The Commission staff has reviewed your application in the above case. This filing is rejected for the reasons set forth below.

1. Filing deficiencies pursuant to KRS 322.340

KRS 322.340 Engineering plans, specifications, plats and report for the proposed construction. The engineering documents prepared by a registered engineer, requires that they be signed, sealed, and dated by an engineer registered in Kentucky.

If your filing contains a proposed effective date, the rejection of your filing for reasons of deficiencies voids that proposed effective date. When you file the required information to correct the deficiencies, you may refile your proposed tariff with a new proposed effective date that is at least 30 days from the date you file the required information. You are requested to file 10 copies of this information within 15 days of date of this letter. If you need further assistance, please contact my staff at 502/564-3940.

Sincerely,
