MULTI-UNIT RESIDENTIAL PROPERTIES)	

INFORMATION REQUEST OF COMMISSION
STAFF TO HARDIN COUNTY WATER DISTRICT NO. 1

Hardin County Water District No. 1 ("Hardin District"), pursuant to 807 KAR 5:001, is to file with the Commission the original and seven copies of the following information, with a copy to all parties of record. The information requested herein is due on or before July 14, 2009. Responses to requests for information shall be appropriately bound, tabbed and indexed. Each response shall include the name of the witness responsible for responding to the questions related to the information provided.

Each response shall be answered under oath or, for representatives of a public or private corporation or a partnership or association or a governmental agency, be accompanied by a signed certification of the preparer or the person supervising the preparation of the response on behalf of the entity that the response is true and accurate to the best of that person's knowledge, information, and belief formed after a reasonable inquiry.

Hardin District shall make timely amendment to any prior response if it obtains information which indicates that the response was incorrect when made or, though correct when made, is now incorrect in any material respect. For any request to which

Hardin District fails or refuses to furnish all or part of the requested information, it shall provide a written explanation of the specific grounds for its failure to completely and precisely respond.

Careful attention shall be given to copied material to ensure that it is legible. When the requested information has been previously provided in this proceeding in the requested format, reference may be made to the specific location of that information in responding to this request. When applicable, the requested information shall be separately provided for total company operations and jurisdictional operations.

1. Refer to Item 7 of Hardin District's response to the First Data Request of Commission Staff in Case No. 2007-00461.¹ Update the response by providing the amount of water delivered through the master meter of each multi-unit residential property ("MURP") and the amount of water billed to accounts within each MURP for each month since March 2008.

2. Refer to Item 12 of Hardin District's response to the First Data Request of Commission Staff in Case No. 2007-00461. Provide all documentation of any instances in which fecal or E.coli bacteria was present in water that had a filled meter pit since the date of Hardin District's response.

3. Identify the master meter size for each of the MURPs.

4. State the frequency of meter reading attempts in MURPs that are unsuccessful because the meter reader is unable to get a reading due to the presence of a dog.

¹ Case No. 2007-00461, Hardin County Water District No. 1's Proposed Tariff Allowing the Use of Master Meters in Manufactured Housing Communities (Ky. PSC Feb. 18, 2008).

5. State the frequency of meter readings in Hardin District's system not within a MURP that are unsuccessful because the meter reader is unable to get a reading due to the presence of a dog.

6. Identify the number of meters in Hardin District's system that are located under mobile homes.

7. Identify the costs and describe the feasibility of moving meters that are located under mobile homes.

8. Identify Hardin District's water loss for its entire system for each of the last 12 months.

9. Refer to Exhibit C of Hardin District's application, in which it is stated that "Annual dollar value of leaked amount (W&S) = \$50,000." Describe how that figure was calculated.
