RE: Cell Tower Application 2009-00076

Dear Mr. Amburgy:

This is in response to your letter received by the Kentucky Public Service Commission on April 22, 2009 requesting information regard the application for approval to construct a wireless tower facility.

Enclosed with this letter is a copy of the survey associated with the proposed wireless tower facility. I believe this should alleviate your concerns regarding the location of the facility in relation to your property.

Please feel free to contact me with any further questions.

Sincerely,

Todd R. Briggs
