PUBLIC SERVICE
COMMISSION

To Whom it may Concern,

I am speaking on behalf of a family of three. We do not want to be master metered because it is hard enough to take care of three of us in the economy today without our rent going up as well. We wish to keep our lot rent at \$190 dollars a month. We are residents in the Yardwood mobile home park.

Sincerely,

Nancy, David, and Shaniqua Huffman

This is from Lot 21
