Re: Dry Fork Cell Tower Property  
Letcher County, Kentucky

Dear Mr. Kendrick:

I have, at your request, conducted an inspection of the Dry Fork Cell Tower Property located Letcher County for the purposes of making an appraisal. However, due to pre-existing commitments for the week of May 4, 2009 and a trial commencing on May 11, 2009 in Knott County, Kentucky for which I must prepare and which I expect to last 2 to 3 days, I will not be able to work on a written appraisal for you on the above-mentioned property until on or about May 13, 2009.

I do expect to have the written appraisal in your hands by no later than May 20, 2009.

I also wanted to inform you that I spoke with Mr. Willie Prater who has also preformed an inspection of the Dry Fork Cell Tower Property. Willie is also involved in the Knott County trial that begins on May 11. Willie has also informed me that his wife is scheduled to undergo surgery on May 12, 2009. Therefore, he requests that you also grant to him the additional time necessary to complete his appraisal on the property mentioned above.

Very truly yours,
