O R D E R

On May 29, 2009, the Commission entered an Order granting Kentucky Power Company's ("Kentucky Power") request to implement a revised tariff designed to recover costs associated with the implementation of Kentucky Power's demand-side management ("DSM") programs. Due to a clerical error, the last sentence on page 2 of the Order stated an incorrect finding concerning 2008 peak demand reductions of 348 MW in the summer and 728 MW in the winter associated with Kentucky Power's DSM programs.

IT IS THEREFORE ORDERED, to be entered nunc pro tunc, that:

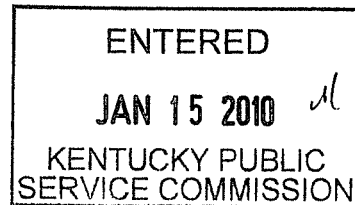

1. The last sentence on page 2 of our May 29, 2009 Order is amended to state as follows:

Peak demand reduction in 2008 totaled 348 kW in the summer and 728 kW in the winter.

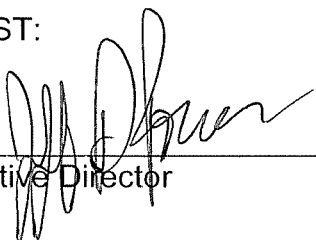

2. All other provisions of the May 29, 2009 Order that are not in conflict with the terms of this Order shall remain in full force and effect.

By the Commission

Commissioner Borders abstains.
