONS DESCRIBED IN THIS AGREEMENT AND THE OTHER LOAN DOCUMENTS AND ARISING AT ANY TIME, WHETHER BEFORE OR AFTER PAYMENT AND PERFORMANCE OF ALL OBLIGATIONS UNDER THIS AGREEMENT AND

THE OTHER LOAN DOCUMENTS IN FULL, EXCEPTING ANY SUCH MATTERS ARISING SOLELY FROM THE GROSS NEGLIGENCE OR WILLFUL MISCONDUCT OF CFC OR ANY INDEMNITEE. NOTWITHSTANDING ANYTHING TO THE CONTRARY CONTAINED IN SECTION 8.11 HEREOF, THE OBLIGATIONS IMPOSED UPON THE BORROWER BY THIS SECTION SHALL SURVIVE THE REPAYMENT OF THE LINE OF CREDIT AND THE TERMINATION OF THIS AGREEMENT.

**Section 8.10 Complete Agreement.** This Agreement, together with the schedules to this Agreement and the other Loan Documents, and the other agreements and matters referred to herein or by their terms referring hereto, is intended by the parties as a final expression of their agreement and is intended as a complete statement of the terms and conditions of their agreement. In the event of any conflict in the terms and provisions of this Agreement and any other Loan Documents, the terms and provisions of this Agreement shall control.

Section 8.11 Survival; Successors and Assigns. All covenants, agreements, representations and warranties of the Borrower which are contained in this Agreement shall survive the execution and delivery to CFC of the Loan Documents and the making of the Advances hereunder and shall continue in full force and effect until all of the obligations under the Loan Documents have been paid in full. All covenants, agreements, representations and warranties of the Borrower which are contained in this Agreement shall inure to the benefit of the successors and assigns of CFC. The Borrower shall not have the right to assign its rights or obligations under this Agreement.

Section 8.12 Use of Terms. The use of the singular herein shall also refer to the plural, and vice versa.

**Section 8.13 Headings.** The headings and sub-headings contained in this Agreement are intended to be used for convenience only and do not constitute part of this Agreement.

Section 8.14 Severability. If any term, provision or condition, or any part thereof, of this Agreement or the other Loan Documents shall for any reason be found or held invalid or unenforceable by any governmental agency or court of competent jurisdiction, such invalidity or unenforceability shall not affect the remainder of such term, provision or condition nor any other term, provision or condition, and this Agreement and the other Loan Documents shall survive and be construed as if such invalid or unenforceable term, provision or condition had not been contained therein.

**Section 8.15 Binding Effect.** This Agreement shall become effective when it shall have been executed by both Borrower and CFC and thereafter shall be binding upon and inure to the benefit of Borrower and CFC and their respective successors and assigns.

**Section 8.16 Counterparts.** This Agreement may be executed in one or more counterparts, each of which will be deemed an original and all of which together will constitute one and the same document. Signature pages may be detached from the counterparts and attached to a single copy of this Agreement to physically form one document.

Section 8.17 Schedule 1. Schedule 1 attached hereto is an integral part of this Agreement.

# REVOLVING LINE OF CREDIT AGREEMENT

REVOLVING LINE OF CREDIT AGREEMENT (this "Agreement"), dated as of between BIG RIVERS ELECTRIC CORPORATION ("Borrower"), a corporation organized and existing under the laws of the State of Kentucky, and NATIONAL RURAL UTILITIES COOPERATIVE FINANCE CORPORATION ("CFC"), a cooperative association organized and existing under the laws of the District of Columbia.

#### **RECITALS**

**WHEREAS,** the Borrower has applied to CFC for a line of credit for the purposes set forth in Schedule 1 hereto, and CFC is willing to extend such a line of credit to the Borrower on the terms and conditions stated herein.

**NOW**, **THEREFORE**, for and in consideration of the premises and the mutual covenants hereinafter contained, the parties hereto agree and bind themselves as follows:

#### ARTICLE I

## **DEFINITIONS**

**Section 1.01** For purposes of this Agreement, the following capitalized terms shall have the following meanings (such definitions to be equally applicable to the singular and the plural form thereof).

"Advance" shall mean each advance of funds by CFC to the Borrower pursuant to the terms and conditions of this Agreement.

"Business Day" shall mean any day that both CFC and the depository institution CFC utilizes for funds transfers hereunder are open for business.

"CFC Commitment" shall have the meaning as defined in Schedule 1 hereto.

"CFC Line of Credit Rate" shall mean the rate published by CFC from time to time, by electronic or other means, for similarly classified lines of credit, but if not published, then the rate determined for such lines of credit by CFC from time to time.

"DSC Ratio" shall mean the ratio determined as follows: for any calendar year add: (1) net income (after taxes and after eliminating any gain or loss on sale of assets or other extraordinary gain or loss), plus depreciation expense, amortization expense, and interest expense, minus capitalized interest not paid from operating cash flow, non-cash patronage and non-cash income from subsidiaries and/or joint ventures; and divide the sum so obtained by the sum of (2) all principal payments due within the period on all Long Term Debt plus interest expense (all as calculated on a consolidated basis for the applicable period in accordance with GAAP consistently applied or the appropriate standards of the regulatory agency having jurisdiction over the company) minus capitalized interest not paid from operating cash flow.

"Default Rate" shall mean a rate per annum equal to the interest rate in effect for an Advance plus two hundred basis points.

"Effective Date" shall mean the date designated as such by CFC on the signature page hereof.

"Event of Default" shall have the meaning as described in Article VI hereof.

"GAAP" shall mean generally accepted accounting principles set forth in the opinions and pronouncements of the Accounting Principles Board and the American Institute of Certified Public Accountants and statements and pronouncements of the Financial Accounting Standards Board.

"Governmental Authority" shall mean the government of the United States of America, any other nation or government, any state or other political subdivision thereof, whether state or local, and any agency, authority, instrumentality, regulatory body, court or other entity exercising executive, legislative, judicial, taxing, regulatory or administrative powers or functions of or pertaining to government.

"Lien" shall mean any statutory or common law consensual or non-consensual mortgage, pledge, security interest, encumbrance, lien, right of set off, claim or charge of any kind; including, without limitation, any conditional sale or other title retention transaction, any lease transaction in the nature thereof and any secured transaction under the Uniform Commercial Code.

"Line of Credit" shall mean the line of credit extended by CFC to the Borrower, pursuant to this Agreement, in an aggregate principal amount outstanding at any time not to exceed the CFC Commitment.

"Loan Documents" shall mean this Agreement and all other documents or instruments executed, delivered or executed and delivered by the Borrower and evidencing, securing, governing or otherwise pertaining to the Line of Credit.

"Maturity Date" shall mean the date set forth in Schedule 1 hereto.

"Obligations" shall mean any and all liabilities, obligations or indebtedness owing by the Borrower to CFC, of any kind or description, irrespective of whether for the payment of money, whether direct or indirect, absolute or contingent, due or to become due, now existing or hereafter arising.

"Person" shall mean natural persons, cooperatives, corporations, limited liability companies, limited partnerships, general partnerships, limited liability partnerships, joint ventures, associations, companies, trusts or other organizations, irrespective of whether they are legal entities, and Governmental Authorities.

"TIER" shall mean the ratio determined as follows: for any calendar year add: (1) net income (after taxes and after eliminating any gain or loss on sale of assets or other extraordinary gain or loss), plus interest expense; and divide the sum so obtained by the sum of (2) interest expenses (all as calculated on a consolidated basis for the applicable period in accordance with GAAP consistently applied or the appropriate standards of the regulatory agency having jurisdiction over the company) minus capitalized interest not paid from operating cash flow.

#### ARTICLE II

## REPRESENTATIONS AND WARRANTIES

**Section 2.01** The Borrower represents and warrants to CFC that as of the date of this Agreement:

- A. Good Standing. The Borrower is duly organized, validly existing and in good standing under the laws of the jurisdiction of its incorporation or organization, is duly qualified to do business and is in good standing in those states in which it is required to be qualified to conduct its business.
- **B.** Authority; Validity. The Borrower has the power and authority to enter into this Agreement; to make the borrowing hereunder; to execute and deliver all documents and instruments required hereunder and to incur and perform the obligations provided for herein, all of which have been duly authorized by all necessary and proper action; and no consent or approval of any Person, including, as applicable and without limitation, members of the Borrower, which has not been obtained is required as a condition to the validity or enforceability hereof or thereof.

This Agreement is, and when fully executed and delivered will be, legal, valid and binding upon the Borrower and enforceable against the Borrower in accordance with its terms, subject to applicable bankruptcy, insolvency, reorganization, moratorium or other laws affecting creditors' rights generally and subject to general principles of equity.

C. No Conflicting Agreements. The execution and delivery of the Loan Documents and performance by the Borrower of the obligations thereunder, and the transactions contemplated hereby or thereby, will not: (i) violate any provision of law, any order, rule or regulation of any court or other agency of government, any award of any arbitrator, the articles of incorporation or bylaws of the Borrower, or any indenture, contract, agreement, mortgage, deed of trust or other instrument to which the Borrower is a party or by which it or any of its property is bound; or (ii) be in conflict with, result in a breach of or constitute (with due notice and/or lapse of time) a default under, any such award, indenture, contract, agreement, mortgage, deed of trust or other instrument, or result in the creation or imposition of any Lien upon any of the property or assets of the Borrower.

The Borrower is not in default in any material respect under any agreement or instrument to which it is a party or by which it is bound and no event or condition exists which constitutes a default, or with the giving of notice or lapse of time, or both, would constitute a default under any such agreement or instrument.

- D. Taxes. The Borrower has filed or caused to be filed all federal, state and local tax returns which are required to be filed and has paid or caused to be paid all federal, state and local taxes, assessments, and governmental charges and levies thereon, including interest and penalties to the extent that such taxes, assessments, and governmental charges and levies have become due, except for such taxes, assessments, and governmental charges and levies which the Borrower is contesting in good faith by appropriate proceedings for which adequate reserves have been set aside.
- **E. Licenses and Permits.** The Borrower has duly obtained and now holds all licenses, permits, certifications, approvals and the like necessary to own and operate its CFC LOCAGMT KY062-R-5103 (JABLONJ) 131638-1

property and business that are required by Governmental Authorities and each remains valid and in full force and effect.

- **F. Litigation.** There are no outstanding judgments, suits, claims, actions or proceedings pending or, to the knowledge of the Borrower, threatened against or affecting the Borrower or any of its properties which, if adversely determined, either individually or collectively, would have a material adverse effect upon the business, operations, prospects, assets, liabilities or financial condition of the Borrower. The Borrower is not, to the Borrower's knowledge, in default or violation with respect to any judgment, order, writ, injunction, decree, rule or regulation of any Governmental Authority which would have a material adverse effect upon the business, operations, prospects, assets, liabilities or financial condition of the Borrower.
- **G. Financial Statements.** The balance sheet of the Borrower as at the date identified in Schedule 1 hereto, the statement of operations of the Borrower for the period ending on said date, and the interim financial statements of the Borrower, all heretofore furnished to CFC, are complete and correct. Said balance sheet fairly presents the financial condition of the Borrower as at said date and said statement of operations fairly reflects its operations for the period ending on said date. The Borrower has no contingent obligations or extraordinary forward or long-term commitments except as specifically stated in said balance sheet or herein. There has been no material adverse change in the financial condition or operations of the Borrower from that set forth in said financial statements except changes disclosed in writing to CFC prior to the date hereof.
- H. Required Approvals. No license, consent or approval of any Governmental Authority is required to enable the Borrower to enter into this Agreement, or to perform any of its Obligations provided for herein, including without limitation (and if applicable), that of any state public utilities commission, any state public service commission, and the Federal Energy Regulatory Commission, except as disclosed in Schedule 1 hereto, all of which Borrower has obtained prior to the date hereof.
- I. Compliance With Laws. The Borrower is in compliance, in all material respects, with all applicable requirements of law and all applicable rules and regulations of each Governmental Authority.
- J. Disclosure. To the Borrower's knowledge, information and belief, neither this Agreement nor any document, certificate or financial statement furnished to CFC by or on behalf of the Borrower in connection herewith (all such documents, certificates and financial statements, taken as a whole) contains any untrue statement of a material fact or omits to state any material fact necessary in order to make the statements contained herein and therein not misleading.

## ARTICLE III

## **CREDIT TERMS**

**Section 3.01 Advances.** CFC agrees to advance funds to the Borrower pursuant to the terms and conditions hereof, provided, however, that the principal amount at any time outstanding under this Agreement shall not exceed the CFC Commitment. The Borrower may borrow, repay and reborrow funds at any time or from time up to, but not including, the Maturity Date, at which

time all principal amounts outstanding, and accrued, but unpaid interest thereon, shall be due and payable in full.

**Section 3.02 Payment and Interest Rate.** The Line of Credit shall be payable and bear interest as follows:

- A. Interest Rate and Payment. The Borrower unconditionally promises and agrees to pay, as and when due, interest on all amounts advanced hereunder from the date of each Advance and to repay all amounts advanced hereunder with interest on the Maturity Date, if not sooner paid. Interest shall be due and payable in accordance with CFC's regular billing cycles as may be in effect from time to time. CFC shall send a payment notice to the Borrower at least five days prior to the due date of any interest payment, provided, however, that CFC's failure to send a payment notice shall not constitute a waiver by CFC or be deemed to relieve the Borrower of its obligation to make payments as and when due as provided for herein. All amounts shall be payable at CFC's main office at 2201 Cooperative Way, Herndon, Virginia 20171-3025 or at such other location as designated by CFC from time to time. The interest rate on all Advances will be equal to the CFC Line of Credit Rate as published by CFC and in effect from time to time. Interest will be computed on the basis of a 365 day year for the actual number of days that any Advance is outstanding. The effective date of an interest rate adjustment will be determined from time to time by CFC, and shall remain in effect until any subsequent change in the interest rate occurs.
- **B.** Application of Payments. Each payment shall be applied to the Obligations, first to any fees, costs, expenses or charges other than interest or principal then due on the Borrower's indebtedness to CFC, second to interest accrued and the balance to principal.

## Section 3.03 RESERVED.

**Section 3.04 Limitation on Advances.** While an Advance is outstanding, CFC reserves the right to limit further Advances if the sum of (a) all Advances outstanding, (b) the amount of any further Advance requested, and (c) the total amount of Borrower's other unsecured outstanding debt, would exceed the CFC Commitment. CFC may in its sole discretion decline to make any Advance during any period when the Borrower is in default hereunder.

Section 3.05 Mandatory Prepayment. If there is a change in the Borrower's corporate structure (including without limitation by merger, consolidation, conversion or acquisition), then upon the effective date of such change, (a) the Borrower shall no longer have the ability to request, and CFC shall have no obligation to make, Advances hereunder and (b) the Borrower shall prepay the outstanding principal balance of all Obligations, together with any accrued but unpaid interest thereon, any unpaid costs or expenses provided for herein, and a prepayment premium prescribed by CFC pursuant to its policies of general application in effect from time to time, and upon prepayment thereof, this Agreement shall automatically terminate without further action by either Borrower or CFC.

Notwithstanding the foregoing, Borrower shall retain the ability to request, and CFC shall retain the obligation to make, Advances hereunder and no prepayment shall be required under this Section 3.05 if, after giving effect to such change, Borrower, or its successor in interest, is engaged in the furnishing of electric utility services to its members and is organized as a cooperative, nonprofit corporation, public utility district, municipality, or other public governmental body.

Section 3.06 RESERVED.

**Section 3.07 Default Rate.** If Borrower defaults on its obligation to make a payment due hereunder by the applicable date payment is due, and such default continues for thirty days thereafter, then beginning on the thirty-first day after the payment is due and for so long as such default continues. Advances shall bear interest at the Default Rate.

## **ARTICLE IV**

## CONDITIONS OF LENDING

**Section 4.01** The obligation of CFC to make any Advance hereunder is subject to satisfaction of the following conditions in form and substance satisfactory to CFC:

- **A.** Legal Matters. All legal matters incident to the consummation of the transactions hereby contemplated shall be satisfactory to counsel for CFC.
- **B. Documents.** CFC shall have been furnished with (i) the executed Loan Documents, (ii) certified copies of all such organizational documents and proceedings of the Borrower authorizing the transactions hereby contemplated as CFC shall require, (iii) an opinion of counsel for the Borrower addressing such legal matters as CFC shall reasonably require, and (iv) all other such documents as CFC may reasonably request.
- **C.** Government Approvals. The Borrower shall have furnished to CFC true and correct copies of all certificates, authorizations, consents, permits and licenses from Governmental Authorities necessary for the execution or delivery of the Loan Documents or performance by the Borrower of the obligations thereunder.
- D. Representations and Warranties. The representations and warranties contained in Article II shall be true on the date of the making of each Advance hereunder with the same effect as though such representations and warranties had been made on such date; no Event of Default and no event which, with the lapse of time or the notice and lapse of time would become such an Event of Default, shall have occurred and be continuing or will have occurred after giving effect to each Advance on the books of the Borrower; there shall have occurred no material adverse change in the business or condition, financial or otherwise, of the Borrower; and nothing shall have occurred which in the opinion of CFC materially and adversely affects the Borrower's ability to perform its obligations hereunder.
- E. Requisitions: Borrower will requisition each Advance by submitting its requisition to CFC in form and substance satisfactory to CFC no later than 12:00 noon local time at CFC's offices in Herndon, Virginia on the Business Day prior to the Business Day Borrower seeks to have funds advanced.

CFC may require the Borrower to submit such additional information as it may reasonably require prior to funding the Advance request.

**F. Special Conditions.** CFC shall be fully satisfied that the Borrower has complied with all special conditions identified in Schedule 1 hereto.

## ARTICLE V

## **COVENANTS**

**Section 5.01** The Borrower covenants and agrees with CFC that until payment in full of the Line of Credit and performance of all obligations of the Borrower hereunder:

- A. Use of Proceeds. The Borrower shall use the proceeds of this Line of Credit solely for the purposes identified on Schedule 1 hereto.
  - B. Notice. The Borrower shall promptly notify CFC in writing of:
    - (i) any material adverse change in the business, operations, prospects, assets, liabilities or financial condition of the Borrower or its subsidiaries;
    - (ii) the institution or threat of any litigation or administrative proceeding of any nature involving the Borrower or any subsidiary which could materially affect the business, operations, prospects, assets, liabilities or financial condition of the Borrower or any subsidiary;
    - (iii) the occurrence of an Event of Default hereunder, or any event that, with the giving of notice or lapse of time, or both, would constitute an Event of Default.
- C. Default Notices. Upon receipt of any notices with respect to a default by the Borrower or any subsidiary under the terms of any evidence of any indebtedness with parties other than CFC or of any loan agreement, mortgage or other agreement relating thereto, the Borrower shall, and shall cause each subsidiary to, deliver copies of such notice to CFC.
- Financial Books; Financial Reports; Right of Inspection. The Borrower will at all times keep, and safely preserve, proper books, records and accounts in which full and true entries will be made of all of the dealings, business and affairs of the Borrower, in accordance with GAAP. The Borrower will cause to be prepared and furnished to CFC within one hundred twenty (120) days of the end of each of the Borrower's fiscal years during the term hereof, a full and complete consolidated and consolidating report of its financial condition and of its operations as of the end of such fiscal year, audited and certified by independent certified public accountants nationally recognized or otherwise satisfactory to CFC and accompanied by a report of such audit in form and substance satisfactory to CFC, including without limitation a consolidated and consolidating balance sheet and the related consolidated and consolidating statements of income and cash flow. CFC, through its representatives, shall at all times during reasonable business hours and upon prior notice have access to, and the right to inspect and make copies of, any or all books, records and accounts, and any or all invoices, contracts, leases, payrolls, canceled checks, statements and other documents and papers of every kind belonging to or in the possession of the Borrower or in anyway pertaining to its property or business.
- E. Compliance With Laws. The Borrower and each subsidiary shall remain in compliance, in all material respects, with all applicable requirements of law and applicable rules and regulations of each Governmental Authority.

- Taxes. The Borrower shall pay, or cause to be paid all taxes, assessments or governmental charges lawfully levied or imposed on or against it and its properties prior to the time they become delinquent, except for any taxes, assessments or charges that are being contested in good faith and with respect to which adequate reserves as determined in good faith by Borrower have been established and are being maintained.
- G. Special Covenants. The Borrower will comply with any special covenants identified in Schedule 1 hereto.

#### ARTICLE VI

## **EVENTS OF DEFAULT**

**Section 6.01** The following shall be "Events of Default" under this Agreement:

- Α. Representations and Warranties. Any representation or warranty made by the Borrower herein, or in any of the other Loan Documents, or in any certificate or financial statement furnished to CFC hereunder or under any of the other Loan Documents shall prove to be false or misleading in any material respect.
- Payment. The Borrower shall fail to pay (whether upon stated maturity, by В. acceleration, or otherwise) any principal, interest, premium (if any) or other amount payable under the Line of Credit within five (5) Business Days after the due date thereof.

#### C. Other Covenants.

- No Grace Period. Failure of the Borrower to observe or perform any covenant or agreement contained in Sections 5.01.A, 5.01.C, 5.01.D, or 5.01.G, of this Agreement.
- Thirty Day Grace Period. Failure of the Borrower to observe or perform any other covenant or agreement contained in this Agreement or any of the other Loan Documents, which shall remain unremedied for thirty (30) calendar days after written notice thereof shall have been given to the Borrower by CFC.
- Legal Existence, Permits and Licenses. D. The Borrower shall forfeit or otherwise be deprived of (i) its authority to conduct business in the jurisdiction in which it is organized or in any other jurisdiction where such authority is required in order for the Borrower to conduct its business in such jurisdiction or (ii) permits, easements, consents or licenses required to carry on any material portion of its business.
- Other CFC Obligations. The Borrower shall be in breach or default of any Obligation, which breach or default continues uncured beyond the expiration of any applicable grace period.
- Other Obligations. The Borrower shall (i) fail to make any payment of any principal, premium or any other amount due or interest on any indebtedness with parties other than CFC which shall remain unpaid beyond the expiration of any applicable grace period, or (ii) be in breach or default with respect to any other term of any evidence of any other indebtedness with parties other than CFC or of any loan agreement, mortgage or other agreement relating thereto which breach or default continues uncured beyond the expiration of any applicable CFC LOCAGMT

KY062-R-5103 (JABLONJ) 131638-1

grace period, if the effect of such failure, default or breach is to cause the holder or holders of that indebtedness to cause that indebtedness to become or be declared due prior to its stated maturity (upon the giving or receiving of notice, lapse of time, both or otherwise).

- G. Involuntary Bankruptcy. An involuntary case or other proceeding shall be commenced against the Borrower seeking liquidation, reorganization or other relief with respect to it or its debts under bankruptcy, insolvency or other similar law now or hereafter in effect or seeking the appointment of a trustee, receiver, liquidator, custodian or other similar official of it or any substantial part of its property and such involuntary case or other proceeding shall continue without dismissal or stay for a period of sixty (60) days; or an order for relief shall be entered against the Borrower under the federal bankruptcy laws or applicable state law as now or hereafter in effect.
- H. Insolvency. The Borrower shall commence a voluntary case or other proceeding seeking liquidation, reorganization or other relief with respect to itself or its debts under any bankruptcy, insolvency or other similar law now or hereafter in effect or seeking the appointment of a trustee, receiver, liquidator, custodian or other similar official of it or any substantial part of its property, or shall consent to any such relief or to the appointment of or taking possession by any such official in an involuntary case or proceeding commenced against it, or shall make a general assignment for the benefit of creditors, or shall admit in writing its inability to, or be generally unable to, pay its debts as they become due, or shall take any action to authorize any of the foregoing.
- I. Dissolution or Liquidation. Other than as provided in subsection H. above, the dissolution or liquidation of the Borrower, or failure by the Borrower promptly to forestall or remove any execution, garnishment or attachment of such consequence as will impair its ability to continue its business or fulfill its obligations and such execution, garnishment or attachment shall not be vacated within sixty (60) days.
- J. Material Adverse Change. Any material adverse change in the business or condition, financial or otherwise, of the Borrower or any subsidiary.
- K. Monetary Judgment. The Borrower shall suffer any money judgment not covered by insurance, writ or warrant of attachment or similar process involving an amount in excess of \$100,000 and shall not discharge, vacate, bond or stay the same within a period of sixty (60) days.
- **L. Nonmonetary Judgment.** One or more nonmonetary judgments or orders (including, without limitation, injunctions, writs or warrants of attachment, garnishment, execution, distraint, replevin or similar process) shall be rendered against the Borrower that, either individually or in the aggregate, could reasonably be expected to have a material adverse effect upon the business, operations, prospects, assets, liabilities or financial condition of the Borrower.

#### ARTICLE VII

#### REMEDIES

Section 7.01 If any of the Events of Default listed in Section 6 hereof shall occur after the date of this Agreement and shall not have been remedied within the applicable grace periods specified therein, then CFC may:

- Cease making Advances hereunder; (a)
- (b) Declare all unpaid principal outstanding on the Line of Credit, all accrued and unpaid interest thereon, and all other Obligations to be immediately due and payable and the same shall thereupon become immediately due and payable without presentment, demand, protest or notice of any kind, all of which are hereby expressly waived;
- (c) Exercise rights of setoff or recoupment and apply any and all amounts held, or hereby held, by CFC or owed to the Borrower or for the credit or account of the Borrower against any and all of the Obligations of the Borrower now or hereafter existing hereunder or under the Line of Credit, including, but not limited to. patronage capital allocations and retirements, money due to Borrower from equity certificates purchased from CFC, and any membership or other fees that would otherwise be returned to Borrower. The rights of CFC under this section are in addition to any other rights and remedies (including other rights of setoff or recoupment) which CFC may have. The Borrower waives all rights of setoff. deduction, recoupment or counterclaim:
- Pursue all rights and remedies available to CFC, including, but not limited to, a (d) suit for specific performance, injunctive relief or damages;
- Pursue any other rights and remedies available to CFC at law or in equity. (e)

Nothing herein shall limit the right of CFC to pursue all rights and remedies available to a creditor following the occurrence of an Event of Default. Each right, power and remedy of CFC shall be cumulative and concurrent, and recourse to one or more rights or remedies shall not constitute a waiver of any other right, power or remedy.

The Borrower:

The address set forth in Schedule 1 hereto

**Section 8.02 Expenses.** Borrower shall reimburse CFC for any reasonable costs and out-of-pocket expenses paid or incurred by CFC (including, without limitation, reasonable fees and expenses of outside attorneys, paralegals and consultants) for all actions CFC takes, (a) to enforce the payment of any Obligation or in preparation for such enforcement, (b) to restructure any of the Obligations, (c) to review, approve or grant any consents or waivers hereunder, (d) to prepare, negotiate, execute, deliver, review, amend or modify this Agreement, and (e) to prepare, negotiate, execute, deliver, review, amend or modify any other agreements, documents and instruments deemed necessary or appropriate by CFC in connection with any of the foregoing.

The amount of all such expenses identified in this Section 8.02 shall be payable upon demand, and if not paid, shall accrue interest at the then prevailing CFC Line of Credit Rate plus two hundred basis points.

**Section 8.03 Late Payments.** If payment of any amount due hereunder is not received at CFC's office in Herndon, Virginia or such other location as CFC may designate to the Borrower, within five (5) Business Days after the due date thereof, the Borrower will pay to CFC, in addition to all other amounts due under the terms of the Loan Documents, any late payment charge as may be fixed by CFC from time to time pursuant to its policies of general application as in effect from time to time.

**Section 8.04. Non-Business Day Payments.** If any payment to be made by the Borrower hereunder shall become due on a day which is not a Business Day, such payment shall be made on the next succeeding Business Day and such extension of time shall be included in computing any interest in respect of such payment.

Section 8.05 Filing Fees. To the extent permitted by law, the Borrower agrees to pay all expenses of CFC (including the reasonable fees and expenses of its counsel) in connection with the filing, registration, recordation or perfection of any instruments as may be required by CFC in connection with this Agreement, including, without limitation, all documentary stamps, recordation and transfer taxes and other costs and taxes incident to execution, filing, registration, recordation or perfection of any document or instrument in connection herewith. The Borrower agrees to save harmless and indemnify CFC from and against any liability resulting from the failure to pay any required documentary stamps, recordation and transfer taxes, recording costs, or any other expenses incurred by CFC in connection with this

CFC LOCAGMT KY062-R-5103 (JABLONJ) 131638-1 Agreement. The provisions of this subsection shall survive the execution and delivery of this Agreement and the payment of all other amounts due hereunder.

**Section 8.06 CFC Accounts.** Borrower agrees that the records of, and all computations by, CFC (in whatever media they are recorded or maintained) as to the amount of principal, interest and fees due on the Line of Credit shall be conclusive in the absence of manifest error.

**Section 8.07 Waiver; Modification.** No failure on the part of CFC to exercise, and no delay in exercising, any right or power hereunder or under the other Loan Documents shall operate as a waiver thereof, nor shall any single or partial exercise by CFC of any right hereunder, or any abandonment or discontinuance of steps to enforce such right or power, preclude any other or further exercise thereof or the exercise of any other right or power. No modification or waiver of any provision of this Agreement or the other Loan Documents and no consent to any departure by the Borrower therefrom shall in any event be effective unless the same shall be in writing by the party granting such modification, waiver or consent, and then such modification, waiver or consent shall be effective only in the specific instance and for the purpose for which given.

SECTION 8.08 GOVERNING LAW; SUBMISSION TO JURISDICTION; WAIVER OF JURY TRIAL.

- (A) THE PERFORMANCE AND CONSTRUCTION OF THIS AGREEMENT SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAWS OF THE COMMONWEALTH OF VIRGINIA.
- (B) THE BORROWER HEREBY SUBMITS TO THE NON-EXCLUSIVE JURISDICTION OF THE UNITED STATES COURTS LOCATED IN VIRGINIA AND OF ANY STATE COURT SO LOCATED FOR PURPOSES OF ALL LEGAL PROCEEDINGS ARISING OUT OF OR RELATING TO THIS AGREEMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY. THE BORROWER IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY OBJECTIONS THAT IT MAY NOW OR HEREAFTER HAVE TO THE ESTABLISHING OF THE VENUE OF ANY SUCH PROCEEDINGS BROUGHT IN SUCH A COURT AND ANY CLAIM THAT ANY SUCH PROCEEDING HAS BEEN BROUGHT IN AN INCONVENIENT FORUM.
- (C) THE BORROWER AND CFC EACH HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY AND ALL RIGHT TO TRIAL BY JURY IN ANY LEGAL PROCEEDING ARISING OUT OF OR RELATING TO THIS AGREEMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY.

SECTION 8.09 INDEMNIFICATION. THE BORROWER HEREBY INDEMNIFIES AND AGREES TO HOLD HARMLESS, AND DEFEND CFC AND ITS MEMBERS, DIRECTORS, OFFICERS, EMPLOYEES, AGENTS, ATTORNEYS AND REPRESENTATIVES (EACH AN "INDEMNITEE") FOR, FROM, AND AGAINST ALL CLAIMS, DAMAGES, LOSSES, LIABILITIES, COSTS, AND EXPENSES (INCLUDING, WITHOUT LIMITATION, COSTS AND EXPENSES OF LITIGATION AND REASONABLE ATTORNEYS' FEES) ARISING FROM ANY CLAIM OR DEMAND IN RESPECT OF THIS AGREEMENT AND THE OTHER LOAN DOCUMENTS OR THE TRANSACTIONS DESCRIBED IN THIS AGREEMENT AND THE OTHER LOAN DOCUMENTS AND ARISING AT ANY TIME, WHETHER BEFORE OR AFTER PAYMENT AND PERFORMANCE OF ALL OBLIGATIONS UNDER THIS AGREEMENT AND

CFC LOCAGMT KY062-R-5103 (JABLONJ) 131638-1 THE OTHER LOAN DOCUMENTS IN FULL, EXCEPTING ANY SUCH MATTERS ARISING SOLELY FROM THE GROSS NEGLIGENCE OR WILLFUL MISCONDUCT OF CFC OR ANY INDEMNITEE. NOTWITHSTANDING ANYTHING TO THE CONTRARY CONTAINED IN SECTION 8.11 HEREOF, THE OBLIGATIONS IMPOSED UPON THE BORROWER BY THIS SECTION SHALL SURVIVE THE REPAYMENT OF THE LINE OF CREDIT AND THE TERMINATION OF THIS AGREEMENT.

**Section 8.10 Complete Agreement.** This Agreement, together with the schedules to this Agreement and the other Loan Documents, and the other agreements and matters referred to herein or by their terms referring hereto, is intended by the parties as a final expression of their agreement and is intended as a complete statement of the terms and conditions of their agreement. In the event of any conflict in the terms and provisions of this Agreement and any other Loan Documents, the terms and provisions of this Agreement shall control.

Section 8.11 Survival; Successors and Assigns. All covenants, agreements, representations and warranties of the Borrower which are contained in this Agreement shall survive the execution and delivery to CFC of the Loan Documents and the making of the Advances hereunder and shall continue in full force and effect until all of the obligations under the Loan Documents have been paid in full. All covenants, agreements, representations and warranties of the Borrower which are contained in this Agreement shall inure to the benefit of the successors and assigns of CFC. The Borrower shall not have the right to assign its rights or obligations under this Agreement.

Section 8.12 Use of Terms. The use of the singular herein shall also refer to the plural, and vice versa.

**Section 8.13 Headings.** The headings and sub-headings contained in this Agreement are intended to be used for convenience only and do not constitute part of this Agreement.

Section 8.14 Severability. If any term, provision or condition, or any part thereof, of this Agreement or the other Loan Documents shall for any reason be found or held invalid or unenforceable by any governmental agency or court of competent jurisdiction, such invalidity or unenforceability shall not affect the remainder of such term, provision or condition nor any other term, provision or condition, and this Agreement and the other Loan Documents shall survive and be construed as if such invalid or unenforceable term, provision or condition had not been contained therein.

**Section 8.15 Binding Effect.** This Agreement shall become effective when it shall have been executed by both Borrower and CFC and thereafter shall be binding upon and inure to the benefit of Borrower and CFC and their respective successors and assigns.

**Section 8.16 Counterparts.** This Agreement may be executed in one or more counterparts, each of which will be deemed an original and all of which together will constitute one and the same document. Signature pages may be detached from the counterparts and attached to a single copy of this Agreement to physically form one document.

Section 8.17 Schedule 1. Schedule 1 attached hereto is an integral part of this Agreement.

**IN WITNESS WHEREOF,** the parties hereto have caused this Agreement to be duly executed as of the day and year first above written.

Re: BIG RIVERS ELECTRIC CORPORATION Loan Designation KY062-R-5103
Dear Sir:
I am counsel for BIG RIVERS ELECTRIC CORPORATION, organized under the laws of the State of Kentucky ("Borrower"), and render this opinion to you in connection with a line of credit in the amount of \$2,500,000.00 provided for in the Revolving Line of Credit Agreement ("Line of Credit Agreement"), dated as of, between the Borrower and National Rural Utilities Cooperative Finance Corporation ("CFC").
I have examined such corporate records and proceedings of the Borrower, and such other documents as I have deemed necessary as a basis for the opinions hereinafter expressed.
I have also examined the Line of Credit Agreement as executed and delivered by the Borrower.
Based upon the foregoing, I am of the opinion that:
(i) the Borrower is a duly organized, validly existing corporation and in good standing under the laws of the jurisdiction of its organization, and the Borrower has full corporate power (a) to execute and deliver the Line of Credit Agreement; and (b) to perform all acts required to be done by it under the Line of Credit Agreement;
[*** SELECT ONE OF THE FORMS OF PARAGRAPH (ii) ***]
*** (ii) all authorizations from regulatory bodies required in connection with the execution, delivery and performance of the Line of Credit Agreement, including, without limitation, the Federal Energy Regulatory Commission and/or the state public utility commission, if applicable, have been obtained and copies thereof are attached hereto;
(ii) no authorization from any regulatory body is required in connection with the execution, delivery and performance of the Line of Credit Agreement including, without limitation, the Federal Energy Regulatory Commission and/or the state public utility commission, if applicable;
Sincerely,

Having just hung up from speaking with you, please allow me to follow-up. My comments were due to 2.01 G. Financial Statements indicating there has been no significant change to that balance sheet other than that disclosed CFC in writing. So, am wondering about the 2008 leveraged lease buyout. you're saying CFC is aware of the buyout and the impact it had, then uldn't Schedule 1 say so?

#### LINE OF CREDIT RESERVE AUTHORIZATION

In consideration of the issuance of one or more letters of credit by NATIONAL RURAL UTILITIES COOPERATIVE FINANCE CORPORATION ("CFC") on behalf of BIG RIVERS ELECTRIC CORPORATION ("Borrower"), pursuant to the Letter of Credit Application and Agreement (Master Facility) dated as of even date herewith, by and between Borrower and CFC (the "Letter of Credit Agreement"), the undersigned Borrower hereby authorizes CFC as follows:

Capitalized terms that are not defined herein shall have the meanings as set forth in the Letter of Credit Agreement.

If, prior to the close of business on the day that any Draw under a Letter of Credit has been made, Borrower has not paid the Draw Amount to CFC, Borrower hereby authorizes CFC to make an Advance (as defined in the Line of Credit Agreement, until replaced by the Replacement Credit Agreement, then upon such replacement, as defined in the Replacement Credit Agreement) under the Line of Credit Agreement (until replaced by the Replacement Credit Agreement, then upon such replacement, under the Replacement Credit Agreement) in an amount equal to the Draw Amount and to apply such Advance to pay the Draw Amount on behalf of Borrower.

Borrower agrees that, so long as any amounts are outstanding under the Letter of Credit Agreement, Borrower shall maintain the line of credit with CFC provided for in the Line of Credit Agreement (until replaced by the Replacement Credit Agreement, then upon such replacement, the line of credit provided for in the Replacement Credit Agreement) in an amount that is at all times at least equal to \$15,000,000.00. The amount available at any time and from time to time under the Line of Credit Agreement (until replaced by the Replacement Credit Agreement, then upon such replacement, under the Replacement Credit Agreement) shall be referred to herein as the "Reserve Amount". Borrower hereby agrees not to request any Advance (as defined in the Line of Credit Agreement, then upon such replacement, as defined in the Replacement Credit Agreement) under the Line of Credit Agreement (until replaced by the Replacement Credit Agreement, then upon such replacement, under the Replacement Credit Agreement, then upon such replacement, under the Replacement Credit Agreement) if the effect of any such Advance would be to reduce the Reserve Amount below the sum of the Letter of Credit Amounts reflected in all issued and outstanding Letters of Credit.

Borrower hereby agrees that CFC shall not incur any liability to Borrower as a result of following the instructions set forth herein, or for the exercise of the rights, remedies and obligations hereunder with respect to the Reserve Amount, except in cases of gross negligence or willful misconduct by CFC.

This authorization shall remain in effect and shall be irrevocable until terminated by mutual agreement of Borrower and CFC, or until such time as all of the Borrower's obligations under the Letter of Credit Agreement have been paid in full, whichever is earlier.

The undersigned agrees to pay such fees in connection with this Line of Credit Reserve Authorization as may be imposed by CFC pursuant to its policies of general application.

The undersigned represents and warrants to CFC that the undersigned has the appropriate authority on behalf of the Cooperative to execute this authorization and to instruct CFC with respect to the Cooperative's line of credit as set forth herein.

CFC SECINS KY062-L-9002 (JABLONJ) 129557-1 This authorization shall not be modified by the Cooperative without CFC's written consent.

- B. In consideration of the issuance by CFC of a Letter of Credit (as hereinafter defined), Applicant hereby agrees with CFC to the following terms and conditions which constitute a valid and binding agreement between Applicant and CFC.

**Definitions:** For purposes of this Agreement, the following capitalized terms shall have the following meanings (such definitions to be equally applicable to the singular and the plural form thereof). All terms not otherwise defined herein shall have the meaning ascribed to them in the First Amended and Restated Revolving Credit Agreement, dated July 14, 2003, by and between Applicant and CFC bearing CFC loan designation KY062-R-5101 (as amended, the "Line of Credit Agreement").

"DSC Ratio" shall mean the ratio determined as follows: for any calendar year add: (1) net income (after taxes and after eliminating any gain or loss on sale of assets or other extraordinary gain or loss), plus depreciation expense, amortization expense, and interest expense, minus capitalized interest not paid from operating cash flow, non-cash patronage and non-cash income from subsidiaries and/or joint ventures; and divide the sum so obtained by the sum of (2) all principal payments due within the period on all Long Term Debt plus interest expense (all as calculated on a consolidated basis for the applicable period in accordance with GAAP consistently applied or the appropriate standards of the regulatory agency having jurisdiction over the company) minus capitalized interest not paid from operating cash flow.

"TIER" shall mean the ratio determined as follows: for any calendar year add: (1) net income (after taxes and after eliminating any gain or loss on sale of assets or other extraordinary gain or loss), plus interest expense; and divide the sum so obtained by the sum of (2) interest expenses (all as calculated on a consolidated basis for the applicable period in accordance with GAAP

consistently applied or the appropriate standards of the regulatory agency having jurisdiction over the company) minus capitalized interest not paid from operating cash flow.

1. Letter of Credit Facility: The maximum aggregate amount of letters of credit which may be issued hereunder is Fifteen Million Dollars (\$15,000,000.00) ("Letter of Credit Facility"). Within this amount and subject to the limitation set forth in Section 3, Applicant may request, and National Rural Utilities Cooperative Finance Corporation ("CFC") shall issue, letters of credit to such beneficiary or beneficiaries as may be requested by Applicant from time to time under the terms and conditions of this Letter of Credit Application and Agreement (the "Agreement").

Each such request shall be in writing and substantially in the form of Exhibit A hereto. Each such letter is referred to herein as a "Letter of Credit". Each Letter of Credit shall be substantially in the form of Exhibit B hereto and shall reflect the amount available for draw thereunder (the "Letter of Credit Amount").

The Letter of Credit Amount reflected on any expired Letter of Credit shall be added back into the Letter of Credit Facility and be available for issuance of additional Letters of Credit during the term of this Agreement. The amount of any Draw that has been repaid shall also be added back into the Letter of Credit Facility and be available for issuance of additional Letters of Credit during the term of this Agreement.

2. Amendment to Existing Letter of Credit Facility. On and after the Effective Date no additional letters of credit shall be issued under the terms of that certain First Amended and Restated Letter of Credit Application and Agreement (Master Facility) bearing CFC loan designation, KY062-L-9001, dated July 14, 2003 with an effective date of July 15, 2003, as amended (the "Prior Facility"). Letters of credit issued under the Prior Facility shall remain outstanding and subject to the terms, conditions and provisions of the Prior Facility until their expiration or until they are otherwise terminated, at which time the Prior Facility shall be deemed canceled, with no further action required of either CFC or Borrower to effect such termination.

For purposes of the Prior Facility, the execution of this Agreement shall be deemed a writing executed by the parties hereto that is required to amend the Prior Facility.

#### 3. Limitation on Letter of Credit Issuances.

The amount at any time available for Borrower to Advance under the Line of Credit Agreement or the line of credit agreement which is to replace the Line of Credit Agreement upon the termination of Borrower's lease, power purchase agreement and other arrangements with subsidiaries of E.ON U.S. LLC (formerly LG&E Energy LLC) (such replacement agreement, is referred to herein as the "Replacement Credit Agreement), shall be referred to herein as the "Available Amount".

Applicant agrees that it shall not request the issuance of, nor shall CFC be obligated to issue, a Letter of Credit hereunder unless the Available Amount is equal to or greater than the sum of (i) the total Letter of Credit Amounts of all issued and outstanding Letters of Credit, plus (ii) the Letter of Credit Amount requested, provided, however, that so long the Prior Facility has not been cancelled pursuant to Section 2 hereof, Applicant agrees that it shall not request the issuance of, nor shall CFC be obligated to issue, a Letter of Credit hereunder unless the Available Amount is equal to or greater than the sum of (i) the total Letter of Credit Amounts of all issued and outstanding Letters of Credit, plus (ii) the aggregate amount of letters of credit issued and then

outstanding under the Prior Facility, plus (iii) the aggregate amount of unpaid Draws (as defined in the Prior Facility) under any letter of credit issued under the Prior Facility and plus (iv) the Letter of Credit Amount requested

Applicant hereby agrees not to request any Advance (as defined in the Line of Credit Agreement until replaced by the Replacement Credit Agreement, then upon such replacement, as defined in the Replacement Credit Agreement) under the Line of Credit Agreement (until replaced by the Replacement Credit Agreement, then upon such replacement, under the Replacement Credit Agreement) if the effect of any such Advance would be to reduce the Available Amount below the sum of the Letter of Credit Amounts reflected in all issued and outstanding Letters of Credit plus the sum of the letter of credit amounts reflected in all issued and outstanding letters of credit issued under the Prior Facility.

## 4. Letter of Credit Expiration Date; Termination of Agreement:

Each Letter of Credit issued hereunder shall expire on the date indicated thereon, but in no event shall such date be later than February 28, 2010. Provided that no default hereunder by the Applicant has occurred and is continuing, CFC's obligation to issue any Letter of Credit under this Agreement shall remain in effect until the date that is February 27, 2010.

- 5. Effective Date: The Effective Date of this Agreement is set forth on the signature page hereof.
- **6. CFC Letter of Credit Designation:** The first Letter of Credit issued hereunder shall bear CFC designation KY062-L-9002-001. Each subsequent Letter of Credit issued hereunder shall be numbered consecutively thereafter.
- 7. Draws. On any day that CFC is open for business, CFC hereby agrees to advance funds under a Letter of Credit to the Beneficiary in such amounts as the Beneficiary may from time to time request (each such advance is referred to herein as a "Draw"), provided that: (a) on the date of each such request, the outstanding unpaid balance of all Draws shall not exceed the amount of the Letter of Credit Facility stated above; (b) each Draw request is accompanied by the documentation specified in a Letter of Credit, the authenticity, form and substance of which shall be satisfactory to CFC; and (c) no Draw request will be honored after CFC's close of business on the Letter of Credit Expiration Date set forth in the respective Letter of Credit.
- 8. Documents. CFC's obligation to issue a Letter of Credit is conditioned upon CFC's receipt of the following documents, in form and substance satisfactory to CFC: (a) an executed copy of this Agreement and any collateral security documents required herein; (b) certified copies of all such corporate documents and proceedings of the Applicant as CFC may require authorizing the transactions hereby contemplated; (c) true and correct copies of all certificates, authorizations and consents of any regulatory authority necessary for the execution, delivery or performance by the Applicant of this Agreement; (d) an executed line of credit reservation authorization executed in favor of CFC; and (e) an opinion of counsel for the Applicant addressing such legal matters as CFC shall reasonably require.
- **9. Irrevocable Instruction.** Applicant hereby irrevocably instructs CFC to honor drafts presented in accordance with the terms hereof and contained in a Letter of Credit. It is expressly agreed that CFC may honor such drafts without requiring any documentation or information other than expressly stated in a Letter of Credit, and without regard to any contrary instructions Applicant may hereafter give to CFC.

- **10. Legal Representatives.** Applicant agrees that CFC shall have no liability to the Applicant or to any other person for honoring drafts presented in accordance with the terms hereof and contained in a Letter of Credit which may be presented by the administrator, trustee in bankruptcy, debtor-in-possession, assignee for the benefit of creditors, liquidator, receiver or other legal representative of the Beneficiary.
- 11. No Liability. CFC shall have no liability for, and the Applicant's repayment and other obligations hereunder shall not be affected by (a) the use which may be made of the funds drawn under a Letter of Credit or for the acts or omissions of the Beneficiary or any other person, (b) the validity, accuracy, sufficiency or genuineness of drafts, required statements or documents, even if such drafts, statements or documents should in fact prove to be in any or all respects invalid, inaccurate, insufficient, fraudulent or forged, (c) errors, omissions, interruptions or delays in transmission or delivery of any message by mail, telephone, facsimile or otherwise, or (d) any consequences arising from causes beyond CFC's control.

#### 12. Fees.

- Annual Facility Fee. On the Effective Date set forth below, and at each anniversary date thereof ("Anniversary Date") for so long as this Agreement is in effect, there shall be due and payable to CFC a nonrefundable facility fee ("Facility Fee"). Applicant shall pay the Facility Fee to CFC promptly upon receipt of an invoice from CFC relating thereto. The initial Facility Fee shall be expressed in a number of basis points (hundredths of a percentage point) of the aggregate amount of the Letter of Credit Facility. The amount of the Facility Fee shall be determined as of the Effective Date set forth below in accordance with CFC's credit policies and practices as of said date. Subsequent Facility Fees shall be expressed in the same manner, in amounts determined in accordance with CFC's credit policies and practices in effect as of each applicable Anniversary Date. Any increase in the Facility Fee shall be effective only as of an Anniversary Date. The Facility Fee shall be prorated for any year in which this Agreement is not in effect for the entire year. It is a precondition to the issuance of any Letter of Credit that Applicant is current in its payment of the Facility Fee.
- **B. Issuance Fee.** For each Letter of Credit issued hereunder, Applicant shall pay to CFC a nonrefundable fee ("Issuance Fee"). The Issuance Fee shall be in an amount determined in accordance with CFC's credit policies and practices as of the date of issuance. In the event the Letter of Credit is outstanding for more than one year, then the Issuance Fee shall be due and payable annually and shall be in an amount determined in accordance with CFC's credit policies and practices in effect as of each anniversary of the date of issuance. Applicant shall pay the Issuance Fee to CFC promptly upon receipt of an invoice from CFC relating thereto. The Issuance Fee shall be prorated for any year in which the Letter of Credit is not outstanding for the entire year.

In addition to the above fees, Borrower shall pay, as and when due, such additional fees as may be charged from time to time by CFC for issuing amendments to or transferring any Letter of Credit issued hereunder, and any fees that may be imposed by a confirming bank or other financial institution in the event that a Letter of Credit issued hereunder is confirmed by such other bank or financial institution.

## 13. Repayment.

- A. CFC shall notify Applicant promptly of each (i) Draw request that it receives under a Letter of Credit, (ii) Draw that is made, and (ii) each Advance under the Line of Credit Agreement or Replacement Credit Agreement that is made to pay a Draw referred to in clause C of this Paragraph 13.
- B. Upon receipt of notice by Applicant from CFC that a Draw has been made, Applicant shall pay, in lawful money of the United States, without setoff, deduction, recoupment or counterclaim, to the order of NATIONAL RURAL UTILITIES COOPERATIVE FINANCE CORPORATION, at its office in Herndon, Virginia or such other offices as CFC may designate, the principal sum of the aggregate unpaid principal amount of such Draw (the "Draw Amount"), and interest as hereinafter provided on all amounts remaining unpaid hereunder from the date of such Draw in like money at said office (the "Interest Amount"). The Interest Amount shall be due and payable in accordance with CFC's regular billing cycles as may be in effect from time to time. CFC shall send a payment notice to Applicant at least five days prior to the due date of such Interest Amount.
- C. If, prior to the close of business on the day that any Draw has been made, Applicant has not paid the Draw Amount to CFC, Applicant hereby authorizes CFC to make an Advance under the Line of Credit Agreement (until replaced by the Replacement Credit Agreement, then upon such replacement, under the Replacement Credit Agreement) in an amount equal to the Draw Amount to apply such Advance to pay the Draw Amount on behalf of Applicant. If such day is not a day that both CFC and the depository institution CFC uses for funds transfers are open for business, then the Advance shall be made on the next day that both CFC and the depository institution CFC uses for funds transfers are open for business.
- D. In the event that for any reason, a Draw is not repaid with the proceeds of an Advance under the Line of Credit Agreement (until replaced by the Replacement Credit Agreement, then upon such replacement, under the Replacement Credit Agreement) as described herein, Applicant shall pay such Draw and the Interest Amount no later than one year from the date of such Draw.
- **14. Interest.** The interest rate on all Draws will be equal to the total rate per annum as published by CFC as its line of credit rate and in effect from time to time. Interest will be computed on the basis of a 365 day year for the actual number of days that any Draw is outstanding. The effective date of an interest rate adjustment will be determined from time to time by CFC, and shall remain in effect until any subsequent change in the interest rate occurs.
- **15. Prepayment.** Applicant may, at any time, make prepayments of the principal amount of any Draw, together with any interest accrued thereon.
- 16. Default; Remedies. Applicant shall be in default if (i) it fails to pay any Draw Amount or Interest Amount, or fails to pay any other sum due hereunder, in full, when due, (ii) it fails to comply with clause C of this Paragraph 13 or if it fails to comply with Paragraphs 19 and 20 of this Agreement. Upon default, Applicant agrees that (a) CFC's obligation to issue Letters of Credit hereunder shall terminate without liability to CFC, (b) all amounts outstanding under this Agreement shall become immediately due and payable in full with accrued interest, (c) CFC may exercise rights of setoff or recoupment and apply any and all amounts held, or hereby held, by

CFC or owed to the Borrower or for the credit or account of the Borrower, including, but not limited to, patronage capital allocations and retirements, money due to Borrower from equity certificates purchased from CFC, and any membership or other fees that would otherwise be returned to Borrower; and (d) CFC may, in addition thereto, exercise any other remedies available to it under applicable law. Applicant hereby expressly waives demand, presentment for payment, notice of dishonor, protest, notice of protest, and notice of non-payment, and all other notices that m

- 17. Required Notices. Applicant agrees that, so long as any amount due is outstanding under this Agreement, Applicant shall promptly notify CFC (a) of any delinquency or default on any of its debt, including but not limited to money borrowed, debt evidenced by securities issued, or any indebtedness directly or indirectly guaranteed by Applicant, or (b) if there is a material adverse change in Applicant's financial condition. Applicant further agrees that if CFC shall determine, in its sole and absolute discretion, that such delinquency or default, or such inaccurate financial information materially increases CFC's risk of repayment hereunder, CFC may exercise all remedies available to it under applicable law, including but not limited to acceleration of all amounts due hereunder.
- 18. Right of Setoff. If Applicant fails to pay any amount hereunder when due, then CFC is hereby authorized at any time and from time to time, without prior notice to the Applicant, to exercise rights of setoff or recoupment and apply any and all amounts held, or hereafter held, by CFC or owed to the Applicant or for the credit or account of the Applicant against any and all of the obligations of the Applicant hereunder. CFC agrees to notify the Applicant promptly after any such setoff or recoupment and the application thereof, provided that the failure to give such notice shall not affect the validity of such setoff, recoupment or application. The rights of CFC under this section are in addition to any other rights and remedies (including other rights of setoff or recoupment) which CFC may have. Applicant waives all rights of setoff, deduction, recoupment or counterclaim.
- **19. Financial Ratios; Design of Rates.** The Borrower shall achieve a DSC Ratio of not less than 1.0 and a TIER of note less than 1.05. The Borrower shall not decrease its rates for electric service if it has failed to achieve a DSC Ratio of 1.0 for the calendar year prior to such reduction subject only to an order from a governmental authority properly exercising jurisdiction over the Borrower.
- 20. Financial Information. Applicant will cause to be prepared and furnished to CFC a full and complete report of its financial condition and operations as of the end of the Applicant's fiscal year in form and substance satisfactory to CFC, audited by independent certified public accountants nationally recognized or otherwise satisfactory to CFC and accompanied by a report of such audit in form and substance satisfactory to CFC. Such report shall be furnished within 120 days of the end of such fiscal year. Applicant also agrees that, so long as any amount due to CFC is outstanding under this Agreement, Applicant shall deliver to CFC a copy of Applicant's monthly and quarterly financial statements, and a copy of Applicant's annual audit report. Monthly statements shall be furnished within thirty (30) days after the end of the month and quarterly statements shall be furnished within thirty (30) days after the end of the quarter. The foregoing requirements shall survive the making of Draws hereunder and the expiration of a Letter of Credit until all sums due under this Agreement have been paid in full.
- 21. Late Fee; Collection Costs. If payment of any principal and/or interest due under the terms of this Agreement is not received at CFC's offices in Herndon, Virginia, or such other place as

CFC may designate, within 5 business days after the due date thereof, Applicant will pay to CFC, in addition to all other amounts due under the terms of this Agreement, a late payment charge as may then be in effect pursuant to CFC's policies of general application. Applicant further agrees to pay the costs of collection, including reasonable attorneys' fees, of any amount due under this Agreement.

### 22. GOVERNING LAW; SUBMISSION TO JURISDICTION; WAIVER OF JURY TRIAL.

THE PERFORMANCE AND CONSTRUCTION OF THIS AGREEMENT SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAWS OF THE COMMONWEALTH OF VIRGINIA.

APPLICANT HEREBY SUBMITS TO THE NONEXCLUSIVE JURISDICTION OF THE UNITED STATES COURTS LOCATED IN VIRGINIA AND OF ANY STATE COURT SO LOCATED FOR PURPOSES OF ALL LEGAL PROCEEDINGS ARISING OUT OF OR RELATING TO THIS AGREEMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY. APPLICANT IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY OBJECTION THAT IT MAY NOW OR HEREAFTER HAVE TO THE ESTABLISHING OF THE VENUE OF ANY SUCH PROCEEDING BROUGHT IN SUCH A COURT AND ANY CLAIM THAT ANY SUCH PROCEEDING HAS BEEN BROUGHT IN AN INCONVENIENT FORUM.

EACH OF THE APPLICANT AND CFC HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY AND ALL RIGHT TO TRIAL BY JURY IN ANY LEGAL PROCEEDING ARISING OUT OF OR RELATING TO THIS AGREEMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY.

**23. Notices:** All notices, requests and other communications provided for herein including, without limitation, any modifications of, or waivers, requests or consents under, this Agreement shall be given or made in writing (including, without limitation, by telecopy) and delivered to the Applicant at the address and telecopy number stated above, and to CFC at:

National Rural Utilities Cooperative Finance Corporation 2201 Cooperative Way Herndon, Virginia 20171-3025 Fax: (703) 709-6776

Either party my designate another address by notice as provided herein. All communications shall be deemed to have been duly given when personally delivered or, in the case of a telecopied or mailed notice, upon receipt, in each case given or addressed as provided for herein.

17. Miscellaneous. No modification or waiver of any provision of this Agreement, and no consent to any departure by Applicant therefrom, shall in any event be effective unless the same shall be in writing by the party granting such modification, waiver or consent. This Agreement and any schedules or exhibits together contain the entire agreement of the parties hereto with respect to the matters covered and the transactions contemplated hereby. If any term, provision or condition of this Agreement shall for any reason be found or held invalid or unenforceable by any governmental agency or court of competent jurisdiction, such invalidity or unenforceability shall not affect the remainder of such term, provision or condition nor any other term, provision or condition, and this Agreement shall survive and be construed as if such invalid or unenforceable term, provision or condition had not been contained therein.

**IN WITNESS WHEREOF,** the parties hereto have caused this Agreement to be duly executed as of the day and year first above written.

Dear Sir:

C. Ellsworth Mountjoy Susan Montalvo-Gesser

We are counsel for BIG RIVERS ELECTRIC CORPORATION, organized under the laws of the Commonwealth of Kentucky ("Borrower"), and render this opinion to you in connection with the \$15,000,000.00 letter of credit facility provided for in the Letter of Credit Application and Agreement ("Letter of Credit Agreement") dated as of January 30, 2009, between the Borrower and National Rural Utilities Cooperative Finance Corporation ("CFC").

We have examined such corporate records and proceedings of the Borrower, and such other documents as we have deemed necessary as a basis for the opinions hereinafter expressed.

We have also examined the following documents as executed and delivered: (1) the Letter of Credit Agreement and (2) the Line of Credit Reserve Authorization dated January 30, 2009 (together, the "Loan Documents") as executed and delivered by the Borrower.

Based upon the foregoing, we are of the opinion that:

- the Borrower is a duly organized, validly existing corporation and in good (i) standing under the laws of the jurisdiction of its organization, and the Borrower has full corporate power (a) to execute and deliver the Loan Documents; and (b) to perform all acts required to be done by it under the Loan Documents; and
- no authorization from any regulatory body is required in connection with the (ii) execution, delivery and performance of the Loan Documents including, without limitation, the Federal Energy Regulatory Commission and/or the state public utility commission, if applicable.

Very truly yours,

Sullivan, Mountjoy, Stainback & Miller, P.S.C.

## LINE OF CREDIT RESERVE AUTHORIZATION

In consideration of the issuance of one or more letters of credit by NATIONAL RURAL UTILITIES COOPERATIVE FINANCE CORPORATION ("CFC") on behalf of BIG RIVERS ELECTRIC CORPORATION ("Borrower"), pursuant to the Letter of Credit Application and Agreement (Master Facility) dated as of even date herewith, by and between Borrower and CFC (the "Letter of Credit Agreement"), the undersigned Borrower hereby authorizes CFC as follows:

Capitalized terms that are not defined herein shall have the meanings as set forth in the Letter of Credit Agreement.

If, prior to the close of business on the day that any Draw under a Letter of Credit has been made, Borrower has not paid the Draw Amount to CFC, Borrower hereby authorizes CFC to make an Advance (as defined in the Line of Credit Agreement, until replaced by the Replacement Credit Agreement, then upon such replacement, as defined in the Replacement Credit Agreement) under the Line of Credit Agreement (until replaced by the Replacement Credit Agreement, then upon such replacement, under the Replacement Credit Agreement) in an amount equal to the Draw Amount and to apply such Advance to pay the Draw Amount on behalf of Borrower.

Borrower agrees that, so long as any amounts are outstanding under the Letter of Credit Agreement, Borrower shall maintain the line of credit with CFO provided for in the Line of Credit Agreement (until replaced by the Replacement Credit Agreement) in an amount that is at all times at least equal to \$15,000,000.00. The amount available at any time and from time to time under the Line of Credit Agreement (until replaced by the Replacement Credit Agreement, then upon such replacement, under the Replacement Credit Agreement) shall be referred to herein as the "Reserve Amount". Borrower hereby agrees not to request any Advance (as defined in the Line of Credit Agreement until replaced by the Replacement Credit Agreement, then upon such replacement, as defined in the Replacement Credit Agreement) under the Line of Credit Agreement (until replaced by the Replacement, then upon such replacement Credit Agreement, then upon such replacement Credit Agreement, then upon such replacement Credit Agreement, then upon such replacement, under the Replacement Credit Agreement, then upon such replacement, under the Replacement Credit Agreement, then upon such replacement, under the Replacement Credit Agreement, then upon such replacement, under the Replacement Credit Agreement, then upon such replacement, under the Replacement Credit Agreement, then upon such replacement, under the Replacement Credit Agreement, then upon such replacement, under the Replacement Credit Agreement, then upon such replacement, under the Replacement Credit Agreement Credit Agreement and outstanding Letters of Credit.

Borrower hereby agrees that CFC shall not incur any liability to Borrower as a result of following the instructions set forth herein, or for the exercise of the rights, remedies and obligations hereunder with respect to the Reserve Amount, except in cases of gross negligence or willful misconduct by CFC.

This authorization shall remain in effect and shall be irrevocable until terminated by mutual agreement of Borrower and CFC, or until such time as all of the Borrower's obligations under the Letter of Credit Agreement have been paid in full, whichever is earlier.

The undersigned agrees to pay such fees in connection with this Line of Credit Reserve Authorization as may be imposed by CFC pursuant to its policies of general application.

The undersigned represents and warrants to CFC that the undersigned has the appropriate authority on behalf of the Cooperative to execute this authorization and to instruct CFC with respect to the Cooperative's line of credit as set forth herein.

CFC SECINS KY062-L-9002 (JABLONJ) 129557-1 This authorization shall not be modified by the Cooperative without CFC's written consent.

# LETTER OF CREDIT APPLICATION AND AGREEMENT (Master Facility)

## Name and Address of Applicant:

BIG RIVERS ELECTRIC CORPORATION 201 Third Street Henderson, Kentucky 42420 Attn: President and Chief Executive Officer

Fax Number: 270-827-2558

## Name and Address of Beneficiary:

To be determined as requested by Applicant from time to time as provided hereunder.

# Date of this Application and Agreement: January 30, 2009

- A. Applicant hereby requests National Rural Utilities Cooperative Finance Corporation ("CFC") to issue one or more irrevocable letters of credit for its own account in favor of the beneficiary or beneficiaries requested by Applicant from time to time as provided hereunder under the terms and conditions stated herein.
- B. In consideration of the issuance by CFC of a Letter of Credit (as hereinafter defined), Applicant hereby agrees with CFC to the following terms and conditions which constitute a valid and binding agreement between Applicant and CFC.

**Definitions:** For purposes of this Agreement, the following capitalized terms shall have the following meanings (such definitions to be equally applicable to the singular and the plural form thereof). All terms not otherwise defined herein shall have the meaning ascribed to them in the First Amended and Restated Revolving Credit Agreement, dated July 14, 2003, by and between Applicant and CFC bearing CFC loan designation KY062-R-5101 (as amended, the "Line of Credit Agreement").

"DSC Ratio" shall mean the ratio determined as follows: for any calendar year add: (1) net income (after taxes and after eliminating any gain or loss on sale of assets or other extraordinary gain or loss), plus depreciation expense, amortization expense, and interest expense, minus capitalized interest not paid from operating cash flow, non-cash patronage and non-cash income from subsidiaries and/or joint ventures; and divide the sum so obtained by the sum of (2) all principal payments due within the period on all Long Term Debt plus interest expense (all as calculated on a consolidated basis for the applicable period in accordance with GAAP consistently applied or the appropriate standards of the regulatory agency having jurisdiction over the company) minus capitalized interest not paid from operating cash flow.

"TIER" shall mean the ratio determined as follows: for any calendar year add: (1) net income (after taxes and after eliminating any gain or loss on sale of assets or other extraordinary gain or loss), plus interest expense; and divide the sum so obtained by the sum of (2) interest expenses (all as calculated on a consolidated basis for the applicable period in accordance with GAAP

consistently applied or the appropriate standards of the regulatory agency having jurisdiction over the company) minus capitalized interest not paid from operating cash flow.

1. Letter of Credit Facility: The maximum aggregate amount of letters of credit which may be issued hereunder is Fifteen Million Dollars (\$15,000,000.00) ("Letter of Credit Facility"). Within this amount and subject to the limitation set forth in Section 3, Applicant may request, and National Rural Utilities Cooperative Finance Corporation ("CFC") shall issue, letters of credit to such beneficiary or beneficiaries as may be requested by Applicant from time to time under the terms and conditions of this Letter of Credit Application and Agreement (the "Agreement").

Each such request shall be in writing and substantially in the form of Exhibit A hereto. Each such letter is referred to herein as a "Letter of Credit". Each Letter of Credit shall be substantially in the form of Exhibit B hereto and shall reflect the amount available for draw thereunder (the "Letter of Credit Amount").

The Letter of Credit Amount reflected on any expired Letter of Credit shall be added back into the Letter of Credit Facility and be available for issuance of additional Letters of Credit during the term of this Agreement. The amount of any Draw that has been repaid shall also be added back into the Letter of Credit Facility and be available for issuance of additional Letters of Credit during the term of this Agreement.

2. Amendment to Existing Letter of Credit Facility. On and after the Effective Date no additional letters of credit shall be issued under the terms of that certain First Amended and Restated Letter of Credit Application and Agreement (Master Facility) bearing CFC loan designation, KY062-L-9001, dated July 14, 2003 with an effective date of July 15, 2003, as amended (the "Prior Facility"). Letters of credit issued under the Prior Facility shall remain outstanding and subject to the terms, conditions and provisions of the Prior Facility until their expiration or until they are otherwise terminated, at which time the Prior Facility shall be deemed canceled, with no further action required of either CFC or Borrower to effect such termination.

For purposes of the Prior Facility, the execution of this Agreement shall be deemed a writing executed by the parties hereto that is required to amend the Prior Facility.

#### 3. Limitation on Letter of Credit Issuances.

The amount at any time available for Borrower to Advance under the Line of Credit Agreement or the line of credit agreement which is to replace the Line of Credit Agreement upon the termination of Borrower's lease, power purchase agreement and other arrangements with subsidiaries of E.ON U.S. LLC (formerly LG&E Energy LLC) (such replacement agreement, is referred to herein as the "Replacement Credit Agreement), shall be referred to herein as the "Available Amount".

Applicant agrees that it shall not request the issuance of, nor shall CFC be obligated to issue, a Letter of Credit hereunder unless the Available Amount is equal to or greater than the sum of (i) the total Letter of Credit Amounts of all issued and outstanding Letters of Credit, plus (ii) the Letter of Credit Amount requested, provided, however, that so long the Prior Facility has not been cancelled pursuant to Section 2 hereof, Applicant agrees that it shall not request the issuance of, nor shall CFC be obligated to issue, a Letter of Credit hereunder unless the Available Amount is equal to or greater than the sum of (i) the total Letter of Credit Amounts of all issued and outstanding Letters of Credit, plus (ii) the aggregate amount of letters of credit issued and then

outstanding under the Prior Facility, plus (iii) the aggregate amount of unpaid Draws (as defined in the Prior Facility) under any letter of credit issued under the Prior Facility and plus (iv) the Letter of Credit Amount requested

Applicant hereby agrees not to request any Advance (as defined in the Line of Credit Agreement until replaced by the Replacement Credit Agreement, then upon such replacement, as defined in the Replacement Credit Agreement) under the Line of Credit Agreement (until replaced by the Replacement Credit Agreement, then upon such replacement, under the Replacement Credit Agreement) if the effect of any such Advance would be to reduce the Available Amount below the sum of the Letter of Credit Amounts reflected in all issued and outstanding Letters of Credit plus the sum of the letter of credit amounts reflected in all issued and outstanding letters of credit issued under the Prior Facility.

# 4. Letter of Credit Expiration Date; Termination of Agreement:

Each Letter of Credit issued hereunder shall expire on the date indicated thereon, but in no event shall such date be later than February 28, 2010. Provided that no default hereunder by the Applicant has occurred and is continuing, CFC's obligation to issue any Letter of Credit under this Agreement shall remain in effect until the date that is February 27, 2010.

- 5. Effective Date: The Effective Date of this Agreement is set forth on the signature page hereof.
- **6. CFC Letter of Credit Designation:** The first Letter of Credit issued hereunder shall bear CFC designation KY062-L-9002-001. Each subsequent Letter of Credit issued hereunder shall be numbered consecutively thereafter.
- 7. **Draws.** On any day that CFC is open for business, CFC hereby agrees to advance funds under a Letter of Credit to the Beneficiary in such amounts as the Beneficiary may from time to time request (each such advance is referred to herein as a "Draw"), provided that: (a) on the date of each such request, the outstanding unpaid balance of all Draws shall not exceed the amount of the Letter of Credit Facility stated above; (b) each Draw request is accompanied by the documentation specified in a Letter of Credit, the authenticity, form and substance of which shall be satisfactory to CFC; and (c) no Draw request will be honored after CFC's close of business on the Letter of Credit Expiration Date set forth in the respective Letter of Credit.
- 8. Documents. CFC's obligation to issue a Letter of Credit is conditioned upon CFC's receipt of the following documents, in form and substance satisfactory to CFC: (a) an executed copy of this Agreement and any collateral security documents required herein; (b) certified copies of all such corporate documents and proceedings of the Applicant as CFC may require authorizing the transactions hereby contemplated; (c) true and correct copies of all certificates, authorizations and consents of any regulatory authority necessary for the execution, delivery or performance by the Applicant of this Agreement; (d) an executed line of credit reservation authorization executed in favor of CFC; and (e) an opinion of counsel for the Applicant addressing such legal matters as CFC shall reasonably require.
- **9. Irrevocable Instruction.** Applicant hereby irrevocably instructs CFC to honor drafts presented in accordance with the terms hereof and contained in a Letter of Credit. It is expressly agreed that CFC may honor such drafts without requiring any documentation or information other than expressly stated in a Letter of Credit, and without regard to any contrary instructions Applicant may hereafter give to CFC.

- **10.** Legal Representatives. Applicant agrees that CFC shall have no liability to the Applicant or to any other person for honoring drafts presented in accordance with the terms hereof and contained in a Letter of Credit which may be presented by the administrator, trustee in bankruptcy, debtor-in-possession, assignee for the benefit of creditors, liquidator, receiver or other legal representative of the Beneficiary.
- 11. No Liability. CFC shall have no liability for, and the Applicant's repayment and other obligations hereunder shall not be affected by (a) the use which may be made of the funds drawn under a Letter of Credit or for the acts or omissions of the Beneficiary or any other person, (b) the validity, accuracy, sufficiency or genuineness of drafts, required statements or documents, even if such drafts, statements or documents should in fact prove to be in any or all respects invalid, inaccurate, insufficient, fraudulent or forged, (c) errors, omissions, interruptions or delays in transmission or delivery of any message by mail, telephone, facsimile or otherwise, or (d) any consequences arising from causes beyond CFC's control.

#### 12. Fees.

- Annual Facility Fee. On the Effective Date set forth below, and at each anniversary date thereof ("Anniversary Date") for so long as this Agreement is in effect, there shall be due and payable to CFC a nonrefundable facility fee ("Facility Fee"). Applicant shall pay the Facility Fee to CFC promptly upon receipt of an invoice from CFC relating thereto. The initial Facility Fee shall be expressed in a number of basis points (hundredths of a percentage point) of the aggregate amount of the Letter of Credit Facility. The amount of the Facility Fee shall be determined as of the Effective Date set forth below in accordance with CFC's credit policies and practices as of said date. Subsequent Facility Fees shall be expressed in the same manner, in amounts determined in accordance with CFC's credit policies and practices in effect as of each applicable Anniversary Date. Any increase in the Facility Fee shall be effective only as of an Anniversary Date. The Facility Fee shall be prorated for any year in which this Agreement is not in effect for the entire year. It is a precondition to the issuance of any Letter of Credit that Applicant is current in its payment of the Facility Fee.
- **B.** Issuance Fee. For each Letter of Credit issued hereunder, Applicant shall pay to CFC a nonrefundable fee ("Issuance Fee"). The Issuance Fee shall be in an amount determined in accordance with CFC's credit policies and practices as of the date of issuance. In the event the Letter of Credit is outstanding for more than one year, then the Issuance Fee shall be due and payable annually and shall be in an amount determined in accordance with CFC's credit policies and practices in effect as of each anniversary of the date of issuance. Applicant shall pay the Issuance Fee to CFC promptly upon receipt of an invoice from CFC relating thereto. The Issuance Fee shall be prorated for any year in which the Letter of Credit is not outstanding for the entire year.

In addition to the above fees, Borrower shall pay, as and when due, such additional fees as may be charged from time to time by CFC for issuing amendments to or transferring any Letter of Credit issued hereunder, and any fees that may be imposed by a confirming bank or other financial institution in the event that a Letter of Credit issued hereunder is confirmed by such other bank or financial institution.

## 13. Repayment.

- A. CFC shall notify Applicant promptly of each (i) Draw request that it receives under a Letter of Credit, (ii) Draw that is made, and (ii) each Advance under the Line of Credit Agreement or Replacement Credit Agreement that is made to pay a Draw referred to in clause C of this Paragraph 13.
- B. Upon receipt of notice by Applicant from CFC that a Draw has been made, Applicant shall pay, in lawful money of the United States, without setoff, deduction, recoupment or counterclaim, to the order of NATIONAL RURAL UTILITIES COOPERATIVE FINANCE CORPORATION, at its office in Herndon, Virginia or such other offices as CFC may designate, the principal sum of the aggregate unpaid principal amount of such Draw (the "Draw Amount"), and interest as hereinafter provided on all amounts remaining unpaid hereunder from the date of such Draw in like money at said office (the "Interest Amount"). The Interest Amount shall be due and payable in accordance with CFC's regular billing cycles as may be in effect from time to time. CFC shall send a payment notice to Applicant at least five days prior to the due date of such Interest Amount.
- C. If, prior to the close of business on the day that any Draw has been made, Applicant has not paid the Draw Amount to CFC, Applicant hereby authorizes CFC to make an Advance under the Line of Credit Agreement (until replaced by the Replacement Credit Agreement, then upon such replacement, under the Replacement Credit Agreement) in an amount equal to the Draw Amount to apply such Advance to pay the Draw Amount on behalf of Applicant. If such day is not a day that both CFC and the depository institution CFC uses for funds transfers are open for business, then the Advance shall be made on the next day that both CFC and the depository institution CFC uses for funds transfers are open for business.
- D. In the event that for any reason, a Draw is not repaid with the proceeds of an Advance under the Line of Credit Agreement (until replaced by the Replacement Credit Agreement, then upon such replacement, under the Replacement Credit Agreement) as described herein, Applicant shall pay such Draw and the Interest Amount no later than one year from the date of such Draw.
- **14. Interest.** The interest rate on all Draws will be equal to the total rate per annum as published by CFC as its line of credit rate and in effect from time to time. Interest will be computed on the basis of a 365 day year for the actual number of days that any Draw is outstanding. The effective date of an interest rate adjustment will be determined from time to time by CFC, and shall remain in effect until any subsequent change in the interest rate occurs.
- **15. Prepayment.** Applicant may, at any time, make prepayments of the principal amount of any Draw, together with any interest accrued thereon.
- 16. Default; Remedies. Applicant shall be in default if (i) it fails to pay any Draw Amount or Interest Amount, or fails to pay any other sum due hereunder, in full, when due, (ii) it fails to comply with clause C of this Paragraph 13 or if it fails to comply with Paragraphs 19 and 20 of this Agreement. Upon default, Applicant agrees that (a) CFC's obligation to issue Letters of Credit hereunder shall terminate without liability to CFC, (b) all amounts outstanding under this Agreement shall become immediately due and payable in full with accrued interest, (c) CFC may exercise rights of setoff or recoupment and apply any and all amounts held, or hereby held, by

CFC or owed to the Borrower or for the credit or account of the Borrower, including, but not limited to, patronage capital allocations and retirements, money due to Borrower from equity certificates purchased from CFC, and any membership or other fees that would otherwise be returned to Borrower; and (d) CFC may, in addition thereto, exercise any other remedies available to it under applicable law. Applicant hereby expressly waives demand, presentment for payment, notice of dishonor, protest, notice of protest, and notice of non-payment, and all other notices that m

- 17. Required Notices. Applicant agrees that, so long as any amount due is outstanding under this Agreement, Applicant shall promptly notify CFC (a) of any delinquency or default on any of its debt, including but not limited to money borrowed, debt evidenced by securities issued, or any indebtedness directly or indirectly guaranteed by Applicant, or (b) if there is a material adverse change in Applicant's financial condition. Applicant further agrees that if CFC shall determine, in its sole and absolute discretion, that such delinquency or default, or such inaccurate financial information materially increases CFC's risk of repayment hereunder, CFC may exercise all remedies available to it under applicable law, including but not limited to acceleration of all amounts due hereunder.
- **18. Right of Setoff.** If Applicant fails to pay any amount hereunder when due, then CFC is hereby authorized at any time and from time to time, without prior notice to the Applicant, to exercise rights of setoff or recoupment and apply any and all amounts held, or hereafter held, by CFC or owed to the Applicant or for the credit or account of the Applicant against any and all of the obligations of the Applicant hereunder. CFC agrees to notify the Applicant promptly after any such setoff or recoupment and the application thereof, provided that the failure to give such notice shall not affect the validity of such setoff, recoupment or application. The rights of CFC under this section are in addition to any other rights and remedies (including other rights of setoff or recoupment) which CFC may have. Applicant waives all rights of setoff, deduction, recoupment or counterclaim.
- **19. Financial Ratios; Design of Rates.** The Borrower shall achieve a DSC Ratio of not less than 1.0 and a TIER of note less than 1.05. The Borrower shall not decrease its rates for electric service if it has failed to achieve a DSC Ratio of 1.0 for the calendar year prior to such reduction subject only to an order from a governmental authority properly exercising jurisdiction over the Borrower.
- 20. Financial Information. Applicant will cause to be prepared and furnished to CFC a full and complete report of its financial condition and operations as of the end of the Applicant's fiscal year in form and substance satisfactory to CFC, audited by independent certified public accountants nationally recognized or otherwise satisfactory to CFC and accompanied by a report of such audit in form and substance satisfactory to CFC. Such report shall be furnished within 120 days of the end of such fiscal year. Applicant also agrees that, so long as any amount due to CFC is outstanding under this Agreement, Applicant shall deliver to CFC a copy of Applicant's monthly and quarterly financial statements, and a copy of Applicant's annual audit report. Monthly statements shall be furnished within thirty (30) days after the end of the month and quarterly statements shall be furnished within thirty (30) days after the end of the quarter. The foregoing requirements shall survive the making of Draws hereunder and the expiration of a Letter of Credit until all sums due under this Agreement have been paid in full.
- 21. Late Fee; Collection Costs. If payment of any principal and/or interest due under the terms of this Agreement is not received at CFC's offices in Herndon, Virginia, or such other place as

CFC may designate, within 5 business days after the due date thereof, Applicant will pay to CFC, in addition to all other amounts due under the terms of this Agreement, a late payment charge as may then be in effect pursuant to CFC's policies of general application. Applicant further agrees to pay the costs of collection, including reasonable attorneys' fees, of any amount due under this Agreement.

## 22. GOVERNING LAW; SUBMISSION TO JURISDICTION; WAIVER OF JURY TRIAL.

THE PERFORMANCE AND CONSTRUCTION OF THIS AGREEMENT SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAWS OF THE COMMONWEALTH OF VIRGINIA.

APPLICANT HEREBY SUBMITS TO THE NONEXCLUSIVE JURISDICTION OF THE UNITED STATES COURTS LOCATED IN VIRGINIA AND OF ANY STATE COURT SO LOCATED FOR PURPOSES OF ALL LEGAL PROCEEDINGS ARISING OUT OF OR RELATING TO THIS AGREEMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY. APPLICANT IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY OBJECTION THAT IT MAY NOW OR HEREAFTER HAVE TO THE ESTABLISHING OF THE VENUE OF ANY SUCH PROCEEDING BROUGHT IN SUCH A COURT AND ANY CLAIM THAT ANY SUCH PROCEEDING HAS BEEN BROUGHT IN AN INCONVENIENT FORUM.

EACH OF THE APPLICANT AND CFC HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY AND ALL RIGHT TO TRIAL BY JURY IN ANY LEGAL PROCEEDING ARISING OUT OF OR RELATING TO THIS AGREEMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY.

**23. Notices:** All notices, requests and other communications provided for herein including, without limitation, any modifications of, or waivers, requests or consents under, this Agreement shall be given or made in writing (including, without limitation, by telecopy) and delivered to the Applicant at the address and telecopy number stated above, and to CFC at:

National Rural Utilities Cooperative Finance Corporation 2201 Cooperative Way Herndon, Virginia 20171-3025 Fax: (703) 709-6776

Either party my designate another address by notice as provided herein. All communications shall be deemed to have been duly given when personally delivered or, in the case of a telecopied or mailed notice, upon receipt, in each case given or addressed as provided for herein.

17. Miscellaneous. No modification or waiver of any provision of this Agreement, and no consent to any departure by Applicant therefrom, shall in any event be effective unless the same shall be in writing by the party granting such modification, waiver or consent. This Agreement and any schedules or exhibits together contain the entire agreement of the parties hereto with respect to the matters covered and the transactions contemplated hereby. If any term, provision or condition of this Agreement shall for any reason be found or held invalid or unenforceable by any governmental agency or court of competent jurisdiction, such invalidity or unenforceability shall not affect the remainder of such term, provision or condition nor any other term, provision or condition, and this Agreement shall survive and be construed as if such invalid or unenforceable term, provision or condition had not been contained therein.

**IN WITNESS WHEREOF,** the parties hereto have caused this Agreement to be duly executed as of the day and year first above written.

Re: BIG RIVERS ELECTRIC CORPORATION Loan Designation KY062-L-9002
Dear Sir:
I am counsel for BIG RIVERS ELECTRIC CORPORATION, organized under the laws of the State of Kentucky ("Borrower"), and render this opinion to you in connection with the \$15,000,000.00 letter of credit facility provided for in the Letter of Credit Application and Agreement ("Letter of Credit Agreement"), dated as of, between the Borrower and National Rural Utilities Cooperative Finance Corporation ("CFC").
I have examined such corporate records and proceedings of the Borrower, and such other documents as I have deemed necessary as a basis for the opinions hereinafter expressed.
I have also examined the following documents as executed and delivered: (1) the Letter of Credit Agreement and (2) and (ii) the Line of Credit Reserve Authorization dated (together, the "Loan Documents").
Based upon the foregoing, I am of the opinion that:
(i) the Borrower is a duly organized, validly existing corporation and in good standing under the laws of the jurisdiction of its organization, and the Borrower has full corporate power (a) to execute and deliver the Loan Documents; and (b) to perform all acts required to be done by it under the Loan Documents;
[*** SELECT ONE OF THE FORMS OF PARAGRAPH (ii) ***]
*** (ii) all authorizations from regulatory bodies required in connection with the execution, delivery and performance of the Loan Documents, including, without limitation, the Federal Energy Regulatory Commission and/or the state public utility commission, if applicable, have been obtained and copies thereof are attached hereto;
*** (ii) no authorization from any regulatory body is required in connection with the execution, delivery and performance of the Loan Documents including, without limitation, the Federal Energy Regulatory Commission and/or the state public utility commission, if applicable;
Sincerely,

# FIRST AMENDMENT TO FIRST AMENDED AND RESTATED LETTER OF CREDIT APPLICATION AND AGREEMENT

FIRST AMENDMENT TO FIRST AMENIDED AND RESTATED LETTER OF CREDIT APPLICATION AND **AGREEMENT** (this "Amendment"), dated as June 5,2008 between BIG RIVERS **ELECTRIC** CORPORATION ("Borrower"), a corporation organized and existing under the laws of the State of Kentucky, and NATIONAL RURAL UTILITIES COOPERATIVE FINANCE CORPORATION ("CFC"), a cooperative association organized and existing under the laws of the District of Columbia.

#### **RECITALS**

WHEREAS, the Borrower and CFC are parties to that certain First Amended and Restated Letter of Credit Application and Agreement dated as of July 14, 2003, with respect to CFC Loan No. KY062-L-9001 (the "Original Agreement");

WHEREAS, the Borrower has requested an extension in the period during which letters of credit can be issued under the Original Agreement and the final date upon which all such letters of credit must expire and CFC has agreed to such modification subject to Borrower's agreement to extend its current line of credit reservation to the line of credit that will replace the line of credit provided for in the Revolving Credit Agreement (as defined in the Original Agreement), upon the termination thereof (the "Replacement Line of Credit");

**WHEREAS**, the Borrower and CFC have agreed to modify the Original Agreement as set forth herein to reflect the terms of such agreement;

**NOW, THEREFORE**, for and in consideration of the foregoing, and in further consideration of the premises and the mutual covenants herein contained, the parties hereto agree and bind themselves as follows:

**Section 1.** Recitals. The foregoing recitals are incorporated herein by reference.

**Section 2. Definitions.** Capitalized terms that are not defined herein shall have the meanings assigned to them as set forth in the Original Agreement.

#### Section 3. Amendment.

**A.** The section of the Original Agreement titled "Letter of Credit Expiration Date; Termination of Agreement:" is hereby deleted in its entirety and is hereby amended to read as follows:

# "Letter of Credit Expiration Date; Termination of Agreement:

Each Letter of Credit issued hereunder shall expire on the date indicated thereon, but in no event shall such date be later than March 1, 2009. Provided that no default hereunder by Applicant has occurred and is continuing, CFC's obligation to issue any Letter of Credit under this Agreement shall remain in effect until February 28, 2009."

CFC AMEND KY062-A-9001 (JABLONJ) 122911-1

- **B.** Section 7(a) of the Original Agreement is hereby deleted in its entirety and is hereby amended to read as follows:
  - "(a) As of the date of this Agreement, Applicant and CFC have entered into that certain First Amended and Restated Revolving Credit Agreement, dated as of the date hereof (the "Revolving Credit Agreement"), pursuant to which Applicant may, subject to the terms and conditions thereof, borrow, repay, and reborrow an aggregate amount up of to \$15,000,000. The amount available at any time and from time to time under the Revolving Credit Agreement, or the line of credit agreement which is to replace the Revolving Credit Agreement upon the termination of Borrower's lease, power purchase agreement and other arrangements with subsidiaries of E.ON U.S. LLC (formerly LG&E Energy LLC) (such replacement agreement, is referred to herein as the "Replacement Credit Agreement), shall be referred to herein as the "Available Amount"."
- **C.** Section 7(c) of the Original Agreement is hereby deleted in its entirety and is hereby amended to read as follows:
  - "(c) Applicant hereby agrees not to request any Advance (as defined in the Revolving Credit Agreement until replaced by the Replacement Credit Agreement, then upon such replacement, as defined in the Replacement Credit Agreement) under the Revolving Credit Agreement (until replaced by the Replacement Credit Agreement, then upon such replacement, under the Replacement Credit Agreement) if the effect of such Advance would be to reduce the Available Amount below the sum of the Letter of Credit Amounts reflected in all issued and outstanding Letters of Credit.
- **C.** Section 8(c) of the Original Agreement is hereby deleted in its entirety and is hereby amended to read as follows:
  - "(c) If, prior to the close of business on the day that any Draw under a Letter of Credit has been made, Applicant has not paid the Draw Amount to CFC, Applicant hereby authorizes CFC to make an Advance under the Revolving Credit Agreement (until replaced by the Replacement Credit Agreement, then upon such replacement, under the Replacement Credit Agreement) in an amount equal to the Draw Amount to apply such Advance to pay the Draw Amount on behalf of Applicant."
- **Section 4.** Conditions. This Amendment shall become effective upon CFC's receipt of this Amendment and an amendment to the Line of Credit Reserve Authorization dated July 14, 2003 made by Borrower in favor of CFC to extend such reservation to the Replacement Line of Credit.
- Section 5. Representations and Warranties. The Borrower represents and warrants that:
- **5.1 Good Standing.** The Borrower is duly organized, validly existing and in good standing under the laws of the jurisdiction of its incorporation or organization, is duly qualified to do business and is in good standing in those states in which it is required to be qualified to conduct its business.
- 5.2 Authority. The execution, delivery and performance by the Borrower of this Amendment and the performance hereof have been duly authorized by all necessary corporate action and will not violate any provision of law or of the Articles of Incorporation or bylaws of the

Borrower or result in a breach of, or constitute a default under, any agreement, indenture or other instrument to which the Borrower is a party or by which it may be bound.

- 5.3 Material Adverse Change. There has been no material adverse change in the financial condition or operations of the Borrower since the date of the Original Agreement, except as set forth in the most recent financial statements submitted to CFC or as otherwise disclosed in writing to CFC prior to the date hereof.
- 5.4 REQUIRED APPROVALS. NO LICENSE, CONSENT OR APPROVAL OF ANY GOVERNMENTAL AGENCY OR AUTHORITY IS REQUIRED TO ENABLE THE BORROWER TO ENTER INTO THIS AMENDMENT, OR TO PERFORM ANY OF THE OBLIGATIONS PROVIDED FOR HEREIN, EXCEPT AS HAVE BEEN OBTAINED BY THE BORROWER AND DELIVERED TO CFC PRIOR TO THE DATE HEREOF.
- 5.5 Prior Representations and Warranties. All representations and warranties made by the Borrower in the Original Agreement are true and correct as of the date hereof.

#### Section 6. Miscellaneous.

- **6.1 Modifications.** No modification or waiver of any provision of this Amendment, and no consent to any departure by Borrower therefrom, shall in any event be effective unless the same shall be in writing by the party granting such modification, waiver or consent.
- **6.2** Merger and Integration. This Amendment, the Original Agreement and the matters incorporated by reference contain the entire agreement of the parties hereto with respect to the matters covered and the transactions contemplated hereby.
- 6.3 Incorporation; Inconsistency with Original Agreement. Except as specifically waived by CFC or otherwise amended or modified herein, the terms, conditions and provisions of the Original Agreement are incorporated herein by reference as if set forth in full herein and remain in full force and effect. In the event of any conflict or inconsistency between the terms of this Amendment and the Original Agreement, the terms of this Amendment shall control.

**IN WITNESS WHEREOF**, the parties hereto have caused this Amendment to be duly executed as of the day and year first above written.

CFC AMEND KY062-A-9001 (JABLONJ) 122911-1

#### FIRST AMENDMENT TO LINE OF CREDIT RESERVE AUTHORIZATION

#### RECITALS

WHEREAS, in consideration of CFC's issuance of letters of credit under that certain First Amended and Restated Letter of Credit Application and Agreement dated as of July 14, 2003, with respect to CFC Loan No. KY062-L-9001 (the "Letter of Credit Agreement"), the Borrower executed that certain Line of Credit Reserve Authorization dated July 14, 2003 in favor of CFC ("Original Reservation");

WHEREAS, the Borrower and CFC are entering into an amendment to the Letter of Credit Agreement to extend the period during which letters of credit can be issued and the final date upon which all such letters of credit must expire (the "Letter of Credit Amendment"); and

**WHEREAS**, the Letter of Credit Amendment is subject to Borrower's agreement to extend the Original Reservation to the line of credit that will replace the line of credit provided for in the Revolving Credit Agreement, upon the termination thereof (the "Replacement Line of Credit").

**NOW, THEREFORE**, for and in consideration of the foregoing, and in further consideration of the premises and the mutual covenants herein contained, the parties hereto agree and bind themselves as follows:

- **Section 1.** Recitals. The foregoing recitals are incorporated herein by reference.
- **Section 2. Definitions.** Capitalized terms that are not defined herein shall have the meanings assigned to them as set forth in the Original Reservation.
- **Section 3.** Amendment. The third and fourth paragraphs of the Original Reservation are hereby deleted in their entirety and are hereby amended to read as follows:

"If, prior to the close of business on the day that any Draw under a Letter of Credit has been made, Borrower has not paid the Draw Amount to CFC, Borrower hereby authorizes CFC to make an Advance (as defined in the Revolving Credit Agreement until replaced by the Replacement Credit Agreement, then upon such replacement, as defined in the Replacement Credit Agreement) under the Revolving Credit Agreement (until replaced by the Replacement Credit Agreement, then upon such replacement, under the Replacement Credit Agreement) in an amount equal to the Draw Amount and to apply such Advance to pay the Draw Amount on behalf of Borrower.

Borrower agrees that, so long as any amounts are outstanding under the Letter of Credit Agreement, Borrower shall maintain the line of credit with CFC provided for in the Revolving

CFC SECINS KY062-A-9001 (JABLONJ) 123126-1 Credit Agreement (until replaced by the Replacement Credit Agreement, then upon such replacement, the line of credit provided for in the Replacement Credit Agreement) in an amount that is at all times at least equal to \$15,000,000. The amount available at any time and from time to time under the Revolving Credit Agreement (until replaced by the Replacement Credit Agreement, then upon such replacement, under the Replacement Credit Agreement) shall be referred to herein as the "Reserve Amount". Borrower hereby agrees not to request any Advance (as defined in the Revolving Credit Agreement until replaced by the Replacement Credit Agreement, then upon such replacement, as defined in the Replacement Credit Agreement) under the Revolving Credit Agreement (until replaced by the Replacement Credit Agreement, then upon such replacement, under the Replacement Credit Agreement) if the effect of any such Advance would be to reduce the Reserve Amount below the sum of the Letter of Credit Amounts reflected in all issued and outstanding Letters of Credit."

#### Section 4. Miscellaneous.

- **4.1 Modifications.** CFC's signature hereon reflects the written consent required of CFC for modifications of the Original Reservation. No modification of any provision of this Amendment shall in any event be effective unless the same shall be consented to in writing by the parties hereto.
- **4.2 Merger and Integration.** This Amendment, the Original Reservation and the matters incorporated by reference contain the entire agreement of the parties hereto with respect to the matters covered and the transactions contemplated hereby.

**IN WITNESS WHEREOF**, the parties hereto have caused this Amendment to be duly executed as of the day and year first above written.

Dear Nazir:

Based on a conversation you had with Mark Hite of Big Rivers regarding the First Amended Restated Letter of Credit Application and Agreement, dated as of July 13, 2003, maturing July 14, 2008, generally referred to as master letter of credit facility KY062-L-9001 ("Current Facility"), please note the following:

- The Current Facility is hereby extended to March 1, 2009 ("Modified Facility"). 1.
- All newly issued letters of credit under the Modified Facility will expire no later than 2. March 1, 2009.
- After February 28, 2009, the Modified Facility will not issue any letters of credit. 3.
- 4. Upon termination of the secured line of credit, R-5101, any existing line of credit reservation will be terminated and replaced by a new line of credit reservation on the new unsecured line of credit, R-5102.

We sincerely appreciate the effort you put forth in meeting the needs of Big Rivers. It's always a pleasure to work with you and the other folks at CFC.

Sincerely yours,

Dear Mr. Hite: Mark

Mark Bailey
Bill Blackbr

Ibp series the offerts the odd in the series (8 bp).

Ig Big Riverontrol "

Thank you for your inquiry concerning Big Rivers Electric Corporation's ("BREC") refinancing of its existing Pollution Control Bonds ("PCBs"). CFC understands that BREC has issued two series of PCBs, through the County of Ohio, Kentucky, in the amounts of \$83.3MM and \$58.8MM. We further understand that BREC desires to refinance and reissue these bonds. CFC also understands the BREC prefers to issue these bonds in a Semi-Annual, Variable Rate Demand Bond mode ("VRDBs"), with a final maturity of up to 8/31/2031. BREC has requested the National Rural Utilities Cooperative Finance Corporation ("CFC") to consider providing an unconditional guarantee of the timely payment of principal and interest, when and as due, for these Pollution Control Bonds in order to obtain more favorable interest rates.

CFC is pleased to offer BREC the attached Summary of Indicative Terms ("Term Sheet") outlining the terms and conditions associated with providing the requested guarantee. CFC will also serve as liquidity provider and standby purchaser in the transaction, as outlined in the attached Term Sheet. Additional terms, conditions, and covenants may be added to reflect market conditions prevailing at the time of formal consideration of the credit request by CFC and before closing of the transaction. Please note that extensions of any credit facilities to BREC, including the proposed facility, are subject to internal approvals including approval by the CFC Board of Directors. Such approvals have not been obtained at this time.

The proposed bond issue will be implemented following the unwind of BREC's lease transaction, following BREC's transition to an indenture (acceptable to CFC), and using CFC's standard structure and documentation for guarantee and liquidity support in transactions of this nature. As a condition to closing of this transaction, BREC will be responsible for obtaining all necessary regulatory approvals including the approval from RUS. The implementation of this transaction will require CFC to hire underwriters, bond counsel, and to incur related expenses. As part of this transaction, BREC will be responsible for any and all costs associated with the issuance of these bonds including, but not limited to, underwriter's discount, counsel fees, any engineering due diligence, and other related issuance expenses. BRE assumes responsibility for these expenses regardless of whether or not the proposed bonds are reissued.

This letter and the enclosed Term Sheet are delivered to you with the express understanding that you will not disclose the contents or the financing terms of the transaction to any party other than governmental or regulatory bodies which require such disclosure, or to those who are in a confidential relationship with you in connection with this transaction (legal counsel, consultants, Board of Directors, or others as required by law).

This letter is provided solely to BREC and may not be assigned or transferred to any other party. No rights are intended to be created hereunder for the benefit of any third party. This conditional commitment is valid until August 31, 2008, unless extended in writing by CFC. Please indicate your acceptance of this commitment by signing below. Your signature evidences BREC's agreement to reimburse CFC for all reasonable out of pocket expenses incurred in connection with this transaction, regardless of whether or not the transaction is implemented. Upon receipt of your acceptance of this commitment, we will proceed with further steps to implement this transaction

Please call me at 703-709-6738 or Thomas Hall at 703-709-6839 with any questions you may have in this regard. We thank you for considering CFC as your financing partner in this important transaction. We look forward to working with you to facilitate the successful re-issuance of your tax-exempt bonds.

# EXCERPT FROM THE MINUTES OF REGULAR MEETING OF THE BOARD OF DIRECTORS OF BIG RIVERS ELECTRIC CORPORATION HELD IN HENDERSON, KENTUCKY, ON DECEMBER 20, 2002

After an explanation by Messrs. Core and Hite, Director Elder moved, seconded by Director Sills, that the following resolution be adopted:

WHEREAS, Big Rivers Electric Corporation ("Big Rivers") has determined that it is in its best interest to seek an extension of its existing \$15 million line of credit (the "Line of Credit") with the National Rural Utilities Cooperative Finance Corporation ("CFC") and related \$15 million master letter of credit facility (the "LC Facility") also with CFC (collectively, the "CFC Transaction");

WHEREAS, in connection with the extensions of the Line of Credit and LC Facility, Big Rivers must seek the consent and approval of its lenders, including the United States Department of Agriculture Rural Utilities Service ("RUS");

WHEREAS, Big Rivers has submitted an application to the RUS requesting its consent to and approval of the extension of the Line of Credit and the LC Facility;

WHEREAS, RUS has informed Big Rivers that (i) it will retain outside counsel in connection with the review of the application and negotiation of the necessary documents, and (ii) the fees and disbursements of such outside counsel must be paid by Big Rivers;

WHEREAS, the retention of outside counsel by RUS is governed by 7 C.F.R. Part 1789 (the "Regulations"), which provide that in order for RUS to retain outside counsel, Big Rivers must enter into certain agreements, including a funding agreement (the "Funding Agreement"), an escrow agreement (the "Escrow Agreement") and an indemnification agreement (the "Indemnification Agreement"), forms of each of which are attached hereto as Exhibits A, B and C, respectively; and

WHEREAS Big Rivers intends to obtain from the Kentucky Public Service Commission and any and all other persons any and all consents or approvals as are necessary, desirable or appropriate in connection with the CFC Transaction.

NOW, THEREFORE, it is hereby resolved by the board of directors of Big Rivers that:

RESOLVED, that the president or any vice president of Big Rivers (collectively, the "officers") be, and each of them hereby is, authorized and directed to take such actions as are necessary, desirable or appropriate in order to effectuate the retention by RUS of outside counsel pursuant to the Regulations and the payment by Big Rivers of the fees and expenses of such counsel in connection with the review and processing of the application submitted to RUS and the negotiation of the necessary documents;

RESOLVED FURTHER, that the Funding Agreement, the Escrow Agreement and the Indemnification Agreement are hereby approved in substantially the forms attached, subject to and with such changes therein as the officers may approve as necessary or desirable, such approval to be conclusively evidenced by the execution thereof, and each of them hereby is, authorized and directed to execute and deliver such agreements and to cause Big Rivers to perform, or cause to be performed, all of its obligations under such agreements;

# EXCERPT FROM THE MINUTES OF REGULAR MEETING OF THE BOARD OF DIRECTORS OF BIG RIVERS ELECTRIC CORPORATION HELD IN HENDERSON, KENTUCKY, ON DECEMBER 20, 2002

RESOLVED FURTHER, that the officers be, and each of them hereby is, authorized and directed to take such actions as are necessary, desirable or appropriate in order to obtain from the Kentucky Public Service Commission and any and all other persons any and all consents or approvals as are necessary, desirable or appropriate in connection with the CFC Transaction; and

RESOLVED FURTHER, that the officers be, and each of them hereby is, authorized to negotiate, execute and deliver or accept such documents, to attest to and affix the seal of Big Rivers thereto, if necessary, and to take any and all further action as may be required on the part of Big Rivers or deemed necessary or advisable by any officer to carry out, give effect to and consummate the transactions contemplated hereby and the purposes and intent of the foregoing resolutions.

The motion was unanimously adopted.

I, Paula Mitchell, Executive Secretary of the Board of Directors of Big Rivers Electric Corporation, hereby certify that the above is a true and correct excerpt from the minutes of the Regular Meeting of the Board of Directors of said Corporation held on 12-20-02.

# FIRST AMENDMENT TO FIRST AMENDED AND RESTATED LETTER OF CREDIT APPLICATION AND AGREEMENT

FIRST AMENDMENT TO FIRST AMENDED AND RESTATED LETTER OF CREDIT APPLICATION AGREEMENT (this "Amendment"), dated AND as BIG ELECTRIC between RIVERS CORPORATION ("Borrower"), a corporation organized and existing under the laws of the State of Kentucky, and NATIONAL RURAL UTILITIES COOPERATIVE FINANCE CORPORATION ("CFC"), a cooperative association organized and existing under the laws of the District of Columbia.

#### **RECITALS**

**WHEREAS**, the Borrower and CFC are parties to that certain First Amended and Restated Letter of Credit Application and Agreement dated as of July 14, 2003, with respect to CFC Loan No. KY062-L-9001 (the "Original Agreement");

WHEREAS, the Borrower has requested an extension in the period during which letters of credit can be issued under the Original Agreement and the final date upon which all such letters of credit must expire and CFC has agreed to such modification subject to Borrower's agreement to extend its current line of credit reservation to the line of credit that will replace the line of credit provided for in the Revolving Credit Agreement (as defined in the Original Agreement), upon the termination thereof (the "Replacement Line of Credit");

**WHEREAS**, the Borrower and CFC have agreed to modify the Original Agreement as set forth herein to reflect the terms of such agreement;

**NOW, THEREFORE**, for and in consideration of the foregoing, and in further consideration of the premises and the mutual covenants herein contained, the parties hereto agree and bind themselves as follows:

**Section 1.** Recitals. The foregoing recitals are incorporated herein by reference.

**Section 2. Definitions.** Capitalized terms that are not defined herein shall have the meanings assigned to them as set forth in the Original Agreement.

#### Section 3. Amendment.

**A.** The section of the Original Agreement titled "Letter of Credit Expiration Date; Termination of Agreement:" is hereby deleted in its entirety and is hereby amended to read as follows:

#### "Letter of Credit Expiration Date; Termination of Agreement:

Each Letter of Credit issued hereunder shall expire on the date indicated thereon, but in no event shall such date be later than March 1, 2009. Provided that no default hereunder by Applicant has occurred and is continuing, CFC's obligation to issue any Letter of Credit under this Agreement shall remain in effect until February 28, 2009."

CFC AMEND KY062-A-9001 (JABLONJ) 122911-1

- **B.** Section 7(a) of the Original Agreement is hereby deleted in its entirety and is hereby amended to read as follows:
  - "(a) As of the date of this Agreement, Applicant and CFC have entered into that certain First Amended and Restated Revolving Credit Agreement, dated as of the date hereof (the "Revolving Credit Agreement"), pursuant to which Applicant may, subject to the terms and conditions thereof, borrow, repay, and reborrow an aggregate amount up of to \$15,000,000. The amount available at any time and from time to time under the Revolving Credit Agreement, or the line of credit agreement which is to replace the Revolving Credit Agreement upon the termination of Borrower's lease, power purchase agreement and other arrangements with subsidiaries of E.ON U.S. LLC (formerly LG&E Energy LLC) (such replacement agreement, is referred to herein as the "Replacement Credit Agreement), shall be referred to herein as the "Available Amount"."
- **C.** Section 7(c) of the Original Agreement is hereby deleted in its entirety and is hereby amended to read as follows:
  - "(c) Applicant hereby agrees not to request any Advance (as defined in the Revolving Credit Agreement until replaced by the Replacement Credit Agreement, then upon such replacement, as defined in the Replacement Credit Agreement) under the Revolving Credit Agreement (until replaced by the Replacement Credit Agreement, then upon such replacement, under the Replacement Credit Agreement) if the effect of such Advance would be to reduce the Available Amount below the sum of the Letter of Credit Amounts reflected in all issued and outstanding Letters of Credit.
- C. Section 8(c) of the Original Agreement is hereby deleted in its entirety and is hereby amended to read as follows:
  - "(c) If, prior to the close of business on the day that any Draw under a Letter of Credit has been made, Applicant has not paid the Draw Amount to CFC, Applicant hereby authorizes CFC to make an Advance under the Revolving Credit Agreement (until replaced by the Replacement Credit Agreement, then upon such replacement, under the Replacement Credit Agreement) in an amount equal to the Draw Amount to apply such Advance to pay the Draw Amount on behalf of Applicant."
- **Section 4.** Conditions. This Amendment shall become effective upon CFC's receipt of this Amendment and an amendment to the Line of Credit Reserve Authorization dated July 14, 2003 made by Borrower in favor of CFC to extend such reservation to the Replacement Line of Credit.
- Section 5. Representations and Warranties. The Borrower represents and warrants that:
- **5.1 Good Standing.** The Borrower is duly organized, validly existing and in good standing under the laws of the jurisdiction of its incorporation or organization, is duly qualified to do business and is in good standing in those states in which it is required to be qualified to conduct its business.
- **5.2 Authority.** The execution, delivery and performance by the Borrower of this Amendment and the performance hereof have been duly authorized by all necessary corporate action and will not violate any provision of law or of the Articles of Incorporation or bylaws of the

CFC AMEND KY062-A-9001 (JABLONJ) 122911-1 Borrower or result in a breach of, or constitute a default under, any agreement, indenture or other instrument to which the Borrower is a party or by which it may be bound.

- **5.3 Material Adverse Change.** There has been no material adverse change in the financial condition or operations of the Borrower since the date of the Original Agreement, except as set forth in the most recent financial statements submitted to CFC or as otherwise disclosed in writing to CFC prior to the date hereof.
- 5.4 REQUIRED APPROVALS. NO LICENSE, CONSENT OR APPROVAL OF ANY GOVERNMENTAL AGENCY OR AUTHORITY IS REQUIRED TO ENABLE THE BORROWER TO ENTER INTO THIS AMENDMENT, OR TO PERFORM ANY OF THE OBLIGATIONS PROVIDED FOR HEREIN, EXCEPT AS HAVE BEEN OBTAINED BY THE BORROWER AND DELIVERED TO CFC PRIOR TO THE DATE HEREOF.
- 5.5 Prior Representations and Warranties. All representations and warranties made by the Borrower in the Original Agreement are true and correct as of the date hereof.

### Section 6. Miscellaneous.

- **6.1 Modifications.** No modification or waiver of any provision of this Amendment, and no consent to any departure by Borrower therefrom, shall in any event be effective unless the same shall be in writing by the party granting such modification, waiver or consent.
- **6.2 Merger and Integration.** This Amendment, the Original Agreement and the matters incorporated by reference contain the entire agreement of the parties hereto with respect to the matters covered and the transactions contemplated hereby.
- 6.3 Incorporation; Inconsistency with Original Agreement. Except as specifically waived by CFC or otherwise amended or modified herein, the terms, conditions and provisions of the Original Agreement are incorporated herein by reference as if set forth in full herein and remain in full force and effect. In the event of any conflict or inconsistency between the terms of this Amendment and the Original Agreement, the terms of this Amendment shall control.

Big Rivers, located in western Kentucky, is interested in learning more about the CFC ELOC for storm restoration costs, including the recent one. Would you be able to provide more key information, such as amount, secured or unsecured, terms, fees, etc. Should I contact Ron Crile of CFC, or is that something you would assist with? Thanks!

## Deadly Ice Storms Ravage Electric Co-ops; CFC Provides Credit

Last week, severe ice and snow storms downed electric lines and poles in Arkansas and Kentucky, cutting off power to nearly 400,000 cooperative members in the two states. Missouri was also hard hit with 64,000 cooperative members without power at the height of the storm. Electric cooperatives in 20 states have sent more than 3,700 linemen to the region to help restore power in the hardest-hit areas. The winter storms, which also affected parts of Texas, Virginia, Oklahoma, Indiana, Ohio and West Virginia, have been blamed for at least 47 deaths, including at least 14 in Arkansas and 11 in Kentucky, and caused power outages for more than 1.3 million households.

The office of the governor of Kentucky, which deployed all available Army National Guardsmen, said the state was in the grip of the biggest natural disaster in the state's history. Ninety of 120 counties in the state have declared a state of emergency.

Arkansas cooperative systems estimate more than 27,000 electric poles are down. Kentucky systems had four 500-kv lines knocked down due to the weight of ice on the lines.

<u>CFC</u> understands that cooperatives need fast access to credit when confronted with natural disasters and has established an emergency line-of-credit (ELOC) program to enable members to get funds when needed. CFC already has approved seven ELOCs—totaling more than \$55 million—for members affected by the ice storms and expects to receive additional requests over the coming days. Processing a CFC ELOC can be done very quickly, so members do not need to be worried about having access to funds when they are needed most.

Members that do not have an ELOC but want to be prepared for a future emergency should contact their CFC AVP or RVP for an ELOC resolution. CFC can hold the resolution without putting a facility in place until requested by the member.

Nazir, it took a while, but Big Rivers' counsel has just provided the following comments regarding the extension of the existing \$15mm Letter of Credit Facility. I understand Bob Michel of Orrick has placed a call to James Jablonski to discuss.

Big Rivers' 1/20/09 board meeting has been deferred until 1/30/09, and board approval will be sought at that time. Big Rivers' counsel has determined giving its opinion necessitates Big Rivers' making a PSC filing requesting they promptly confirm no jurisdiction over the agreement and no need for their approval.

Please let me have your comments on our comments per the attachments hereto ASAP. Please call me should you wish to discuss.

Comments welcome.

# LETTER OF CREDIT APPLICATION AND AGREEMENT (Master Facility)

### Name and Address of Applicant:

BIG RIVERS ELECTRIC CORPORATION 201 Third Street Henderson, Kentucky 42420 Attn: President and Chief Executive Officer

Fax Number: 270-827-2558

## Name and Address of Beneficiary:

To be determined as requested by Applicant from time to time as provided hereunder.

## Date of this Application and Agreement:

- A. Applicant hereby requests National Rural Utilities Cooperative Finance Corporation ("CFC") to issue one or more irrevocable letters of credit for its own account in favor of the beneficiary or beneficiaries requested by Applicant from time to time as provided hereunder under the terms and conditions stated herein.
- B. In consideration of the issuance by CFC of a Letter of Credit (as hereinafter defined), Applicant hereby agrees with CFC to the following terms and conditions which constitute a valid and binding agreement between Applicant and CFC.

**Definitions:** For purposes of this Agreement, the following capitalized terms shall have the following meanings (such definitions to be equally applicable to the singular and the plural form thereof). All terms not otherwise defined herein shall have the meaning ascribed to them in the First Amended and Restated Revolving Credit Agreement, dated July 14, 2003, by and between Applicant and CFC bearing CFC loan designation KY062-R-5101 (as amended, the "Line of Credit Agreement").

"DSC Ratio" shall mean the ratio determined as follows: for any calendar year add: (1) net income (after taxes and after eliminating any gain or loss on sale of assets or other extraordinary gain or loss), plus depreciation expense, amortization expense, and interest expense, minus capitalized interest not paid from operating cash flow, non-cash patronage and non-cash income from subsidiaries and/or joint ventures; and divide the sum so obtained by the sum of (2) all principal payments due within the period on all Long Term Debt plus interest expense (all as calculated on a consolidated basis for the applicable period in accordance with GAAP consistently applied or the appropriate standards of the regulatory agency having jurisdiction over the company) minus capitalized interest not paid from operating cash flow.

"TIER" shall mean the ratio determined as follows: for any calendar year add: (1) net income (after taxes and after eliminating any gain or loss on sale of assets or other extraordinary gain or loss), plus interest expense; and divide the sum so obtained by the sum of (2) interest expenses (all as calculated on a consolidated basis for the applicable period in accordance with GAAP

consistently applied or the appropriate standards of the regulatory agency having jurisdiction over the company) minus capitalized interest not paid from operating cash flow.

1. Letter of Credit Facility: The maximum aggregate amount of letters of credit which may be issued hereunder is Fifteen Million Dollars (\$15,000,000.00) ("Letter of Credit Facility"). Within this amount and subject to the limitation set forth in Section 3, Applicant may request, and National Rural Utilities Cooperative Finance Corporation ("CFC") shall issue, letters of credit to such beneficiary or beneficiaries as may be requested by Applicant from time to time under the terms and conditions of this Letter of Credit Application and Agreement (the "Agreement").

Each such request shall be in writing and substantially in the form of Exhibit A hereto. Each such letter is referred to herein as a "Letter of Credit". Each Letter of Credit shall be substantially in the form of Exhibit B hereto and shall reflect the amount available for draw thereunder (the "Letter of Credit Amount").

The Letter of Credit Amount reflected on any expired Letter of Credit shall be added back into the Letter of Credit Facility and be available for issuance of additional Letters of Credit during the term of this Agreement. The amount of any Draw that has been repaid shall also be added back into the Letter of Credit Facility and be available for issuance of additional Letters of Credit during the term of this Agreement.

2. Amendment to Existing Letter of Credit Facility. On and after the Effective Date no additional letters of credit shall be issued under the terms of that certain First Amended and Restated Letter of Credit Application and Agreement (Master Facility) bearing CFC loan designation, KY062-L-9001, dated July 14, 2003 with an effective date of July 15, 2003, as amended (the "Prior Facility"). Letters of credit issued under the Prior Facility shall remain outstanding and subject to the terms, conditions and provisions of the Prior Facility until their expiration or until they are otherwise terminated, at which time the Prior Facility shall be deemed canceled, with no further action required of either CFC or Borrower to effect such termination.

For purposes of the Prior Facility, the execution of this Agreement shall be deemed a writing executed by the parties hereto that is required to amend the Prior Facility.

#### 3. Limitation on Letter of Credit Issuances.

The amount at any time available for Borrower to Advance under the Line of Credit Agreement of the line of credit agreement which is to replace the Line of Credit Agreement upon the termination of Borrower's lease, power purchase agreement and other arrangements with subsidiaries of E-ON U.S. LLC (formerly LC&E Energy LLC) (such replacement agreement, is referred to herein as the "Replacement Credit Agreement), shall be referred to herein as the "Available Amount".

Applicant agrees that it shall not request the issuance of, nor shall CFC be obligated to issue, a Letter of Credit hereunder unless the Available Amount is equal to or greater than the sum of (i) the total Letter of Credit Amounts of all issued and outstanding Letters of Credit, plus (ii) the Letter of Credit Amount requested, provided, however, that so long the Prior Facility has not been cancelled pursuant to Section 2 hereof, Applicant agrees that it shall not request the issuance of, nor shall CFC be obligated to issue, a Letter of Credit hereunder unless the Available Amount is equal to or greater than the sum of (i) the total Letter of Credit Amounts of all issued and outstanding Letters of Credit, plus (ii) the aggregate amount of letters of credit issued and then

with no further action of any party upon the execution and delivery of the line of credit agreement which is to replace the Line of Credit
Agreement upon the termination of Borrowers lease, power purchase
agreement and other arrangements with subsidieries of E.ON U.S. LLC
(formerly LG1E Energy LLC) (such replacement agreement is referred
outstanding under the Prior Facility, plus (iii) the aggregate amount of unpaid Draws (as defined in to herein
the Prior Facility) under any letter of creditive under the Dier Facility and the reministration of the Prior Facility under any letter of creditive under the Dier Facility and the reministration of the Prior Facility under any letter of creditive under the Dier Facility and the reministration of the Prior Facility under any letter of creditive under the Dier Facility and the reministration of the Prior Facility under any letter of creditive under the Dier Facility and the reministration of the Prior Facility under the Dier Facility and the reministration of the Prior Facility under the Dier Facility and the reministration of the Prior Facility under the Dier Facility and the Prior Facility and the Prior Facility under the Dier Facility and the Prior Facility and the Prior Facility under the Dier Facility and the Prior Facility and the Prior Facility under the Prior Facility under the Prior Facility and the Prior Facility under the Prior Facility un the Prior Facility) under any letter of credit issued under the Prior Facility and plus (iv) the Letter of Credit Amount requested

Applicant hereby agrees not to request any Advance (as defined in the Line of Credit Agreement ). until replaced by the Replacement Gredit Agreement then upon such replacement as defined / fire s of in the Replacement Credit Agreement) under the Line of Credit Agreement (until replaced by the Replacement Gredit Agreement, then upon such replacement, under the Replacement-Gredit Credit Agreement) if the effect of any such Advance would be to reduce the Available Amount below the outstanding sum of the Letter of Credit Amounts reflected in all issued and outstanding Letters of Credit plus at the the sum of the letter of credit amounts reflected in all issued and dutstanding letters of credit issued under the Prior Facility. Termination of this

4. Letter of Credit Expiration Date; Termination of Agreement:

Each Letter of Credit issued hereunder shall expire on the date indicated thereon, but in no event provisions shall such date be later than February 28, 2010. Provided that no default hereunder by the Applicant has occurred and is continuing, CFC's obligation to issue any lietter of Credit under this Agreement shall remain in effect until the date that is February 27, 2010.

6. CFC Letter of Credit Designation: The first Letter of Credit issued hereunder shall bear CFC designation KY062-L-9002-001. Each subsequent Letter of Credit issued hereunder shall be numbered consecutively thereafter. uLetters s of Credit

7. Draws. On any day that CFC is open for business, CFC hereby agrees to advance funds under a Letter of Credit to the Beneficiary in such amounts as the Beneficiary may from time to time request (each such advance is referred to herein as a "Draw"), provided that: (a) on the date of each such request, the outstanding unpaid balance of all Draws shall not exceed the amount of the Letter of Credit Facility stated above; (b) each Draw request is accompanied by the documentation specified in a Letter of Credit, the authenticity, form and substance of which shall be satisfactory to CFC; and (c) no Draw request will be honored after CFC's close of business on the Letter of Credit Expiration Date set forth in the respective Letter of Credit.

- 8. Documents. CFC's obligation to issue a Letter of Credit is conditioned upon CFC's receipt of the following documents, in form and substance satisfactory to CFC: (a) an executed copy of this Agreement and any collateral security documents required herein; (b) certified copies of all such corporate documents and proceedings of the Applicant as CFC may require authorizing the transactions hereby contemplated; (c) true and correct copies of all certificates, authorizations and consents of any regulatory authority necessary for the execution, delivery or performance by the Applicant of this Agreement; (d) an executed line of credit reservation authorization executed in favor of CFC; and (e) an opinion of counsel for the Applicant addressing such legal matters as CFC shall reasonably require.
- 9. Irrevocable Instruction. Applicant hereby irrevocably instructs CFC to honor drafts presented in accordance with the terms hereof and contained in a Letter of Credit. It is expressly agreed that CFC may honor such drafts without requiring any documentation or information other than expressly stated in al. etter of Credit, and without regard to any contrary instructions Applicant may hereafter give to CFC.

- 10. Legal Representatives. Applicant agrees that CFC shall have no liability to the Applicant or to any other person for honoring drafts presented in accordance with the terms hereof and contained in a Letter of Credit which may be presented by the administrator, trustee in bankruptcy, debtor-in-possession, assignee for the benefit of creditors, liquidator, receiver or other legal representative of the Beneficiary.
- 11. No Liability. CFC shall have no liability for, and the Applicant's repayment and other obligations hereunder shall not be affected by (a) the use which may be made of the funds drawn under a Letter of Credit or for the acts or omissions of the Beneficiary or any other person, (b) the validity, accuracy, sufficiency or genuineness of drafts, required statements or documents, even if such drafts, statements or documents should in fact prove to be in any or all respects invalid, inaccurate, insufficient, fraudulent or forged, (c) errors, omissions, interruptions or delays in transmission or delivery of any message by mail, telephone, facsimile or otherwise, or (d) any consequences arising from causes beyond CFC's control.

#### 12. Fees.

- A. Annual Facility Fee. On the Effective Date set forth below, and at each anniversary date thereof ("Anniversary Date") for so long as this Agreement is in effect, there shall be due and payable to CFC a nonrefundable facility fee ("Facility Fee"). Applicant shall pay the Facility Fee to CFC promptly upon receipt of an invoice from CFC relating thereto. The initial Facility Fee shall be expressed in a number of basis points (hundredths of a percentage point) of the aggregate amount of the Letter of Credit Facility. The amount of the Facility Fee shall be determined as of the Effective Date set forth below in accordance with CFC's credit policies and practices as of said date. Subsequent Facility Fees shall be expressed in the same manner, in amounts determined in accordance with CFC's credit policies and practices in effect as of each applicable Anniversary Date. Any increase in the Facility Fee shall be effective only as of an Anniversary Date. The Facility Fee shall be prorated for any year in which this Agreement is not in effect for the entire year. It is a precondition to the issuance of any Letter of Credit that Applicant is current in its payment of the Facility Fee.
- B. Issuance Fee. For each Letter of Credit issued hereunder, Applicant shall pay to CFC a nonrefundable fee ("Issuance Fee"). The Issuance Fee shall be in an amount determined in accordance with CFC's credit policies and practices as of the date of issuance. In the event the Letter of Credit is outstanding for more than one year, then the Issuance Fee shall be due and payable annually and shall be in an amount determined in accordance with CFC's credit policies and practices in effect as of each anniversary of the date of issuance. Applicant shall pay the Issuance Fee to CFC promptly upon receipt of an invoice from CFC relating thereto. The Issuance Fee shall be prorated for any year in which the Letter of Credit is not outstanding for the entire year.

In addition to the above fees, Borrower shall pay, as and when due, such additional fees as may be charged from time to time by CFC for issuing amendments to or transferring any Letter of Credit issued hereunder, and any fees that may be imposed by a confirming bank or other financial institution in the event that a Letter of Credit issued hereunder is confirmed by such other bank or financial institution.

## 13. Repayment.

- A. CFC shall notify Applicant promptly of each (i) Draw request that it receives under a Letter of Credit, (ii) Draw that is made, and (ii) each Advance under the Line of Credit Agreement or Replacement Credit Agreement that is made to pay a Draw referred to in clause C of this Paragraph 13.
- B. Upon receipt of notice by Applicant from CFC that a Draw has been made, Applicant shall pay, in lawful money of the United States, without setoff, deduction, recoupment or counterclaim, to the order of NATIONAL RURAL UTILITIES COOPERATIVE FINANCE CORPORATION, at its office in Herndon, Virginia or such other offices as CFC may designate, the principal sum of the aggregate unpaid principal amount of such Draw (the "Draw Amount"), and interest as hereinafter provided on all amounts remaining unpaid hereunder from the date of such Draw in like money at said office (the "Interest Amount"). The Interest Amount shall be due and payable in accordance with CFC's regular billing cycles as may be in effect from time to time. CFC shall send a payment notice to Applicant at least five days prior to the due date of such Interest Amount.
- C. If, prior to the close of business on the day that any Draw has been made, Applicant has not paid the Draw Amount to CFC, Applicant hereby authorizes CFC to make an Advance under the Line of Credit Agreement (until replaced by the Replacement Credit Agreement, then upon such replacement, under the Replacement Gredit Agreement) in an amount equal to the Draw Amount to apply such Advance to pay the Draw Amount on behalf of Applicant. If such day is not a day that both CFC and the depository institution CFC uses for funds transfers are open for business, then the Advance shall be made on the next day that both CFC and the depository institution CFC uses for funds transfers are open for business.
- D. In the event that for any reason, a Draw is not repaid with the proceeds of an Advance under the Line of Credit Agreement (until replaced by the Replacement Gredit Agreement, then upon such replacement, under the Replacement Credit Agreement) as described herein, Applicant shall pay such Draw and the Interest Amount no later than one year from the date of such Draw.
- 14. Interest. The interest rate on all Draws will be equal to the total rate per annum as published by CFC as its line of credit rate and in effect from time to time. Interest will be computed on the basis of a 365 day year for the actual number of days that any Draw is outstanding. The effective date of an interest rate adjustment will be determined from time to time by CFC, and shall remain in effect until any subsequent change in the interest rate occurs.
- **15. Prepayment.** Applicant may, at any time, make prepayments of the principal amount of any Draw, together with any interest accrued thereon.
- 16. Default; Remedies. Applicant shall be in default if (i) it fails to pay any Draw Amount or Interest Amount, or fails to pay any other sum due hereunder, in full, when due, (ii) it fails to comply with clause C of this Paragraph 13 or if it fails to comply with Paragraphs 19 and 20 of this Agreement. Upon default, Applicant agrees that (a) CFC's obligation to issue Letters of Credit hereunder shall terminate without liability to CFC, (b) all amounts outstanding under this Agreement shall become immediately due and payable in full with accrued interest, (c) CFC may exercise rights of setoff or recoupment and apply any and all amounts held, or hereby held, by

CFC or owed to the Borrower or for the credit or account of the Borrower, including, but not limited to, patronage capital allocations and refirements, money due to Borrower from equity certificates purchased from CFC, and any membership or other fees that would otherwise be returned to Borrower, and (d) CFC may, in addition thereto, exercise any other remedies available to it under applicable law. Applicant hereby expressly waives demand, presentment for payment, notice of dishonor, protest, notice of protest, and notice of non-payment, and all other notices that m

- 17. Required Notices. Applicant agrees that, so long as any amount due is outstanding under this Agreement, Applicant shall promptly notify CFC (a) of any delinquency or default on any of its debt, including but not limited to money borrowed, debt evidenced by securities issued, or any indebtedness directly or indirectly guaranteed by Applicant, or (b) if there is a material adverse change in Applicant's financial condition. Applicant further agrees that if CFC shall determine, in its sole and absolute discretion, that such delinquency or default, or such inaccurate financial information materially increases CFC's risk of repayment hereunder, CFC may exercise all remedies available to it under applicable law, including but not limited to acceleration of all amounts due hereunder.
- 18. Right of Setoff. If Applicant fails to pay any amount hereunder when due, then CFC is hereby authorized at any time and from time to time, without prior notice to the Applicant, to exercise rights of setoff or recoupment and apply any and all amounts held, or hereafter held, by CFC or owed to the Applicant or for the credit or account of the Applicant against any and all of the obligations of the Applicant hereunder. CFC agrees to notify the Applicant promptly after any such setoff or recoupment and the application thereof, provided that the failure to give such notice shall not affect the validity of such setoff, recoupment or application. The rights of CFC under this section are in addition to any other rights and remedies (including other rights of setoff or recoupment) which CFC may have. Applicant waives all rights of setoff, deduction, recoupment or counterclaim.
- 19. Financial Ratios; Design of Rates. The Borrower shall achieve a DSC Ratio of not less than 1.0 and a TIER of note less than 1.05. The Borrower shall not decrease its rates for electric service if it has failed to achieve a DSC Ratio of 1.0 for the calendar year prior to such reduction subject only to an order from a governmental authority properly exercising jurisdiction over the Borrower.
- 20. Financial Information. Applicant will cause to be prepared and furnished to CFC a full and complete report of its financial condition and operations as of the end of the Applicant's fiscal year in form and substance satisfactory to CFC, audited by independent certified public accountants nationally recognized or otherwise satisfactory to CFC and accompanied by a report of such audit in form and substance satisfactory to CFC. Such report shall be furnished within 120 days of the end of such fiscal year. Applicant also agrees that, so long as any amount due to CFC is outstanding under this Agreement, Applicant shall deliver to CFC a copy of Applicant's monthly and quarterly financial statements, and a copy of Applicant's annual audit report. Monthly statements shall be furnished within thirty (30) days after the end of the month and quarterly statements shall be furnished within thirty (30) days after the end of the quarter. The foregoing requirements shall survive the making of Draws hereunder and the expiration of a Letter of Credit until all sums due under this Agreement have been paid in full.
- 21. Late Fee; Collection Costs. If payment of any principal and/or interest due under the terms of this Agreement is not received at CFC's offices in Herndon, Virginia, or such other place as

CFC may designate, within 5 business days after the due date thereof, Applicant will pay to CFC, in addition to all other amounts due under the terms of this Agreement, a late payment charge as may then be in effect pursuant to CFC's policies of general application. Applicant further agrees to pay the costs of collection, including reasonable attorneys' fees, of any amount due under this Agreement.

### 22. GOVERNING LAW; SUBMISSION TO JURISDICTION; WAIVER OF JURY TRIAL.

THE PERFORMANCE AND CONSTRUCTION OF THIS AGREEMENT SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAWS OF THE COMMONWEALTH OF VIRGINIA.

APPLICANT HEREBY SUBMITS TO THE NONEXCLUSIVE JURISDICTION OF THE UNITED STATES COURTS LOCATED IN VIRGINIA AND OF ANY STATE COURT SO LOCATED FOR PURPOSES OF ALL LEGAL PROCEEDINGS ARISING OUT OF OR RELATING TO THIS AGREEMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY. APPLICANT IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY OBJECTION THAT IT MAY NOW OR HEREAFTER HAVE TO THE ESTABLISHING OF THE VENUE OF ANY SUCH PROCEEDING BROUGHT IN SUCH A COURT AND ANY CLAIM THAT ANY SUCH PROCEEDING HAS BEEN BROUGHT IN AN INCONVENIENT FORUM.

EACH OF THE APPLICANT AND CFG HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY AND ALL RIGHT TO TRIAL BY JURY IN ANY LEGAL PROCEEDING ARISING OUT OF OR RELATING TO THIS AGREEMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY.

23. Notices: All notices, requests and other communications provided for herein including, without limitation, any modifications of, or waivers, requests or consents under, this Agreement shall be given or made in writing (including, without limitation, by telecopy) and delivered to the Applicant at the address and telecopy number stated above, and to CFC at:

### LINE OF CREDIT RESERVE AUTHORIZATION

In consideration of the issuance of one or more letters of credit by NATIONAL RURAL UTILITIES COOPERATIVE FINANCE CORPORATION ("CFC") on behalf of BIG RIVERS ELECTRIC CORPORATION ("Borrower"), pursuant to the Letter of Credit Application and Agreement (Master Facility) dated as of even date herewith, by and between Borrower and CFC (the "Letter of Credit Agreement"), the undersigned Borrower hereby authorizes CFC as follows:

Capitalized terms that are not defined herein shall have the meanings as set forth in the Letter of Credit Agreement. (even after the termination of the Letter of Credit Agreement)

If, prior to the close of business on the day that any Draw under a Letter of Credit has been made, Borrower has not paid the Draw Amount to CFC, Borrower hereby authorizes CFC to make an Advance (as defined in the Line of Credit Agreement, until replaced by the Replacement Credit Agreement, then upon such replacement, as defined in the Replacement Credit Agreement) under the Line of Credit Agreement (until replaced by the Replacement Credit Agreement, then upon such replacement, under the Replacement Credit Agreement) in an amount equal to the Draw Amount and to apply such Advance to pay the Draw Amount on behalf of Borrower.

Borrower agrees that, so long as any amounts are outstanding under the Letter of Credit Agreement, Borrower shall maintain the line of credit with CFC provided for in the Line of Credit Agreement (until replaced by the Replacement Credit Agreement, then upon such replacement, the line of credit provided for in the Replacement Credit Agreement) in an amount that is at all times at least equal to \$15,000,000.00. The amount available at any time and from time to time under the Line of Credit Agreement (until replaced by the Replacement Credit Agreement, then upon such replacement, under the Replacement Credit Agreement) shall be referred to herein as the "Reserve Amount". Borrower hereby agrees not to request any Advance (as defined in the Line of Credit Agreement, as defined in the Replacement Credit Agreement) under the Line of Credit Agreement, under the Replacement Credit Agreement, then upon such replacement, under the Replacement Credit Agreement, then upon such replacement, under the Replacement Credit Agreement, then upon such replacement, under the Replacement Credit Agreement, then upon such replacement, under the Replacement Credit Agreement) if the effect of any such Advance would be to reduce the Reserve Amount below the sum of the Letter of Credit Amounts reflected in all issued and outstanding Letters of Credit.

Borrower hereby agrees that CFC shall not incur any liability to Borrower as a result of following the instructions set forth herein, or for the exercise of the rights, remedies and obligations hereunder with respect to the Reserve Amount, except in cases of gross negligence or willful misconduct by CFC.

This authorization shall remain in effect and shall be irrevocable until terminated by mutual agreement of Borrower and CFC, or until such time as all of the Borrower's obligations under the Letter of Credit Agreement have been paid in full, whichever is earlier.

The undersigned agrees to pay such fees in connection with this Line of Credit Reserve Authorization as may be imposed by CFC pursuant to its policies of general application.

The undersigned represents and warrants to CFC that the undersigned has the appropriate authority on behalf of the Cooperative to execute this authorization and to instruct CFC with respect to the Cooperative's line of credit as set forth herein.

Subject: RE: Big Rivers

Good morning! Following up on my email below, while Big Rivers' existing secured \$15 million revolving credit agreement (line of credit) terminates 7/14/2013, the underlying master letter of credit agreement (letter of credit, KY-L-9001) and reserve authorization, R-5101, terminate 3/1/2009. As you may recall, in anticipation of the Unwind closing, effective 6/5/2008 the letter of credit facility was extended from 7/14/2008 to 3/1/2009. Due to delay of the anticipated Unwind closing date, Big Rivers believes a further extension is warranted at this time (due to uncertainty of the Unwind closing date) in order to ensure its ability to prudently buy and sell power on the open market during 2009.

I'll give you a call momentarily to discuss a further extension.

Subject: Big Rivers

Wanted you to see the attached letter regarding the Unwind status at the KPSC. While I may have recently mentioned to you the now targeted Unwind closing date of 2/26/2009, the Unwind closing delays are resulting in growing concern regarding Big Rivers' expiring 3/1/2009 existing \$15 million line of credit, and underlying letter of credit, with CFC. Can we work with CFC to once again extend this facility (I tentatively suggest one year). This matter, plus Big Rivers' \$142.1 million outstanding variable rate pollution control bonds insured by Ambac are two items of significant concern that I'd like to pursue resolution with CFC.

Without the facility noted above, Big Rivers may not be able to maximize its off-system sales value. Ambac's association with the PCBs has both issues trading at a very high interest rate. I question the wisdom of waiting until the Unwind closing (if and when it occurs) to resolve these matters. I welcome your thoughts how best to proceed on one or both.

Thanks, Mark

Sorry I didn't get back with you yesterday. Have tried to gather more information regarding the impact the recent winter storm has had and will have on Big Rivers. At the height of the storms damage, all but 5 of Big Rivers delivery points were out. Big Rivers had all its 110 delivery points re-energized within 8 days of the storm. Big Rivers' restoration costs are estimated to be \$2.4 million. About \$800,000 of that amount may be eligible for insurance claim, less a \$300,000 deductible. About 80% of the balance will be eligible for FEMA reimbursement, as the Obama administration has made a declaration that the area is eligible for major disaster relief. So, it appears Big Rivers net out-of pocket will be about \$400,000. I understand insurance and FEMA reimbursement may take a year, or a little more. So, seems Big Rivers would like to pursue a 2 year unsecured CFC ELOC for \$2.5 million.

I will phone you later this morning to further discuss.

Thanks, Mark

- 1) a new document set for the line of \$50 million unsecured line of credit in connection with the 2/26/2009 now targeted Unwind closing,
  - 2) again extending the existing secured \$15mm letter of credit facility, perhaps 1 year beyond the current 3/1/2009, and
  - 3) any additional thoughts you may have regarding refinancing the \$142.1 million PCBs in a Big Rivers status quo environment (I note that Ambac was downgraded to junk status by Moody's yesterday).

I recall you stating you needed to discuss internally, and market conditions may necessitate pricing and term revisions. Should I phone you tomorrow morning, or is more time needed? Given the uncertainty of the Unwind closing date, Big Rivers' power supply department needs the letter of credit facility extension to forward sale summer of 2009 power.

Thanks, and have a great evening, Mark

Subject: PCBs

Good afternoon! Wanted to make an inquiry of you.

Although the Unwind is now targeted for a 2/26/09 closing date, with the numerous leveraged lease parties now off Big Rivers' mortgage, seems RUS sould be agreeable to CFC taking Ambac's senior mortgage position for the \$142.1 million PCBs? Of course, upon the Unwind closing, the PCBs would become pari-passu with all other secured debt under the Indenture. With the \$83.3 million issue now at 18% (the maximum rate), and the \$58.8 million now at 8%, Big Rivers really should get'er done ASAP rather than wait until shortly post-Unwind. I seem to recall CFC's 6 month variable rate mode is trading about 3% all in. But, perhaps CFC would be unwilling to refinance the PCBs pre-Unwind due to the balance sheet of Big Rivers. As you know, immediately post-Unwind Big Rivers will have very strong financial metrics. Any thoughts? Waiting to do the PCB refinancing is costing Big Rivers significant precious \$\$.

Thanks, Mark

Mark,

Thanks again for your time and interest on the phone today. As you, Nazir and I discussed, we are appreciative of your openness to explore ways whereby Big Rivers could participate in the MCS investment program.

Per your request, attached is the link to the CFC Extranet where you can review the Prospectus, Term Sheet, and other information on the  $\overline{\text{MCS}}$ program. The site will require you to login, but the information should be easy to locate. If for any reason you have trouble logging in, the folks at our Member Center can assist (800-424-2955). Also attached are the slides Sheldon used during the webinar.

Per your request, we will follow up with our ideas on how we think this can work for Big Rivers.

Hope all is well and thanks again for your consideration.

Thanks Mark for the update. We are glad to hear that PSC's approval is not needed for the letter of credit renewal. As for the unwind, we will hang tight and wait for the order.

We look forward to receiving your fed-ex.

Have a good day.

I have good news and bad news. First the good news. This afternoon the PSC confirmed the 1-year CFC \$15 million letter of credit facility was exempt from needing their approval. So, I'm sending the document set via Fed Ex to you this evening. Look forward to receipt of executed document set. The bad news is that we now hear the PSC will likely not be issuing the Order on the Unwind for between 7 to 21 days.

Talk to you soon. Have a wonderful evening with your wife, your 3 year old, and the one in the oven.

To address my concern, may I suggest adding the following sentence to Schedule 1:

During 2008, primarily as a result of Big Rivers execution a buyout of its leveraged lease (reducing cash \$107.1 million), Big Rivers' cash and cash equivalents balance decreased from \$148.9 million to \$35.6 million.

Having just hung up from speaking with you, please allow me to follow-up.

My comments were due to 2.01 G. Financial Statements indicating there has been no significant change to that balance sheet other than that disclosed to CFC in writing. So, am wondering about the 2008 leveraged lease buyout.

If you're saying CFC is aware of the buyout and the impact it had, then shouldn't Schedule 1 say so?

We are pleased to inform you that National Rural Utilities Cooperative Finance Corporation

(CFC) has approved a new credit facility for your company. The CFC documents for the facility are enclosed for execution.

As a condition of CFC's credit commitment, all of the attached documents must be executed by your cooperative and received by CFC within 90 days of the date of this correspondence. CFC's credit commitment is dependent upon the execution of the CFC documents by your cooperative and their receipt and acceptance by CFC. CFC will notify you after its receipt of the documents regarding the status of this facility.

Please note that the attached documents have been transmitted only to your cooperative. If you would like us to send a copy to your attorney or if you have any other questions, please contact me or the legal department contact listed in the enclosed instructions.

Please review the enclosed instructions for information on the number of copies of each document to be printed, executed and returned to CFC.

Any changes made to the documents to be executed by your Cooperative (i.e., the Loan Agreement, Note, Security Agreement, etc.) without the prior written consent of CFC shall invalidate all documents.

We at CFC appreciate the opportunity to do business with you and look forward to serving your financial needs in the future.

Please mail your executed documents to: Legal Administrative Assistant NRUCFC 2201 Cooperative Way Herndon, Virginia 20171

# REVOLVING LINE OF CREDIT AGREEMENT

REVOLVING LINE OF CREDIT AGREEMENT (this "Agreement"), dated as of between BIG RIVERS ELECTRIC CORPORATION ("Borrower"), a corporation organized and existing under the laws of the State of Kentucky, and NATIONAL RURAL UTILITIES COOPERATIVE FINANCE CORPORATION ("CFC"), a cooperative association organized and existing under the laws of the District of Columbia.

## **RECITALS**

**WHEREAS**, the Borrower has applied to CFC for a line of credit for the purposes set forth in Schedule 1 hereto, and CFC is willing to extend such a line of credit to the Borrower on the terms and conditions stated herein.

**NOW, THEREFORE,** for and in consideration of the premises and the mutual covenants hereinafter contained, the parties hereto agree and bind themselves as follows:

## ARTICLE I

#### **DEFINITIONS**

**Section 1.01** For purposes of this Agreement, the following capitalized terms shall have the following meanings (such definitions to be equally applicable to the singular and the plural form thereof).

"Advance" shall mean each advance of funds by CFC to the Borrower pursuant to the terms and conditions of this Agreement.

"Business Day" shall mean any day that both CFC and the depository institution CFC utilizes for funds transfers hereunder are open for business.

"CFC Commitment" shall have the meaning as defined in Schedule 1 hereto.

"CFC Line of Credit Rate" shall mean the rate published by CFC from time to time, by electronic or other means, for similarly classified lines of credit, but if not published, then the rate determined for such lines of credit by CFC from time to time.

"DSC Ratio" shall mean the ratio determined as follows: for any calendar year add: (1) net income (after taxes and after eliminating any gain or loss on sale of assets or other extraordinary gain or loss), plus depreciation expense, amortization expense, and interest expense, minus capitalized interest not paid from operating cash flow, non-cash patronage and non-cash income from subsidiaries and/or joint ventures; and divide the sum so obtained by the sum of (2) all principal payments due within the period on all Long Term Debt plus interest expense (all as calculated on a consolidated basis for the applicable period in accordance with GAAP consistently applied or the appropriate standards of the regulatory agency having jurisdiction over the company) minus capitalized interest not paid from operating cash flow.

"Default Rate" shall mean a rate per annum equal to the interest rate in effect for an Advance plus two hundred basis points.

"Effective Date" shall mean the date designated as such by CFC on the signature page hereof.

"Event of Default" shall have the meaning as described in Article VI hereof.

"GAAP" shall mean generally accepted accounting principles set forth in the opinions and pronouncements of the Accounting Principles Board and the American Institute of Certified Public Accountants and statements and pronouncements of the Financial Accounting Standards Board

"Governmental Authority" shall mean the government of the United States of America, any other nation or government, any state or other political subdivision thereof, whether state or local, and any agency, authority, instrumentality, regulatory body, court or other entity exercising executive, legislative, judicial, taxing, regulatory or administrative powers or functions of or pertaining to government.

"Lien" shall mean any statutory or common law consensual or non-consensual mortgage, pledge, security interest, encumbrance, lien, right of set off, claim or charge of any kind, including, without limitation, any conditional sale or other title retention transaction, any lease transaction in the nature thereof and any secured transaction under the Uniform Commercial Code.

"Line of Credit" shall mean the line of credit extended by CFC to the Borrower, pursuant to this Agreement, in an aggregate principal amount outstanding at any time not to exceed the CFC Commitment.

"Loan Documents" shall mean this Agreement and all other documents or instruments executed, delivered or executed and delivered by the Borrower and evidencing, securing, governing or otherwise pertaining to the Line of Credit.

"Maturity Date" shall mean the date set forth in Schedule 1 hereto.

"Obligations" shall mean any and all liabilities, obligations or indebtedness owing by the Borrower to CFC, of any kind or description, irrespective of whether for the payment of money, whether direct or indirect, absolute or contingent, due or to become due, now existing or hereafter arising.

"Person" shall mean natural persons, cooperatives, corporations, limited liability companies, limited partnerships, general partnerships, limited liability partnerships, joint ventures, associations, companies, trusts or other organizations, irrespective of whether they are legal entities, and Governmental Authorities.

"TIER" shall mean the ratio determined as follows: for any calendar year add: (1) net income (after taxes and after eliminating any gain or loss on sale of assets or other extraordinary gain or loss), plus interest expense; and divide the sum so obtained by the sum of (2) interest expenses (all as calculated on a consolidated basis for the applicable period in accordance with GAAP consistently applied or the appropriate standards of the regulatory agency having jurisdiction over the company) minus capitalized interest not paid from operating cash flow.

#### ARTICLE II

#### REPRESENTATIONS AND WARRANTIES

**Section 2.01** The Borrower represents and warrants to CFC that as of the date of this Agreement:

- A. Good Standing. The Borrower is duly organized, validly existing and in good standing under the laws of the jurisdiction of its incorporation or organization, is duly qualified to do business and is in good standing in those states in which it is required to be qualified to conduct its business.
- B. Authority; Validity. The Borrower has the power and authority to enter into this Agreement; to make the borrowing hereunder; to execute and deliver all documents and instruments required hereunder and to incur and perform the obligations provided for herein, all of which have been duly authorized by all necessary and proper action; and no consent or approval of any Person, including, as applicable and without limitation, members of the Borrower, which has not been obtained is required as a condition to the validity or enforceability hereof or thereof.

This Agreement is, and when fully executed and delivered will be, legal, valid and binding upon the Borrower and enforceable against the Borrower in accordance with its terms, subject to applicable bankruptcy, insolvency, reorganization, moratorium or other laws affecting creditors' rights generally and subject to general principles of equity.

C. No Conflicting Agreements. The execution and delivery of the Loan Documents and performance by the Borrower of the obligations thereunder, and the transactions contemplated hereby or thereby, will not: (i) violate any provision of law, any order, rule or regulation of any court or other agency of government, any award of any arbitrator, the articles of incorporation or bylaws of the Borrower, or any indenture, contract, agreement, mortgage, deed of trust or other instrument to which the Borrower is a party or by which it or any of its property is bound; or (ii) be in conflict with, result in a breach of or constitute (with due notice and/or lapse of time) a default under, any such award, indenture, contract, agreement, mortgage, deed of trust or other instrument, or result in the creation or imposition of any Lien upon any of the property or assets of the Borrower.

The Borrower is not in default in any material respect under any agreement or instrument to which it is a party or by which it is bound and no event or condition exists which constitutes a default, or with the giving of notice or lapse of time, or both, would constitute a default under any such agreement or instrument.

- D. Taxes. The Borrower has filed or caused to be filed all federal, state and local tax returns which are required to be filed and has paid or caused to be paid all federal, state and local taxes, assessments, and governmental charges and levies thereon, including interest and penalties to the extent that such taxes, assessments, and governmental charges and levies have become due, except for such taxes, assessments, and governmental charges and levies which the Borrower is contesting in good faith by appropriate proceedings for which adequate reserves have been set aside.
- **E.** Licenses and Permits. The Borrower has duly obtained and now holds all licenses, permits, certifications, approvals and the like necessary to own and operate its CFC LOCAGMT KY062-R-5103 (JABLONJ) 131638-1

property and business that are required by Governmental Authorities and each remains valid and in full force and effect.

- F. Litigation. There are no outstanding judgments, suits, claims, actions or proceedings pending or, to the knowledge of the Borrower, threatened against or affecting the Borrower or any of its properties which, if adversely determined, either individually or collectively, would have a material adverse effect upon the business, operations, prospects, assets, liabilities or financial condition of the Borrower. The Borrower is not, to the Borrower's knowledge, in default or violation with respect to any judgment, order, writ, injunction, decree, rule or regulation of any Governmental Authority which would have a material adverse effect upon the business, operations, prospects, assets, liabilities or financial condition of the Borrower.
- **G. Financial Statements.** The balance sheet of the Borrower as at the date identified in Schedule 1 hereto, the statement of operations of the Borrower for the period ending on said date, and the interim financial statements of the Borrower, all heretofore furnished to CFC, are complete and correct. Said balance sheet fairly presents the financial condition of the Borrower as at said date and said statement of operations fairly reflects its operations for the period ending on said date. The Borrower has no contingent obligations or extraordinary forward or long-term commitments except as specifically stated in said balance sheet or herein. There has been no material adverse change in the financial condition or operations of the Borrower from that set forth in said financial statements except changes disclosed in writing to CFC prior to the date hereof.
- H. Required Approvals. No license, consent or approval of any Governmental Authority is required to enable the Borrower to enter into this Agreement, or to perform any of its Obligations provided for herein, including without limitation (and if applicable), that of any state public utilities commission, any state public service commission, and the Federal Energy Regulatory Commission, except as disclosed in Schedule 1 hereto, all of which Borrower has obtained prior to the date hereof.
- I. Compliance With Laws. The Borrower is in compliance, in all material respects, with all applicable requirements of law and all applicable rules and regulations of each Governmental Authority.
- J. Disclosure. To the Borrower's knowledge, information and belief, neither this Agreement nor any document, certificate or financial statement furnished to CFC by or on behalf of the Borrower in connection herewith (all such documents, certificates and financial statements, taken as a whole) contains any untrue statement of a material fact or omits to state any material fact necessary in order to make the statements contained herein and therein not misleading.

## ARTICLE III

## **CREDIT TERMS**

**Section 3.01 Advances.** CFC agrees to advance funds to the Borrower pursuant to the terms and conditions hereof, provided, however, that the principal amount at any time outstanding under this Agreement shall not exceed the CFC Commitment. The Borrower may borrow, repay and reborrow funds at any time or from time up to, but not including, the Maturity Date, at which

time all principal amounts outstanding, and accrued, but unpaid interest thereon, shall be due and payable in full.

**Section 3.02 Payment and Interest Rate.** The Line of Credit shall be payable and bear interest as follows:

- A. Interest Rate and Payment. The Borrower unconditionally promises and agrees to pay, as and when due, interest on all amounts advanced hereunder from the date of each Advance and to repay all amounts advanced hereunder with interest on the Maturity Date, if not sooner paid. Interest shall be due and payable in accordance with CFC's regular billing cycles as may be in effect from time to time. CFC shall send a payment notice to the Borrower at least five days prior to the due date of any interest payment, provided, however, that CFC's failure to send a payment notice shall not constitute a waiver by CFC or be deemed to relieve the Borrower of its obligation to make payments as and when due as provided for herein. All amounts shall be payable at CFC's main office at 2201 Cooperative Way, Herndon, Virginia 20171-3025 or at such other location as designated by CFC from time to time. The interest rate on all Advances will be equal to the CFC Line of Credit Rate as published by CFC and in effect from time to time. Interest will be computed on the basis of a 365 day year for the actual number of days that any Advance is outstanding. The effective date of an interest rate adjustment will be determined from time to time by CFC, and shall remain in effect until any subsequent change in the interest rate occurs.
- **B.** Application of Payments. Each payment shall be applied to the Obligations, first to any fees, costs, expenses or charges other than interest or principal then due on the Borrower's indebtedness to CFC, second to interest accrued and the balance to principal.

## Section 3.03 RESERVED.

**Section 3.04 Limitation on Advances.** While an Advance is outstanding, CFC reserves the right to limit further Advances if the sum of (a) all Advances outstanding, (b) the amount of any further Advance requested, and (c) the total amount of Borrower's other unsecured outstanding debt, would exceed the CFC Commitment. CFC may in its sole discretion decline to make any Advance during any period when the Borrower is in default hereunder.

Section 3.05 Mandatory Prepayment. If there is a change in the Borrower's corporate structure (including without limitation by merger, consolidation, conversion or acquisition), then upon the effective date of such change, (a) the Borrower shall no longer have the ability to request, and CFC shall have no obligation to make, Advances hereunder and (b) the Borrower shall prepay the outstanding principal balance of all Obligations, together with any accrued but unpaid interest thereon, any unpaid costs or expenses provided for herein, and a prepayment premium prescribed by CFC pursuant to its policies of general application in effect from time to time, and upon prepayment thereof, this Agreement shall automatically terminate without further action by either Borrower or CFC.

Notwithstanding the foregoing, Borrower shall retain the ability to request, and CFC shall retain the obligation to make, Advances hereunder and no prepayment shall be required under this Section 3.05 if, after giving effect to such change, Borrower, or its successor in interest, is engaged in the furnishing of electric utility services to its members and is organized as a cooperative, nonprofit corporation, public utility district, municipality, or other public governmental body.

Section 3.06 RESERVED.

Section 3.07 Default Rate. If Borrower defaults on its obligation to make a payment due hereunder by the applicable date payment is due, and such default continues for thirty days thereafter, then beginning on the thirty-first day after the payment is due and for so long as such default continues. Advances shall bear interest at the Default Rate.

## ARTICLE IV

# **CONDITIONS OF LENDING**

**Section 4.01** The obligation of CFC to make any Advance hereunder is subject to satisfaction of the following conditions in form and substance satisfactory to CFC:

- A. Legal Matters. All legal matters incident to the consummation of the transactions hereby contemplated shall be satisfactory to counsel for CFC.
- **B. Documents.** CFC shall have been furnished with (i) the executed Loan Documents, (ii) certified copies of all such organizational documents and proceedings of the Borrower authorizing the transactions hereby contemplated as CFC shall require, (iii) an opinion of counsel for the Borrower addressing such legal matters as CFC shall reasonably require, and (iv) all other such documents as CFC may reasonably request.
- C. Government Approvals. The Borrower shall have furnished to CFC true and correct copies of all certificates, authorizations, consents, permits and licenses from Governmental Authorities necessary for the execution or delivery of the Loan Documents or performance by the Borrower of the obligations thereunder.
- **D.** Representations and Warranties. The representations and warranties contained in Article II shall be true on the date of the making of each Advance hereunder with the same effect as though such representations and warranties had been made on such date; no Event of Default and no event which, with the lapse of time or the notice and lapse of time would become such an Event of Default, shall have occurred and be continuing or will have occurred after giving effect to each Advance on the books of the Borrower; there shall have occurred no material adverse change in the business or condition, financial or otherwise, of the Borrower; and nothing shall have occurred which in the opinion of CFC materially and adversely affects the Borrower's ability to perform its obligations hereunder.
- **E.** Requisitions. Borrower will requisition each Advance by submitting its requisition to CFC in form and substance satisfactory to CFC no later than 12:00 noon local time at CFC's offices in Herndon, Virginia on the Business Day prior to the Business Day Borrower seeks to have funds advanced.

CFC may require the Borrower to submit such additional information as it may reasonably require prior to funding the Advance request.

**F. Special Conditions.** CFC shall be fully satisfied that the Borrower has complied with all special conditions identified in Schedule 1 hereto.

## ARTICLE V

## COVENANTS

**Section 5.01** The Borrower covenants and agrees with CFC that until payment in full of the Line of Credit and performance of all obligations of the Borrower hereunder:

- **A.** Use of Proceeds. The Borrower shall use the proceeds of this Line of Credit solely for the purposes identified on Schedule 1 hereto.
  - **B. Notice.** The Borrower shall promptly notify CFC in writing of:
    - (i) any material adverse change in the business, operations, prospects, assets, liabilities or financial condition of the Borrower or its subsidiaries;
    - (ii) the institution or threat of any litigation or administrative proceeding of any nature involving the Borrower or any subsidiary which could materially affect the business, operations, prospects, assets, liabilities or financial condition of the Borrower or any subsidiary;
    - (iii) the occurrence of an Event of Default hereunder, or any event that, with the giving of notice or lapse of time, or both, would constitute an Event of Default.
- C. Default Notices. Upon receipt of any notices with respect to a default by the Borrower or any subsidiary under the terms of any evidence of any indebtedness with parties other than CFC or of any loan agreement, mortgage or other agreement relating thereto, the Borrower shall, and shall cause each subsidiary to, deliver copies of such notice to CFC.
- Financial Books; Financial Reports; Right of Inspection. The Borrower will at all times keep, and safely preserve, proper books, records and accounts in which full and true entries will be made of all of the dealings, business and affairs of the Borrower, in accordance with GAAP. The Borrower will cause to be prepared and furnished to CFC within one hundred twenty (120) days of the end of each of the Borrower's fiscal years during the term hereof, a full and complete consolidated and consolidating report of its financial condition and of its operations as of the end of such fiscal year, audited and certified by independent certified public accountants nationally recognized or otherwise satisfactory to CFC and accompanied by a report of such audit in form and substance satisfactory to CFC, including without limitation a consolidated and consolidating balance sheet and the related consolidated and consolidating statements of income and cash flow. CFC, through its representatives, shall at all times during reasonable business hours and upon prior notice have access to, and the right to inspect and make copies of, any or all books, records and accounts, and any or all invoices, contracts, leases, payrolls, canceled checks, statements and other documents and papers of every kind belonging to or in the possession of the Borrower or in anyway pertaining to its property or business.
- E. Compliance With Laws. The Borrower and each subsidiary shall remain in compliance, in all material respects, with all applicable requirements of law and applicable rules and regulations of each Governmental Authority.

- **F.** Taxes. The Borrower shall pay, or cause to be paid all taxes, assessments or governmental charges lawfully levied or imposed on or against it and its properties prior to the time they become delinquent, except for any taxes, assessments or charges that are being contested in good faith and with respect to which adequate reserves as determined in good faith by Borrower have been established and are being maintained.
- **G.** Special Covenants. The Borrower will comply with any special covenants identified in Schedule 1 hereto.

#### ARTICLE VI

## **EVENTS OF DEFAULT**

**Section 6.01** The following shall be "Events of Default" under this Agreement:

- A. Representations and Warranties. Any representation or warranty made by the Borrower herein, or in any of the other Loan Documents, or in any certificate or financial statement furnished to CFC hereunder or under any of the other Loan Documents shall prove to be false or misleading in any material respect.
- **B.** Payment. The Borrower shall fail to pay (whether upon stated maturity, by acceleration, or otherwise) any principal, interest, premium (if any) or other amount payable under the Line of Credit within five (5) Business Days after the due date thereof.

## C. Other Covenants.

- (i) No Grace Period. Failure of the Borrower to observe or perform any covenant or agreement contained in Sections 5.01.A, 5.01.C, 5.01.D, or 5.01.G, of this Agreement.
- (ii) Thirty Day Grace Period. Failure of the Borrower to observe or perform any other covenant or agreement contained in this Agreement or any of the other Loan Documents, which shall remain unremedied for thirty (30) calendar days after written notice thereof shall have been given to the Borrower by CFC.
- **D.** Legal Existence, Permits and Licenses. The Borrower shall forfeit or otherwise be deprived of (i) its authority to conduct business in the jurisdiction in which it is organized or in any other jurisdiction where such authority is required in order for the Borrower to conduct its business in such jurisdiction or (ii) permits, easements, consents or licenses required to carry on any material portion of its business.
- E. Other CFC Obligations. The Borrower shall be in breach or default of any Obligation, which breach or default continues uncured beyond the expiration of any applicable grace period.
- F. Other Obligations. The Borrower shall (i) fail to make any payment of any principal, premium or any other amount due or interest on any indebtedness with parties other than CFC which shall remain unpaid beyond the expiration of any applicable grace period, or (ii) be in breach or default with respect to any other term of any evidence of any other indebtedness with parties other than CFC or of any loan agreement, mortgage or other agreement relating thereto which breach or default continues uncured beyond the expiration of any applicable CFC LOCAGMT

KY062-R-5103 (JABLONJ) 131638-1 grace period, if the effect of such failure, default or breach is to cause the holder or holders of that indebtedness to cause that indebtedness to become or be declared due prior to its stated maturity (upon the giving or receiving of notice, lapse of time, both or otherwise).

- G. Involuntary Bankruptcy. An involuntary case or other proceeding shall be commenced against the Borrower seeking liquidation, reorganization or other relief with respect to it or its debts under bankruptcy, insolvency or other similar law now or hereafter in effect or seeking the appointment of a trustee, receiver, liquidator, custodian or other similar official of it or any substantial part of its property and such involuntary case or other proceeding shall continue without dismissal or stay for a period of sixty (60) days; or an order for relief shall be entered against the Borrower under the federal bankruptcy laws or applicable state law as now or hereafter in effect.
- H. Insolvency. The Borrower shall commence a voluntary case or other proceeding seeking liquidation, reorganization or other relief with respect to itself or its debts under any bankruptcy, insolvency or other similar law now or hereafter in effect or seeking the appointment of a trustee, receiver, liquidator, custodian or other similar official of it or any substantial part of its property, or shall consent to any such relief or to the appointment of or taking possession by any such official in an involuntary case or proceeding commenced against it, or shall make a general assignment for the benefit of creditors, or shall admit in writing its inability to, or be generally unable to, pay its debts as they become due, or shall take any action to authorize any of the foregoing.
- l. **Dissolution or Liquidation.** Other than as provided in subsection H. above, the dissolution or liquidation of the Borrower, or failure by the Borrower promptly to forestall or remove any execution, garnishment or attachment of such consequence as will impair its ability to continue its business or fulfill its obligations and such execution, garnishment or attachment shall not be vacated within sixty (60) days.
- J. Material Adverse Change. Any material adverse change in the business or condition, financial or otherwise, of the Borrower or any subsidiary.
- K. Monetary Judgment. The Borrower shall suffer any money judgment not covered by insurance, writ or warrant of attachment or similar process involving an amount in excess of \$100,000 and shall not discharge, vacate, bond or stay the same within a period of sixty (60) days.
- L. Nonmonetary Judgment. One or more nonmonetary judgments or orders (including, without limitation, injunctions, writs or warrants of attachment, garnishment, execution, distraint, replevin or similar process) shall be rendered against the Borrower that, either individually or in the aggregate, could reasonably be expected to have a material adverse effect upon the business, operations, prospects, assets, liabilities or financial condition of the Borrower.

## **ARTICLE VII**

## REMEDIES

**Section 7.01** If any of the Events of Default listed in Section 6 hereof shall occur after the date of this Agreement and shall not have been remedied within the applicable grace periods specified therein, then CFC may:

- (a) Cease making Advances hereunder;
- (b) Declare all unpaid principal outstanding on the Line of Credit, all accrued and unpaid interest thereon, and all other Obligations to be immediately due and payable and the same shall thereupon become immediately due and payable without presentment, demand, protest or notice of any kind, all of which are hereby expressly waived;
- (c) Exercise rights of setoff or recoupment and apply any and all amounts held, or hereby held, by CFC or owed to the Borrower or for the credit or account of the Borrower against any and all of the Obligations of the Borrower now or hereafter existing hereunder or under the Line of Credit, including, but not limited to, patronage capital allocations and retirements, money due to Borrower from equity certificates purchased from CFC, and any membership or other fees that would otherwise be returned to Borrower. The rights of CFC under this section are in addition to any other rights and remedies (including other rights of setoff or recoupment) which CFC may have. The Borrower waives all rights of setoff, deduction, recoupment or counterclaim;
- (d) Pursue all rights and remedies available to CFC, including, but not limited to, a suit for specific performance, injunctive relief or damages;
- (e) Pursue any other rights and remedies available to CFC at law or in equity.

Nothing herein shall limit the right of CFC to pursue all rights and remedies available to a creditor following the occurrence of an Event of Default. Each right, power and remedy of CFC shall be cumulative and concurrent, and recourse to one or more rights or remedies shall not constitute a waiver of any other right, power or remedy.

## **ARTICLE VIII**

# **MISCELLANEOUS**

Section 8.01 Notices. All notices, requests and other communications provided for herein including, without limitation, any modifications of, or waivers, requests or consents under, this Agreement shall be given or made in writing (including, without limitation, by telecopy) and delivered to the intended recipient at the "Address for Notices" specified below; or, as to any party, at such other address as shall be designated by such party in a notice to each other party. All such communications shall be deemed to have been duly given (a) when personally delivered including, without limitation, by overnight mail or courier service, (b) in the case of notice by United States mail, certified or registered, postage prepaid, return receipt requested, upon receipt thereof, or (c) in the case of notice by telecopy, upon transmission thereof, provided such transmission is promptly confirmed by either of the methods set forth in clauses

(a) or (b) above in each case given or addressed as provided for herein. The Address for Notices of each of the respective parties is as follows:

National Rural Utilities Cooperative Finance Corporation 2201 Cooperative Way Herndon, Virginia 20171-3025 Attention: Senior Vice President – Member Services Fax # 703-709-6776

The Borrower:

The address set forth in Schedule 1 hereto

**Section 8.02 Expenses.** Borrower shall reimburse CFC for any reasonable costs and out-of-pocket expenses paid or incurred by CFC (including, without limitation, reasonable fees and expenses of outside attorneys, paralegals and consultants) for all actions CFC takes, (a) to enforce the payment of any Obligation or in preparation for such enforcement, (b) to restructure any of the Obligations, (c) to review, approve or grant any consents or waivers hereunder, (d) to prepare, negotiate, execute, deliver, review, amend or modify this Agreement, and (e) to prepare, negotiate, execute, deliver, review, amend or modify any other agreements, documents and instruments deemed necessary or appropriate by CFC in connection with any of the foregoing.

The amount of all such expenses identified in this Section 8.02 shall be payable upon demand, and if not paid, shall accrue interest at the then prevailing CFC Line of Credit Rate plus two hundred basis points.

**Section 8.03 Late Payments.** If payment of any amount due hereunder is not received at CFC's office in Herndon, Virginia or such other location as CFC may designate to the Borrower, within five (5) Business Days after the due date thereof, the Borrower will pay to CFC, in addition to all other amounts due under the terms of the Loan Documents, any late payment charge as may be fixed by CFC from time to time pursuant to its policies of general application as in effect from time to time.

Section 8.04. Non-Business Day Payments. If any payment to be made by the Borrower hereunder shall become due on a day which is not a Business Day, such payment shall be made on the next succeeding Business Day and such extension of time shall be included in computing any interest in respect of such payment.

Section 8.05 Filing Fees. To the extent permitted by law, the Borrower agrees to pay all expenses of CFC (including the reasonable fees and expenses of its counsel) in connection with the filing, registration, recordation or perfection of any instruments as may be required by CFC in connection with this Agreement, including, without limitation, all documentary stamps, recordation and transfer taxes and other costs and taxes incident to execution, filing, registration, recordation or perfection of any document or instrument in connection herewith. The Borrower agrees to save harmless and indemnify CFC from and against any liability resulting from the failure to pay any required documentary stamps, recordation and transfer taxes, recording costs, or any other expenses incurred by CFC in connection with this

Agreement. The provisions of this subsection shall survive the execution and delivery of this Agreement and the payment of all other amounts due hereunder.

**Section 8.06 CFC Accounts.** Borrower agrees that the records of, and all computations by, CFC (in whatever media they are recorded or maintained) as to the amount of principal, interest and fees due on the Line of Credit shall be conclusive in the absence of manifest error.

Section 8.07 Waiver; Modification. No failure on the part of CFC to exercise, and no delay in exercising, any right or power hereunder or under the other Loan Documents shall operate as a waiver thereof, nor shall any single or partial exercise by CFC of any right hereunder, or any abandonment or discontinuance of steps to enforce such right or power, preclude any other or further exercise thereof or the exercise of any other right or power. No modification or waiver of any provision of this Agreement or the other Loan Documents and no consent to any departure by the Borrower therefrom shall in any event be effective unless the same shall be in writing by the party granting such modification, waiver or consent, and then such modification, waiver or consent shall be effective only in the specific instance and for the purpose for which given.

SECTION 8.08 GOVERNING LAW; SUBMISSION TO JURISDICTION; WAIVER OF JURY TRIAL.

- (A) THE PERFORMANCE AND CONSTRUCTION OF THIS AGREEMENT SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAWS OF THE COMMONWEALTH OF VIRGINIA.
- (B) THE BORROWER HEREBY SUBMITS TO THE NON-EXCLUSIVE JURISDICTION OF THE UNITED STATES COURTS LOCATED IN VIRGINIA AND OF ANY STATE COURT SO LOCATED FOR PURPOSES OF ALL LEGAL PROCEEDINGS ARISING OUT OF OR RELATING TO THIS AGREEMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY. THE BORROWER IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY OBJECTIONS THAT IT MAY NOW OR HEREAFTER HAVE TO THE ESTABLISHING OF THE VENUE OF ANY SUCH PROCEEDINGS BROUGHT IN SUCH A COURT AND ANY CLAIM THAT ANY SUCH PROCEEDING HAS BEEN BROUGHT IN AN INCONVENIENT FORUM.
- (C) THE BORROWER AND CFC EACH HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY AND ALL RIGHT TO TRIAL BY JURY IN ANY LEGAL PROCEEDING ARISING OUT OF OR RELATING TO THIS AGREEMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY.

SECTION 8.09 INDEMNIFICATION. THE BORROWER HEREBY INDEMNIFIES AND AGREES TO HOLD HARMLESS, AND DEFEND CFC AND ITS MEMBERS, DIRECTORS, OFFICERS, EMPLOYEES, AGENTS, ATTORNEYS AND REPRESENTATIVES (EACH AN "INDEMNITEE") FOR, FROM, AND AGAINST ALL CLAIMS, DAMAGES, LOSSES, LIABILITIES, COSTS, AND EXPENSES (INCLUDING, WITHOUT LIMITATION, COSTS AND EXPENSES OF LITIGATION AND REASONABLE ATTORNEYS' FEES) ARISING FROM ANY CLAIM OR DEMAND IN RESPECT OF THIS AGREEMENT AND THE OTHER LOAN DOCUMENTS OR THE TRANSACTIONS DESCRIBED IN THIS AGREEMENT AND THE OTHER LOAN DOCUMENTS AND ARISING AT ANY TIME, WHETHER BEFORE OR AFTER PAYMENT AND PERFORMANCE OF ALL OBLIGATIONS UNDER THIS AGREEMENT AND

THE OTHER LOAN DOCUMENTS IN FULL, EXCEPTING ANY SUCH MATTERS ARISING SOLELY FROM THE GROSS NEGLIGENCE OR WILLFUL MISCONDUCT OF CFC OR ANY INDEMNITEE. NOTWITHSTANDING ANYTHING TO THE CONTRARY CONTAINED IN SECTION 8.11 HEREOF, THE OBLIGATIONS IMPOSED UPON THE BORROWER BY THIS SECTION SHALL SURVIVE THE REPAYMENT OF THE LINE OF CREDIT AND THE TERMINATION OF THIS AGREEMENT.

**Section 8.10 Complete Agreement.** This Agreement, together with the schedules to this Agreement and the other Loan Documents, and the other agreements and matters referred to herein or by their terms referring hereto, is intended by the parties as a final expression of their agreement and is intended as a complete statement of the terms and conditions of their agreement. In the event of any conflict in the terms and provisions of this Agreement and any other Loan Documents, the terms and provisions of this Agreement shall control.

Section 8.11 Survival; Successors and Assigns. All covenants, agreements, representations and warranties of the Borrower which are contained in this Agreement shall survive the execution and delivery to CFC of the Loan Documents and the making of the Advances hereunder and shall continue in full force and effect until all of the obligations under the Loan Documents have been paid in full. All covenants, agreements, representations and warranties of the Borrower which are contained in this Agreement shall inure to the benefit of the successors and assigns of CFC. The Borrower shall not have the right to assign its rights or obligations under this Agreement.

**Section 8.12 Use of Terms.** The use of the singular herein shall also refer to the plural, and vice versa.

**Section 8.13 Headings.** The headings and sub-headings contained in this Agreement are intended to be used for convenience only and do not constitute part of this Agreement.

**Section 8.14 Severability.** If any term, provision or condition, or any part thereof, of this Agreement or the other Loan Documents shall for any reason be found or held invalid or unenforceable by any governmental agency or court of competent jurisdiction, such invalidity or unenforceability shall not affect the remainder of such term, provision or condition nor any other term, provision or condition, and this Agreement and the other Loan Documents shall survive and be construed as if such invalid or unenforceable term, provision or condition had not been contained therein.

**Section 8.15 Binding Effect.** This Agreement shall become effective when it shall have been executed by both Borrower and CFC and thereafter shall be binding upon and inure to the benefit of Borrower and CFC and their respective successors and assigns.

**Section 8.16 Counterparts.** This Agreement may be executed in one or more counterparts, each of which will be deemed an original and all of which together will constitute one and the same document. Signature pages may be detached from the counterparts and attached to a single copy of this Agreement to physically form one document.

Section 8.17 Schedule 1. Schedule 1 attached hereto is an integral part of this Agreement.

**IN WITNESS WHEREOF**, the parties hereto have caused this Agreement to be duly executed as of the day and year first above written.

National Rural Utilities Cooperative Finance Corporation 2201 Cooperative Way Herndon, Virginia 20171-3025 Attn.: General Counsel			
Re: BIG RIVERS ELECTRIC CORPORATION Loan Designation KY062-R-5103			
Dear Sir:			
I am counsel for BIG RIVERS ELECTRIC CORPORATION, organized under the laws of the State of Kentucky ("Borrower"), and render this opinion to you in connection with a line of credit in the amount of \$2,500,000.00 provided for in the Revolving Line of Credit Agreement ("Line of Credit Agreement"), dated as of, between the Borrower and National Rural Utilities Cooperative Finance Corporation ("CFC").			
I have examined such corporate records and proceedings of the Borrower, and such other documents as I have deemed necessary as a basis for the opinions hereinafter expressed.			
I have also examined the Line of Credit Agreement as executed and delivered by the Borrower.			
Based upon the foregoing, I am of the opinion that:			
(i) the Borrower is a duly organized, validly existing corporation and in good standing under the laws of the jurisdiction of its organization, and the Borrower has full corporate power (a) to execute and deliver the Line of Credit Agreement; and (b) to perform all acts required to be done by it under the Line of Credit Agreement;			
[*** SELECT ONE OF THE FORMS OF PARAGRAPH (ii) ***]			
*** (ii) all authorizations from regulatory bodies required in connection with the execution, delivery and performance of the Line of Credit Agreement, including, without limitation, the Federal Energy Regulatory Commission and/or the state public utility commission, if applicable, have been obtained and copies thereof are attached hereto;			
*** (ii) no authorization from any regulatory body is required in connection with the execution, delivery and performance of the Line of Credit Agreement including, without limitation, the Federal Energy Regulatory Commission and/or the state public utility commission, if applicable;			
Sincerely,

Mark,

I was talking to James Jablonski. He told me that we have to do the term less than 2 years (say 1 year and 11 months), otherwise you will need to get regulatory approval. Please let me know your thoughts. We are going to credit committee today at 1 pm.

Big Rivers Electric Corporation

Sorry I didn't get back with you yesterday. Have tried to gather more information regarding the impact the recent winter storm has had and will have on Big Rivers. At the height of the storms damage, all but 5 of Big Rivers delivery points were out. Big Rivers had all its 110 delivery points re-energized within 8 days of the storm. Big Rivers' restoration costs are estimated to be \$2.4 million. About \$800,000 of that amount may be eligible for insurance claim, less a \$300,000 deductible. About 80% of the balance will be eligible for FEMA reimbursement, as the Obama administration has made a declaration that the area is eligible for major disaster relief. So, it appears Big Rivers net out-of pocket will be about \$400,000. I understand insurance and FEMA reimbursement may take a year, or a little more. So, seems Big Rivers would like to pursue a 2 year unsecured CFC ELOC for \$2.5 million.

I will phone you later this morning to further discuss.

"hanks, 1ark

Big Rivers, located in western Kentucky, is interested in learning more about the CFC ELOC for storm restoration costs, including the recent one. Would you be able to provide more key information, such as amount, secured or unsecured, terms, fees, etc. Should I contact Ron Crile of CFC, or is that something you would assist with? Thanks!

# Deadly Ice Storms Ravage Electric Co-ops; CFC Provides Credit

Last week, severe ice and snow storms downed electric lines and poles in Arkansas and Kentucky, cutting off power to nearly 400,000 cooperative members in the two states. Missouri was also hard hit with 64,000 cooperative members without power at the height of the storm. Electric cooperatives in 20 states have sent more than 3,700 linemen to the region to help restore power in the hardest-hit areas. The winter storms, which also affected parts of Texas, Virginia, Oklahoma, Indiana, Ohio and West Virginia, have been blamed for at least 47 deaths, including at least 14 in Arkansas and 11 in Kentucky, and caused power outages for more than 1.3 million households.

The office of the governor of Kentucky, which deployed all available Army National Guardsmen, said the state was in the grip of the biggest natural disaster in the state's history. Ninety of 120 counties in the state have declared a state of emergency.

Arkansas cooperative systems estimate more than 27,000 electric poles are down. Kentucky systems had four 500-kv lines knocked down due to the weight of ice on the lines.

<u>CFC</u> understands that cooperatives need fast access to credit when confronted with natural disasters and has established an emergency line-of-credit (ELOC) program to enable members to get funds when needed. CFC already has approved seven ELOCs—totaling more than \$55 million—for members affected by the ice storms and expects to receive additional requests over the coming days. Processing a CFC ELOC can be done very quickly, so members do not need to be worried about having access to funds when they are needed most.

Members that do not have an ELOC but want to be prepared for a future emergency should contact their CFC AVP or RVP for an ELOC resolution. CFC can hold the resolution without putting a facility in place until requested by the member.

Letter of Credit Agreement

Nazir, it took a while, but Big Rivers' counsel has just provided the following comments regarding the extension of the existing \$15mm Letter of Credit Facility. I understand Bob Michel of Orrick has placed a call to James Jablonski to discuss.

Big Rivers' 1/20/09 board meeting has been deferred until 1/30/09, and board approval will be sought at that time. Big Rivers' counsel has determined giving its opinion necessitates Big Rivers' making a PSC filing requesting they promptly confirm no jurisdiction over the agreement and no need for their approval.

Please let me have your comments on our comments per the attachments hereto ASAP. Please call me should you wish to discuss.

Comments welcome.

Thanks, Mark

# LETTER OF CREDIT APPLICATION AND AGREEMENT (Master Facility)

#### Name and Address of Applicant:

BIG RIVERS ELECTRIC CORPORATION 201 Third Street Henderson, Kenfucky 42420 Attn: President and Chief Executive Officer

Fax Number: 270-827-2558

#### Name and Address of Beneficiary:

To be determined as requested by Applicant from time to time as provided hereunder.

### Date of this Application and Agreement:

- A. Applicant hereby requests National Rural Utilities Cooperative Finance Corporation ("CFC") to issue one or more irrevocable letters of credit for its own account in favor of the beneficiary or beneficiaries requested by Applicant from time to time as provided hereunder under the terms and conditions stated herein.
- B. In consideration of the issuance by CFC of a Letter of Credit (as hereinafter defined), Applicant hereby agrees with CFC to the following terms and conditions which constitute a valid and binding agreement between Applicant and CFC.

**Definitions:** For purposes of this Agreement, the following capitalized terms shall have the following meanings (such definitions to be equally applicable to the singular and the plural form thereof). All terms not otherwise defined herein shall have the meaning ascribed to them in the First Amended and Restated Revolving Credit Agreement, dated July 14, 2003, by and between Applicant and CFC bearing CFC loan designation KY062-R-5101 (as amended, the "Line of Credit Agreement").

"DSC Ratio" shall mean the ratio determined as follows: for any calendar year add: (1) net income (after taxes and after eliminating any gain or loss on sale of assets or other extraordinary gain or loss), plus depreciation expense, amortization expense, and interest expense, minus capitalized interest not paid from operating cash flow, non-cash patronage and non-cash income from subsidiaries and/or joint ventures; and divide the sum so obtained by the sum of (2) all principal payments due within the period on all Long Term Debt plus interest expense (all as calculated on a consolidated basis for the applicable period in accordance with GAAP consistently applied or the appropriate standards of the regulatory agency having jurisdiction over the company) minus capitalized interest not paid from operating cash flow.

"TIER" shall mean the ratio determined as follows: for any calendar year add: (1) net income (after taxes and after eliminating any gain or loss on sale of assets or other extraordinary gain or loss), plus interest expense; and divide the sum so obtained by the sum of (2) interest expenses (all as calculated on a consolidated basis for the applicable period in accordance with GAAP

consistently applied or the appropriate standards of the regulatory agency having jurisdiction over the company) minus capitalized interest not paid from operating cash flow.

1. Letter of Credit Facility: The maximum aggregate amount of letters of credit which may be issued hereunder is Fifteen Million Dollars (\$15,000,000.00) ("Letter of Credit Facility"). Within this amount and subject to the limitation set forth in Section 3, Applicant may request, and National Rural Utilities Cooperative Finance Corporation ("CFC") shall issue, letters of credit to such beneficiary or beneficiaries as may be requested by Applicant from time to time under the terms and conditions of this Letter of Credit Application and Agreement (the "Agreement").

Each such request shall be in writing and substantially in the form of Exhibit A hereto. Each such letter is referred to herein as a "Letter of Credit". Each Letter of Credit shall be substantially in the form of Exhibit B hereto and shall reflect the amount available for draw thereunder (the "Letter of Credit Amount").

The Letter of Credit Amount reflected on any expired Letter of Credit shall be added back into the Letter of Credit Facility and be available for issuance of additional Letters of Credit during the term of this Agreement. The amount of any Draw that has been repaid shall also be added back into the Letter of Credit Facility and be available for issuance of additional Letters of Credit during the term of this Agreement.

2. Amendment to Existing Letter of Credit Facility. On and after the Effective Date no additional letters of credit shall be issued under the terms of that certain First Amended and Restated Letter of Credit Application and Agreement (Master Facility) bearing CFC loan designation, KY062-L-9001, dated July 14, 2003 with an effective date of July 15, 2003, as amended (the "Prior Facility"). Letters of credit issued under the Prior Facility shall remain outstanding and subject to the terms, conditions and provisions of the Prior Facility until their expiration or until they are otherwise terminated, at which time the Prior Facility shall be deemed canceled, with no further action required of either CFC or Borrower to effect such termination.

For purposes of the Prior Facility, the execution of this Agreement shall be deemed a writing executed by the parties hereto that is required to amend the Prior Facility.

#### 3. Limitation on Letter of Credit Issuances.

The amount at any time available for Borrower to Advance under the Line of Credit Agreement of the line of credit agreement which is to replace the Line of Gredit Agreement upon the termination of Borrower's lease, power purchase agreement and other arrangements with subsidiaries of E.ON. U.S. LLC (formerly LG&E Energy LEC) (such replacement agreement, is referred to herein as the "Replacement Credit Agreement), shall be referred to herein as the "Available Amount".

Applicant agrees that it shall not request the issuance of, nor shall CFC be obligated to issue, a Letter of Credit hereunder unless the Available Amount is equal to or greater than the sum of (i) the total Letter of Credit Amounts of all issued and outstanding Letters of Credit, plus (ii) the Letter of Credit Amount requested, provided, however, that so long the Prior Facility has not been cancelled pursuant to Section 2 hereof, Applicant agrees that it shall not request the issuance of, nor shall CFC be obligated to issue, a Letter of Credit hereunder unless the Available Amount is equal to or greater than the sum of (i) the total Letter of Credit Amounts of all issued and outstanding Letters of Credit, plus (ii) the aggregate amount of letters of credit issued and then

6. CFC Letter of Credit Designation: The first Letter of Credit issued hereunder shall bear CFC and will designation KY062-L-9002-001. Each subsequent Letter of Credit issued hereunder shall be constitute numbered consecutively thereafter. "Letters of Credit"

7. Draws. On any day that CFC is open for business, CFC hereby agrees to advance funds under a Letter of Credit to the Beneficiary in such amounts as the Beneficiary may from time to time request (each such advance is referred to herein as a "Draw"), provided that: (a) on the date of each such request, the outstanding unpaid balance of all Draws shall not exceed the amount of the Letter of Credit Facility stated above; (b) each Draw request is accompanied by the documentation specified in a Letter of Credit, the authenticity, form and substance of which shall be satisfactory to CFC; and (c) no Draw request will be honored after CFC's close of business on the Letter of Credit Expiration Date set forth in the respective Letter of Credit.

- 8. Documents. CFC's obligation to issue a Letter of Credit is conditioned upon CFC's receipt of the following documents, in form and substance satisfactory to CFC: (a) an executed copy of this Agreement and any collateral security documents required herein; (b) certified copies of all such corporate documents and proceedings of the Applicant as CFC may require authorizing the transactions hereby contemplated; (c) true and correct copies of all certificates, authorizations and consents of any regulatory authority necessary for the execution, delivery or performance by the Applicant of this Agreement; (d) an executed line of credit reservation authorization executed in favor of CFC; and (e) an opinion of counsel for the Applicant addressing such legal matters as CFC shall reasonably require.
- 9. Irrevocable Instruction. Applicant hereby irrevocably instructs CFC to honor drafts presented in accordance with the terms hereof and contained in a Letter of Credit. It is expressly agreed that CFC may honor such drafts without requiring any documentation or information other than expressly stated in aL etter of Credit, and without regard to any contrary instructions Applicant may hereafter give to CFC.

- 10. Legal Representatives. Applicant agrees that CFC shall have no liability to the Applicant or to any other person for honoring drafts presented in accordance with the terms hereof and contained in a Letter of Credit which may be presented by the administrator, trustee in bankruptcy, debtor-in-possession, assignee for the benefit of creditors, liquidator, receiver or other legal representative of the Beneficiary.
- 11. No Liability. CFC shall have no liability for, and the Applicant's repayment and other obligations hereunder shall not be affected by (a) the use which may be made of the funds drawn under a Letter of Credit or for the acts or omissions of the Beneficiary or any other person. (b) the validity, accuracy, sufficiency or genuineness of drafts, required statements or documents, even if such drafts, statements or documents should in fact prove to be in any or all respects invalid, inaccurate, insufficient, fraudulent or forged, (c) errors, omissions, interruptions or delays in transmission or delivery of any message by mail, telephone, facsimile or otherwise, or (d) any consequences arising from causes beyond CFC's control.

#### 12. Fees.

- A. Annual Facility Fee. On the Effective Date set forth below, and at each anniversary date thereof ("Anniversary Date") for so long as this Agreement is in effect, there shall be due and payable to CFC a nonrefundable facility fee ("Facility Fee"). Applicant shall pay the Facility Fee to CFC promptly upon receipt of an invoice from CFC relating thereto. The initial Facility Fee shall be expressed in a number of basis points (hundredths of a percentage point) of the aggregate amount of the Letter of Credit Facility. The amount of the Facility Fee shall be determined as of the Effective Date set forth below in accordance with CFC's credit policies and practices as of said date. Subsequent Facility Fees shall be expressed in the same manner, in amounts determined in accordance with CFC's credit policies and practices in effect as of each applicable Anniversary Date. Any increase in the Facility Fee shall be effective only as of an Anniversary Date. The Facility Fee shall be prorated for any year in which this Agreement is not in effect for the entire year. It is a precondition to the issuance of any Letter of Credit that Applicant is current in its payment of the Facility Fee.
- B. Issuance Fee. For each Letter of Credit issued hereunder, Applicant shall pay to CFC a nonrefundable fee ("Issuance Fee"). The Issuance Fee shall be in an amount determined in accordance with CFC's credit policies and practices as of the date of issuance. In the event the Letter of Credit is outstanding for more than one year, then the Issuance Fee shall be due and payable annually and shall be in an amount determined in accordance with CFC's credit policies and practices in effect as of each anniversary of the date of issuance. Applicant shall pay the Issuance Fee to CFC promptly upon receipt of an invoice from CFC relating thereto. The Issuance Fee shall be prorated for any year in which the Letter of Credit is not outstanding for the entire year.

In addition to the above fees, Borrower shall pay, as and when due, such additional fees as may be charged from time to time by CFC for issuing amendments to or transferring any Letter of Credit issued hereunder, and any fees that may be imposed by a confirming bank or other financial institution in the event that a Letter of Credit issued hereunder is confirmed by such other bank or financial institution.

## 13. Repayment.

- A. CFC shall notify Applicant promptly of each (i) Draw request that it receives under a Letter of Credit, (ii) Draw that is made, and (ii) each Advance under the Line of Credit Agreement or Replacement Credit Agreement that is made to pay a Draw referred to in clause C of this Paragraph 13.
- B. Upon receipt of notice by Applicant from CFC that a Draw has been made, Applicant shall pay, in lawful money of the United States, without setoff, deduction, recoupment or counterclaim, to the order of NATIONAL RURAL UTILITIES COOPERATIVE FINANCE CORPORATION, at its office in Herndon, Virginia or such other offices as CFC may designate, the principal sum of the aggregate unpaid principal amount of such Draw (the "Draw Amount"), and interest as hereinafter provided on all amounts remaining unpaid hereunder from the date of such Draw in like money at said office (the "Interest Amount"). The Interest Amount shall be due and payable in accordance with CFC's regular billing cycles as may be in effect from time to time. CFC shall send a payment notice to Applicant at least five days prior to the due date of such Interest Amount.
- C. If, prior to the close of business on the day that any Draw has been made, Applicant has not paid the Draw Amount to CFC, Applicant hereby authorizes CFC to make an Advance under the Line of Credit Agreement (until replaced by the Replacement Credit Agreement; then upon such replacement, under the Replacement Credit Agreement) in an amount equal to the Draw Amount to apply such Advance to pay the Draw Amount on behalf of Applicant. If such day is not a day that both CFC and the depository institution CFC uses for funds transfers are open for business, then the Advance shall be made on the next day that both CFC and the depository institution CFC uses for funds transfers are open for business.
- D. In the event that for any reason, a Draw is not repaid with the proceeds of an Advance under the Line of Credit Agreement (until replaced by the Replacement Credit Agreement, then upon such replacement, under the Replacement Credit Agreement) as described herein, Applicant shall pay such Draw and the Interest Amount no later than one year from the date of such Draw.
- 14. Interest. The interest rate on all Draws will be equal to the total rate per annum as published by CFC as its line of credit rate and in effect from time to time. Interest will be computed on the basis of a 365 day year for the actual number of days that any Draw is outstanding. The effective date of an interest rate adjustment will be determined from time to time by CFC, and shall remain in effect until any subsequent change in the interest rate occurs.
- **15. Prepayment.** Applicant may, at any time, make prepayments of the principal amount of any Draw, together with any interest accrued thereon.
- 16. Default; Remedies. Applicant shall be in default if (i) it fails to pay any Draw Amount or Interest Amount, or fails to pay any other sum due hereunder, in full, when due, (ii) it fails to comply with clause C of this Paragraph 13 or if it fails to comply with Paragraphs 19 and 20 of this Agreement. Upon default, Applicant agrees that (a) CFC's obligation to issue Letters of Credit hereunder shall terminate without liability to CFC, (b) all amounts outstanding under this Agreement shall become immediately due and payable in full with accrued interest, (c) CFC may exercise rights of setoff or recoupment and apply any and all amounts held, or hereby held, by

CFC or owed to the Borrower or for the credit or account of the Borrower, including, but not limited to, patronage capital allocations and retirements, money due to Borrower from equity certificates purchased from CFC, and any membership or other fees that would otherwise be returned to Borrower, and (d) CFC may, in addition thereto, exercise any other remedies available to it under applicable law. Applicant hereby expressly waives demand, presentment for payment, notice of dishonor, protest, notice of protest, and notice of non-payment, and all other notices that m

- 17. Required Notices. Applicant agrees that, so long as any amount due is outstanding under this Agreement, Applicant shall promptly notify CFC (a) of any delinquency or default on any of its debt, including but not limited to money borrowed, debt evidenced by securities issued, or any indebtedness directly or indirectly guaranteed by Applicant, or (b) if there is a material adverse change in Applicant's financial condition. Applicant further agrees that if CFC shall determine, in its sole and absolute discretion, that such delinquency or default, or such inaccurate financial information materially increases CFC's risk of repayment hereunder, CFC may exercise all remedies available to it under applicable law, including but not limited to acceleration of all amounts due hereunder.
- 18. Right of Setoff. If Applicant fails to pay any amount hereunder when due, then CFC is hereby authorized at any time and from time to time, without prior notice to the Applicant, to exercise rights of setoff or recoupment and apply any and all amounts held, or hereafter held, by CFC or owed to the Applicant or for the credit or account of the Applicant against any and all of the obligations of the Applicant hereunder. CFC agrees to notify the Applicant promptly after any such setoff or recoupment and the application thereof, provided that the failure to give such notice shall not affect the validity of such setoff, recoupment or application. The rights of CFC under this section are in addition to any other rights and remedies (including other rights of setoff or recoupment) which CFC may have. Applicant waives all rights of setoff, deduction, recoupment or counterclaim.
- 19. Financial Ratios; Design of Rates. The Borrower shall achieve a DSC Ratio of not less than 1.0 and a TIER of note less than 1.05. The Borrower shall not decrease its rates for electric service if it has failed to achieve a DSC Ratio of 1.0 for the calendar year prior to such reduction subject only to an order from a governmental authority properly exercising jurisdiction over the Borrower.
- 20. Financial Information. Applicant will cause to be prepared and furnished to CFC a full and complete report of its financial condition and operations as of the end of the Applicant's fiscal year in form and substance satisfactory to CFC, audited by independent certified public accountants nationally recognized or otherwise satisfactory to CFC and accompanied by a report of such audit in form and substance satisfactory to CFC. Such report shall be furnished within 120 days of the end of such fiscal year. Applicant also agrees that, so long as any amount due to CFC is outstanding under this Agreement, Applicant shall deliver to CFC a copy of Applicant's monthly and quarterly financial statements, and a copy of Applicant's annual audit report. Monthly statements shall be furnished within thirty (30) days after the end of the month and quarterly statements shall be furnished within thirty (30) days after the end of the quarter. The foregoing requirements shall survive the making of Draws hereunder and the expiration of a Letter of Credit until all sums due under this Agreement have been paid in full.
- 21. Late Fee; Collection Costs. If payment of any principal and/or interest due under the terms of this Agreement is not received at CFC's offices in Herndon, Virginia, or such other place as

CFC may designate, within 5 business days after the due date thereof, Applicant will pay to CFC, in addition to all other amounts due under the terms of this Agreement, a late payment charge as may then be in effect pursuant to CFC's policies of general application. Applicant further agrees to pay the costs of collection, including reasonable attorneys' fees, of any amount due under this Agreement.

22. GOVERNING LAW: SUBMISSION TO JURISDICTION: WAIVER OF JURY TRIAL.

THE PERFORMANCE AND CONSTRUCTION OF THIS AGREEMENT SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAWS OF THE COMMONWEALTH OF VIRGINIA.

APPLICANT HEREBY SUBMITS TO THE NONEXCLUSIVE JURISDICTION OF THE UNITED STATES COURTS LOCATED IN VIRGINIA AND OF ANY STATE COURT SO LOCATED FOR PURPOSES OF ALL LEGAL PROCEEDINGS ARISING OUT OF OR RELATING TO THIS AGREEMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY. APPLICANT IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY OBJECTION THAT IT MAY NOW OR HEREAFTER HAVE TO THE ESTABLISHING OF THE VENUE OF ANY SUCH PROCEEDING BROUGHT IN SUCH A COURT AND ANY CLAIM THAT ANY SUCH PROCEEDING HAS BEEN BROUGHT IN AN INCONVENIENT FORUM.

EACH OF THE APPLICANT AND CFC HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY AND ALL RIGHT TO TRIAL BY JURY IN ANY LEGAL PROCEEDING ARISING OUT OF OR RELATING TO THIS AGREEMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY.

23. Notices: All notices, requests and other communications provided for herein including, without limitation, any modifications of, or waivers, requests or consents under, this Agreement shall be given or made in writing (including, without limitation, by telecopy) and delivered to the Applicant at the address and telecopy number stated above, and to CFC at:

National Rural Utilities Cooperative Finance Corporation 2201 Cooperative Way Herndon, Virginia 20171-3025 Fax: (703) 709-6776

Either party my designate another address by notice as provided herein. All communications shall be deemed to have been duly given when personally delivered or, in the case of a telecopied or mailed notice, upon receipt, in each case given or addressed as provided for herein.

17. Miscellaneous. No modification or waiver of any provision of this Agreement, and no consent to any departure by Applicant therefrom, shall in any event be effective unless the same shall be in writing by the party granting such modification, waiver or consent. This Agreement and any schedules or exhibits together contain the entire agreement of the parties hereto with respect to the matters covered and the transactions contemplated hereby. If any term, provision or condition of this Agreement shall for any reason be found or held invalid or unenforceable by any governmental agency or court of competent jurisdiction, such invalidity or unenforceability shall not affect the remainder of such term, provision or condition nor any other term, provision or condition, and this Agreement shall survive and be construed as if such invalid or unenforceable term, provision or condition had not been contained therein.

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be duly executed as of the day and year first above written.

#### LINE OF CREDIT RESERVE AUTHORIZATION

In consideration of the issuance of one or more letters of credit by NATIONAL RURAL UTILITIES COOPERATIVE FINANCE CORPORATION ("CFC") on behalf of BIG RIVERS ELECTRIC CORPORATION ("Borrower"), pursuant to the Letter of Credit Application and Agreement (Master Facility) dated as of even date herewith, by and between Borrower and CFC (the "Letter of Credit Agreement"), the undersigned Borrower hereby authorizes CFC as follows:

Capitalized terms that are not defined herein shall have the meanings as set forth in the Letter of Credit Agreement—(even after the termination of the Letter of Credit Agreement)

If, prior to the close of business on the day that any Draw under a Letter of Credit has been made, Borrower has not paid the Draw Amount to CFC, Borrower hereby authorizes CFC to make an Advance (as defined in the Line of Credit Agreement, until replaced by the Replacement Credit Agreement, then upon such replacement, as defined in the Replacement Credit Agreement) under the Line of Credit Agreement (until replaced by the Replacement Credit Agreement, then upon such replacement, under the Replacement Credit Agreement) in an amount equal to the Draw Amount and to apply such Advance to pay the Draw Amount on behalf of Borrower.

Borrower agrees that, so long as any amounts are outstanding under the Letter of Credit Agreement, Borrower shall maintain the line of credit with CFC provided for in the Line of Credit Agreement (until replaced by the Replacement Credit Agreement, then upon such replacement, the line of credit provided for in the Replacement Credit Agreement) in an amount that is at all times at least equal to \$15,000,000.00. The amount available at any time and from time to time under the Line of Credit Agreement (until replaced by the Replacement Credit Agreement, then upon such replacement, under the Replacement Credit Agreement) shall be referred to herein as the "Reserve Amount". Borrower hereby agrees not to request any Advance (as defined in the Line of Credit Agreement until replaced by the Replacement Credit Agreement, then upon such replacement, as defined in the Replacement Credit Agreement) under the Line of Credit Agreement, under the Replacement Credit Agreement, then upon such replacement, under the Replacement Credit Agreement, then upon such replacement, under the Replacement Credit Agreement) if the effect of any such Advance would be to reduce the Reserve Amount below the sum of the Letter of Credit Amounts reflected in all issued and outstanding Letters of Credit.

Borrower hereby agrees that CFC shall not incur any liability to Borrower as a result of following the instructions set forth herein, or for the exercise of the rights, remedies and obligations hereunder with respect to the Reserve Amount, except in cases of gross negligence or willful misconduct by CFC.

This authorization shall remain in effect and shall be irrevocable until terminated by mutual agreement of Borrower and CFC, or until such time as all of the Borrower's obligations under the Letter of Credit Agreement have been paid in full, whichever is earlier.

The undersigned agrees to pay such fees in connection with this Line of Credit Reserve Authorization as may be imposed by CFC pursuant to its policies of general application.

The undersigned represents and warrants to CFC that the undersigned has the appropriate authority on behalf of the Cooperative to execute this authorization and to instruct CFC with respect to the Cooperative's line of credit as set forth herein.

# LETTER OF CREDIT APPLICATION AND AGREEMENT (Master Facility)

## Name and Address of Applicant:

BIG RIVERS ELECTRIC CORPORATION 201 Third Street Henderson, Kentucky 42420 Attn: President and Chief Executive Officer

Fax Number: 270-827-2558

## Name and Address of Beneficiary:

To be determined as requested by Applicant from time to time as provided hereunder.

Date	of this	<b>Application</b>	and Ag	reement:	
------	---------	--------------------	--------	----------	--

- A. Applicant hereby requests National Rural Utilities Cooperative Finance Corporation ("CFC") to issue one or more irrevocable letters of credit for its own account in favor of the beneficiary or beneficiaries requested by Applicant from time to time as provided hereunder under the terms and conditions stated herein.
- B. In consideration of the issuance by CFC of a Letter of Credit (as hereinafter defined), Applicant hereby agrees with CFC to the following terms and conditions which constitute a valid and binding agreement between Applicant and CFC.

**Definitions:** For purposes of this Agreement, the following capitalized terms shall have the following meanings (such definitions to be equally applicable to the singular and the plural form thereof). All terms not otherwise defined herein shall have the meaning ascribed to them in the First Amended and Restated Revolving Credit Agreement, dated July 14, 2003, by and between Applicant and CFC bearing CFC loan designation KY062-R-5101 (as amended, the "Line of Credit Agreement").

"DSC Ratio" shall mean the ratio determined as follows: for any calendar year add: (1) net income (after taxes and after eliminating any gain or loss on sale of assets or other extraordinary gain or loss), plus depreciation expense, amortization expense, and interest expense, minus capitalized interest not paid from operating cash flow, non-cash patronage and non-cash income from subsidiaries and/or joint ventures; and divide the sum so obtained by the sum of (2) all principal payments due within the period on all Long Term Debt plus interest expense (all as calculated on a consolidated basis for the applicable period in accordance with GAAP consistently applied or the appropriate standards of the regulatory agency having jurisdiction over the company) minus capitalized interest not paid from operating cash flow.

"TIER" shall mean the ratio determined as follows: for any calendar year add: (1) net income (after taxes and after eliminating any gain or loss on sale of assets or other extraordinary gain or loss), plus interest expense; and divide the sum so obtained by the sum of (2) interest expenses (all as calculated on a consolidated basis for the applicable period in accordance with GAAP

consistently applied or the appropriate standards of the regulatory agency having jurisdiction over the company) minus capitalized interest not paid from operating cash flow.

1. Letter of Credit Facility: The maximum aggregate amount of letters of credit which may be issued hereunder is Fifteen Million Dollars (\$15,000,000.00) ("Letter of Credit Facility"). Within this amount and subject to the limitation set forth in Section 3, Applicant may request, and National Rural Utilities Cooperative Finance Corporation ("CFC") shall issue, letters of credit to such beneficiary or beneficiaries as may be requested by Applicant from time to time under the terms and conditions of this Letter of Credit Application and Agreement (the "Agreement").

Each such request shall be in writing and substantially in the form of Exhibit A hereto. Each such letter is referred to herein as a "Letter of Credit". Each Letter of Credit shall be substantially in the form of Exhibit B hereto and shall reflect the amount available for draw thereunder (the "Letter of Credit Amount").

The Letter of Credit Amount reflected on any expired Letter of Credit shall be added back into the Letter of Credit Facility and be available for issuance of additional Letters of Credit during the term of this Agreement. The amount of any Draw that has been repaid shall also be added back into the Letter of Credit Facility and be available for issuance of additional Letters of Credit during the term of this Agreement.

2. Amendment to Existing Letter of Credit Facility. On and after the Effective Date no additional letters of credit shall be issued under the terms of that certain First Amended and Restated Letter of Credit Application and Agreement (Master Facility) bearing CFC loan designation, KY062-L-9001, dated July 14, 2003 with an effective date of July 15, 2003, as amended (the "Prior Facility"). Letters of credit issued under the Prior Facility shall remain outstanding and subject to the terms, conditions and provisions of the Prior Facility until their expiration or until they are otherwise terminated, at which time the Prior Facility shall be deemed canceled, with no further action required of either CFC or Borrower to effect such termination.

For purposes of the Prior Facility, the execution of this Agreement shall be deemed a writing executed by the parties hereto that is required to amend the Prior Facility.

#### 3. Limitation on Letter of Credit Issuances.

The amount at any time available for Borrower to Advance under the Line of Credit Agreement or the line of credit agreement which is to replace the Line of Credit Agreement upon the termination of Borrower's lease, power purchase agreement and other arrangements with subsidiaries of E.ON U.S. LLC (formerly LG&E Energy LLC) (such replacement agreement, is referred to herein as the "Replacement Credit Agreement), shall be referred to herein as the "Available Amount".

Applicant agrees that it shall not request the issuance of, nor shall CFC be obligated to issue, a Letter of Credit hereunder unless the Available Amount is equal to or greater than the sum of (i) the total Letter of Credit Amounts of all issued and outstanding Letters of Credit, plus (ii) the Letter of Credit Amount requested, *provided*, *however*, that so long the Prior Facility has not been cancelled pursuant to Section 2 hereof, Applicant agrees that it shall not request the issuance of, nor shall CFC be obligated to issue, a Letter of Credit hereunder unless the Available Amount is equal to or greater than the sum of (i) the total Letter of Credit Amounts of all issued and outstanding Letters of Credit, plus (ii) the aggregate amount of letters of credit issued and then

outstanding under the Prior Facility, plus (iii) the aggregate amount of unpaid Draws (as defined in the Prior Facility) under any letter of credit issued under the Prior Facility and plus (iv) the Letter of Credit Amount requested

Applicant hereby agrees not to request any Advance (as defined in the Line of Credit Agreement until replaced by the Replacement Credit Agreement, then upon such replacement, as defined in the Replacement Credit Agreement) under the Line of Credit Agreement (until replaced by the Replacement Credit Agreement, then upon such replacement, under the Replacement Credit Agreement) if the effect of any such Advance would be to reduce the Available Amount below the sum of the Letter of Credit Amounts reflected in all issued and outstanding Letters of Credit plus the sum of the letter of credit amounts reflected in all issued and outstanding letters of credit issued under the Prior Facility.

### 4. Letter of Credit Expiration Date; Termination of Agreement:

Each Letter of Credit issued hereunder shall expire on the date indicated thereon, but in no event shall such date be later than February 28, 2010. Provided that no default hereunder by the Applicant has occurred and is continuing, CFC's obligation to issue any Letter of Credit under this Agreement shall remain in effect until the date that is February 27, 2010.

- 5. Effective Date: The Effective Date of this Agreement is set forth on the signature page hereof.
- **6. CFC Letter of Credit Designation:** The first Letter of Credit issued hereunder shall bear CFC designation KY062-L-9002-001. Each subsequent Letter of Credit issued hereunder shall be numbered consecutively thereafter.
- 7. Draws. On any day that CFC is open for business, CFC hereby agrees to advance funds under a Letter of Credit to the Beneficiary in such amounts as the Beneficiary may from time to time request (each such advance is referred to herein as a "Draw"), provided that: (a) on the date of each such request, the outstanding unpaid balance of all Draws shall not exceed the amount of the Letter of Credit Facility stated above; (b) each Draw request is accompanied by the documentation specified in a Letter of Credit, the authenticity, form and substance of which shall be satisfactory to CFC; and (c) no Draw request will be honored after CFC's close of business on the Letter of Credit Expiration Date set forth in the respective Letter of Credit.
- **8. Documents.** CFC's obligation to issue a Letter of Credit is conditioned upon CFC's receipt of the following documents, in form and substance satisfactory to CFC: (a) an executed copy of this Agreement and any collateral security documents required herein; (b) certified copies of all such corporate documents and proceedings of the Applicant as CFC may require authorizing the transactions hereby contemplated; (c) true and correct copies of all certificates, authorizations and consents of any regulatory authority necessary for the execution, delivery or performance by the Applicant of this Agreement; (d) an executed line of credit reservation authorization executed in favor of CFC; and (e) an opinion of counsel for the Applicant addressing such legal matters as CFC shall reasonably require.
- **9. Irrevocable Instruction.** Applicant hereby irrevocably instructs CFC to honor drafts presented in accordance with the terms hereof and contained in a Letter of Credit. It is expressly agreed that CFC may honor such drafts without requiring any documentation or information other than expressly stated in a Letter of Credit, and without regard to any contrary instructions Applicant may hereafter give to CFC.

- **10.** Legal Representatives. Applicant agrees that CFC shall have no liability to the Applicant or to any other person for honoring drafts presented in accordance with the terms hereof and contained in a Letter of Credit which may be presented by the administrator, trustee in bankruptcy, debtor-in-possession, assignee for the benefit of creditors, liquidator, receiver or other legal representative of the Beneficiary.
- 11. No Liability. CFC shall have no liability for, and the Applicant's repayment and other obligations hereunder shall not be affected by (a) the use which may be made of the funds drawn under a Letter of Credit or for the acts or omissions of the Beneficiary or any other person, (b) the validity, accuracy, sufficiency or genuineness of drafts, required statements or documents, even if such drafts, statements or documents should in fact prove to be in any or all respects invalid, inaccurate, insufficient, fraudulent or forged, (c) errors, omissions, interruptions or delays in transmission or delivery of any message by mail, telephone, facsimile or otherwise, or (d) any consequences arising from causes beyond CFC's control.

#### 12. Fees.

- A. Annual Facility Fee. On the Effective Date set forth below, and at each anniversary date thereof ("Anniversary Date") for so long as this Agreement is in effect, there shall be due and payable to CFC a nonrefundable facility fee ("Facility Fee"). Applicant shall pay the Facility Fee to CFC promptly upon receipt of an invoice from CFC relating thereto. The initial Facility Fee shall be expressed in a number of basis points (hundredths of a percentage point) of the aggregate amount of the Letter of Credit Facility. The amount of the Facility Fee shall be determined as of the Effective Date set forth below in accordance with CFC's credit policies and practices as of said date. Subsequent Facility Fees shall be expressed in the same manner, in amounts determined in accordance with CFC's credit policies and practices in effect as of each applicable Anniversary Date. Any increase in the Facility Fee shall be effective only as of an Anniversary Date. The Facility Fee shall be prorated for any year in which this Agreement is not in effect for the entire year. It is a precondition to the issuance of any Letter of Credit that Applicant is current in its payment of the Facility Fee.
- **B.** Issuance Fee. For each Letter of Credit issued hereunder, Applicant shall pay to CFC a nonrefundable fee ("Issuance Fee"). The Issuance Fee shall be in an amount determined in accordance with CFC's credit policies and practices as of the date of issuance. In the event the Letter of Credit is outstanding for more than one year, then the Issuance Fee shall be due and payable annually and shall be in an amount determined in accordance with CFC's credit policies and practices in effect as of each anniversary of the date of issuance. Applicant shall pay the Issuance Fee to CFC promptly upon receipt of an invoice from CFC relating thereto. The Issuance Fee shall be prorated for any year in which the Letter of Credit is not outstanding for the entire year.

In addition to the above fees, Borrower shall pay, as and when due, such additional fees as may be charged from time to time by CFC for issuing amendments to or transferring any Letter of Credit issued hereunder, and any fees that may be imposed by a confirming bank or other financial institution in the event that a Letter of Credit issued hereunder is confirmed by such other bank or financial institution.

#### 13. Repayment.

- A. CFC shall notify Applicant promptly of each (i) Draw request that it receives under a Letter of Credit, (ii) Draw that is made, and (ii) each Advance under the Line of Credit Agreement or Replacement Credit Agreement that is made to pay a Draw referred to in clause C of this Paragraph 13.
- B. Upon receipt of notice by Applicant from CFC that a Draw has been made, Applicant shall pay, in lawful money of the United States, without setoff, deduction, recoupment or counterclaim, to the order of NATIONAL RURAL UTILITIES COOPERATIVE FINANCE CORPORATION, at its office in Herndon, Virginia or such other offices as CFC may designate, the principal sum of the aggregate unpaid principal amount of such Draw (the "Draw Amount"), and interest as hereinafter provided on all amounts remaining unpaid hereunder from the date of such Draw in like money at said office (the "Interest Amount"). The Interest Amount shall be due and payable in accordance with CFC's regular billing cycles as may be in effect from time to time. CFC shall send a payment notice to Applicant at least five days prior to the due date of such Interest Amount.
- C. If, prior to the close of business on the day that any Draw has been made, Applicant has not paid the Draw Amount to CFC, Applicant hereby authorizes CFC to make an Advance under the Line of Credit Agreement (until replaced by the Replacement Credit Agreement, then upon such replacement, under the Replacement Credit Agreement) in an amount equal to the Draw Amount to apply such Advance to pay the Draw Amount on behalf of Applicant. If such day is not a day that both CFC and the depository institution CFC uses for funds transfers are open for business, then the Advance shall be made on the next day that both CFC and the depository institution CFC uses for funds transfers are open for business.
- D. In the event that for any reason, a Draw is not repaid with the proceeds of an Advance under the Line of Credit Agreement (until replaced by the Replacement Credit Agreement, then upon such replacement, under the Replacement Credit Agreement) as described herein, Applicant shall pay such Draw and the Interest Amount no later than one year from the date of such Draw.
- **14. Interest.** The interest rate on all Draws will be equal to the total rate per annum as published by CFC as its line of credit rate and in effect from time to time. Interest will be computed on the basis of a 365 day year for the actual number of days that any Draw is outstanding. The effective date of an interest rate adjustment will be determined from time to time by CFC, and shall remain in effect until any subsequent change in the interest rate occurs.
- **15. Prepayment.** Applicant may, at any time, make prepayments of the principal amount of any Draw, together with any interest accrued thereon.
- 16. Default; Remedies. Applicant shall be in default if (i) it fails to pay any Draw Amount or Interest Amount, or fails to pay any other sum due hereunder, in full, when due, (ii) it fails to comply with clause C of this Paragraph 13 or if it fails to comply with Paragraphs 19 and 20 of this Agreement. Upon default, Applicant agrees that (a) CFC's obligation to issue Letters of Credit hereunder shall terminate without liability to CFC, (b) all amounts outstanding under this Agreement shall become immediately due and payable in full with accrued interest, (c) CFC may exercise rights of setoff or recoupment and apply any and all amounts held, or hereby held, by

CFC or owed to the Borrower or for the credit or account of the Borrower, including, but not limited to, patronage capital allocations and retirements, money due to Borrower from equity certificates purchased from CFC, and any membership or other fees that would otherwise be returned to Borrower; and (d) CFC may, in addition thereto, exercise any other remedies available to it under applicable law. Applicant hereby expressly waives demand, presentment for payment, notice of dishonor, protest, notice of protest, and notice of non-payment, and all other notices that m

- 17. Required Notices. Applicant agrees that, so long as any amount due is outstanding under this Agreement, Applicant shall promptly notify CFC (a) of any delinquency or default on any of its debt, including but not limited to money borrowed, debt evidenced by securities issued, or any indebtedness directly or indirectly guaranteed by Applicant, or (b) if there is a material adverse change in Applicant's financial condition. Applicant further agrees that if CFC shall determine, in its sole and absolute discretion, that such delinquency or default, or such inaccurate financial information materially increases CFC's risk of repayment hereunder, CFC may exercise all remedies available to it under applicable law, including but not limited to acceleration of all amounts due hereunder.
- 18. Right of Setoff. If Applicant fails to pay any amount hereunder when due, then CFC is hereby authorized at any time and from time to time, without prior notice to the Applicant, to exercise rights of setoff or recoupment and apply any and all amounts held, or hereafter held, by CFC or owed to the Applicant or for the credit or account of the Applicant against any and all of the obligations of the Applicant hereunder. CFC agrees to notify the Applicant promptly after any such setoff or recoupment and the application thereof, provided that the failure to give such notice shall not affect the validity of such setoff, recoupment or application. The rights of CFC under this section are in addition to any other rights and remedies (including other rights of setoff or recoupment) which CFC may have. Applicant waives all rights of setoff, deduction, recoupment or counterclaim.
- **19. Financial Ratios; Design of Rates.** The Borrower shall achieve a DSC Ratio of not less than 1.0 and a TIER of note less than 1.05. The Borrower shall not decrease its rates for electric service if it has failed to achieve a DSC Ratio of 1.0 for the calendar year prior to such reduction subject only to an order from a governmental authority properly exercising jurisdiction over the Borrower.
- 20. Financial Information. Applicant will cause to be prepared and furnished to CFC a full and complete report of its financial condition and operations as of the end of the Applicant's fiscal year in form and substance satisfactory to CFC, audited by independent certified public accountants nationally recognized or otherwise satisfactory to CFC and accompanied by a report of such audit in form and substance satisfactory to CFC. Such report shall be furnished within 120 days of the end of such fiscal year. Applicant also agrees that, so long as any amount due to CFC is outstanding under this Agreement, Applicant shall deliver to CFC a copy of Applicant's monthly and quarterly financial statements, and a copy of Applicant's annual audit report. Monthly statements shall be furnished within thirty (30) days after the end of the month and quarterly statements shall be furnished within thirty (30) days after the end of the quarter. The foregoing requirements shall survive the making of Draws hereunder and the expiration of a Letter of Credit until all sums due under this Agreement have been paid in full.
- 21. Late Fee; Collection Costs. If payment of any principal and/or interest due under the terms of this Agreement is not received at CFC's offices in Herndon, Virginia, or such other place as

CFC may designate, within 5 business days after the due date thereof, Applicant will pay to CFC, in addition to all other amounts due under the terms of this Agreement, a late payment charge as may then be in effect pursuant to CFC's policies of general application. Applicant further agrees to pay the costs of collection, including reasonable attorneys' fees, of any amount due under this Agreement.

#### 22. GOVERNING LAW; SUBMISSION TO JURISDICTION; WAIVER OF JURY TRIAL.

THE PERFORMANCE AND CONSTRUCTION OF THIS AGREEMENT SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAWS OF THE COMMONWEALTH OF VIRGINIA.

APPLICANT HEREBY SUBMITS TO THE NONEXCLUSIVE JURISDICTION OF THE UNITED STATES COURTS LOCATED IN VIRGINIA AND OF ANY STATE COURT SO LOCATED FOR PURPOSES OF ALL LEGAL PROCEEDINGS ARISING OUT OF OR RELATING TO THIS AGREEMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY. APPLICANT IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY OBJECTION THAT IT MAY NOW OR HEREAFTER HAVE TO THE ESTABLISHING OF THE VENUE OF ANY SUCH PROCEEDING BROUGHT IN SUCH A COURT AND ANY CLAIM THAT ANY SUCH PROCEEDING HAS BEEN BROUGHT IN AN INCONVENIENT FORUM.

EACH OF THE APPLICANT AND CFC HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY AND ALL RIGHT TO TRIAL BY JURY IN ANY LEGAL PROCEEDING ARISING OUT OF OR RELATING TO THIS AGREEMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY.

**23. Notices:** All notices, requests and other communications provided for herein including, without limitation, any modifications of, or waivers, requests or consents under, this Agreement shall be given or made in writing (including, without limitation, by telecopy) and delivered to the Applicant at the address and telecopy number stated above, and to CFC at:

National Rural Utilities Cooperative Finance Corporation 2201 Cooperative Way Herndon, Virginia 20171-3025 Fax: (703) 709-6776

Either party my designate another address by notice as provided herein. All communications shall be deemed to have been duly given when personally delivered or, in the case of a telecopied or mailed notice, upon receipt, in each case given or addressed as provided for herein.

17. Miscellaneous. No modification or waiver of any provision of this Agreement, and no consent to any departure by Applicant therefrom, shall in any event be effective unless the same shall be in writing by the party granting such modification, waiver or consent. This Agreement and any schedules or exhibits together contain the entire agreement of the parties hereto with respect to the matters covered and the transactions contemplated hereby. If any term, provision or condition of this Agreement shall for any reason be found or held invalid or unenforceable by any governmental agency or court of competent jurisdiction, such invalidity or unenforceability shall not affect the remainder of such term, provision or condition nor any other term, provision or condition, and this Agreement shall survive and be construed as if such invalid or unenforceable term, provision or condition had not been contained therein.

**IN WITNESS WHEREOF,** the parties hereto have caused this Agreement to be duly executed as of the day and year first above written.

Re: BIG RIVERS ELECTRIC CORPORATION Loan Designation KY062-L-9002
Dear Sir:
I am counsel for BIG RIVERS ELECTRIC CORPORATION, organized under the laws of the State of Kentucky ("Borrower"), and render this opinion to you in connection with the \$15,000,000.00 letter of credit facility provided for in the Letter of Credit Application and Agreement ("Letter of Credit Agreement"), dated as of, between the Borrower and National Rural Utilities Cooperative Finance Corporation ("CFC").
I have examined such corporate records and proceedings of the Borrower, and such other documents as I have deemed necessary as a basis for the opinions hereinafter expressed.
I have also examined the following documents as executed and delivered: (1) the Letter of Credit Agreement and (2) and (ii) the Line of Credit Reserve Authorization dated(together, the "Loan Documents").
Based upon the foregoing, I am of the opinion that:
(i) the Borrower is a duly organized, validly existing corporation and in good standing under the laws of the jurisdiction of its organization, and the Borrower has full corporate power (a) to execute and deliver the Loan Documents; and (b) to perform all acts required to be done by it under the Loan Documents;
[*** SELECT ONE OF THE FORMS OF PARAGRAPH (ii) ***]
*** (ii) all authorizations from regulatory bodies required in connection with the execution, delivery and performance of the Loan Documents, including, without limitation, the Federal Energy Regulatory Commission and/or the state public utility commission, if applicable, have been obtained and copies thereof are attached hereto;
*** (ii) no authorization from any regulatory body is required in connection with the execution, delivery and performance of the Loan Documents including, without limitation, the Federal Energy Regulatory Commission and/or the state public utility commission, if applicable;
Sincerely,

# LETTER OF CREDIT APPLICATION AND AGREEMENT (Master Facility)

### Name and Address of Applicant:

BIG RIVERS ELECTRIC CORPORATION 201 Third Street Henderson, Kentucky 42420 Attn: President and Chief Executive Officer

Fax Number: 270-827-2558

### Name and Address of Beneficiary:

To be determined as requested by Applicant from time to time as provided hereunder.

Date	of this	<b>Application</b>	and Agreement:	

- A. Applicant hereby requests National Rural Utilities Cooperative Finance Corporation ("CFC") to issue one or more irrevocable letters of credit for its own account in favor of the beneficiary or beneficiaries requested by Applicant from time to time as provided hereunder under the terms and conditions stated herein.
- B. In consideration of the issuance by CFC of a Letter of Credit (as hereinafter defined), Applicant hereby agrees with CFC to the following terms and conditions which constitute a valid and binding agreement between Applicant and CFC.

**Definitions:** For purposes of this Agreement, the following capitalized terms shall have the following meanings (such definitions to be equally applicable to the singular and the plural form thereof). All terms not otherwise defined herein shall have the meaning ascribed to them in the First Amended and Restated Revolving Credit Agreement, dated July 14, 2003, by and between Applicant and CFC bearing CFC loan designation KY062-R-5101 (as amended, the "Line of Credit Agreement").

"DSC Ratio" shall mean the ratio determined as follows: for any calendar year add: (1) net income (after taxes and after eliminating any gain or loss on sale of assets or other extraordinary gain or loss), plus depreciation expense, amortization expense, and interest expense, minus capitalized interest not paid from operating cash flow, non-cash patronage and non-cash income from subsidiaries and/or joint ventures; and divide the sum so obtained by the sum of (2) all principal payments due within the period on all Long Term Debt plus interest expense (all as calculated on a consolidated basis for the applicable period in accordance with GAAP consistently applied or the appropriate standards of the regulatory agency having jurisdiction over the company) minus capitalized interest not paid from operating cash flow.

"TIER" shall mean the ratio determined as follows: for any calendar year add: (1) net income (after taxes and after eliminating any gain or loss on sale of assets or other extraordinary gain or loss), plus interest expense; and divide the sum so obtained by the sum of (2) interest expenses (all as calculated on a consolidated basis for the applicable period in accordance with

GAAP consistently applied or the appropriate standards of the regulatory agency having jurisdiction over the company) minus capitalized interest not paid from operating cash flow.

1. Letter of Credit Facility: The maximum aggregate amount of letters of credit which may be issued hereunder is Fifteen Million Dollars (\$15,000,000.00) ("Letter of Credit Facility"). Within this amount and subject to the limitation set forth in Section 3, Applicant may request, and National Rural Utilities Cooperative Finance Corporation ("CFC") shall issue, letters of credit to such beneficiary or beneficiaries as may be requested by Applicant from time to time under the terms and conditions of this Letter of Credit Application and Agreement (the "Agreement").

Each such request shall be in writing and substantially in the form of Exhibit A hereto. Each such letter is referred to herein as a "Letter of Credit". Each Letter of Credit shall be substantially in the form of Exhibit B hereto and shall reflect the amount available for draw thereunder (the "Letter of Credit Amount").

The Letter of Credit Amount reflected on any expired Letter of Credit shall be added back into the Letter of Credit Facility and be available for issuance of additional Letters of Credit during the term of this Agreement. The amount of any Draw that has been repaid shall also be added back into the Letter of Credit Facility and be available for issuance of additional Letters of Credit during the term of this Agreement.

2. Amendment to Existing Letter of Credit Facility. On and after the Effective Date no additional letters of credit shall be issued under the terms of that certain First Amended and Restated Letter of Credit Application and Agreement (Master Facility) bearing CFC loan designation, KY062-L-9001, dated July 14, 2003 with an effective date of July 15, 2003, as amended (the "Prior Facility"). Letters of credit issued under the Prior Facility shall remain outstanding and subject to the terms, conditions and provisions of the Prior Facility until their expiration or until they are otherwise terminated, at which time the Prior Facility shall be deemed canceled, with no further action required of either CFC or Borrower to effect such termination.

For purposes of the Prior Facility, the execution of this Agreement shall be deemed a writing executed by the parties hereto that is required to amend the Prior Facility.

#### 3. Limitation on Letter of Credit Issuances.

The amount at any time available for Borrower to Advance under the Line of Credit Agreement or the line of credit agreement which is to replace the Line of Credit Agreement upon the termination of Borrower's lease, power purchase agreement and other arrangements with subsidiaries of E.ON U.S. LLC (formerly LG&E Energy LLC) (such replacement agreement, is referred to herein as the "Replacement Credit Agreement), shall be referred to herein as the "Available Amount".

Applicant agrees that it shall not request the issuance of, nor shall CFC be obligated to issue, a Letter of Credit hereunder unless the Available Amount is equal to or greater than the sum of (i) the total Letter of Credit Amounts of all issued and outstanding Letters of Credit, plus (ii) the Letter of Credit Amount requested, *provided*, *however*, that so long the Prior Facility has not been cancelled pursuant to Section 2 hereof, Applicant agrees that it shall not request the issuance of, nor shall CFC be obligated to issue, a Letter of Credit hereunder unless the Available Amount is

equal to or greater than the sum of (i) the total Letter of Credit Amounts of all issued and outstanding Letters of Credit, plus (ii) the aggregate amount of letters of credit issued and then outstanding under the Prior Facility, plus (iii) the aggregate amount of unpaid Draws (as defined in the Prior Facility) under any letter of credit issued under the Prior Facility and plus (iv) the Letter of Credit Amount requested

Applicant hereby agrees not to request any Advance (as defined in the Line of Credit Agreement until replaced by the Replacement Credit Agreement, then upon such replacement, as defined in the Replacement Credit Agreement) under the Line of Credit Agreement (until replaced by the Replacement Credit Agreement, then upon such replacement, under the Replacement Credit Agreement) if the effect of any such Advance would be to reduce the Available Amount below the sum of the Letter of Credit Amounts reflected in all issued and outstanding Letters of Credit plus the sum of the letter of credit amounts reflected in all issued and outstanding letters of credit issued under the Prior Facility.

## 4. Letter of Credit Expiration Date; Termination of Agreement:

Each Letter of Credit issued hereunder shall expire on the date indicated thereon, but in no event shall such date be later than February 28, 2010. Provided that no default hereunder by the Applicant has occurred and is continuing, CFC's obligation to issue any Letter of Credit under this Agreement shall remain in effect until the date that is February 27, 2010.

- **5.** Effective Date: The Effective Date of this Agreement is set forth on the signature page hereof.
- **6. CFC Letter of Credit Designation:** The first Letter of Credit issued hereunder shall bear CFC designation KY062-L-9002-001. Each subsequent Letter of Credit issued hereunder shall be numbered consecutively thereafter.
- 7. Draws. On any day that CFC is open for business, CFC hereby agrees to advance funds under a Letter of Credit to the Beneficiary in such amounts as the Beneficiary may from time to time request (each such advance is referred to herein as a "Draw"), provided that: (a) on the date of each such request, the outstanding unpaid balance of all Draws shall not exceed the amount of the Letter of Credit Facility stated above; (b) each Draw request is accompanied by the documentation specified in a Letter of Credit, the authenticity, form and substance of which shall be satisfactory to CFC; and (c) no Draw request will be honored after CFC's close of business on the Letter of Credit Expiration Date set forth in the respective Letter of Credit.
- **8. Documents.** CFC's obligation to issue a Letter of Credit is conditioned upon CFC's receipt of the following documents, in form and substance satisfactory to CFC: (a) an executed copy of this Agreement and any collateral security documents required herein; (b) certified copies of all such corporate documents and proceedings of the Applicant as CFC may require authorizing the transactions hereby contemplated; (c) true and correct copies of all certificates, authorizations and consents of any regulatory authority necessary for the execution, delivery or performance by the Applicant of this Agreement; (d) an executed line of credit reservation authorization executed in favor of CFC; and (e) an opinion of counsel for the Applicant addressing such legal matters as CFC shall reasonably require.

- **9. Irrevocable Instruction.** Applicant hereby irrevocably instructs CFC to honor drafts presented in accordance with the terms hereof and contained in a Letter of Credit. It is expressly agreed that CFC may honor such drafts without requiring any documentation or information other than expressly stated in a Letter of Credit, and without regard to any contrary instructions Applicant may hereafter give to CFC.
- **10. Legal Representatives.** Applicant agrees that CFC shall have no liability to the Applicant or to any other person for honoring drafts presented in accordance with the terms hereof and contained in a Letter of Credit which may be presented by the administrator, trustee in bankruptcy, debtor-in-possession, assignee for the benefit of creditors, liquidator, receiver or other legal representative of the Beneficiary.
- **11. No Liability.** CFC shall have no liability for, and the Applicant's repayment and other obligations hereunder shall not be affected by (a) the use which may be made of the funds drawn under a Letter of Credit or for the acts or omissions of the Beneficiary or any other person, (b) the validity, accuracy, sufficiency or genuineness of drafts, required statements or documents, even if such drafts, statements or documents should in fact prove to be in any or all respects invalid, inaccurate, insufficient, fraudulent or forged, (c) errors, omissions, interruptions or delays in transmission or delivery of any message by mail, telephone, facsimile or otherwise, or (d) any consequences arising from causes beyond CFC's control.

#### 12. Fees.

- A. Annual Facility Fee. On the Effective Date set forth below, and at each anniversary date thereof ("Anniversary Date") for so long as this Agreement is in effect, there shall be due and payable to CFC a nonrefundable facility fee ("Facility Fee"). Applicant shall pay the Facility Fee to CFC promptly upon receipt of an invoice from CFC relating thereto. The initial Facility Fee shall be expressed in a number of basis points (hundredths of a percentage point) of the aggregate amount of the Letter of Credit Facility. The amount of the Facility Fee shall be determined as of the Effective Date set forth below in accordance with CFC's credit policies and practices as of said date. Subsequent Facility Fees shall be expressed in the same manner, in amounts determined in accordance with CFC's credit policies and practices in effect as of each applicable Anniversary Date. Any increase in the Facility Fee shall be effective only as of an Anniversary Date. The Facility Fee shall be prorated for any year in which this Agreement is not in effect for the entire year. It is a precondition to the issuance of any Letter of Credit that Applicant is current in its payment of the Facility Fee.
- **B.** Issuance Fee. For each Letter of Credit issued hereunder, Applicant shall pay to CFC a nonrefundable fee ("Issuance Fee"). The Issuance Fee shall be in an amount determined in accordance with CFC's credit policies and practices as of the date of issuance. In the event the Letter of Credit is outstanding for more than one year, then the Issuance Fee shall be due and payable annually and shall be in an amount determined in accordance with CFC's credit policies and practices in effect as of each anniversary of the date of issuance. Applicant shall pay the Issuance Fee to CFC promptly upon receipt of an invoice from CFC relating thereto. The Issuance Fee shall be prorated for any year in which the Letter of Credit is not outstanding for the entire year.

In addition to the above fees, Borrower shall pay, as and when due, such additional fees as may be charged from time to time by CFC for issuing amendments to or transferring any Letter

of Credit issued hereunder, and any fees that may be imposed by a confirming bank or other financial institution in the event that a Letter of Credit issued hereunder is confirmed by such other bank or financial institution.

## 13. Repayment.

- A. CFC shall notify Applicant promptly of each (i) Draw request that it receives under a Letter of Credit, (ii) Draw that is made, and (ii) each Advance under the Line of Credit Agreement or Replacement Credit Agreement that is made to pay a Draw referred to in clause C of this Paragraph 13.
- B. Upon receipt of notice by Applicant from CFC that a Draw has been made, Applicant shall pay, in lawful money of the United States, without setoff, deduction, recoupment or counterclaim, to the order of NATIONAL RURAL UTILITIES COOPERATIVE FINANCE CORPORATION, at its office in Herndon, Virginia or such other offices as CFC may designate, the principal sum of the aggregate unpaid principal amount of such Draw (the "Draw Amount"), and interest as hereinafter provided on all amounts remaining unpaid hereunder from the date of such Draw in like money at said office (the "Interest Amount"). The Interest Amount shall be due and payable in accordance with CFC's regular billing cycles as may be in effect from time to time. CFC shall send a payment notice to Applicant at least five days prior to the due date of such Interest Amount.
- C. If, prior to the close of business on the day that any Draw has been made, Applicant has not paid the Draw Amount to CFC, Applicant hereby authorizes CFC to make an Advance under the Line of Credit Agreement (until replaced by the Replacement Credit Agreement, then upon such replacement, under the Replacement Credit Agreement) in an amount equal to the Draw Amount to apply such Advance to pay the Draw Amount on behalf of Applicant. If such day is not a day that both CFC and the depository institution CFC uses for funds transfers are open for business, then the Advance shall be made on the next day that both CFC and the depository institution CFC uses for funds transfers are open for business.
- D. In the event that for any reason, a Draw is not repaid with the proceeds of an Advance under the Line of Credit Agreement (until replaced by the Replacement Credit Agreement, then upon such replacement, under the Replacement Credit Agreement) as described herein, Applicant shall pay such Draw and the Interest Amount no later than one year from the date of such Draw.
- **14. Interest.** The interest rate on all Draws will be equal to the total rate per annum as published by CFC as its line of credit rate and in effect from time to time. Interest will be computed on the basis of a 365 day year for the actual number of days that any Draw is outstanding. The effective date of an interest rate adjustment will be determined from time to time by CFC, and shall remain in effect until any subsequent change in the interest rate occurs.
- **15. Prepayment.** Applicant may, at any time, make prepayments of the principal amount of any Draw, together with any interest accrued thereon.
- **16. Default; Remedies.** Applicant shall be in default if (i) it fails to pay any Draw Amount or Interest Amount, or fails to pay any other sum due hereunder, in full, when due, (ii) it fails to comply with clause C of this Paragraph 13 or if it fails to comply with Paragraphs 19 and 20 of

this Agreement. Upon default, Applicant agrees that (a) CFC's obligation to issue Letters of Credit hereunder shall terminate without liability to CFC, (b) all amounts outstanding under this Agreement shall become immediately due and payable in full with accrued interest, (c) CFC may exercise rights of setoff or recoupment and apply any and all amounts held, or hereby held, by CFC or owed to the Borrower or for the credit or account of the Borrower, including, but not limited to, patronage capital allocations and retirements, money due to Borrower from equity certificates purchased from CFC, and any membership or other fees that would otherwise be returned to Borrower; and (d) CFC may, in addition thereto, exercise any other remedies available to it under applicable law. Applicant hereby expressly waives demand, presentment for payment, notice of dishonor, protest, notice of protest, and notice of non-payment, and all other notices that m

- 17. Required Notices. Applicant agrees that, so long as any amount due is outstanding under this Agreement, Applicant shall promptly notify CFC (a) of any delinquency or default on any of its debt, including but not limited to money borrowed, debt evidenced by securities issued, or any indebtedness directly or indirectly guaranteed by Applicant, or (b) if there is a material adverse change in Applicant's financial condition. Applicant further agrees that if CFC shall determine, in its sole and absolute discretion, that such delinquency or default, or such inaccurate financial information materially increases CFC's risk of repayment hereunder, CFC may exercise all remedies available to it under applicable law, including but not limited to acceleration of all amounts due hereunder.
- **18. Right of Setoff.** If Applicant fails to pay any amount hereunder when due, then CFC is hereby authorized at any time and from time to time, without prior notice to the Applicant, to exercise rights of setoff or recoupment and apply any and all amounts held, or hereafter held, by CFC or owed to the Applicant or for the credit or account of the Applicant against any and all of the obligations of the Applicant hereunder. CFC agrees to notify the Applicant promptly after any such setoff or recoupment and the application thereof, provided that the failure to give such notice shall not affect the validity of such setoff, recoupment or application. The rights of CFC under this section are in addition to any other rights and remedies (including other rights of setoff or recoupment) which CFC may have. Applicant waives all rights of setoff, deduction, recoupment or counterclaim.
- **19. Financial Ratios; Design of Rates.** The Borrower shall achieve a DSC Ratio of not less than 1.0 and a TIER of note less than 1.05. The Borrower shall not decrease its rates for electric service if it has failed to achieve a DSC Ratio of 1.0 for the calendar year prior to such reduction subject only to an order from a governmental authority properly exercising jurisdiction over the Borrower.
- 20. Financial Information. Applicant will cause to be prepared and furnished to CFC a full and complete report of its financial condition and operations as of the end of the Applicant's fiscal year in form and substance satisfactory to CFC, audited by independent certified public accountants nationally recognized or otherwise satisfactory to CFC and accompanied by a report of such audit in form and substance satisfactory to CFC. Such report shall be furnished within 120 days of the end of such fiscal year. Applicant also agrees that, so long as any amount due to CFC is outstanding under this Agreement, Applicant shall deliver to CFC a copy of Applicant's monthly and quarterly financial statements, and a copy of Applicant's annual audit report. Monthly statements shall be furnished within thirty (30) days after the end of the quarter.

The foregoing requirements shall survive the making of Draws hereunder and the expiration of a Letter of Credit until all sums due under this Agreement have been paid in full.

**21. Late Fee; Collection Costs.** If payment of any principal and/or interest due under the terms of this Agreement is not received at CFC's offices in Herndon, Virginia, or such other place as CFC may designate, within 5 business days after the due date thereof, Applicant will pay to CFC, in addition to all other amounts due under the terms of this Agreement, a late payment charge as may then be in effect pursuant to CFC's policies of general application. Applicant further agrees to pay the costs of collection, including reasonable attorneys' fees, of any amount due under this Agreement.

### 22. GOVERNING LAW; SUBMISSION TO JURISDICTION; WAIVER OF JURY TRIAL.

THE PERFORMANCE AND CONSTRUCTION OF THIS AGREEMENT SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAWS OF THE COMMONWEALTH OF VIRGINIA.

APPLICANT HEREBY SUBMITS TO THE NONEXCLUSIVE JURISDICTION OF THE UNITED STATES COURTS LOCATED IN VIRGINIA AND OF ANY STATE COURT SO LOCATED FOR PURPOSES OF ALL LEGAL PROCEEDINGS ARISING OUT OF OR RELATING TO THIS AGREEMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY. APPLICANT IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY OBJECTION THAT IT MAY NOW OR HEREAFTER HAVE TO THE ESTABLISHING OF THE VENUE OF ANY SUCH PROCEEDING BROUGHT IN SUCH A COURT AND ANY CLAIM THAT ANY SUCH PROCEEDING HAS BEEN BROUGHT IN AN INCONVENIENT FORUM.

EACH OF THE APPLICANT AND CFC HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY AND ALL RIGHT TO TRIAL BY JURY IN ANY LEGAL PROCEEDING ARISING OUT OF OR RELATING TO THIS AGREEMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY.

**23. Notices:** All notices, requests and other communications provided for herein including, without limitation, any modifications of, or waivers, requests or consents under, this Agreement shall be given or made in writing (including, without limitation, by telecopy) and delivered to the Applicant at the address and telecopy number stated above, and to CFC at:

National Rural Utilities Cooperative Finance Corporation 2201 Cooperative Way Herndon, Virginia 20171-3025 Fax: (703) 709-6776

Either party my designate another address by notice as provided herein. All communications shall be deemed to have been duly given when personally delivered or, in the case of a telecopied or mailed notice, upon receipt, in each case given or addressed as provided for herein.

17. Miscellaneous. No modification or waiver of any provision of this Agreement, and no consent to any departure by Applicant therefrom, shall in any event be effective unless the same shall be in writing by the party granting such modification, waiver or consent. This Agreement and any schedules or exhibits together contain the entire agreement of the parties hereto with respect to

the matters covered and the transactions contemplated hereby. If any term, provision or condition of this Agreement shall for any reason be found or held invalid or unenforceable by any governmental agency or court of competent jurisdiction, such invalidity or unenforceability shall not affect the remainder of such term, provision or condition nor any other term, provision or condition, and this Agreement shall survive and be construed as if such invalid or unenforceable term, provision or condition had not been contained therein.

**IN WITNESS WHEREOF,** the parties hereto have caused this Agreement to be duly executed as of the day and year first above written.

We are pleased to inform you that National Rural Utilities Cooperative Finance Corporation (CFC) has approved a new credit facility for your company. The CFC documents for the facility are enclosed for execution.

As a condition of CFC's credit commitment, all of the attached documents must be executed by your cooperative and received by CFC within 90 days of the date of this correspondence. CFC's credit commitment is dependent upon the execution of the CFC documents by your cooperative and their receipt and acceptance by CFC. CFC will notify you after its receipt of the documents regarding the status of this facility.

Please note that the attached documents have been transmitted only to your cooperative. If you would like us to send a copy to your attorney or if you have any other questions, please contact me or the legal department contact listed in the enclosed instructions.

Please review the enclosed instructions for information on the number of copies of each document to be printed, executed and returned to CFC.

Any changes made to the documents to be executed by your Cooperative (i.e., the Loan Agreement, Note, Security Agreement, etc.) without the prior written consent of CFC shall invalidate all documents.

We at CFC appreciate the opportunity to do business with you and look forward to serving your financial needs in the future.

Please mail your executed documents to: Legal Administrative Assistant NRUCFC 2201 Cooperative Way Herndon, Virginia 20171

Letter of Credit Agreement

Nazir, it took a while, but Big Rivers' counsel has just provided the following comments regarding the extension of the existing \$15mm Letter of Credit Facility. I understand Bob Michel of Orrick has placed a call to James Jablonski to discuss.

Big Rivers' 1/20/09 board meeting has been deferred until 1/30/09, and board approval will be sought at that time. Big Rivers' counsel has determined giving its opinion necessitates Big Rivers' making a PSC filing requesting they promptly confirm no jurisdiction over the agreement and no need for their approval.

Please let me have your comments on our comments per the attachments hereto ASAP. Please call me should you wish to discuss.

Comments welcome.

Thanks, Mark

Nazir,

I hope all is well. Mark Hite informed me that we will have to replace the \$2 million MISO letter of credit when we extend our \$15 million Master facility for 1 year. I wanted to ask you about the Letter of Credit we issued to Kentucky Utilities LOC Number KY062-L-9001-010, which was issued on May 2, 2008 in the amount of \$670,000.00 and is scheduled to expire March 1, 2009.

- Is the Kentucky Utilities LOC still issued and outstanding? I have not been informed of any cancellation.
- 2. If the Kentucky Utilities LOC is still issued and outstanding, do we need to replace it at the same time we replace the MISO LOC?

Thanks

### **RECITALS**

**WHEREAS**, the Borrower and CFC are parties to that certain First Amended and Restated Letter of Credit Application and Agreement dated as of July 14, 2003, with respect to CFC Loan No. KY062-L-9001 (the "Original Agreement");

WHEREAS, the Borrower has requested an extension in the period during which letters of credit can be issued under the Original Agreement and the final date upon which all such letters of credit must expire and CFC has agreed to such modification subject to Borrower's agreement to extend its current line of credit reservation to the line of credit that will replace the line of credit provided for in the Revolving Credit Agreement (as defined in the Original Agreement), upon the termination thereof (the "Replacement Line of Credit");

**WHEREAS**, the Borrower and CFC have agreed to modify the Original Agreement as set forth herein to reflect the terms of such agreement;

**NOW, THEREFORE**, for and in consideration of the foregoing, and in further consideration of the premises and the mutual covenants herein contained, the parties hereto agree and bind themselves as follows:

**Section 1.** Recitals. The foregoing recitals are incorporated herein by reference.

**Section 2. Definitions.** Capitalized terms that are not defined herein shall have the meanings assigned to them as set forth in the Original Agreement.

### Section 3. Amendment.

**A.** The section of the Original Agreement titled "Letter of Credit Expiration Date; Termination of Agreement:" is hereby deleted in its entirety and is hereby amended to read as follows:

### "Letter of Credit Expiration Date; Termination of Agreement:

Each Letter of Credit issued hereunder shall expire on the date indicated thereon, but in no event shall such date be later than March 1, 2009. Provided that no default hereunder by Applicant has occurred and is continuing, CFC's obligation to issue any Letter of Credit under this Agreement shall remain in effect until February 28, 2009."

CFC AMEND KY062-A-9001 (JABLONJ) 122911-1

- **B.** Section 7(a) of the Original Agreement is hereby deleted in its entirety and is hereby amended to read as follows:
  - "(a) As of the date of this Agreement, Applicant and CFC have entered into that certain First Amended and Restated Revolving Credit Agreement, dated as of the date hereof (the "Revolving Credit Agreement"), pursuant to which Applicant may, subject to the terms and conditions thereof, borrow, repay, and reborrow an aggregate amount up of to \$15,000,000. The amount available at any time and from time to time under the Revolving Credit Agreement, or the line of credit agreement which is to replace the Revolving Credit Agreement upon the termination of Borrower's lease, power purchase agreement and other arrangements with subsidiaries of E.ON U.S. LLC (formerly LG&E Energy LLC) (such replacement agreement, is referred to herein as the "Replacement Credit Agreement), shall be referred to herein as the "Available Amount"."
- C. Section 7(c) of the Original Agreement is hereby deleted in its entirety and is hereby amended to read as follows:
  - "(c) Applicant hereby agrees not to request any Advance (as defined in the Revolving Credit Agreement until replaced by the Replacement Credit Agreement, then upon such replacement, as defined in the Replacement Credit Agreement) under the Revolving Credit Agreement (until replaced by the Replacement Credit Agreement, then upon such replacement, under the Replacement Credit Agreement) if the effect of such Advance would be to reduce the Available Amount below the sum of the Letter of Credit Amounts reflected in all issued and outstanding Letters of Credit.
- **C.** Section 8(c) of the Original Agreement is hereby deleted in its entirety and is hereby amended to read as follows:
  - "(c) If, prior to the close of business on the day that any Draw under a Letter of Credit has been made, Applicant has not paid the Draw Amount to CFC, Applicant hereby authorizes CFC to make an Advance under the Revolving Credit Agreement (until replaced by the Replacement Credit Agreement, then upon such replacement, under the Replacement Credit Agreement) in an amount equal to the Draw Amount to apply such Advance to pay the Draw Amount on behalf of Applicant."
- **Section 4.** Conditions. This Amendment shall become effective upon CFC's receipt of this Amendment and an amendment to the Line of Credit Reserve Authorization dated July 14, 2003 made by Borrower in favor of CFC to extend such reservation to the Replacement Line of Credit.
- **Section 5.** Representations and Warranties. The Borrower represents and warrants that:
- **5.1** Good Standing. The Borrower is duly organized, validly existing and in good standing under the laws of the jurisdiction of its incorporation or organization, is duly qualified to do business and is in good standing in those states in which it is required to be qualified to conduct its business.
- **5.2 Authority.** The execution, delivery and performance by the Borrower of this Amendment and the performance hereof have been duly authorized by all necessary corporate action and will not violate any provision of law or of the Articles of Incorporation or bylaws of the

Borrower or result in a breach of, or constitute a default under, any agreement, indenture or other instrument to which the Borrower is a party or by which it may be bound.

- **5.3 Material Adverse Change.** There has been no material adverse change in the financial condition or operations of the Borrower since the date of the Original Agreement, except as set forth in the most recent financial statements submitted to CFC or as otherwise disclosed in writing to CFC prior to the date hereof.
- 5.4 REQUIRED APPROVALS. NO LICENSE, CONSENT OR APPROVAL OF ANY GOVERNMENTAL AGENCY OR AUTHORITY IS REQUIRED TO ENABLE THE BORROWER TO ENTER INTO THIS AMENDMENT, OR TO PERFORM ANY OF THE OBLIGATIONS PROVIDED FOR HEREIN, EXCEPT AS HAVE BEEN OBTAINED BY THE BORROWER AND DELIVERED TO CFC PRIOR TO THE DATE HEREOF.
- **5.5 Prior Representations and Warranties.** All representations and warranties made by the Borrower in the Original Agreement are true and correct as of the date hereof.

### Section 6. Miscellaneous.

- **6.1 Modifications.** No modification or waiver of any provision of this Amendment, and no consent to any departure by Borrower therefrom, shall in any event be effective unless the same shall be in writing by the party granting such modification, waiver or consent.
- **6.2 Merger and Integration.** This Amendment, the Original Agreement and the matters incorporated by reference contain the entire agreement of the parties hereto with respect to the matters covered and the transactions contemplated hereby.
- **6.3** Incorporation; Inconsistency with Original Agreement. Except as specifically waived by CFC or otherwise amended or modified herein, the terms, conditions and provisions of the Original Agreement are incorporated herein by reference as if set forth in full herein and remain in full force and effect. In the event of any conflict or inconsistency between the terms of this Amendment and the Original Agreement, the terms of this Amendment shall control.

**IN WITNESS WHEREOF**, the parties hereto have caused this Amendment to be duly executed as of the day and year first above written.

# EXCERPT FROM THE MINUTES OF REGULAR MEETING OF THE BOARD OF DIRECTORS OF BIG RIVERS ELECTRIC CORPORATION HELD IN HENDERSON, KENTUCKY, ON DECEMBER 20, 2002

After an explanation by Messrs. Core and Hite, Director Elder moved, seconded by Director Sills, that the following resolution be adopted:

WHEREAS, Big Rivers Electric Corporation ("Big Rivers") has determined that it is in its best interest to seek an extension of its existing \$15 million line of credit (the "Line of Credit") with the National Rural Utilities Cooperative Finance Corporation ("CFC") and related \$15 million master letter of credit facility (the "LC Facility") also with CFC (collectively, the "CFC Transaction");

WHEREAS, in connection with the extensions of the Line of Credit and LC Facility, Big Rivers must seek the consent and approval of its lenders, including the United States Department of Agriculture Rural Utilities Service ("RUS");

WHEREAS, Big Rivers has submitted an application to the RUS requesting its consent to and approval of the extension of the Line of Credit and the LC Facility;

WHEREAS, RUS has informed Big Rivers that (i) it will retain outside counsel in connection with the review of the application and negotiation of the necessary documents, and (ii) the fees and disbursements of such outside counsel must be paid by Big Rivers;

WHEREAS, the retention of outside counsel by RUS is governed by 7 C.F.R. Part 1789 (the "Regulations"), which provide that in order for RUS to retain outside counsel, Big Rivers must enter into certain agreements, including a funding agreement (the "Funding Agreement"), an escrow agreement (the "Escrow Agreement") and an indemnification agreement (the "Indemnification Agreement"), forms of each of which are attached hereto as Exhibits A, B and C, respectively; and

WHEREAS Big Rivers intends to obtain from the Kentucky Public Service Commission and any and all other persons any and all consents or approvals as are necessary, desirable or appropriate in connection with the CFC Transaction.

NOW, THEREFORE, it is hereby resolved by the board of directors of Big Rivers that:

RESOLVED, that the president or any vice president of Big Rivers (collectively, the "officers") be, and each of them hereby is, authorized and directed to take such actions as are necessary, desirable or appropriate in order to effectuate the retention by RUS of outside counsel pursuant to the Regulations and the payment by Big Rivers of the fees and expenses of such counsel in connection with the review and processing of the application submitted to RUS and the negotiation of the necessary documents;

RESOLVED FURTHER, that the Funding Agreement, the Escrow Agreement and the Indemnification Agreement are hereby approved in substantially the forms attached, subject to and with such changes therein as the officers may approve as necessary or desirable, such approval to be conclusively evidenced by the execution thereof, and each of them hereby is, authorized and directed to execute and deliver such agreements and to cause Big Rivers to perform, or cause to be performed, all of its obligations under such agreements;

# EXCERPT FROM THE MINUTES OF REGULAR MEETING OF THE BOARD OF DIRECTORS OF BIG RIVERS ELECTRIC CORPORATION HELD IN HENDERSON, KENTUCKY, ON DECEMBER 20, 2002

RESOLVED FURTHER, that the officers be, and each of them hereby is, authorized and directed to take such actions as are necessary, desirable or appropriate in order to obtain from the Kentucky Public Service Commission and any and all other persons any and all consents or approvals as are necessary, desirable or appropriate in connection with the CFC Transaction; and

RESOLVED FURTHER, that the officers be, and each of them hereby is, authorized to negotiate, execute and deliver or accept such documents, to attest to and affix the seal of Big Rivers thereto, if necessary, and to take any and all further action as may be required on the part of Big Rivers or deemed necessary or advisable by any officer to carry out, give effect to and consummate the transactions contemplated hereby and the purposes and intent of the foregoing resolutions.

The motion was unanimously adopted.

I, Paula Mitchell, Executive Secretary of the Board of Directors of Big Rivers Electric Corporation, hereby certify that the above is a true and correct excerpt from the minutes of the Regular Meeting of the Board of Directors of said Corporation held on 12-20-02.

### RECITALS

WHEREAS, in consideration of CFC's issuance of letters of credit under that certain First Amended and Restated Letter of Credit Application and Agreement dated as of July 14, 2003, with respect to CFC Loan No. KY062-L-9001 (the "Letter of Credit Agreement"), the Borrower executed that certain Line of Credit Reserve Authorization dated July 14, 2003 in favor of CFC ("Original Reservation");

WHEREAS, the Borrower and CFC are entering into an amendment to the Letter of Credit Agreement to extend the period during which letters of credit can be issued and the final date upon which all such letters of credit must expire (the "Letter of Credit Amendment"); and

WHEREAS, the Letter of Credit Amendment is subject to Borrower's agreement to extend the Original Reservation to the line of credit that will replace the line of credit provided for in the Revolving Credit Agreement, upon the termination thereof (the "Replacement Line of Credit").

**NOW, THEREFORE**, for and in consideration of the foregoing, and in further consideration of the premises and the mutual covenants herein contained, the parties hereto agree and bind themselves as follows:

**Section 1.** Recitals. The foregoing recitals are incorporated herein by reference.

**Section 2. Definitions.** Capitalized terms that are not defined herein shall have the meanings assigned to them as set forth in the Original Reservation.

**Section 3.** Amendment. The third and fourth paragraphs of the Original Reservation are hereby deleted in their entirety and are hereby amended to read as follows:

"If, prior to the close of business on the day that any Draw under a Letter of Credit has been made, Borrower has not paid the Draw Amount to CFC, Borrower hereby authorizes CFC to make an Advance (as defined in the Revolving Credit Agreement until replaced by the Replacement Credit Agreement, then upon such replacement, as defined in the Replacement Credit Agreement) under the Revolving Credit Agreement (until replaced by the Replacement Credit Agreement, then upon such replacement, under the Replacement Credit Agreement) in an amount equal to the Draw Amount and to apply such Advance to pay the Draw Amount on behalf of Borrower.

Borrower agrees that, so long as any amounts are outstanding under the Letter of Credit Agreement, Borrower shall maintain the line of credit with CFC provided for in the Revolving

CFC SECINS KY062-A-9001 (JABLONJ) 123126-1 Credit Agreement (until replaced by the Replacement Credit Agreement, then upon such replacement, the line of credit provided for in the Replacement Credit Agreement) in an amount that is at all times at least equal to \$15,000,000. The amount available at any time and from time to time under the Revolving Credit Agreement (until replaced by the Replacement Credit Agreement, then upon such replacement, under the Replacement Credit Agreement) shall be referred to herein as the "Reserve Amount". Borrower hereby agrees not to request any Advance (as defined in the Revolving Credit Agreement until replaced by the Replacement Credit Agreement, then upon such replacement, as defined in the Replacement Credit Agreement) under the Revolving Credit Agreement (until replaced by the Replacement Credit Agreement, then upon such replacement, under the Replacement Credit Agreement) if the effect of any such Advance would be to reduce the Reserve Amount below the sum of the Letter of Credit Amounts reflected in all issued and outstanding Letters of Credit."

### Section 4. Miscellaneous.

- **4.1 Modifications.** CFC's signature hereon reflects the written consent required of CFC for modifications of the Original Reservation. No modification of any provision of this Amendment shall in any event be effective unless the same shall be consented to in writing by the parties hereto.
- **4.2 Merger and Integration.** This Amendment, the Original Reservation and the matters incorporated by reference contain the entire agreement of the parties hereto with respect to the matters covered and the transactions contemplated hereby.

**IN WITNESS WHEREOF**, the parties hereto have caused this Amendment to be duly executed as of the day and year first above written.

Mark,

I was printing these documents out for Bill and noticed that the third document either has pages missing or is simply numbered wrong. The sequence shown in this document is Page 1, 2, 3 and 6 where 4 and 5 are ??? Just thought you might want to know.

Thanks, Vickie

Regarding our requested modifications to the \$15 million CFC Master Letter of Credit Facility, extending it to 3/1/2009, attached hereto are the associated documents. The 4th file attached hereto contains the instructions for executing the modifications. Paula, please see that this is included on the June 20 Board agenda. Mike will then need to execute the agreements and return them to CFC pursuant to those instructions.

Any questions, give me or Nazir a call. Once again, CFC has worked very hard to accommodate Big Rivers, and I am most appreciative. They clearly demonstrate they are a valued business partner.

Paula, once executed and final, please provide me a copy for my files.

Thanks, Mark

We are pleased to inform you that National Rural Utilities Cooperative Finance Corporation (CFC) has approved a modification to the above-referenced credit facility for your company. The CFC documents for the modification are enclosed for execution.

As a condition of CFC's credit commitment, all of the attached documents must be executed by your cooperative and received by CFC within 90 days of the date of this correspondence. CFC's credit commitment is dependent upon the execution of the CFC documents by your cooperative and their receipt and acceptance by CFC. CFC will notify you after its receipt of the documents regarding the status of this facility.

Please note that the attached documents have been transmitted only to your cooperative. If you would like us to send a copy to your attorney or if you have any other questions, please contact me or the legal department contact listed in the enclosed instructions.

Please review the enclosed instructions for information on the number of copies of each document to be printed, executed and returned to CFC.

Any changes made to the documents to be executed by your Cooperative (i.e., the Loan agreement, Note, Security Agreement, etc.) without the prior written consent of CFC shall invalidate all documents.

We at CFC appreciate the opportunity to do business with you and look forward to serving your financial needs in the future.

Please mail your executed documents to: Legal Administrative Assistant NRUCFC 2201 Cooperative Way Herndon, Virginia 20171

Good morning! Following up on my email below, while Big Rivers' existing secured \$15 million revolving credit agreement (line of credit) terminates 7/14/2013, the underlying master letter of credit agreement (letter of credit, KY-L-9001) and reserve authorization, R-5101, terminate 3/1/2009. As you may recall, in anticipation of the Unwind closing, effective 6/5/2008 the letter of credit facility was extended from 7/14/2008 to 3/1/2009. Due to delay of the anticipated Unwind closing date, Big Rivers believes a further extension is warranted at this time (due to uncertainty of the Unwind closing date) in order to ensure its ability to prudently buy and sell power on the open market during 2009.

I'll give you a call momentarily to discuss a further extension.

Subject: Big Rivers

Wanted you to see the attached letter regarding the Unwind status at the KPSC. While I may have recently mentioned to you the now targeted Unwind closing date of 2/26/2009, the Unwind closing delays are resulting in growing concern regarding Big Rivers' expiring 3/1/2009 existing \$15 million line of credit, and underlying letter of credit, with CFC. Can we work with CFC to once again extend this facility (I tentatively suggest one year). This matter, plus Big Rivers' \$142.1 million outstanding variable rate pollution control bonds insured by Ambac are two items of significant concern that I'd like to pursue resolution with CFC.

Without the facility noted above, Big Rivers may not be able to maximize its off-system sales value. Ambac's association with the PCBs has both issues trading at a very high interest rate. I question the wisdom of waiting until the Unwind closing (if and when it occurs) to resolve these matters. I welcome your thoughts how best to proceed on one or both.

Subject: Re: PCBs

Thanks for your inquiry. We understand the high interest rate environment we are in now. CFC advocates a fixed rate (for multi years or for term) or a 6-month T/E issue - at an appropriate time, for your consideration...

As for the timing, the market for 6-month T/E issues - which is CFC's overwhelming V/R preference - is very tight and the timing is not good right now. When it unfreezes, it would be a good time to go.

The market for fixed rate appears available but shallow - it could grow slowly following yesterday's launch/partial success of the California issue. Rates currently range close to 6%+.

The documents/structure/we prefer is the standard CFC package,/team, I outlined previously. Stepping into an existing set of documents is very very challenging and I would not want us/you to be subjected to it.. Give us a call and we can talk more.

PCBs

Good afternoon! Wanted to make an inquiry of you.

Although the Unwind is now targeted for a 2/26/09 closing date, with the numerous leveraged lease parties now off Big Rivers' mortgage, seems RUS sould be agreeable to CFC taking Ambac's senior mortgage position for the

\$142.1 million PCBs? Of course, upon the Unwind closing, the PCBs would become pari-passu with all other secured debt under the Indenture. With the \$83.3 million issue now at 18% (the maximum rate), and the \$58.8 million now at 8%, Big Rivers really should get'er done ASAP rather than wait until shortly post-Unwind. I seem to recall CFC's 6 month variable rate mode is trading about 3% all in. But, perhaps CFC would be unwilling to refinance the PCBs pre-Unwind due to the balance sheet of Big Rivers.

As you know, immediately post-Unwind Big Rivers will have very strong financial metrics. Any thoughts? Waiting to do the PCB refinancing is costing Big Rivers significant precious \$\$.

Subject: FW: CFC Line of Credit

Hello Krishnal Hope you and CFC are doing great.

Am forwarding the email below to you, plus wish to give inform you of another important matter.

As you may recall, Big Rivers bought out Bank of America's interest in Big Rivers' leveraged lease on 6/30/08. Big Rivers is now working diligently to consummate a similar buy-out of PMCC's interest on 9/30/08, which will effectively terminate such lease. As with the Bank of America buy-out transaction, CFC, as a party to certain existing Big Rivers' agreements, will be asked to consent to an Omnibus Termination Agreement for the PMCC buy-out. Big Rivers apologizes for this short notice, but an opportunity quickly arose, and is available for only a short period of time. Big Rivers wishes to inform CFC of its intent, signaling its plan to deliver the document seeking CFC's expedited consent shortly.

Please let me know if you have any questions. I'll phone you momentarily to discuss this.

Subject: CFC Line of Credit

Good morning! Hope all is well with you.

As you know, Big Rivers has not yet closed the "unwind" transaction. Does our agreement for the 5 year \$50 million CFC line of credit that's to become effective on the "unwind" closing date have a "drop dead" effective date. We're hoping to close the "unwind" by years end. Our general counsel is asking me this question.

# A Conversation with the Governor

December 2008

**CFC** Member Capital Securities

## Today's Speaker Is...

**Sheldon C. Petersen**Governor & CEO

#### **Overview**

- Current market conditions
- Bank deleveraging and capacity of financial markets
- CFC's new Member Capital Securities
- What the future holds

#### **Current Market Conditions**

- Huge market deterioration since last Webinar.
- Dramatic drop in stock market combined with collapse of credit markets makes this different from prior downturns.

## Causes of Credit Market Collapse

- Roots in subprime market.
- Volatile \$50 trillion credit default swap market.
- Extraordinary excess leverage of investment banks.
- Most severe stress caused by Lehman Brothers failure.
- Investor confidence destroyed.

#### **Results of Turmoil**

- Frozen corporate credit.
- Huge corporate spreads.
- \$650 billion in U.S. bank write-downs.
- Widespread economic downturn.
- Deflation.
- 20 percent of bank capital now owned by U.S. government.

## Impact on CFC

- Co-ops are growing at levels we haven't seen in decades.
- We don't trade in MBS, CDOs, CLOs or CDSs that brought down other banks.
- No mystery exposure.
- Minor exposure to Lehman.

## Funding

- Able to sell commercial paper.
- Tapped CPFF for capital.
- Syndication market unavailable.
- Banks without capital to commit.
- Long-term market:
  - Open but expensive
  - Expected to improve over time
  - CFC only financial issuer in October

## Deleveraging: A New Focus

- All financial institutions being forced to deal with leverage issues.
- Leverage was severely abused.
- Naked CDS: Simply gambling.
- Markets are redefining expectations on reserves/ equity.
- In particular, rating agencies are looking at leverage ratios.

## How Does This Apply to CFC?

- CFC is an independent finance company:
  - Not affiliated with a bank
  - Not part of a holding company
  - Not part of a GSE funding group
- Independence can be a strength:
  - Freedom, low regulation
- Independence can be a weakness:
  - Exposure to volatility, no discount window

## Improving CFC's Leverage Ratio

- Market requiring less leverage/more equity.
- QUICS no longer a viable option.
- As a cooperative, the only place we can turn for additional investment is from you, our members.

## Raising Capital

- Beyond normal lending operations,
   CFC has asked for members' capital investment only twice in 40 years:
  - When we first formed 1969/1970.
  - As part of an equity stabilization plan 1983/1984.
- Since 1984, CFC loan portfolio has gone from \$2.5 billion to \$20 billion.
- CFC's debt-to-equity ratio of 8.4-to-1 is too high for current environment.

## Member Capital Securities

- New round of capital infusion.
- Electric cooperatives need funding to meet growing demand for power.
- More CFC equity = more funding available to electric cooperatives.
- Send message to rating agencies that co-op business model is <u>not</u> a handicap.
- Hope to raise \$300 to \$500 million through MCS.

#### **MCS Facts**

- Available to all voting members of CFC.
- Minimum investment is \$25,000 with increases in multiples of \$5,000.
- Term is 35 years with five-year call.

#### MCS Facts

- Initial offering will be at a fixed rate...
   current rate is 7.5%.
- Interest is paid semi-annually.
- Members get "equity credit."
- MCS are exempt from RUS investment restrictions.
- MCS are registered but unrated.
- Helps reduce CFC leverage ratio.

## Financial Challenge

- Troubled credit in telecom portfolio, ICC.
- Reported on problem for several years in SEC filings.
- Long, healthy relationship until 2004.
- ICC quit paying debt service in 2005, and we went to court.
- Working to resolution through bankruptcy courts.

## Financial Challenge

- CFC has been well reserved against possible loss for years. However, asset value has plummeted as a result of economic downturn.
- CFC expects to record a loss provision ranging from \$90 million to \$140 million for the quarter ended November 30, 2008.
- The loss provision may differ from the range provided above as a result of ongoing evaluation of capital market data.
- This increase to loss provision has no impact on cash flow or CFC's ability to service its outstanding debt.

#### What the Future Holds

- Banks will need time to rebuild.
- More write-downs will happen.
- Investors need to regain confidence.
- More regulation is coming.
- Credit will cost more.
- Leverage becomes more important.
- Banks have to start lending again.

#### What the Future Holds

- Utilities are best positioned and will be first to recover.
- CFC continues to focus on our mission... funding our members' capital needs.
- Consider MCS an investment in the future of the electric cooperative network.

#### How to Purchase

- Prospectus and Accommodation Letter available on Web site.
- CFC Capital Markets Funding Group takes orders.
- Settlement within three business days of order placed.

#### For More Information on MCS

- View Governor Petersen's speech delivered at IBES on the members-only Extranet.
- Contact your Regional Vice President.
- Read more about Member Capital Securities on the CFC Web site.
- Call the CFC Investment Line at 800-424-2954, ext 6731.

Nazir,

I hope all is well. Mark Hite informed me that we will have to replace the \$2 million MISO letter of credit when we extend our \$15 million Master facility for 1 year. I wanted to ask you about the Letter of Credit we issued to Kentucky Utilities LOC Number KY062-L-9001-010, which was issued on May 2, 2008 in the amount of \$670,000.00 and is scheduled to expire March 1, 2009.

- 1. Is the Kentucky Utilities LOC still issued and outstanding? I have not been informed of any cancellation.
- 2. If the Kentucky Utilities LOC is still issued and outstanding, do we need to replace it at the same time we replace the MISO LOC?

Thanks

## II. Put Bonds

## Put bonds will allow BREC to move down the yield curve while locking in a fixed borrowing cost over the medium term.

- Put Bond Characteristics
  - Traditionally 2-5 year tenor
  - Fixed interest rate
  - Investors have ability to put the bonds back to issuer on mandatory tender date
- Put bonds can have a "soft" or "hard" put on tender date
  - Soft Put
    - Fixed rate until mandatory tender date, at which time if the bonds cannot clear the market, existing investors hold at maximum rate
  - Hard Put
    - Fixed rate until mandatory tender date, at which time if the bonds cannot clear the market, issuer or liquidity provider must fund
- Considerations
  - Investors will charge a "put premium" for taking liquidity risk
  - Rating agencies may require BREC procure liquidity to support mandatory tender

# BIG RIVERS ELECTRIC CORPORATION'S RESPONSE TO THE KENTUCKY INDUSTRIAL UTILITY CUSTOMERS, INC.'S MARCH 17, 2009 FIRST DATA REQUEST TO BIG RIVERS ELECTRIC CORPORATION PSC CASE NO. 2009-00040 March 24, 2009

**Item 1-12)** Please provide all Big Rivers Board of Directors minutes and presentations made to the Board over the last twelve months.

Response) Big Rivers raised several objections to this information request in its pleading filed March 20, 2009. After discussion between counsel for Big Rivers, and counsel for KIUC it was determined that no complete agreement on the objections could be reached, and that Big Rivers will generally file information that is non-privileged, and that may be relevant to or may lead to the discovery of information relevant to the subject matter of this proceeding. In that respect, because the need for this case began with the PMCC leveraged lease buyout on September 30, 2008, and consideration of that solution did not begin until August of 2008, Big Rivers has limited the period covered to the period beginning with August 2008, and has in some instances deleted information related to the unwind transaction, which clearly has no relevance to this proceeding. KIUC will review the information produced, and take whatever additional action it deems appropriate.

Big Rivers has made a good faith investigation to identify and produce all information that is responsive to this data request. If Big Rivers subsequently discovers additional information responsive to this data request that has not been produced with this response, this response will be supplemented to provide that information.

### BIG RIVERS ELECTRIC CORPORATION ANNUAL BOARD OF DIRECTORS MEETING SEPTEMBER 19, 2008

The annual meeting of the Board of Directors of Big Rivers Electric Corporation was called to order at 8 a.m., CDT, on Friday, September 19, 2008, at 201 Third Street, Henderson, Kentucky, 42420.

Bill Denton, Chair, presided and Lee Bearden, Secretary-Treasurer, acted as Secretary of the meeting.

Upon calling the roll, the Secretary-Treasurer reported that the following directors were present: Messrs. Denton, Sills, Elder, Bearden, Butler and Elliott. Also present were Mike Core, president/CEO; Jim Miller, corporate counsel; Mark Bailey, James Haner, Travis Housley, Mark Hite, David Spainhoward, David Crockett and Al Yockey, Big Rivers' senior management; Bob Berry, WKE Reid/Green plant manager; Bob Michel, Orrick, Herrington & Sutcliffe; Bob Mudge, The Brattle Group; Sandy Novick, president, Kenergy Corp.; Kelly Nuckols, president, Jackson Purchase Energy Corp., and Burns Mercer, president, Meade County RECC.

By consensus, the board met in executive session. After reconvening in regular session, Director Bearden gave the invocation.

Director Butler moved, seconded by Director Elder, that the minutes of the August 15, 2008, regular board of directors' meeting be approved. The motion was unanimously adopted.

Carl Lyon, special counsel to the Board, and Jack Gaines, consultant to the member cooperatives, joined the meeting by phone. After an update on the PMCC sale/leaseback buyout options, it was the consensus of the board to authorize management to move forward with negotiations regarding a buyout. Upon conclusion of the negotiations, a conference call will be scheduled with the board to review and act upon management's recommendation.

As part of the unwind update: (1) corporate counsel and David Spainhoward summarized regulatory issues, (2) Mark Bailey reported on the progress with the smelters and the most recent proposal from HMP&L, and (3) James Haner summarized the discussions with the WKE bargaining unit. Mr. Haner also advised that management will begin negotiations with Big Rivers' bargaining unit soon since the labor contract expires the middle of October 2008.

Mark McAdams presented an overview of the fuel hedge policy and the proposed action plan.

In Bill Blackburn's absence, Ralph Ashworth, manager of accounting, presented the July 2008 Budget/Actual Variance Analysis and the August 2008 investment report. The board directed that the July 2008 financial statements and the August 2008 investment report be filed in the corporate records.

There being no unfinished business, the Chair called for new business. The first item of business was the election of new officers. Director Elder moved, seconded by Director Butler, that the current officers (Bill Denton, Chair; James Sills, Vice Chair; and Lee Bearden, Secretary-Treasurer) of the corporation be re-elected by acclamation. The motion was unanimously adopted.

After an explanation by David Crockett, Director Elder moved, seconded by Director Sills, that Amendment No. 1 to Work Order No. 917, the design and construction of approximately 4.6 miles of 69 kV transmission line from Big Rivers McCracken County Substation to the Olivet Church Road Tap, be approved. The motion was unanimously adopted.

After an explanation by Mr. Crockett, Director Butler moved, seconded by Director Elliott, that Work Order No. 919, the design and construction of a 13.2 mile 161 kV transmission line segment from Wilson EHV Substation to a tap point in the Hardinsburg to TVA Paradise 161 kV line, be approved. The motion was unanimously adopted.

After a review by Mark Hite of Deloitte & Touche's recent proposal, Director Sills moved, seconded by Director Bearden, that management be authorized to engage Deloitte & Touche to perform Big Rivers' 2008 financial statements audit (\$125,000 plus expenses), to finalize the preparation of the 2008 income tax returns (\$45,000 plus expenses), and to provide various GAAP and tax advisory services (up to \$300,000 plus expenses). The motion was unanimously adopted. Management did announce plans to bid this work for 2009 following the close of the unwind transaction.

James Haner reviewed Big Rivers' insurance procurement process and the property/casualty insurance package that would be effective upon close of the unwind transaction.

After an explanation by Mr. Haner of health plan renewal rates for 2009, Director Elliott moved, seconded by Director Sills, that the renewal of the current health plan coverage with

NRECA be approved as presented. The motion was unanimously adopted.

After an overview by Mr. McAdams of WKE's barge fleet and a review of the economic evaluation, Director Elder moved, seconded by Director Elliott, that management be authorized to purchase the 16 barge fleet from WKE upon successful completion of the unwind and lease termination for the depreciated book value at the time of closing of an estimated \$1,310,140.55. The motion was unanimously adopted.

The Chair called for the legal report. Corporate counsel stated that a written legal report had been distributed to the board members for their review prior to the board meeting and reported there were no new developments since the date of the written report.

The following reports were sent to the directors for their information: Outage Report for August 2008, Arbitrage Summary, Professional Services Report for July 2008, July 2008 Cash Flow Report, Activity Reports for (1) Enterprise Risk Management and Strategic Planning, (2) External Relations and Interim Production, (3) Financial Services, Power Resources, Information Technology and Fuels, (3) Special Projects and (4) System Operations, and 2008 Safety Incident Statistics.

There being no further business, Director Butler moved, seconded by Director Bearden, that the meeting be adjourned at 11:55 a.m.

### BIG RIVERS ELECTRIC CORPORATION TELEPHONIC SPECIAL BOARD OF DIRECTORS MEETING SEPTEMBER 25, 2008

A telephonic special meeting of the Board of Directors of Big Rivers Electric Corporation was held at 6 p.m., CDT, on Thursday, September 25, 2008.

Bill Denton, Chair, presided and Lee Bearden, Secretary-Treasurer, acted as Secretary of the meeting.

Upon calling the roll, the Secretary-Treasurer reported that the following directors participated in the call: Messrs. Denton, Sills, Elder, Bearden, Butler and Elliott. Also participating in the call were Mike Core, president and CEO; Jim Miller, corporate counsel; Mark Bailey, James Haner, Mark Hite, Bill Blackburn, David Spainhoward, and Al Yockey, Big Rivers' senior management; Carl Lyon, special counsel to the board; Bob Mudge, The Brattle Group; Sandy Novick, president, Kenergy Corp.; Kelly Nuckols, president, Jackson Purchase Energy Corp.; and Burns Mercer, president, Meade County RECC.

After an explanation by management, Mr. Lyon, and corporate counsel and discussion by the Board of the Philip Morris Capital Corporation buyout options and the implications of those versus other alternatives for resolving the problems created by the downgrade of the ratings of Ambac Assurance Corporation, Director Elder moved, seconded by Director Sills, that the following resolutions be adopted:

WHEREAS, Big Rivers Electric Corporation ("Big Rivers"), PBR-1 Trust, PBR-2 Trust, PBR-3 Trust, PBR-1 OP Trust, PBR-2 OP Trust, PBR-3 OP Trust, Trustee, Bluegrass Leasing, AME Investments and CoBank, are parties to three separate Participation Agreements, each dated as of April 1, 2000 (each, a "Participation Agreement" and, collectively, the "Participation Agreements"), pursuant to which Big Rivers has leased to the three separate Owner Trusts undivided interests in the Plant Robert D. Green Unit 1 and 2 and Plant D.B. Wilson Unit No. 1, respectively, pursuant to three separate Head Leases, each dated as of April 1, 2000, between Big Rivers and an Owner Trust (each, a "Head Lease" and, collectively, the "Head Leases") for a term extending beyond the useful

life of the Robert D. Green Units and the Wilson Unit. Each Undivided Interest was leased by an Owner Trust back to Big Rivers pursuant to three separate Facility Leases, each dated as of April 1, 2000 (each, a "Facility Lease" and, collectively, the "Facility Leases") for a term of approximately 27 years. The beneficial interest in the PBR-1 Trust, PBR-2 Trust and PBR-3 Trust is owned by the PBR-1 OP Trust, PBR-2 OP Trust and PBR-3 OP Trust, respectively;

WHEREAS, it is proposed that Big Rivers enter into an Omnibus Termination Agreement (the "PMCC Termination Agreement"), among Big Rivers, Big Rivers Leasing Corporation, PBR-1 Trust, PBR-2 Trust, PBR-3 Trust, PBR-1 OP Trust, PBR-2 OP Trust, PBR-3 OP Trust, Trustee, Bluegrass Leasing, AME Investments, LLC, CoBank, ACB, AME Asset Funding, LLC, U.S. Bank National Association, AIG Matched Funding Corp., Ambac Credit Products, LLC, and Ambac Assurance Corporation, a copy of which is attached hereto as Exhibit A;

WHEREAS, pursuant to the PMCC Termination Agreement, Big Rivers will purchase each of the Facility Lessor's Interests (including all of the right, title and interest of each of the respective Owner Trust in, to and under the Undivided Interest in the Robert D. Green Units and the Wilson Unit, respectively), and each of the Owner Trusts will agree to such purchase provided that, as consideration therefor, (a) the Series A Lender will agree for the benefit of each of the Owner Trusts and Big Rivers to accept all right, title and interest under each Payment Agreement as prepayment in full of each of the respective Series A Loans (collectively, the "Series A Prepayment"), (b) each Owner Trust will receive from Big Rivers funds sufficient to prepay in full all amounts due under and in connection with each of the Series B Loans including the Make-Whole Payment (collectively, the "Series B Prepayment Amount"), and (c) Bluegrass Leasing will receive from Big Rivers funds and a promissory note (in the form attached to the PMCC Termination Agreement, the "Promissory Note"), which in the aggregate will equal the amount (the "OP Payment Amount") specified in the PMCC Termination Agreement (collectively, clauses (a), (b) and (c), the "Lessor Consideration"), and in return each Owner Trust and Big Rivers will agree that Big Rivers will receive each of the Facility Lessor's Interests;

WHEREAS, as a result of the Series A Prepayment and payment of the Series B Prepayment Amount, all of the Loan Certificates will be, and will be deemed to be, prepaid in full;

WHEREAS, concurrently with the transfer of each of the Facility Lessor's Interests, subject to the terms and conditions set forth in the PMCC Termination Agreement, each of the parties to such PMCC Termination Agreement will agree to terminate the operative documents relating to the Participation Agreements, the Facility Leases and the Head Leases;

WHEREAS, in connection with the transactions described in the PMCC Termination Agreement, it is proposed that Big Rivers deliver the Promissory Note and enter into (a) an Unwind Agreement (the "<u>Unwind Agreement</u>") between Big Rivers and CoBank, a copy of which is attached hereto as <u>Exhibit B</u>, regarding the disposition of the Government Securities, and (b) a letter agreement, among Big Rivers, E.ON U.S. LLC ("<u>E.ON U.S.</u>"), Alcan Primary Products Corporation and Century Aluminum of Kentucky General Partnership (the "<u>Cost-Share Agreement</u>"), regarding sharing of the cost of the OP Payment Amount among such parties a copy of which is attached hereto as <u>Exhibit C</u>;

WHEREAS, Big Rivers has concluded that it is in its best interest to enter into the PMCC Termination Agreement, the Unwind Agreement and the Cost-Share Agreement and to deliver the Promissory Note.

NOW, THEREFORE, it is hereby resolved by the Board of Directors of Big Rivers that:

RESOLVED, that the President, Michael H. Core, the Executive Vice President, Mark A. Bailey, or any Vice President of Big Rivers (collectively, the "Officers") be, and each of them hereby is, authorized and directed to execute and deliver on behalf of Big Rivers the PMCC Termination Agreement, the Unwind Agreement, the Cost-Share Agreement and the Promissory Note, with such amendments or modifications to the forms attached to these minutes as any of the Officers deems necessary or desirable, and to negotiate, execute and deliver on behalf of Big Rivers such additional documents, agreements and certificates as any of the Officers deems necessary or desirable, such approval to be conclusively evidenced by the execution thereof, and each of the Officers is hereby authorized and directed to execute and deliver such agreements and to cause Big Rivers to perform, or cause to be performed all of its obligations under the above identified agreements;

RESOLVED FURTHER, that the Officers be, and each of them hereby is, authorized and directed to take such actions as are necessary, desirable or appropriate in order to obtain, or cause Big Rivers to obtain, from the Kentucky Public Service Commission and any and all other persons, any and all consents or approvals as are necessary or desirable in connection with the consummation of the PMCC Termination Agreement, the Unwind Agreement, the Cost-Share Agreement, the Promissory Note, and any other such documents, agreements and certificates;

RESOLVED FURTHER, that the Officers be, and each of them hereby is, authorized, in the name and on behalf of Big Rivers, to make all payments and incur all expenses in connection with the consummation of the PMCC Termination Agreement, the Unwind Agreement, the Cost-Share Agreement, the Promissory Note, any other such documents, agreements, certificates, and these resolutions as such Officer shall determine to be necessary or desirable, such payment to conclusive evidence of such determination;

RESOLVED FURTHER, that all actions previously taken by the Officers in connection with, or in preparation for, the consummation of the PMCC Termination Agreement, the Unwind Agreement, the Cost-Share Agreement, the Promissory Note, and any other such documents, agreements and certificates are hereby ratified, confirmed and approved in all respects; and

RESOLVED FURTHER, that the Officers be, and each of them hereby is, authorized to negotiate, execute and deliver or accept such documents, to attest to and affix the seal of Big Rivers thereto, if necessary, and to take any and all further action as may be required on the part of Big Rivers or deemed necessary or desirable by any Officer to carry out, give effect to and consummate the consummation of the PMCC Termination Agreement, the Unwind Agreement, the Cost-Share Agreement, the Promissory Note, any other such documents, agreements and certificates and the purposes and intent of the foregoing resolutions.

The motion was unanimously adopted.

There being no further business, Director Butler moved, seconded by Director Elliott, that the meeting be adjourned at 6:40 p.m.

### BIG RIVERS ELECTRIC CORPORATION REGULAR BOARD OF DIRECTORS MEETING DECEMBER 19, 2008

The regular meeting of the Board of Directors of Big Rivers Electric Corporation was called to order at 8 a.m., CST, on Friday, December 19, 2008, at 201 Third Street, Henderson, Kentucky, 42420.

Bill Denton, Chair, presided and Lee Bearden, Secretary-Treasurer, acted as Secretary of the meeting.

Upon calling the roll, the Secretary-Treasurer reported that the following directors were present: Messrs. Denton, Sills, Elder, Bearden, Butler and Elliott. Also present were Mark Bailey, president/CEO; Jim Miller, corporate counsel; Bill Blackburn, James Haner, Mark Hite, David Spainhoward, David Crockett and Al Yockey, Big Rivers' senior management; Bob Berry, WKE Reid/Green plant manager; Sandy Novick, president, Kenergy Corp.; Kelly Nuckols, president, Jackson Purchase Energy Corp., and Burns Mercer, president, Meade County RECC.

Director Bearden gave the invocation.

Director Butler moved, seconded by Director Sills, that the minutes of the November 21, 2008, meeting be approved as presented. The motion was unanimously adopted.

Bill Blackburn presented the October 2008 financial report, the November 2008 investment report and the arbitrage report. The board directed that the October 2008 financial statements and the November 2008 investment report be filed in the corporate records.

Chair Denton called for unfinished business, and there being none observed under new business that the 2009 Proposed Budget had been reviewed in detail at the previous evening's work session. Director Elder moved, seconded by Director Bearden, that the proposed corporate budget for 2009 be approved as presented by management. The motion was unanimously adopted.

Mr. Haner reviewed the status of Big Rivers' pension plan funding targets under the corporate policy, Big Rivers' plan termination obligations and delivered management's recommendation to fund the plan with \$3.5 million. Director Butler moved, seconded by Director Elliott, that the board convene in executive session. The motion was unanimously

adopted. The board reconvened in regular session. Director Sills moved, seconded by Director Elliott, to approve the recommendation of management. The motion was unanimously adopted.

Mr. Haner reported management's proposal for renewing existing insurance coverages. Director Bearden moved, seconded by Director Butler, that management be authorized to implement the plan described. The motion was unanimously adopted.

Mr. Haner presented management's recommendation for amendments to the bargaining unit retirement and savings plans consistent with the results of the latest collective bargaining session. Mr. Bearden moved, seconded by Director Sills, that the recommendation be approved, and that management be authorized to amend those plans. The motion was unanimously adopted.

Mr. Bailey, Mr. Miller and Carl Lyon, by telephone, reported on the Public Service Commission hearing in the unwind transaction case, the status of the City of Henderson issues and the meetings with the ratings agencies.

Mr. Haner presented the salary survey review results and management's recommendation for the annual adjustment to the corporate salary structure. Director Elder moved, seconded by Director Sills, that management's recommendation be approved. The motion was unanimously adopted.

The Chair asked for nominations for the delegate and alternate delegate to the NRECA Annual Meeting. Director Sills moved, seconded by Director Bearden, that Director Butler be designated as the delegate, and Director Sills be designated as the alternate delegate to the NRECA Annual Meeting. The motion was unanimously adopted.

Mr. Hite asked that the board authorize the corporation to expense up to an estimated \$5.4 million in alternative minimum tax previously paid by the corporation. Director Butler moved, seconded by Director Elliott, that the request be authorized. The motion was unanimously adopted.

Mr. Miller and Mr. Novick informed the board about the short-term sale of 50 MW made by Big Rivers to Kenergy Corp., and by Kenergy Corp. to Century Aluminum.

Mr. Spainhoward gave the regulatory and legislative activity report. Mr. Berry reported on an outage at Station Two, and the maintenance tasks that are being undertaken during the outage.

The Chair called for the legal report. Corporate counsel stated that a written legal report had been distributed to the board members for their review prior to the board meeting and reported there were no new developments since the date of the written report that were not previously discussed during the meeting.

By consensus, the board agreed that the January work session and board meeting will be held on January 29 and 30, respectively, and that the location of the regular board meeting will be at the Reid/Green Station complex.

The board recognized and expressed its sympathies concerning the passing of Orrin Long, who had served with distinction as a director of Henderson-Union RECC and Kenergy Corp.

Director Elliott moved, seconded by Director Butler, that the Chair be authorized to negotiate and resolve on behalf of the board the salary adjustment for 2009 for the President and CEO.

The meeting adjourned by consensus at 10:15 a.m.

# BIG RIVERS ELECTRIC CORPORATION TELEPHONIC REGULAR BOARD OF DIRECTORS MEETING JANUARY 30, 2009

The regular meeting of the Board of Directors of Big Rivers Electric Corporation was held telephonically and called to order at 8 a.m., CST, on Friday, January 30, 2009.

Bill Denton, Chair, presided and Lee Bearden, Secretary-Treasurer, acted as Secretary of the meeting.

Upon calling the roll, the Secretary-Treasurer reported that the following directors participated in the call: Messrs. Denton, Sills, Elder, Bearden, Butler and Elliott. Also participating in the call were Mark Bailey, president/CEO; Jim Miller, corporate counsel; Bill Blackburn, James Haner, Mark Hite, David Spainhoward, David Crockett and Al Yockey, Big Rivers' senior management; Bob Berry, WKE Reid/Green plant manager; Sandy Novick, president, Kenergy Corp.; Kelly Nuckols, president, Jackson Purchase Energy Corp., and Burns Mercer, president, Meade County RECC.

The meeting was held telephonically because of inclement weather and therefore, by consensus, the board agreed to deviate from the order of business stated in the written agenda provided prior to the meeting.

After a discussion on which directors would be attending the NRECA annual meeting, Director Elder moved, seconded by Director Bearden, that Director Butler represent Big Rivers as the voting delegate and Director Sills the alternate voting delegate to the CFC annual meeting and the NRTC annual meeting. The motion was unanimously adopted.

After an explanation by Mark Bailey and corporate counsel, Director Butler moved, seconded by Director Elliott, that management be authorized to file with the Public Service Commission Big Rivers' intent to file a notice of a general adjustment in its rates. The motion was unanimously adopted.

Director Bearden moved, seconded by Director Sills, that management be authorized to revise the 2009 budget up to \$100,000 over the budgeted amount for the utilization of outside professionals on the proposed 2009 rate adjustment filing, with board approval being required should it be necessary to exceed that amount. The motion was unanimously adopted.

After an explanation by Mr. Bailey and Mark Hite, Director Bearden moved, seconded by Director Elder, that the following resolutions be approved:

RESOLVED, that the Cooperative is hereby authorized: to obtain a master letter of credit facility with National Rural Utilities Cooperative Finance Corporation (CFC), in accordance with the terms and conditions of a Letter of Credit Application and Agreement substantially in the form submitted to this meeting (the "Letter of Credit Agreement"); to request CFC to issue letters of credit thereunder to such Beneficiaries as management shall determine from time to time, up to an aggregate principal amount not to exceed Fifteen Million Dollars (\$15,000,000); and to maintain such facility outstanding for a term expiring on February 28, 2010.

RESOLVED, that each of the following Officers be and hereby is authorized to enter into, execute and deliver, in the name and on behalf of the Cooperative, the Letter of Credit Agreement; to modify the terms of said Agreement (except as to the amount and term authorized herein); and to execute and to deliver such further documents and to do all other things as may be necessary or appropriate in order to comply with CFC requirements and to give effect to the purposes and intent of the foregoing resolutions: Mark A. Bailey, president.

The motion was unanimously adopted.

Mark Hite reported on the refinancing of the \$83.3 million pollution control bonds.

After an explanation by David Crockett and as required by the Federal Emergency Management Agency, Director Butler moved, seconded by Director Sills, that the following resolution be approved:

BE IT RESOLVED BY the Board of Directors of Big Rivers Electric Corporation that Brian Catron, lines and warehouse supervisor, is hereby authorized to execute for and in behalf of Big Rivers Electric Corporation, a public entity established under the laws of the Commonwealth of Kentucky, this application and to file in the appropriate state office for the purpose of obtaining certain federal financial assistance under the Disaster Relief Act (Public Law 288, 93rd Congress) or otherwise available from the President's Disaster Relief Fund.

BE IT RESOLVED that Big Rivers Electric Corporation, a public entity established under the laws of the Commonwealth of Kentucky, hereby authorizes its agent to provide to the state and to the Federal Emergency Management Agency (FEMA) for all matters pertaining to such federal disaster assistance the assurances and agreements printed on the reverse side hereof.

The motion was unanimously adopted.

After an explanation by David Spainhoward, Director Sills moved, seconded by Director Elliott, that Mark Bailey, president, be authorized to approve the Equality Mine Service Retail Service Contract, and to execute and seek appropriate regulatory and other approvals for a supporting wholesale power contract revision as described to the Board, with such additions and changes as management deems appropriate and consistent with the Corporation's usual practice in such matters. The motion was unanimously adopted.

After an explanation by Mr. Crockett, Director Elder moved, seconded by Director Butler, that Work Order No. 941, the design, procurement of materials and construction required for the modification of a portion of 69 kV line 5-B, be approved. The motion was unanimously approved. It was noted that the actual cost of this project will be fully reimbursed by the Kentucky Transportation Cabinet.

After a discussion regarding the 2008 incentive pay award, Director Elliott moved, seconded by Director Sills, that this item be tabled until the February board meeting. The motion was unanimously adopted.

As requested at the last board meeting, Mark Hite elaborated on the alternative minimum tax/income taxes as relates to Big Rivers. Upon management's recommendation, Director Butler moved, seconded by Director Sills, that management be authorized to make a journal entry in December 2008, debiting Income Tax Expense for \$5,933,923 and crediting Deferred Tax Asset for the same amount, noting that this accounting is required by GAAP and has no impact on cash. The motion was unanimously adopted.

After an explanation by Bill Blackburn, Director Sills moved, seconded by Director Elder, that the 2009 Load Forecast Work Plan be approved and management be authorized to submit it to the Rural Utilities Service. The motion was unanimously adopted.

The Expense Review Committee (Directors Bearden and Elder) informed the board they had reviewed the 4th quarter CEO expenses and Board fees and expenses and found no discrepancies other than there was a question about duplicate charges for the CEO which management was to follow up on and report back to the board.

The Chair appointed Directors Denton and Elliott as the Expense Review Committee for 2009.

In reviewing the status of the unwind transaction, management reported, among other things, (1) that an order has not been received from the PSC and is not likely to be received until after February 5, (2) on activity with the rating agencies, and (3)

Carl Lyon, special counsel to the board, joined the meeting by phone and provided an update on RUS. Corporate counsel reported

Mr. Crockett gave a brief outage restoration report on the ice storm and was asked to keep the board updated by written reports.

Director Bearden moved, seconded by Director Butler, that the minutes of the December 19, 2008, meeting be approved. The motion was unanimously adopted.

The following reports were sent to the directors for their information: Outage Report for December 2008, Arbitrage Summary, Professional Services Report for November 2008, November 2008 Cash Flow Report, the 2008 Safety Incident Statistics and the Activity Reports for (1) Enterprise Risk Management and Strategic Planning, (2) External Relations and Interim Production; (3) Financial Services, Information Technology, Fuels, Power Supply and Power Resources (4) Special Projects and (5) System Operations.

Director Butler moved, seconded by Director Sills, that the board go into executive session.

After reconvening in regular session, and there being no further business, the meeting was adjourned by consensus at 9:45 a.m.

The motion was unanimously adopted.

After an explanation by James Haner, Director Elliott moved, seconded by Director Butler, that the revisions to the Procurement of Property and Casualty Insurance Policy be approved as recommended. The motion was unanimously adopted.

After an explanation by David Spainhoward, Director Elder moved, seconded by Director Elliott, that management be authorized to negotiate and execute a wholesale contract with Kenergy related to its proposed retail service to Southwire Rod & Cable upon terms that management deems appropriate and in the best interest of the Corporation, to take effect upon the close of the unwind transaction and to seek all consents and approvals required in connection with that contract. The motion was unanimously adopted.

After an explanation by David Crockett, Director Elder moved, seconded by Director Butler, that Work Order No. 942, Armstrong Equality Mine 69 kV service utilizing Kentucky Utilities 69 kV transmission facilities in southwestern Ohio County, be approved. The motion was unanimously adopted.

After an explanation by Mr. Crockett, Director Bearden moved, seconded by Director

Elliott, that Work Order No. 943, replacement of the Crider microwave tower and antennas, be approved. The motion was unanimously adopted.

Director Elliott moved, seconded by Director Elder, that the 2009 incentive pay goals, a copy of which is attached to these minutes, be approved as recommended by management during the work session on February 19. The motion was unanimously adopted.

Upon the recommendation presented by management during the work session on February 19, Director Bearden moved, seconded by Director Elder, that management be authorized to continue negotiations with for a new five-year coal supply contract and that the generation burn forecast in its entirety (smelter, non smelter, and off-system sales burn forecast) be considered in the "Solid Fuel Burn Forecast and Procurement Plan" and measured as such against the Corporate Hedge Policy. The motion was unanimously adopted.

Upon the recommendation presented by management during the work session on February 19, Director Butler moved, seconded by Director Elliott, that for the interim period (the time period after the unwind transaction closing and lease termination and prior to evaluation, computer modeling, and further recommendation of inventory levels for Big Rivers' generating stations), inventory levels at the individual plants should not be less than 30 days forecasted average burn nor exceed 60 days of inventory on a system-wide basis. The motion was unanimously adopted.

The Chair called for management's report. Bob Berry provided a detailed summary of the December 22, 2008, TVA ash spill at its Kingston Power Plant and described the ash handling processes at the Big Rivers power plants. He also reviewed the operational differences between Big Rivers and TVA.

Mr. Bailey reported on a NRECA Global Climate Change meeting he and David Spainhoward attended in January.

Mr. Spainhoward updated the board on the legislative/regulatory activities.

Mr. Bailey informed the board that a meeting was held in mid-January with officials to discuss possible ways the two utilities could work together.

The Chair called for the legal report. Corporate counsel stated that a written legal report had been distributed to the board members for their review prior to the board meeting and

reported there were no new developments since the date of the written report. Corporate counsel did inform the board that Tyson Kamuf and Mark Starnes were made shareholders in his firm effective January 1, 2009.

The following reports were sent to the directors for their information: Arbitrage Summary, Professional Services Report for December 2008, December 2008 Cash Flow Report, the 2009 Safety Incident Statistics and the Activity Reports for (1) Administrative Services, (2) Enterprise Risk Management and Strategic Planning, (3) Financial Services, Information Technology, Fuels, and Power Resources, (4) Special Projects, and (5) System Operations.

It was the consensus of the board to go into executive session.

After reconvening in regular session, and there being no further business, the meeting was adjourned by consensus at 11:30 a.m.

# BIG RIVERS ELECTRIC CORPORATION TELEPHONIC SPECIAL BOARD OF DIRECTORS MEETING MARCH 10, 2009

A telephonic special meeting of the Board of Directors of Big Rivers Electric Corporation was held at 7 p.m., CDT, on Tuesday, March 10, 2009.

Bill Denton, Chair, presided and Lee Bearden, Secretary-Treasurer, acted as Secretary of the meeting.

Upon calling the roll, the Secretary-Treasurer reported that the following directors participated in the call: Messrs. Denton, Sills, Elder, Bearden, Butler and Elliott. Also participating in the call were Mark Bailey, president and CEO; Bill Blackburn, vice president of financial services/CFO; David Spainhoward, vice president of external relations; Jim Miller, corporate counsel; Kelly Nuckols, president, Jackson Purchase Energy Corp.; and Sandy Novick, president, Kenergy Corp.

Mark Bailey reviewed with the board the Public Service Commission order received March 6, 2009, regarding the unwind transaction. After an explanation and discussion, Director Elder moved, seconded by Director Elliott, that the president be authorized, on behalf of the corporation, to notify the Public Service Commission that the corporation accepts the commitments set forth in Appendix A to the March 6, 2009 order of the Public Service Commission in the proceeding on the Unwind Transaction. The motion was unanimously adopted.

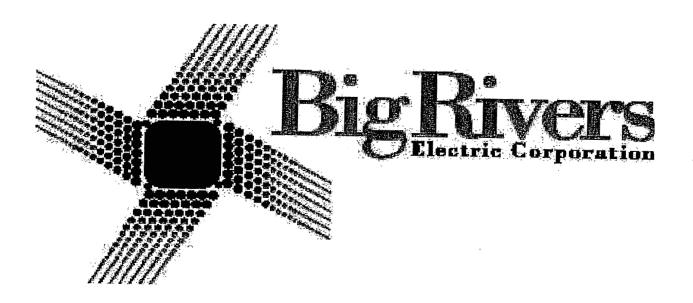

Management updated the board on other matters including issues related to the Unwind Transaction and the status quo rate case.

There being no further business, the meeting was adjourned by consensus.

#### **Assumptions/Comments**

#### 2009 Budget

#### Sales & Revenues:

Member rates reflect no change from the current tariff.

Rural and Industrial sales volumes based on the 2007 load forecast.

Arbitrage sales priced at the current market forecast.

Smelter Tier 3 sales include SIPC power purchased and resold to Century.

Domtar backup sales are not included.

Transmission revenue reflects an additional 450 MW transmission reservation on Big Rivers system by the energy services department.

#### **Operation and Maintenance Expense:**

Purchased power includes SIPC purchases resold to Century.

Energy services department's additional 450 MW transmission reservation is reflected.

Payroll includes a 3.5% increase for both bargaining and non-bargaining personnel.

Material, supplies, and services reflect a 3.0% inflation assumption.

Marketing department expenses include an expanded energy efficiency program.

Professional services are not included for the "Unwind" project.

# 2009 PROPOSED BUDGET

#### BIG RIVERS ELECTRIC CORPORATION 2009 BUDGET

#### NOTES TO STATEMENT OF REVENUES AND EXPENSES (Dollars in Thousands)

- ➤ GENERAL ASSUMPTIONS (1) 3.0% inflation for material, supplies and services, (2) 3.5% annual increase for bargaining personnel, and (3) 3.5% annual increase for salaried personnel.
- ➤ ELECTRIC ENERGY REVENUES -- Member sales forecast was arrived at through coordination with the Member Distribution Cooperatives and is based on the 2007 Load Forecast (see page B-4). Member revenue is based on rates approved by Order of the PSC in Case No. 97-204.
- ELECTRIC ENERGY REVENUES -- Arbitrage energy sales are forecasted at 1,323,480 MWh of Tier 3 sales to Alcan/Century, no pre-scheduled sales, and 361,515 MWh of day ahead and hourly sales with average revenue of \$47.96/MWh. Arbitrage revenue reflects total gross revenue from arbitrage sales and the Domtar Cogeneration Backup Agreement. Big Rivers' transmission, meter data retrieval costs and APM/PJM/CFC/ICE fees are included as "OPERATION EXPENSE -OTHER POWER SUPPLY" and the 100 MW TVA transmission reservation is included as "OPERATION EXPENSE TRANSMISSION."
- > INCOME FROM LEASED PROPERTY-NET Lease revenue reflects Generally Accepted Accounting Principles (GAAP) that requires the minimum lease rentals to be recorded on a straight-line basis if the periodic obligations are roughly equivalent. Accordingly, through 2010, the term of the Century contract, the minimum lease rentals include the Initial Rental Payment, Base Rental Payment, Closing Enhancement Payment, Smelter Margin Payment (which excludes Tier 3 Transmission), \$89/month for 55 Months Payment, and Personal Property Credit. Lease income based on the aforementioned GAAP requirement is budgeted at \$52,332 annually through 2010. The WKEC contribution for Capital Assets amortized to income is \$7,025. Smelter Tier 3 Transmission payable to LEM in the amount of \$658 offsets lease revenue.
- ➤ INCOME FROM LEASED PROPERTY-NET RUS Bulletin 1767B-1 requires expenses on leased electric plant be netted against the revenue received therefrom. The budget includes the following expenses associated with leased electric plant: Depreciation/Amortization of leased assets \$27,626; Amortization of the LEM Settlement Note and Marketing Payment over the life of the lease \$1,004; and Incremental O&M -\$1,058.
- > OTHER OPERATING REVENUE AND INCOME Transmission revenue budgeted consists of the following: LEM's minimum requirement \$5,000; transmission from arbitrage sales \$7,457; smelter Tier 3 transmission (includes excess reactive power) \$2,483; Domtar Cogeneration Backup transmission \$398; and other transmission (includes wheeling of HMP&L's SEPA purchases) \$42. Revenue from ancillary service agreements with the LG&E Parties consists of lease fees for two microwave channels \$2 (WKEC payments for Transmission/ Communication Support services are reflected as offsets to transmission expenses). Revenue from the SIPC facilities agreement \$24. Revenue from HMP&L Station Two agreements for A&G Reimbursement \$165. Big Rivers' share of income from pasture rental and crops grown on property at Wilson site and Breckinridge County CT site and other miscellaneous revenue \$7.
- ➤ OPERATION EXPENSE-OTHER POWER SUPPLY Power purchased from LEM, SEPA and others (market power purchases) to meet member and arbitrage sales requirements: LEM \$98,416 (4,832,808 MWh @ \$20.364/MWh); SEPA \$5,934 (221,205 MWh @ \$26.825/MWh); Domtar Green Power \$482 (8,760 MWh @ \$55.00/MWh); market power purchases \$8,481 (94,000 MWh @ \$90.222.00/MWh); and Domtar Cogeneration Backup power fixed reservation fee payable to Reliant is \$1,079. In addition, OTHER POWER SUPPLY includes: LEM generation based ancillary services (net of smelter payments for such services) \$0; Big Rivers' transmission reserved for arbitrage transactions \$7,457; APM/PJM/CFC/ICE fees incurred as a result of arbitrage \$1,353; and meter data retrieval costs \$69.
- ➤ OPERATION EXPENSE—TRANSMISSION See page B-5.
- CONSUMER SERVICE & INFORMATIONAL EXPENSE / OPERATION EXPENSE-SALES Marketing, environmental/health and safety expenses incurred for services provided to Member Cooperatives.
- > OPERATION EXPENSE-ADMINISTRATIVE & GENERAL See page B-6.

- ► MAINTENANCE EXPENSE-TRANSMISSION See page B-5.
- MAINTENANCE EXPENSE-GENERAL PLANT Maintenance costs incurred for structures and improvements (includes headquarters, fourth street warehouse and parking lots), office furniture and equipment, general use communication equipment, and miscellaneous general plant equipment.
- ➤ DEPRECIATION & AMORTIZATION EXPENSE Depreciation expense for transmission and general plant assets \$5,786. Depreciation and amortization on generation assets is included as an offset to INCOME FROM LEASED PROPERTY (see note above).
- ➤ TAXES RUS Bulletin 1767B-1 requires that taxes on leased electric plant be reflected in the appropriate RUS tax account. Taxes consist of Big Rivers' 70% share of the property taxes on leased electric plant \$1,105. All other taxes are charged to the appropriate functional account as required by RUS Bulletin 1767B-1.
- ➤ INTEREST ON LONG-TERM DEBT Interest expense on long-term debt includes the following: New RUS Note - \$43,241; RUS ARVP Note - \$6,721; Pollution Control Bonds - \$10,261; Remarketing/Broker fees - \$334; AMBAC premium - \$421; Dexia Credit Local liquidity fee - \$290; LEM Settlement Note - \$1,231; and PMCC promissory - \$1,008.
- > INTEREST CHARGED TO CONSTRUCTION CREDIT Interest capitalized on construction projects totaling \$250,000 or more.
- > OTHER INTEREST EXPENSE Interest accrued on customer deposits received pursuant to sections 17.3 and 29.2 of the Open Access Transmission Tariff (OATT) \$7.
- > OTHER DEDUCTIONS Other deductions consist of the following: Amortization of the Defeased Sale/Leaseback Net Loss from Buyout \$4,000; Amortization of the P.C. Bond Refunding Expense -- \$185; Donations -- \$89; and Miscellaneous -- \$2.
- > INTEREST INCOME Interest income reflects the following: Income resulting from the investment of available cash \$282; and interest earned on the TVA transmission reservation deposit -- \$10.
- ➤ OTHER CAPITAL CREDITS & PATRONAGE DIVIDENDS CoBank patronage allocation -- \$547.

# Income Taxes

- Accounting for <u>Deferred Income Taxes</u> recognizes the timing (temporary) differences (for income and expense items) between financial accounting (GAAP) and income tax accounting
- <u>Deferred Tax Asset</u> arise both from timing differences that result in deductible amounts in future years and from carry forward items
  - i.e. E.ON lease income recognized slower for GAAP than for tax results in a deferred tax asset – a timing difference
  - i.e. AMT is a deferred tax asset, serving as a future credit against the regular income tax – a carry forward

# Income Taxes

- Conversely, <u>Deferred Tax Liabilities</u> arise from timing differences in taxable amounts in future years
  - i.e. Accelerated depreciation for tax purposes results in a deferred tax liability
  - i.e Accelerated interest deduction on the RUS ARVP
     Note (filed a Form 3115 in 2008 pursuant to FIN 48)
- GAAP requires deferred tax assets to be "likely" of realization
- As a result of the leveraged lease buyout in 2008, it's "unlikely" Big Rivers will become a regular tax payer and realize the benefit of the AMT-related deferred tax asset. Therefore, pursuant to GAAP, the AMT paid (the deferred tax asset) should be expensed as of 12/31/2008

### Income Taxes

 Accordingly, Big Rivers' management requests board of director approval to make a journal entry in December 2008, debiting Income Tax Expense for \$5,933,923 and crediting Deferred Tax Asset for the same amount, noting that this accounting is required by GAAP and has no impact on cash.

Kentucky 62 - Big Rivers Electric Corporation

Notice of Intent to Increase Rates

Dear	
Licai	

Pursuant to Section 4.3 of the New RUS Agreement dated as of July 15, 1998, between Big Rivers Electric Corporation and the United States of America, Big Rivers gives notice that it intends to implement a change in its general rate structure effective April 1, 2009. Big Rivers' current rates and the anticipated proposed rates are shown in comparative form on the table attached to this letter. Based upon historical system usage, Big Rivers anticipates that the proposed rate increase will generate an addition \$\_\_\_\_\_\_ annually. The purpose of the proposed rate increase is to generate cash to cover Big Rivers' anticipated operating costs. This rate increase proposal will be presented in a filing with the Kentucky Public Service Commission made on or about February 27, 2009.

Sincerely yours,

Mark A. Bailey President and CEO

#### 1. INTRODUCTION

Big Rivers Electric Corporation is a generation and transmission cooperative headquartered in Henderson, Kentucky. Big Rivers provides the electrical needs of three member cooperatives, which in turn sell electricity to approximately 111,000 consumers in twenty-two western Kentucky counties. These distribution cooperatives are:

Kenergy Corp Jackson Purchase Energy Corporation Meade County Rural Electric Cooperative Corporation

This construction work plan identifies transmission system improvements required to continue satisfactory and reliable service to Big Rivers' member systems. Four separate areas of study or analysis are included: (1) transmission system, (2) reliability analysis, (3) distribution cooperative additions, and (4) short circuit analysis. This plan covers the three-year period from 2009 to 2011.

For study and reporting purposes, the Big Rivers system is broken down into three geographical study areas. These areas, in general, correspond to the service territories of the three member cooperatives.

### 2. EXECUTIVE SUMMARY (RUS PROJECT DESCRIPTION/ENVIRONMENTAL STATEMENT)

The following table lists the improvements that resulted from the studies and economic analyses. This table includes a description of the improvements, the approximate year the improvements are expected to be required, and the estimated cost of the improvements in 2009 dollars. More detailed discussions of these improvements can be found in sections 4, 6, 7, and 8 of this report.

#### **KENERGY AREA**

**PROJECT NO. 904 – WILSON SUBSTATION 161/69 kV TRANSFORMER (PD):** The project involves the installation of a new 161/69 kV transformer in the existing Wilson substation. The transformer is expected to be installed during 2010 at an estimated cost of \$2,800,000. Since a physical expansion of this existing substation will not be necessary to complete this project, no additional land will be acquired or disturbed. It is expected that this project description and work plan report provide adequate information to classify the project as a categorical exclusion pursuant to 7 CFR 1794.21. No further environmental documentation for this project will be submitted provided the project is constructed as described here.

**PROJECT NO. 813 – 6 MILE 69 KV WILSON TO CENTERTOWN LINE (ER):** The project involves 6 miles of new right-of-way. The project is required to provide the necessary voltage support to the Centertown area. The route for this circuit will be rural. The project is expected to be completed in 2010 at an estimated cost of \$1,650,000. A site-specific environmental report will be submitted and subsequently approved by RUS for this project prior to the initiation of the project construction to allow the project to be eligible for RUS financing.

MAINTENANCE – REPLACE THE EXISTING SOUTH DERMONT 69 KV SWITCH WITH A RADIO CONTROLLED MOTOR OPERATED SWITCH: The project involves upgrading the existing switch with a radio controlled switch to allow greater operational flexibility. This will allow the South Dermont load to be normally served from the Horse Fork line in order to provide improved voltage support. This maintenance item requires no additional land or right-of-way and is expected to be completed within an existing easement with minimal disturbance. As a result, no further RUS documentation will be submitted.

MAINTENANCE – REPLACE THE EXISTING TWO-WAY HORSE FORK 69 KV SWITCH WITH MULTIPLE ONE-WAY SWITCHES: The project involves upgrading the existing switch with multiple one-way switches to allow greater operational flexibility. Specifically, this upgrade schedule to be completed in 2009 will allow the South Owensboro to Horse Fork Tap line to be cleared without an outage of the Daviess County to Horse Fork 69 kV circuit. This maintenance item requires no additional land or right-of-way and is expected to be completed within an existing easement with minimal disturbance. As a result, no further RUS documentation will be submitted.

#### **JACKSON PURCHASE AREA**

MAINTENANCE – UPGRADE THE 3.2 MILE LIVINGSTON COUNTY TO DOVER 69

**KV LINE (PD):** The project involves upgrading the existing 3.2 mile 69 kV circuit to allow operation at 212 degrees F. This maintenance item requires no additional land or right-of-way and is expected to be completed within an existing easement with minimal disturbance. As a result, no further RUS documentation will be submitted. This project will be scheduled, estimated, and budgeted once the final CoalTek plans are known.

MAINTENANCE – UPGRADE THE 4.4 MILE PALMA JUNCTION TO CULP

**JUNCTION 69 KV LINE (PD):** The project involves upgrading the existing 4.4 mile 69 kV circuit to allow operation at 212 degrees F. This maintenance item requires no additional land or right-of-way and is expected to be completed within an existing easement with minimal disturbance. As a result, no further RUS documentation will be submitted. This project will be scheduled, estimated, and budgeted once the final CoalTek plans are known.

PROJECT NO. 815 – 7 MILE 69 KV CUMBERLAND TO CALDWELL SPRINGS 69 KV

**LINE (ER):** This project involves 7 miles of new right-of-way (100 foot width). The project is required to provide a back-up source to the Cumberland, Burna, and Joy substations. The route for this circuit will be rural. The project is expected to be completed in 2010 at an estimated cost of \$1,250,000. A site-specific environmental report will be submitted and subsequently approved by RUS for this project prior to the initiation of the project construction to allow the project to be eligible for RUS financing.

#### **MEADE COUNTY AREA**

PROJECT NO. 1016 - RECONDUCTOR 8 MILE MEADE COUNTY TO GARRETT 69

**KV LINE (PD):** The project involves replacing 8 miles of 3/0 ACSR conductor on an existing 8.5 mile 69 kV circuit with 336 MCM ACSS conductor. The improvement is expected to be completed in 2011 at an estimated cost of \$750,000. No additional land or right-of-way will be acquired as part of this project. It is expected that this project will be completed within an existing easement with minimal disturbance. As a result, this project is expected to have no significant environmental impact. It is expected that this project description and work plan report provide adequate information to classify the project as a categorical exclusion pursuant to 7 CFR 1794.21. No further environmental documentation for this project will be submitted provided the project is constructed as described here.

PROJECT NO. 812 - 3 MILE 69 KV GARRETT AREA TO FLAHERTY TAP LINE

(ER): The project involves 3 miles of new right-of-way (100 foot width). The project is required to provide the necessary voltage support to the Flaherty area. The route for this circuit will be rural. The project is expected to be completed in 2011 at an estimated cost of \$700,000. A site-specific environmental report will be submitted and subsequently approved by RUS for this project prior to the initiation of the project construction to allow the project to be eligible for RUS financing.

#### PROJECT NO. 814 - 3 MILE 69 KV CIRCUIT TO SOURCE A NEW

**PAYNEVILLE/EKRON AREA DELIVERY POINT (ER):** The project involves 3 miles of new right-of-way (100 foot width). The project is required to provide a transmission source to a planned delivery point. The route for this circuit will be rural. The project is expected to be completed in 2011 at an estimated cost of \$700,000. A site-specific environmental report will be submitted and subsequently approved by RUS for this project prior to the initiation of the project construction to allow the project to be eligible for RUS financing.

#### **BULK SYSTEM**

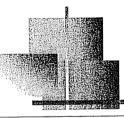

**PROJECT NO. 1018 – RE-CONDUCTOR 3.4 MILE COLEMAN TO NEWTONVILLE 161 KV LINE (PD):** The upgrade of this 6.4 mile interconnection is a joint effort involving Big Rivers and Hoosier Energy. The Big Rivers portion involves replacing the 3.4 miles of 795 ACSR conductor owned by Big Rivers with 795 MCM ACSS conductor capable of higher operating temperatures. The Hoosier Energy portion was completed in 2008. The Big Rivers portion of the improvement is expected to be completed during 2009 at an estimated cost of \$640,000. No additional land or right-of-way will be acquired as part of this project. It is expected that this project will be completed within an existing easement with minimal disturbance. As a result, this project is expected to have no significant environmental impact. It is expected that this project description and work plan report provide adequate information to classify the project as a categorical exclusion pursuant to 7 CFR 1794.21. No further environmental documentation for this project will be submitted provided the project is

#### PHASE II PROJECTS

constructed as described here.

The following projects are described in the Big Rivers Electric Corporation Bulk Transmission System Assessment dated June 28, 2007 (see Appendix 9). This study was undertaken to determine facility upgrades that are needed in the event Big Rivers regains operational control of its generating stations. If this event does not transpire, the following projects will not be pursued.

PROJECT NO. 1019 – RE-CONDUCTOR BOTH COLEMAN TO COLEMAN EHV 161 KV LINES (COMBINED CIRCUIT LENGTH OF 2.8 MILE) (PD): The project involves replacing the 795 MCM ACSR conductor on the existing 161 kV circuit with 1590 MCM ACSR conductor or 795 MCM ACSS conductor capable of operating at 1200 Amps. Additional details can be found in the previously published Bulk Transmission Assessment. The improvement is expected to be completed during 2010 at an estimated cost of \$600,000. No additional land or right-of-way will be acquired as part of this project. It is expected that this project will be completed within an existing easement with minimal disturbance. As a result, this project is expected to have no significant environmental impact. It is expected that this project description and work plan report provide adequate information to classify the project as a categorical exclusion pursuant to 7 CFR 1794.21. No further environmental documentation for this project will be submitted provided the project is constructed as described here.

### Our Responsibility

- Our responsibility under auditing standards generally accepted in the United States of America ("GAAS") and standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States has been described to you in our engagement letter dated October 3, 2008. As described in that letter, the objective of a financial statement audit conducted in accordance with such standards is to express an opinion on the fairness of the presentation of Big Rivers Electric Corporation's ("the Company") financial statements in conformity with accounting principles generally accepted in the United States of America, in all material respects.
- Our responsibilities under the standards noted above include forming and expressing an opinion about whether the financial statements that have been prepared by management with the oversight of the Board of Directors are presented fairly, in all material respects, in conformity with generally accepted accounting principles. The audit of the financial statements does not relieve management or the Board of Directors of their responsibilities.
- We considered the Company's internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control over financial reporting. Accordingly, we do not express an opinion on the effectiveness of the Company's internal control over financial reporting. Our consideration of internal control over financial reporting would not necessarily identify all deficiencies in internal control over financial reporting that might be significant deficiencies or material weaknesses.

### **Audit Status**

- We are substantially complete with the audit of the financial statements of Big Rivers Electric Corporation as of and for the year ended December 31, 2008, in accordance with GAAS and will issue the following reports:
  - Independent Auditors' Report on Financial Statements
  - Independent Auditors' Report on Internal Control over Financial Reporting and on Compliance Based on an Audit Performed in Accordance with Government Auditing Standards
  - Independent Auditors' Management Letter Report
  - Management Comment Letter

### **Audit Scope**

- Our audit scope was outlined in our letter to you dated December 15, 2008, and was not restricted in any way during the course of the audit.
- No significant scope changes resulted from the execution of this audit plan.
- Our auditing procedures addressed the risks identified in our letter; no new risk areas were identified during the course of our audit.

### Management Judgments and Accounting Estimates

Significant management judgments and accounting estimates reflected in the Company's 2008 financial statements include:

### - Management Judgments:

- FIN 48 uncertain tax positions
- Net deferred loss on termination of the defeased sale-leasebacks

### – Accounting Estimates:

- Residual lease obligation
- Estimates for asset retirement obligations
- Pension and postretirement obligations
- Income tax valuation allowance
- During the year ended December 31, 2008, we are not aware of any significant changes in accounting estimates or in management's judgments relating to such estimates.

# Significant Unusual Transactions

- In 2008, Big Rivers terminated its defeased sale-leaseback transactions with Bank of America Leasing and Capital, LLC (Trisail Capital Corporation) and Philip Morris Capital Corporation (Bluegrass Leasing).
- As a result of these transactions, Big Rivers has a net deferred loss of approximately \$76 million at December 31, 2008.
- Management believes that this loss has been appropriately deferred and recorded as a regulatory asset within its balance sheet as it is probable that the Company will recover the amount in a future rate proceeding.

# **Liquidity Considerations**

- As a result of payments made in connection with the termination of the defeased sale-leaseback with Philip Morris Capital Corporation, Big Rivers has potential liquidity concerns that will arise in early 2010.
- We have discussed with management its plans to mitigate this concern, which consist of:
  - Closing the unwind of the E.on transaction on the contemplated terms;
  - Receiving approval of its request for rate relief filed on March 3, 2009;
  - Managing capital and operating expenditures and utilizing existing borrowing agreements to generate sufficient cash to meet requirements.
  - We focused our discussion and review on the last bullet as such actions are within management's direct control.

# **Audit Adjustments**

- Our audit of the financial statements was designed to obtain reasonable, rather than absolute, assurance about whether the financial statements are free of material misstatement, whether caused by error or fraud. All proposed audit adjustments, whether recorded or not recorded, were reviewed with management and were determined, individually or in the aggregate, not to have a significant effect on the financial reporting process.
- We have attached, as Appendix A, a summary of uncorrected misstatements aggregated by us during the current engagement and pertaining to the latest period presented that were determined by management to be immaterial, both individually and in the aggregate, to the financial statements taken as a whole.

# Accounting Policies and Practices

- The Company's significant accounting policies are set forth in Note 1 to the Company's 2008 financial statements. During the year ended December 31, 2008, there were no significant changes in previously adopted accounting principles or their application.
- The following sets forth certain of the Company's significant accounting policies for which acceptable alternative accounting policies exist under generally accepted accounting principles:
  - Derivatives The Company has determined that contracts meeting the definition of a derivative, as defined by SFAS No. 133, *Accounting for Derivative Instruments and Hedging Activities* ("SFAS No. 133"), qualify for the Normal Purchase Normal Sale exception and have elected to treat these contracts accordingly. Thus, these contracts are not required to be recognized at fair value in the financial statements.

# Additional Matters

# Other Information in the Annual Report

• We will read the other information in the Company's Annual Report and will inquire as to the methods of measurement and presentation of such information. If we note a material inconsistency or if we obtain any knowledge of a material misstatement of fact in the other information, we will discuss this matter with management and, if appropriate, with the Board of Directors.

# **Disagreements With Management**

 We have not had any disagreements with management related to matters that are material to the Company's 2008 financial statements.

# **Independence Matters**

- We are not aware of any relationships between Deloitte & Touche LLP and its subsidiaries, the member firms of Deloitte Touche Tohmatsu, and their respective affiliates and the Company that, in our professional judgment, may reasonably be thought to bear on our independence;
- In accordance with Yellow Book (Government Auditing Standards), D&T maintained appropriate separation of the audit and tax teams throughout the audit.

# Additional Matters (cont.)

# **Consultation With Other Accountants**

We are not aware of any consultations that management may have had with other accountants about auditing and accounting matters during 2008.

# Significant Issues Discussed With Management Prior to Our Retention

Throughout the year, routine discussions were held with management regarding the application of accounting principles or auditing standards in connection with transactions that occurred, transactions that were contemplated, or reassessment of current circumstances. In our judgment, such discussions were not held in connection with our retention as independent auditors.

# Significant Difficulties Encountered in Performing the Audits

In our judgment, we received the full cooperation of the Company's management and staff and had unrestricted access to the Company's senior management in the performance of our audits.

# Appendix A – Audit Adjustments

- D&T noted two errors in the current year with respect to the Incremental Construction Work In Process accounts for property additions by Western Kentucky Energy, the net of which would have had the effect of reducing Big Rivers' Property balance and Residual Value Liability balance by \$569,169 as of 12/31/2008 had the Company elected to record the entries.
- D&T noted that the return of investment on Big Rivers' patronage capital investment in CFC should be recorded in the cash flow statement in operating activities instead of investing activities. The effect would decrease cash flow from operating activities and increase cash flow from investing activities by \$400,780.

# DRAFT

# Big Rivers Electric Corporation

Financial Statements as of December 31, 2008 and 2007, and for Each of the Three Years in the Period Ended December 31, 2008, and Independent Auditors' Report

## INDEPENDENT AUDITORS' REPORT

To the Board of Directors of Big Rivers Electric Corporation:

We have audited the accompanying balance sheets of Big Rivers Electric Corporation (the "Company") as of December 31, 2008 and 2007, and the related statements of operations, equities (deficit), and of cash flows for each of the three years in the period ended December 31, 2008. These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control over financial reporting. Accordingly, we express no such opinion. An audit also includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements, assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Big Rivers Electric Corporation as of December 31, 2008 and 2007, and the results of its operations and its cash flows for each of the three years in the period ended December 31, 2008, in conformity with accounting principles generally accepted in the United States of America.

In accordance with Government Auditing Standards, we have also issued a report dated \_\_\_\_\_\_\_, 2009, on our consideration of Big Rivers Electric Corporation's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with Government Auditing Standards and should be read in conjunction with this report in considering the results of our audit.

NOTES TO FINANCIAL STATEMENTS
AS OF DECEMBER 31, 2008 AND 2007, AND FOR EACH OF THE THREE YEARS IN THE PERIOD ENDED DECEMBER 31, 2008, 2007, AND 2006 (Dollars in thousands)

## 1. ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

General Information — Big Rivers Electric Corporation ("Big Rivers" or the "Company"), an electric generation and transmission cooperative, supplies wholesale power to its three member distribution cooperatives (Kenergy Corp., Jackson Purchase Energy Corporation, and Meade County Rural Electric Cooperative Corporation) under all requirements contracts, excluding the power needs of two large aluminum smelters (the "Aluminum Smelters"), sells surplus power under separate contracts to Kenergy Corp. for a portion of the Aluminum Smelters load, and markets power to nonmember utilities and power marketers. The members provide electric power and energy to industrial, residential, and commercial customers located in portions of 22 western Kentucky counties. The wholesale power contracts with the members extend to January 1, 2023. Rates to Big Rivers' members are established by the Kentucky Public Service Commission (KPSC) and are subject to approval by the Rural Utilities Service (RUS). The financial statements of Big Rivers include the provisions of Statement of Financial Accounting Standards (SFAS) No. 71, Accounting for the Effects of Certain Types of Regulation, which was adopted by the Company in 2003, and gives recognition to the ratemaking and accounting practices of the KPSC and RUS.

In 1999, Big Rivers Leasing Corporation (BRLC) was formed as a wholly owned subsidiary of Big Rivers. BRLC's principal assets are the restricted investments acquired in connection with the 2000 sale-leaseback transaction discussed in Note 4.

**Principles of Consolidation** — The financial statements of Big Rivers include the accounts of Big Rivers and its wholly owned subsidiary, BRLC. All significant intercompany transactions have been eliminated.

Estimates — The preparation of the financial statements in conformity with accounting principles generally accepted in the United States requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, revenues and expenses, and disclosure of contingent assets and liabilities. The estimates and assumptions used in the accompanying financial statements are based upon management's evaluation of the relevant facts and circumstances as of the date of the financial statements. Actual results may differ from those estimates.

System of Accounts — Big Rivers' accrual basis accounting policies follow the Uniform System of Accounts as prescribed by the RUS Bulletin 1767B-1, as adopted by the KPSC. These regulatory agencies retain authority and periodically issue orders on various accounting and ratemaking matters.

**Revenue Recognition** — Revenues generated from the Company's wholesale power contracts are based on month-end meter readings and are recognized as earned. In accordance with SFAS No. 13, *Accounting for Leases*, Big Rivers' revenue from the Lease Agreement is recognized on a straight-line basis over the term of the lease. The major components of this lease revenue include the annual lease payments and the Monthly Margin Payments (described in Note 2).

BIG RIVERS FINANCIALS V4 (2). DOCTo be returned to Deloitte & Touche LLP and not to be reproduced in any form without their permission8:49 PM

In conjunction with the Lease Agreement, Big Rivers expects to realize the minimum lease revenue for the years ending December 31, as follows:

	Amount
2009	\$ 52,332
2010	52,332
2011	41,291
2012	35,076
2013	35,076
Thereafter	350,756
	\$ 566,863

Utility Plant and Depreciation — Utility plant is recorded at original cost, which includes the cost of contracted services, materials, labor, overhead, and an allowance for borrowed funds used during construction. Replacements of depreciable property units, except minor replacements, are charged to utility plant.

Allowance for borrowed funds used during construction is included on projects with an estimated total cost of \$250 or more before consideration of such allowance. The interest capitalized is determined by applying the effective rate of Big Rivers' weighted-average debt to the accumulated expenditures for qualifying projects included in construction in progress.

In accordance with the terms of the Lease Agreement, the Company generally records capital additions for Incremental Capital Costs and Nonincremental Capital Costs expenditures funded by E.ON U.S. (formerly LG&E Energy Corporation) as utility plant to which the Company maintains title. A corresponding obligation to E.ON U.S. is recorded for the estimated portion of these additions attributable to the Residual Value Payments (see Note 2). A portion of this obligation is amortized to lease revenue over the useful life of those assets during the remaining lease term. For the years ended December 31, 2008 and 2007, the Company has recorded \$10,728 and \$8,359, respectively, for such additions in utility plant. The Company has recorded \$6,748, \$6,591, and \$6,187 in 2008, 2007, and 2006, respectively, as related lease revenue in the accompanying financial statements.

In accordance with the Lease Agreement, and in addition to the capital costs funded by E.ON U.S (see Note 2) that are recorded by the Company as utility plant and lease revenue, E.ON U.S also incurs certain Nonincremental Capital Costs and Major Capital Improvements (as defined in the Lease Agreement) for which they forego a Residual Value Payment by Big Rivers upon lease termination. Such amounts are not recorded as utility plant or lease revenue by the Company. At December 31, 2008, the cumulative Nonincremental Capital Costs amounted to \$6,618 (unaudited).

E.ON U.S has constructed a scrubber (Major Capital Improvement) at Big Rivers' Coleman plant. The scrubber achieved commercial acceptance in January 2007. The project cost \$97,495 (unaudited). No amounts related to this project are recorded in the Company's financial statements.

Depreciation of utility plant in service is recorded using the straight-line method over the estimated remaining service lives, as approved by the RUS and KPSC. The annual composite depreciation rates used to compute depreciation expense were as follows:

Electric plant-leased	1.60%-2.47%
Transmission plant	1.76%-3.24%
General plant	1.11%-5.62%

For 2008, 2007, and 2006, the average composite depreciation rates were 1.85%, 1.85%, and 1.86%, respectively. At the time plant is disposed of, the original cost plus cost of removal less salvage value of such plant is charged to accumulated depreciation, as required by the RUS.

Impairment Review of Long-Lived Assets — Long-lived assets are reviewed as facts and circumstances indicate that the carrying amount may be impaired. This review is performed in accordance with SFAS No. 144, Accounting for the Impairment or Disposal of Long-Lived Assets. SFAS No. 144 establishes one accounting model for all impaired long-lived assets and long-lived assets to be disposed of by sale or otherwise. SFAS No. 144 requires the evaluation for impairment involve the comparison of an asset's carrying value to the estimated future cash flows the asset is expected to generate over its remaining life. If this evaluation were to conclude that the carrying value of the asset is impaired, an impairment charge would be recorded based on the difference between the asset's carrying amount and its fair value (less costs to sell for assets to be disposed of by sale) as a charge to operations or discontinued operations.

**Restricted Investments** — Investments are restricted under contractual provisions related to the sale-leaseback transaction discussed in Note 4. These investments have been classified as held-to-maturity and are carried at amortized cost.

Cash and Cash Equivalents — Big Rivers considers all short-term, highly-liquid investments with original maturities of three months or less to be cash equivalents.

**Income Taxes** — As a taxable cooperative, Big Rivers is entitled to exclude the amount of patronage allocations to members from taxable income. Income and expenses related to nonmember operations are taxable to Big Rivers. Big Rivers and BRLC file a consolidated Federal income tax return and Big Rivers files a separate Kentucky income tax return.

Patronage Capital — As provided in the bylaws, Big Rivers accounts for each year's patronage-sourced income, both operating and nonoperating, on a patronage basis. Notwithstanding any other provision of the bylaws, the amount to be allocated as patronage capital for a given year shall not be less than the greater of regular taxable patronage-sourced income or alternative minimum taxable patronage-sourced income.

**Derivatives** — Management has reviewed the requirements of SFAS No. 133, Accounting for Derivative Instruments and Hedging Activities, as amended and interpreted, and has determined that all contracts meeting the definition of a derivative also qualify for the normal purchases and sales exception under SFAS No. 133. The Company has elected the Normal Purchase and Normal Sale exception for these contracts and, therefore, the contracts are not required to be recognized at fair value in the financial statements.

New Accounting Pronouncements — In February 2007, the FASB issued SFAS No. 159, The Fair Value Option for Financial Assets and Financial Liabilities — including an amendment of FASB Statement No. 115, which is effective as of the beginning of an entity's first fiscal year that begins after November 15, 2007. The fair value option established by this Statement permits all entities to choose to measure eligible items at fair value at specified election dates. A business entity shall report unrealized gains and losses on items for which the fair value option has been elected in earnings at each subsequent reporting date. The fair value option a) may be applied instrument by instrument; b) is irrevocable (unless a new election date occurs); and c) is applied only to entire instruments and not to portions of instruments. The Company has not elected to record any financial assets or liabilities at fair value under this standard.

In March 2008, the FASB issued SFAS No. 161, Disclosures about Derivative Instruments and Hedging Activities – an Amendment of FASB Statement No. 133. SFAS 161 enhances the current disclosures under SFAS 133 and requires that objectives for using derivative instruments be disclosed in terms of underlying risk and accounting designation in order to better convey the purpose of derivative use in terms of the risks that the entity is intending to manage. Entities are required to provide enhanced disclosures about (a) how and why an entity uses derivative instruments, (b) how derivative instruments and related hedged items are accounted for under Statement 133 and its related interpretations, and (c) how derivative instruments and related hedged items affect an entity's financial position, financial performance, and cash flows. SFAS 161 is effective for financial statements issued for fiscal years beginning after November 15, 2008. The Company will adopt SFAS 161 on January 1, 2009, and the impact is not expected to be material to the Company's financial position or results of operations.

## 2. LG&E LEASE AGREEMENT

On July 15, 1998 ("Effective Date"), a lease was consummated ("Lease Agreement"), whereby Big Rivers leased its generating facilities to Western Kentucky Energy Corporation (WKEC), a wholly owned subsidiary of E.ON U.S. Pursuant to the Lease Agreement, WKEC operates the generating facilities and maintains title to all energy produced. Throughout the lease term, in order for Big Rivers to fulfill its obligation to supply power to its members, the Company purchases substantially all of its power requirements from LG&E Energy Marketing Corporation (LEM), a wholly owned subsidiary of E.ON U.S., pursuant to a power purchase agreement.

Big Rivers continues to operate its transmission facilities and charges LEM tariff rates for delivery of the energy produced by WKEC and consumed by LEM's customers. The significant terms of the Lease Agreement are as follows:

- I. WKEC leases and operates Big Rivers' generation facilities through 2023.
- II. Big Rivers retains ownership of the generation facilities both during and at the end of the lease term.
- III. WKEC pays Big Rivers an annual lease payment of \$30,965 over the lease term, subject to certain adjustments.
- IV. On the Effective Date, Big Rivers received \$69,100 representing certain closing payments and the first two years of the annual lease payments. In accordance with SFAS No. 13, *Accounting for Leases*, the Company amortizes these payments to revenue on a straight-line basis over the life of the lease.

- V. Big Rivers continues to provide power for its members, excluding the member loads serving the Aluminum Smelters, through its power purchase agreements with LEM and the Southeastern Power Administration, based on a pre-determined maximum capacity. When economically feasible, the Company also obtains the power necessary to supply its member loads, excluding the Aluminum Smelters, in the open market. Kenergy Corp.'s retail service for the Aluminum Smelters is served by LEM and other third-party providers that may include Big Rivers. To the extent the power purchased from LEM does not reach pre-determined minimums, the Company is required to pay certain penalties. Also, to the extent additional power is available to Big Rivers under the LEM contract, Big Rivers may sell to nonmembers.
- VI. LEM will reimburse Big Rivers an additional \$42,077 for the margins expected from the Aluminum Smelters through 2011, being defined as the net cash flows that Big Rivers anticipated receiving if the Company had continued to serve the Aluminum Smelters' load, as filed in the Rate Hearing (the "Monthly Margin Payments").
- VII. WKEC is responsible for the operating costs of the generation facilities; however, Big Rivers is partially responsible for ordinary capital expenditures ("Nonincremental Capital Costs") for the generation facilities over the term of the Lease Agreement, generally up to predetermined annual amounts. This cumulative amount is not expected to exceed \$148,000 over the entire 25-1/2 year Lease Agreement. At the end of the lease term, Big Rivers is obligated to fund a "Residual Value Payment" to E.ON U.S. for such capital additions during the lease, currently estimated to be \$125,880 (see Note 1). Adjustments to the Residual Value Payment will be made based upon actual capital expenditures. Additionally, WKEC will make required capital improvements to the facilities to comply with a new law or a change to existing law ("Incremental Capital Costs") over the lease life (the Company is partially responsible for such costs: 20% through 2010) and the Company will be required to submit another Residual Value Payment to E.ON U.S. for the undepreciated value of WKEC's 80% share of these costs, at the end of the lease, currently estimated to be \$18,609. The Company will have title to these assets during the lease and upon lease termination.
- VIII. Big Rivers entered into a note payable with LEM for \$19,676 (the "LEM Settlement Note") to be repaid over the term of the Lease Agreement, which bears interest at 8% per annum, in consideration for LEM's assumption of the risk related to unforeseen costs with respect to power to be supplied to the Aluminum Smelters and the increased responsibility for financing capital improvements. The Company recorded this obligation as a component of deferred charges with the related payable recorded as long-term debt in the accompanying balance sheets. This deferred charge is being amortized on a straight-line basis over the lease term.
  - IX. On the Effective Date, Big Rivers paid a nonrefundable marketing payment of \$5,933 to LEM, which has been recorded as a component of deferred charges. This amount is being amortized on a straight-line basis over the lease term.
  - X. During the lease term, Big Rivers will be entitled to certain "billing credits" against amounts the Company owes LEM under the power purchase agreement. Each month during the first 55 months of the lease term, Big Rivers received a credit of \$89. For the year 2011, Big Rivers will receive a credit of \$2,611 and for the years 2012 through 2023, the Company will receive a credit of \$4,111 annually.

In accordance with the power purchase agreement with LEM, the Company is allowed to purchase power in the open market rather than from LEM, incurring penalties when the power purchased from LEM does not meet certain minimum levels, and to sell excess power (power not needed to supply its

jurisdictional load) in the open market (collectively referred to as "Arbitrage"). Pursuant to the New RUS Promissory Note and the RUS ARVP Note, the benefit, net of tax, as defined, derived from Arbitrage must be divided as follows: one-third, adjusted for capital expenditures, will be used to make principal payments on the New RUS Promissory Note; one-third will be used to make principal payments on the RUS ARVP Note; and the remaining value may be retained by the Company.

Management is of the opinion that the Company is in compliance with all covenants of the Lease Agreement.

The Company, LEM, and WKEC have entered into an agreement that would allow for a mutually acceptable early termination of the Lease Agreement (see Note 14).

## 3. UTILITY PLANT

At December 31, 2008 and 2007, utility plant is summarized as follows:

	2008	2007
Classified plant in service: Electric plant — leased Transmission plant General plant Other	\$1,535,004 230,800 17,240 543	\$1,524,421 209,547 15,772 114

Less accumulated depreciation	879,073	853,290
	904,514	896,564
Construction in progress	8,185	15,070
Utility plant — net	\$ 912,699	\$ 911,634

Interest capitalized for the years ended December 31, 2008, 2007, and 2006, was \$492, \$391, and \$236, respectively.

The Company has not identified any material legal obligations, as defined in SFAS No. 143, *Accounting for Asset Retirement Obligations*, which was further interpreted by FASB Interpretation No. 47, *Accounting for Conditional Asset Retirement Obligations*. In accordance with regulatory treatment, the Company records an estimated net cost of removal of its utility plant through normal depreciation. As of December 31, 2008 and 2007, the Company had a regulatory liability of approximately \$32,696 and \$29,771, respectively, related to nonlegal removal costs included in accumulated depreciation.

#### 4. SALE-LEASEBACK

On April 18, 2000, the Company completed a sale-leaseback of two of its utility plants, including the related facilities and equipment. The sale-leaseback provided Big Rivers a \$1,089,000 fixed price purchase option, at the end of each lease term (25 and 27 years), which, together with future contractual interest receipts, would be fully funded.

On September 30, 2008, the Company completed an early termination ("termination") of the sale-leaseback transaction. The termination was precipitated by the June 2008 downgrade of the claims-paying ability of Ambac Assurance Corporation (Ambac). Ambac served as insurer of Big Rivers' payment obligations, thereby providing credit support under the transaction. Ambac's downgrade exposed the Company to adverse consequences under the contractual terms of the transaction and after consideration of alternative options, Big Rivers ultimately settled on termination as the preferred solution. Proceeds from disposition of the restricted investment and payments required under the termination agreements were \$222,739 and \$329,559, respectively, reflecting a net cash payment of \$107,120. To meet its remaining obligations Big Rivers' entered into a \$12,380 promissory note (see Note 5) with Philip Morris Capital Corporation (PMCC). A net loss of \$77,001 resulting from the early termination of the sale-leaseback was recorded as a regulatory asset and is being amortized over the remaining period of the original transaction.

Prior to termination the sale-leaseback transaction was recorded as a financing for financial reporting purposes and a sale for Federal income tax purposes. In connection therewith, in 2000, Big Rivers received \$866,676 of proceeds and incurred \$791,626 of related obligations. Pursuant to a payment undertaking agreement with a financial institution, Big Rivers effectively extinguished \$656,029 of these obligations with an equivalent portion of the proceeds. The Company also purchased investments with an initial value of \$146,647 to fund the remaining \$135,597 of the obligations. These amounts are reflected for 2007 as restricted investments under long-term lease and obligations related to long-term lease in the accompanying balance sheets. Interest received and paid was recorded to these accounts up to the date of lease termination. The Company paid 7.57% interest on its obligations related to long-term lease and received 6.89% on its related investments. The Company made a \$64,000 principal payment on the New RUS Promissory Note with the remaining proceeds. The \$75,050 gain was deferred and was amortized up to the date of lease termination, with the Company recognizing \$1,998, \$2,900, and \$2,881, in 2008, 2007, and 2006, respectively.

Amounts recognized in the statement of financial position related to the sale-leaseback as of December 31, 2008 and 2007, are as follows:

	20	08	2007
Restricted investments under long-term lease	\$	-	\$192,932
Obligations related to long-term lease		-	183,891
Deferred gain on sale-leaseback		-	53,480
Deferred loss from termination of sale-leaseback	76,	001	-

Amounts recognized in the statement of operations related to the sale-leaseback for the years ended December 31, 2008, 2007, and 2006, are as follows:

	2008	2007	2006
Power contracts revenue (revenue discount adjustment — see Note 6)	\$ (2,453)	\$ (3,680)	\$ (3,680)
Interest on obligations related to long-term lease: Interest expense Amortize gain on sale-leaseback	\$ 8,989 (1,998)	\$12,819 (2,900)	\$ 12,386 (2,881)

## 5. DEBT AND OTHER LONG-TERM OBLIGATIONS

A detail of long-term debt at December 31, 2008 and 2007, is as follows:

	2008	2007
New RUS Promissory Note, stated amount of, \$768,391, stated interest rate of 5.75%, with an interest rate of 5.82%, maturing July 2021	\$ 765,297	\$ 804,098
RUS ARVP Note, stated amount of \$245,899, no stated interest rate, with interest imputed at 5.80%, maturing December 2023	103,685	99,290
LEM Settlement Note, interest rate of 8.0%, payable in monthly installments through July 2023	15,658	16,204
County of Ohio, Kentucky, promissory note, variable interest rate (average interest rate of 8.95% and 3.74% in 2008 and 2007, respectively), maturing in October 2022	83,300	83,300
County of Ohio, Kentucky, promissory note, variable interest rate (average interest rate of 5.14% and 3.74% in 2008 and 2007, respectively), maturing in June 2013	58,800	58,800
PMCC Promissory Note interest rate of 8.5%, maturing in December 2009	12,380	
Total long-term debt	1,039,120	1,061,692
Current maturities	51,771	39,347
Total long-term debt — net of current maturities	\$ 987,349	\$1,022,345

The following are scheduled maturities of long-term debt at December 31:

Year	Amount
2009	\$ 51,771
2010	41,440
2011	47,492
2012	65,561
2013	64,542
Thereafter	768,314
Total	\$1,039,120

RUS Notes — On July 15, 1998, Big Rivers recorded the New RUS Promissory Note and the RUS ARVP Note at fair value using the applicable market rate of 5.82%. The RUS Notes are collateralized by substantially all assets of the Company.

**Pollution Control Bonds** — The County of Ohio, Kentucky, issued \$83,300 of Pollution Control Periodic Auction Rate Securities, Series 2001, the proceeds of which are supported by a promissory note from Big Rivers, which bears the same interest rate. These bonds bear interest at a variable rate and mature in October 2022.

The County of Ohio, Kentucky, issued \$58,800 of Pollution Control Variable Rate Demand Bonds, Series 1983, the proceeds of which are supported by a promissory note from Big Rivers, which bears the same interest rate as the bonds. These bonds bear interest at a variable rate and mature in June 2013.

The Series 1983 bonds are supported by a liquidity facility issued by Credit Suisse First Boston, which was assigned to Dexia Credit in 2006. Both Series are supported by municipal bond insurance and surety policies issued by Ambac Assurance Corporation. Big Rivers has agreed to reimburse Ambac Assurance Corporation for any payments under the municipal bond insurance policies or the surety policies.

Due to current market conditions, the variable interest rates incurred on the Series 1983 and Series 2001 Pollution Control Bonds have increased. These instruments are subject to maximum interest rates of 13% and 18%, respectively. The December 31, 2008 interest rates on the Series 1983 and Series 2001 Pollution Control Bonds were 3.41% and 18%, respectively.

**LEM Settlement Note** — On the Effective Date, Big Rivers executed the Settlement Note with LEM. The Settlement Note requires Big Rivers to pay to LEM \$19,676, plus interest at 8% per annum over the lease term. The principal and interest payment is approximately \$1,822 annually. This payment is consideration for LEM's assumption of the risk related to unforeseen costs with respect to power to be supplied to the Aluminum Smelters and the increased responsibility for financing capital improvements.

Other Long-Term Obligations — During 1997, Big Rivers terminated two unfavorable coal contracts. In connection with that settlement, the Company paid \$45, \$47, and \$345 during 2008, 2007, and 2006, respectively. At December 31, 2008, the Company has no remaining liability associated with that settlement agreement.

PMCC Promissory Note — On September 30, 2008 in conjunction with the early termination of the sale-leaseback transaction (see Note 4), Big Rivers executed a promissory note with Phillip Morris Capital Corporation (PMCC). The note requires Big Rives to pay PMCC \$12,380, plus interest at 8.5% per annum. The note matures in December 2009.

Notes Payable — Notes payable represent the Company's borrowing on its line of credit with the National Rural Utilities Cooperative Finance Corporation. The maximum borrowing capacity on the line of credit is \$15,000. There were no borrowings outstanding on the line of credit at December 31, 2008, but letter of credits issued under an associated Letter of Credit Facility reduced the borrowing capacity by \$2,670. The line of credit bears interest at a variable rate. Each advance on the line of credit is payable within one year.

## 6. RATE MATTERS

The rates charged to Big Rivers' members consist of a demand charge per kW and an energy charge per kWh consumed as approved by the KPSC. The rates include specific rate designs for its members' two classes of customers, the large industrial customers and the rural customers under its jurisdiction. For the large industrial customers, the demand charge is generally based on each customer's maximum demand during the current month. The remaining customers demand charge is based upon the maximum coincident demand of each member's delivery points. The demand and energy charges are not subject to

adjustments for increases or decreases in fuel or environmental costs. Big Rivers' current rates will remain in effect until changed by the KPSC.

In mid-2008, the financial rating of Ambac (see Note 4), a party to the sale-leaseback transaction Big Rivers entered into in 2000 was lowered, triggering an obligation on the part of the Company to replace Ambac in the transaction or otherwise resolve the issues created by that circumstance. Big Rivers elected to buyout the equity participants and simultaneously terminate the transaction on September 30, 2008. The buyout price significantly reduced Big Rivers' cash reserves. Accordingly, on March 2, 2009, Big Rivers filed an application with the Kentucky Public Service Commission requesting approval of a 21.6% rate increase, seeking an effective date of April 1, 2009 for interim rate relief. A hearing on the interim rate relief is scheduled for March 26, 2009. Big Rivers believes the requested rate increase is reasonable and necessary to enable it to continue meeting all its financial obligations on a timely basis. Big Rivers has not increased the base wholesale tariff rates to its member distribution cooperatives since 1997. If the termination of the LG&E lease agreement (see Note 14) closes, this case will become moot, and will be dismissed.

Effective since September 1, 2000, the KPSC has approved Big Rivers' request for a \$3,680 annual revenue discount adjustment for its members through August 31, 2008, effectively passing the benefit of the sale-leaseback transaction (see Note 4) to them. On September 1, 2008, Big Rivers' discontinued the revenue discount adjustment to its members.

#### 7. INCOME TAXES

Big Rivers was formed as a tax-exempt cooperative organization described in Internal Revenue Code Section 501(c)(12). To retain tax-exempt status under this section, at least 85% of the Big Rivers' receipts must be generated from transactions with the Company's members. In 1983, sales to nonmembers resulted in Big Rivers failing to meet the 85% requirement. Until Big Rivers can meet the 85% member income requirement, the Company is a taxable cooperative. Big Rivers is also subject to Kentucky income tax.

Under the provisions of SFAS No. 109, *Accounting for Income Taxes*, Big Rivers is required to record deferred tax assets and liabilities for temporary differences between amounts reported for financial reporting purposes and amounts reported for income tax purposes. Deferred tax assets and liabilities are determined based upon these temporary differences using enacted tax rates for the year in which these differences are expected to reverse. Deferred income tax expense or benefit is based on the change in assets and liabilities from period to period, subject to an ongoing assessment of realization.

As described in Note 4, the sale-leaseback was terminated in 2008. Prior to the termination, the sale-leaseback was generating significant non-member receipts. As a result of the termination and the subsequent reduction in non-member receipts, Big Rivers believes that it will meet the requirement within Section 501(c)(12) that at least 85% of its income derives from the Company's member and return to tax-exempt status.

As a result of the expected return to tax-exempt status, Big Rivers no longer considers that it is more likely than not that it will recover its net deferred tax assets (which consisted solely of Alternative Minimum Tax (AMT) credit caryforwards). An income statement charge of \$5,035 relating the AMT amounts carried forward at January 1, 2008 together with a charge of \$901 relating to the 2008 AMT obligation have been recorded in the Statement of Operations..

At December 31, 2008, Big Rivers had a nonpatron net operating loss carryforward of approximately \$102,807 expiring through 2012, and an alternative minimum tax credit carryforward of approximately \$5,936, which carries forward indefinitely.

As of December 31, 2007, Big Rivers has a net deferred tax asset, against which a valuation allowance has been provided based upon the fact that it is presently uncertain whether such asset will be realized. The resulting net deferred tax asset at December 31, 2007, is approximately \$5,035, which represents the alternative minimum tax credit carryforward, against which no allowance has been provided.

The Company has not recorded any income tax expense for the years ended December 31, 2007 and 2006, as the Company has utilized federal net operating losses to offset any taxable income during those years. Had the Company not had the benefit of a net operating loss carryforward, the Company would have recorded \$7,724, and \$10,599 in current tax expense for the years ended December 31, 2007 and 2006, respectively.

The components of the net deferred tax assets as of December 31, 2007, were as follows:

		2008		2007
Deferred tax assets: Net operating loss carryforward Alternative minimum tax credit carryforwards Sale-leaseback Fixed asset basis difference Other accruals	\$	- - - -	\$	60,972 5,035 142,807 7,764 2,844
Total deferred tax assets	**************************************	-	Date Control of the C	219,422

Net deferred tax asset (prevaluation allowance)		-		192,063
Valuation allowance		<del>*</del>		(187,028)
Net deferred tax asset	\$		\$	5,035

A reconciliation of the Company's effective tax rate for 2008, 2007 and 2006, follows:

	2008	2007	2006
Federal rate State rate — net of federal benefit Patronage allocation to members Tax benefit of operating loss carryforwards and other AMT rate	35.0 % 4.5 (31.3) (8.2) 18.0	35.0 % 4.5 (28.0) (11.5) 0	35.0 % 4.5 (20.5) (19.0) 0
Effective tax rate	18 %		- %

In June 2006, the Financial Accounting Standards Board (FASB) issued FASB Interpretation No. 48, Accounting for Uncertainty in Income Taxes, an Interpretation of FASB Statement No. 109 ("FIN 48"). FIN 48 clarifies the accounting for uncertainty in income taxes by prescribing the recognition threshold a tax position is required to meet before being recognized in the financial statements. It also provides guidance on derecognition, classification, interest and penalties, disclosures and transition. The cumulative effects of applying FIN 48 are to be recorded as an adjustment to retained earnings as of the beginning of the period of adoption. FIN 48 was effective for fiscal years beginning after December 15, 2006.

The Company adopted the provisions of FIN 48 on January 1, 2007. The Company files a federal income tax return, as well as several state income tax returns. The years currently open for federal tax examination are 2005 through 2008 and 1990 through 1997, due to unused net operating loss carryforwards. The major state tax jurisdiction currently open for tax examination is Kentucky for years 2002 through 2008 and years 1990 through 1997, also due to unused net operating loss carryforwards. As a result of implementing FIN 48, the Company made no adjustment to the liability for unrecognized tax benefits. The Company did not have any unrecognized tax benefits recorded related to federal or state income taxes.

Upon adoption of FIN 48, the Company adopted a financial statement policy of classification of interest and penalties as an operating expense on the income statement and accrued expense in the balance sheet. No interest or penalties have been recorded as of the adoption or during 2007 and 2008.

## 8. POWER PURCHASED

In accordance with the Lease Agreement, Big Rivers supplies all of the members' requirements for power to serve their customers, other than the Aluminum Smelters. Contract limits were established in the Lease Agreement and include minimum and maximum hourly and annual power purchase amounts. Big Rivers cannot reduce the contract limits by more than 12 MW in any year or by more than a total of 72 MW over the lease term. In the event Big Rivers fails to take the minimum requirement during any hour or year, Big Rivers is liable to LEM for a certain percentage of the difference between the amount of power actually taken and the applicable minimum requirement.

Although Big Rivers will be required by the Lease Agreement to purchase minimum hourly and annual amounts of power from LEM, the lease does not prevent Big Rivers from paying the associated penalty in certain hours to purchase lower cost power, if available, in the open market or reselling a portion of its purchased power to a third party. The power purchases made under this agreement for the years ended December 31, 2008, 2007, and 2006, were \$99,700, \$96,295, and \$97,999, respectively, and are included in power purchased and interchanged on the statement of operations.

## 9. PENSION PLANS

#### **Defined Benefit Plans**

Big Rivers has noncontributory defined benefit pension plans covering substantially all employees who meet minimum age and service requirements. The plans provide benefits based on the participants' years of service and the five highest consecutive years' compensation during the last ten years of employment. Big Rivers' policy is to fund such plans in accordance with the requirements of the Employee Retirement Income Security Act of 1974.

The salaried employees defined benefit plan was closed to new entrants effective January 1, 2008, and the bargaining employees defined benefit plan was closed to new hires effective November 1, 2008.

~~~

\_\_\_

The Company simultaneously established base contribution accounts in the defined contribution thrift and 401(k) savings plans, which were renamed as the retirement savings plans. The base contribution account for an eligible employee, which is one who meets the minimum age and service requirements, but for whom membership in the defined benefit plan is closed, is funded by employer contributions based on graduated percentages of the employee's pay, depending on his or her age.

On December 31, 2007, the Company adopted SFAS No. 158, Employers' Accounting for Defined Benefit Pension and Other Postretirement Plans — an amendment of FASB Statements No. 87, 88,106, and 132(R) ("SFAS No. 158"). SFAS No. 158 required the Company to recognize the funded status of its pension plans and other postretirement plans (see Note 11 - Postretirement Benefits Other Than Pensions). SFAS No. 158 defines the funded status of a defined benefit pension plan as the fair value of its assets less its projected benefit obligation, which includes projected salary increases, and defines the funded status of any other postretirement plan as the fair value of its assets less its accumulated postretirement benefit obligation.

SFAS No. 158 also requires an employer to measure the funded status of a plan as of the date of its year-end balance sheet and requires disclosure in the notes to the financial statements certain additional information related to net periodic benefit costs for the next fiscal year. The Company's pension and other postretirement benefit plans are measured as of December 31, 2008 and 2007.

The following provides an overview of the Company's noncontributory defined benefit pension plans.

A reconciliation of the Company's benefit obligations of its noncontributory defined benefit pension plans at December 31, 2008 and 2007, follows:

|                                                  | 2008            | 2007     |

BIG RIVERS FINANCIALS V4 (2) DOCTo be returned to Deloitte & Touche LLP and not to be reproduced in any form without their permission8.49 PM

At December 31, 2008 and 2007, amounts recognized in the statement of financial position were as follows:

|                                        | 2008            | 2007     |

| Net amount recognized                  | \$ (3,958)      | \$ 1,931 |

Assumptions used to develop the projected benefit obligation and determine the net periodic benefit cost were as follows:

|                                              | 2008   | 2007   | 2006   |
|----------------------------------------------|--------|--------|--------|
| Discount rate — projected benefit obligation | 6.38 % | 6.25 % | 5.75 % |
| Discount rate — net periodic benefit cost    | 6.25   | 5.75   | 5.75   |
| Rates of increase in compensation levels     | 4.00   | 4.00   | 4.00   |
| Expected long-term rate of return on assets  | 7.25   | 7.25   | 7.25   |

The expected long-term rate of return on plan assets for determining net periodic pension cost for each fiscal year is chosen by the Company from a best estimate range determined by applying anticipated long-term returns and long-term volatility for various asset categories to the target asset allocation of the plans, as well as taking into account historical returns.

Using the asset allocation policy adopted by the Company noted in the paragraph below, we determined the expected rate of return at a 50% probability of achievement level based on (a) forward-looking rate of return expectations for passively-managed asset categories over a 20-year time horizon and (b) historical rates of return for passively-managed asset categories. Applying an approximately 80%/20% weighting to the rates determined in (a) and (b), respectively, produced an expected rate of return of 7.28%, which was rounded to 7.25%.

The general investment objectives are to invest in a diversified portfolio, comprised of both equity and fixed income investments, which are further diversified among various asset classes. The diversification is designed to minimize the risk of large losses while maximizing total return within reasonable and prudent levels of risk. The investment objectives specify a targeted investment allocation for the pension plans of up to 65% equities. The remaining 35% may be allocated among fixed income or cash equivalent investments. Objectives do not target a specific return by asset class. These investment objectives are long-term in nature. As of December 31, 2008 and 2007, the investment allocation was 47% and 49%, respectively, in equities and 53% and 51%, respectively, in fixed income.

Expected retiree pension benefit payments projected to be required during the years following 2008 are as follows:

| Years Ending<br>December 31 | Amount   |
|-----------------------------|----------|
| 2009                        | \$ 1,092 |
| 2010                        | 1,860    |
| 2011                        | 1,663    |
| 2012                        | 2,781    |
| 2013                        | 3,711    |
| 2014–2018                   | 12,304   |
| Total                       | \$23,411 |

In 2009, the Company expects to contribute \$1,169 to its pension plan trusts.

## **Defined Contribution Pans**

Big Rivers has two defined contribution retirement plans covering substantially all employees who meet minimum age and service requirements. Each plan has a thrift and 401(k) savings section allowing employees to contribute up to 75% of pay on a pre-tax and/or after-tax basis, with employer matching contributions equal to 60% of the first 6% contributed by the employee on a pre-tax basis.

A base contribution retirement section was added and the plan name changed from thrift and 401(k) savings to retirement savings, effective January 1, 2008, for the salaried plan and November 1, 2008, for the bargaining plan. The base contribution account is funded by employer contributions based on graduated percentages of pay, depending on the employee's age.

The Company's expense under these plans was \$308 and \$215 for the years ended December 31, 2008 and 2007, respectively.

## **Deferred Compensation Plan**

Effective May 1, 2008, Big Rivers established a nonqualified deferred compensation plan for its eligible employees who are members of a select group of management or highly compensated employees. The purpose of the plan is to allow participants to receive contributions or make deferrals that they could not receive or make under the salaried employees qualified defined contribution retirement savings plan (formerly the thrift and 401(k) savings plan) as a result of nondiscrimination rules and other limitations applicable to the qualified plan under the Internal Revenue Code. The nonqualified plan also allows a participant to defer a percentage of his or her pay on a pre-tax basis.

The nonqualified deferred compensation plan is unfunded, but the Company has chosen to finance its obligations under the plan, including any employee deferrals, through a rabbi trust. The trust assets remain a part of the Company's general assets, subject to the claims of its creditors. The 2008 employer contributions and deferred compensation expense, and the trust asset and deferred liability balances as of December 31, 2008, were each \$37.

## 10. FAIR VALUE OF FINANCIAL INSTRUMENTS

In September 2006, the FASB issued FASB Statement No. 157, Fair Value Measurements ("SFAS No. 157"). SFAS No. 157 defines fair value, establishes a framework for measuring fair value and expands disclosures about fair value measures. It applies under other accounting pronouncements that require or permit fair value measurements and does not require any new fair value measurements. SFAS No. 157 is effective for fiscal years beginning after November 15, 2007. The adoption of SFAS No. 157 had no impact on the Company's results of operations and financial condition.

The carrying value of cash and cash equivalents, accounts receivable, and accounts payable approximate fair value due to their short maturity. At December 31, the Company's cash and cash equivalents included short-term investments in an institutional money market government portfolio account that were recorded at fair value which were determined using quoted market prices for identical assets without regard to valuation adjustment or block discount, as follows:

|                                                                  | 2008         | 2007       |  |
|------------------------------------------------------------------|--------------|------------|--|
| Institutional money market government portfolio – level 1 inputs | \$<br>38,424 | \$ 148,316 |  |

The fair value of restricted investments is determined based upon quoted market prices and rates. The carrying value of the investments is recorded at accreted value and the terms of the investment are within Note 4. The estimated fair values of the restricted investments are as follows:

|                        | 2008 |                 |    | 20            | 007                |               |  |
|------------------------|------|-----------------|----|---------------|--------------------|---------------|--|
|                        |      | rrying<br>nount | ,  | Fair<br>Value | Carrying<br>Amount | Fair<br>Value |  |
| Restricted investments | \$   | -               | \$ | -             | \$ 192,932         | \$250,088     |  |

It was not practical to estimate the fair value of patronage capital included within other deposits and investments due to these being untraded companies.

It was not practical to estimate the fair value of long-term debt due to Big Rivers' inability to obtain long-term debt from outside parties.

## 11. POSTRETIREMENT BENEFITS OTHER THAN PENSIONS

Big Rivers provides certain postretirement medical benefits for retired employees and their spouses. As of July 1, 2001, Big Rivers pays 85% of the cost from age 62 to 65 for all retirees. For salaried employees who retired prior to December 31, 1993, Big Rivers pays 100% of Medicare supplemental costs. For salaried employees who retire after December 31, 1993, Big Rivers pays 25% plus \$25 per month of the Medicare supplemental costs.

On December 8, 2003, the Medicare Prescription Drug, Improvement and Modernization Act of 2003 (the "Medicare Act") was enacted. The Medicare Act created Medicare Part D, a new prescription drug benefit that is available to all Medicare-eligible individuals, effective January 1, 2006. National Rural Electric Cooperative Association (NRECA), the provider of Big Rivers' health plan coverage through the NRECA Group Benefits Trust, chose to become a Medicare Part D provider. Effective January 1, 2006, Part D coverage is the only drug coverage available to Big Rivers' Medicare-eligible retirees.

The discount rates used in computing the postretirement benefit obligation and net periodic benefit cost were as follows:

|                                              | 2008   | 2007   | 2006   |
|----------------------------------------------|--------|--------|--------|
| Discount rate — projected benefit obligation | 6.32 % | 5.85 % | 5.75 % |
| Discount rate — net periodic benefit cost    | 5.85   | 5.75   | 5.75   |

The health care cost trend rate assumptions as of December 31, 2008 and 2007, were as follows:

|                                | 2008   | 2007   |
|--------------------------------|--------|--------|
| Initial trend rate             | 7.90 % | 9.00 % |
| Ultimate trend rate            | 4.50 % | 5.50 % |
| Year ultimate trend is reached | 2028   | 2012   |

A one-percentage-point change in assumed health care cost trend rates would have the following effects:

|                                                                                                                           | 2008             | 2007             |

In addition to the postretirement plan discussed above, in 1992 Big Rivers began a postretirement benefit plan which vests a portion of accrued sick leave benefits to salaried employees upon retirement or death. To the extent an employee's sick leave hour balance exceeds 480 hours such excess hours are paid at 20% of the employee's base hourly rate at the time of retirement or death. The accumulated obligation recorded for the postretirement sick leave benefit is \$408 and \$345 at December 31, 2008 and 2007, respectively. The postretirement expense recorded was \$63, \$51, and \$44 for 2008, 2007, and 2006, respectively, and the benefits paid were \$0, \$0, and \$20 for 2008, 2007, and 2006, respectively.

## 12. RELATED PARTIES

For the years ended December 31, 2008, 2007, and 2006, Big Rivers had tariff sales to its members of \$114,514, \$113,281, and \$108,737, respectively. In addition, for the years ended December 31, 2008, 2007, and 2006, Big Rivers had certain sales to Kenergy for the Aluminum Smelters and Domtar Paper (formerly Weyerhaeuser) loads of \$55,124, \$123,094, and \$57,374, respectively.

At December 31, 2008 and 2007, Big Rivers had accounts receivable from its members of \$16,540 and \$20,052, respectively.

## 13. COMMITMENTS AND CONTINGENCIES

Big Rivers is involved in litigation arising in the normal course of business. While the results of such litigation cannot be predicted with certainty, management, based upon advice of counsel, believes that the final outcome will not have a material adverse effect on the financial statements.

## 14. TERMINATION OF THE LG&E LEASE AGREEMENT

The Big Rivers board of directors adopted resolutions on February 23, 2007, authorizing management, among other things, to execute a Transaction Termination Agreement among Big Rivers Electric Corporation, LG&E Energy Marketing Inc., and Western Kentucky Energy Corp. (the "Termination Agreement"), The Termination Agreement establishes the terms on which Big Rivers, on the one hand, and LG&E Energy Marketing Inc. and Western Kentucky Energy Corp. on the other hand, agree to terminate a series of contractual relationships established in 1998 under which, among other things, LG&E Energy Marketing Inc. and Western Kentucky Energy Corp. currently lease and operate the generating units owned or previously operated by Big Rivers, and sell power to Big Rivers to use in meeting the requirements of its system. Those resolutions additionally authorize management to sign various agreements under which Big Rivers agrees to sell its member, Kenergy Corp., 850 MW in the aggregate for resale to Alcan Primary Products Corporation and Century Aluminum of Kentucky General Partnership, contingent upon the closing of the transaction contemplated in the Termination Agreement, Applications seeking the necessary state regulatory approvals and tariff revisions required to implement these transactions were filed with the Kentucky Public Service Commission (Commission) on December 28, 2007, in P.S.C. Case Nos. 2007-00455 and 2007-00460. An order granting the relief sought in Case No. 2007-00460 was entered on June 25, 2008. By order dated March 6, 2009, the Commission entered a final order in Case No. 2007-00455 granting substantially all the relief sought by Big Rivers, and requiring the joint applicants to agree to certain conditions imposed in its order. Letters agreeing to those conditions were filed with the Commission on March 13, 2009, and the parties are working to complete the steps required to close the transactions contemplated in the Termination Agreement.

- a. How much money does E.ON claim Big Rivers owes it for Energy Imbalance services.
- b. Please provide all documents, memos or e-mails provided to or received from E.ON on the Energy Imbalance issue.
- **Response)** a. E.ON did not quantify the amount of its claim against Big Rivers for Energy Imbalance service. However, were all of E.ON's claims deemed to be valid (which Big Rivers continues to believe they would not be) the obligations theoretically could be significant and in the tens of millions of dollars.
- b. See attached. Big Rivers has made a good faith investigation to identify and produce all information that is responsive to this data request. If Big Rivers subsequently discovers additional information responsive to this data request that has not been produced with this response, this response will be supplemented to provide that information.

#### Talking Points for March 12, 2003 Discussion

#### Schedule 2 - Reactive Power Service

- PVA includes reactive power "for Control Area operations" up to the electrical net output of the plants in that hour, multiplied by 0.329. There is a floor of 608 MW times 0.329.
- We do not believe that it was intended that there be a measurement of actual megavars
  consumed. Instead, we believe that the 0.329 factor was intended only to show a deemed
  megavar consumption for each transaction using the BREC transmission system. That is
  consistent with how we think Schedule 2 of our tariff was intended to work, particularly if
  you look at the rates (which are not rates for additional megavars consumed, but for the
  capacity deemed to be tied up for vars production by transactions using the transmission
  system).

#### Schedule 3 - Load Following Service

- PVA includes all load following required with respect to "Member Power". All other load following is at LEM's tariff rates.
- There are limits on load following, such as LEM not supplying load following above the Base Power limit or with respect to loss of a third party resource.

#### Schedule 4 - Energy Imbalance Service

- PVA does not include any energy imbalance service.
- Charges for energy imbalance service come from a comparison of BREC's "scheduled delivery" to BREC's "integrated hourly metered load." Each separate transaction scheduled by BREC is subject to this analysis.
- BREC should be billed for the exact scheduled amount at the price per MWH in the PPA for Base Power. The variation, which is the energy imbalance, is charged as follows:
  - if the difference is ≤ 1.5% of the scheduled delivery, then there is a return in like kind of energy.
  - if the difference is > 1.5% of the scheduled delivery, then payment is made:
    - (a) if BREC took more than scheduled, LEM gets greater of \$100 per MWH or our actual cost.
    - (b) if BREC took less than scheduled, BREC gets 90% of LEM's decremental cost, which is the system lambda for that hour.

#### Willamette Energy Imbalance

11.00 FAA 004 041 4110

We believe that Willamette's energy imbalances to date have not been properly applied. As
described above for energy imbalance service, Willamette should be billed for all energy
over or under the deadband if that deadband is exceeded.

#### Base Power Limit

We intend to enforce the 597 MW limit on Base Power. Among other things, this means that
any energy imbalance during an hour, to the extent 597 MW are already being supplied to
BREC, cannot be returned during that same hour with the purchase of more Base Power.
Instead, BREC needs to return that power during a like hour with like conditions.

#### 30 Minute Notice

• BREC is not entitled to change the schedule for an hour after the 30 minutes prior to the start of that hour of flow has passed.

Re: Provision of Energy Imbalance Power Under the Big Rivers-LG&E Energy Transaction

Dear Martyn:

As a follow-up to our meeting this morning regarding ancillary services under the July 1998 Power Purchase Agreement between Big Rivers and LEM ("PPA"), I am hereby providing this letter to set forth Big Rivers' interpretation of how the energy imbalance issue is treated in the Power Purchase Agreement with respect to Member Load.

As a starting point, I note that unlike the other ancillary services required by Order No. 888, there is no explicit provision governing energy imbalance for Member Load incorporated as part of the PPA, and thus no basis on which to assess a charge without modifying the agreement. Although the PPA represents Big Rivers' service agreement under LEM's ancillary services tariff, and that tariff provides a rate for energy imbalance that is to apply to third-parties serving load within Big Rivers' control area, nowhere is there a provision in the PPA that applies that energy imbalance provision to Big Rivers' Member Load. The absence of a specific provision regarding Energy Imbalance applied to Member Load in the PPA is intentional. The intent of the PPA was to provide all ancillary services needed for Member Load supplied by LEM Base Power at no additional charge. With respect to energy imbalance, the PPA was intentionally structured to eliminate the possibility of an energy imbalance by making the amount of Base Power actually supplied by LEM the amount billed. There is no provision in the PPA for billings based on schedules.

Under Section 6.4(a) of the PPA, monthly billings for Base Power equal the sum of (i) the applicable Base Power rates multiplied times "the number of megawatt hours <u>delivered to Big Rivers</u> during the prior month" and (ii) any adjustment for Big Rivers failing to meet its minimum purchase requirements. Section 6.4(a) of the PPA then provides the method for

KIUC 1-13b 4 of 11

determining the total deliveries to Big Rivers for which Big Rivers owes payment to LEM each month at the Base Power Price, stating as follows:

Base Power delivered to Big Rivers during the prior month shall be determined as the total metered load delivered by Big Rivers to Members during the prior month at the Points of Metering as set forth in Exhibit C, plus the total megawatt-hours of Base Power Big Rivers scheduled from LEM during the previous month for resale to third parties other than Members metered at the applicable Point(s) of Delivery as set fort in Exhibit B, plus average annual transmission losses imputed to Power delivered by Big Rivers to the Members and Power delivered for resale to third parties (with such losses to be equal to the effective annual loss rate applied to transmission service during the same time period, as calculated pursuant to the Transmission Service and Interconnection Agreement), minus any purchase from SEPA or other third-parties delivered through the Points of Metering."

(emphasis added). As can be seen from the above, the only role that schedules play in this analysis is with regard to schedules for resale to third-parties (usually off-system). Having Base Power charged based on actual deliveries rather than schedules eliminates energy imbalances as a factor for Big Rivers' Member Load, thus meeting the parties' goal of including the cost of ancillary services for Member Load within the negotiated rates. Big Rivers and its consultants initially established this procedure to eliminate the possibility of energy imbalance as part of the predecessor deal with PacifiCorp, and it was left unchanged when that deal was adapted for LEM.

Under this system, monthly metered deliveries at the Member Load Points of Metering are taken and then reduced by SEPA and other third-party deliveries through those meters. The remainder is then billed to Big Rivers as Member Power.

Billing for energy imbalances associated with Base Power provided to the Member Load would require a restructuring of the PPA billing system. If Big Rivers were to be charged a separate Energy Imbalance charge based on deviations from its schedules for Base Power, Big Rivers under the current agreement would be required to pay twice for the same power; once as Base Power due to the way Base Power is measured based on deliveries through the Member meters and once as Energy Imbalance Power. The PPA as written is inconsistent with this approach.

The PPA itself is silent on the effect of Big Rivers missing a schedule with respect to Base Power. Schedule 5.3 of the PPA is premised on pre-schedules that are to be "best estimates," but these scheduling estimates were provided only for planning and preliminary unit commitment.

Unlike the case with Member Load, the PPA explicitly provides for Energy Imbalance associated with non-Member Load in Big Rivers' control area as a Transmission Support Service per

Martyn Gallus May 13, 2003 Page 3

Sections 4.1(c) and 5.8 of the PPA. Per Section 5.8, "such generation-based Ancillary Services shall be provided at such rates as LEM establishes, subject to any applicable regulatory policies, for such generation-based Ancillary Services, and LEM will charge such amounts to Big Rivers by adjustment to the Power Value Amount." Accordingly, to the extent that non-Member Load in Big Rivers' control area requires Energy Imbalance Service, actual schedules will be used for these third-parties' deliveries, with charges from LEM corresponding to deviations therefrom.

Sincerely yours,

C. William Blackburn

Re: Energy Imbalance Service

Dear Bill:

During our settlement negotiations related to Schedules 2, 3, 5, and 6 of LEM's ancillary services tariff, BREC and LEM agreed to table further discussions related to Energy Imbalance Service, or Schedule 4 of LEM's ancillary services tariff, for a later time. I think that approach was conducive to reaching our settlement related to Schedules 2, 3, 5, and 6, so I appreciate BREC's willingness to proceed in that manner.

With that settlement behind us, LEM has begun further review of the Energy Imbalance Service issue. This is an important matter to LEM, and we will follow up shortly with a response to your May 13, 2003 letter concerning this issue. In the meantime, LEM has not billed BREC for Energy Imbalance Service. This will give the parties an opportunity to further discuss the Energy Imbalance Service issue. Please note that LEM is not waiving any of its rights, admitting any facts, or electing any remedies, whether under the PPA or otherwise.

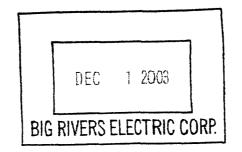

Please feel free to call if you have any questions.

RE:

Power Purchase Agreement dated July 15, 1998 (the "PPA") between Big Rivers Electric Corporation ("BREC") and LG&E Energy Marketing Inc. ("LEM")

#### Dear David:

I send this letter as a follow up to our meeting on November 24. I have addressed below the items we agreed I would cover, particularly (a) LEM's response to Bill Blackburn's letter of May 13, 2003 and (b) the going forward plan that we discussed, including with respect to the scheduling concerns we discussed.

Your May 13 letter misstates the language of the PPA. There is a provision of the PPA that entitles LEM to bill for energy imbalance service. Section 5.8 allows LEM to bill BREC for all "Transmission Support Services", which include all generation-based ancillary services that FERC might require from time-to-time to be provided by a transmission provider similarly situated to BREC. As you know, energy imbalance service fits this definition. The only exclusion from Transmission Support Services is for ancillary services "otherwise provided in this Agreement." This reference reflects BREC's entitlement under Sections 5.5, 5.6, and 5.7 of the PPA to a limited extent of ancillary services "without adjustment to the Power Value Amount". Since energy imbalance service is a generation-based ancillary service that is **not** provided "without adjustment to the Power Value Amount", LEM is clearly entitled to bill for that service pursuant to Section 5.8 of the PPA. As an aside, BREC's letter argued that Section 5.8 only applies to non-Member Load, but there is absolutely no language supporting this limited reading of Section 5.8.

BREC's letter suggests that LEM's interpretation might require BREC to pay twice for the same power. Please note that the billing for the Power Value Amount includes two separate components, one for the Base Power Price (Section 6.2(d)) and one for the ancillary services supplied pursuant to Section 5.8 (Section 6.2(f)). That billing provision recognizes that the provision of energy imbalance service is a service that is separate and distinct from the energy that might be supplied under the PPA. Thus, BREC would not be billed twice for the same power, but once for the energy under Section 6.2(d) and once for the separate energy imbalance service under Section 6.2(f).

I would also note a few logical inconsistencies with BREC's position that energy imbalance service does not apply to Member Load. BREC clearly believes that LEM should bill BREC for energy imbalance service with respect to Willamette, but BREC's position as to energy imbalance service generally does not fit with this result. In addition, based on our prior discussions, BREC appears to believe that LEM could bill BREC for energy imbalance service to the extent that BREC exceeded the Maximum Hourly Purchase Amount, but that result is also inconsistent with BREC's position as to energy imbalance service generally. We believe these types of inconsistencies further demonstrate the weakness of BREC's interpretation of the PPA.

Your letter also touched on another issue of great importance to LEM, which is BREC's scheduling obligations. As we discussed, BREC's commitments under Section 5.3 include two crucial elements that are of immediate concern. First, BREC's preschedules are to be BREC's "best estimate" of BREC's requirements for Base Power. Second, BREC is obligated to "make reasonable efforts to minimize changes" in those preschedules. Based on the limited data available to LEM, it strongly appears that BREC is not complying with either of these obligations. I hereby reiterate my request from our meeting that BREC supply LEM with a thorough explanation and supporting data demonstrating the manner in which BREC is meeting those obligations. I would appreciate a written response by December 19, 2003.

I would propose that, after BREC sends this written response on the scheduling topic, we schedule a face to face meeting in Louisville to discuss both that response and the energy imbalance service issue. We have had productive discussions in the past on similar issues (such as our settlement of the disputes regarding reserves supplied to BREC), and it is my hope that these issues can be resolved through a similar cooperative process.

Please note that this letter is not intended by LEM as an admission or as a waiver of any of LEM's rights, under the PPA or otherwise.

Sincerely,

LG&E ENERGY MARKETING INC.

RE: Power Purchase Agreement dated July 15, 1998 (the "PPA") between Big Rivers Electric Corporation ("BREC") and LG&E Energy Marketing Inc. ("LEM")

#### Dear Bill:

This letter has two purposes. First, I am writing to document the recent acknowledgment by BREC that LEM may, in certain limited circumstances, bill BREC for energy imbalance service. Second, I am writing to better document the existing temporary tabling of the remainder of the energy imbalance service and/or other related damage disputes, which the parties have still not resolved. Please note that I am sending you concurrently with this letter a separate letter on the scheduling obligations of the parties under the PPA, so this letter is not intended to address any of those issues.

Per my discussion with you and David Spainhoward on August 9, 2004, BREC acknowledges that the terms of the PPA and Schedule 4 of LEM's "Schedule of Rates for Sale of Generation-Based Ancillary Services" (the "LEM Tariff") entitle LEM to bill BREC for energy imbalance service. BREC's acknowledgement, however, only applies when BREC takes more energy than the sum of the "Maximum Hourly Power Purchase Amount" (currently 597 MWH) and a 1.5% deadband in any one hour after August 1, 2004. LEM disagrees that this is the only circumstance entitling LEM to charge for energy imbalance service, and the circumstances LEM believes entitle it to charge for energy imbalance service include, but are not limited to, hours when BREC takes any energy above the Maximum Hourly Power Purchase Amount. Nonetheless, pursuant to this acknowledgement, LEM will commence, starting August 1, 2004, to bill BREC \$100/MWH for each MWH taken above 606 MWH in any one hour (unless of course the highest price paid by LEM for purchased or generated power in that same hour exceeds \$100/MWH, in which case this higher price will be billed).

The parties both acknowledge, however, that they have not resolved any other disputes surrounding energy imbalance service under the LEM Tariff or any other damages that might be associated with differences between schedules of energy submitted to LEM by BREC and

Mr. C. William Blackburn August 13, 2004 Page 2

BREC's actual energy takes. Several months ago, at BREC's request, LEM agreed to suspend pursuit of these other disputes pending our restructuring discussions. Subject to the acknowledgment set forth in the preceding paragraph, LEM continues to abide by that agreement. However, I wanted to be sure that you understood that this delay, which was requested by BREC, is not intended by LEM to constitute a waiver of any of LEM's rights under the PPA or otherwise. During this period, additional energy imbalance charges and/or other damages have continued and are expected to continue to accrue, and BREC is foregoing any opportunity that it otherwise would have had to minimize those damages. Also, LEM reserves the right to proceed to enforce these rights at such time as LEM determines that the restructuring discussions are not progressing in a satisfactory fashion. Without limiting the foregoing, please note that this reservation of rights also applies to any amounts that might be due to LEM from BREC for energy imbalance service under the LEM Tariff with respect to any amounts of energy taken by BREC, (a) prior to August 1, 2004, above the "Maximum Hourly Power Purchase Amount" and (b) on and after August 1, 2004, above the "Maximum Hourly Power Purchase Amount" but less than the sum of the "Maximum Hourly Power Purchase Amount" and 1.5% of that amount.

I appreciate your willingness to conclude our energy imbalance discussions on this particular issue since it was not in debate. Please immediately advise me of any inaccuracies in my descriptions of the above.

Please note further that LEM reserves all of its rights with respect to the matters referenced in this letter, whether under the PPA or otherwise.

Sincerely,

LG&E ENERGY MARKETING INC.

# BIG RIVERS ELECTRIC CORPORATION'S RESPONSE TO THE KENTUCKY INDUSTRIAL UTILITY CUSTOMERS, INC.'S MARCH 17, 2009 FIRST DATA REQUEST TO BIG RIVERS ELECTRIC CORPORATION PSC CASE NO. 2009-00040 March 24, 2009

**Item 1-15)** Please update Exhibit Seelye-2, Schedule 1.01 with current NOX allowance prices.

**Response)** Please see attached Seelye-2, Schedule 1.01 with current NOx allowance prices used. The current NOx allowance prices are based on the *Coal Trader;* March 16, 2009 price of NOx allowances. The prices reflected in the attached Schedule 1.01 reflect \$2,200.00 for the annual NOx allowances and \$571.00 for the seasonal NOx allowances. It is important to note that the actual price paid by Big Rivers to Western Kentucky Energy Corp. (WKEC) will be the invoice to Big Rivers reflecting the price WKEC paid to acquire allowances at the time of purchase. Whatever the price, Big Rivers must have sufficient cash to meet its obligation to WKEC.
