RE: Case No. 2009-00133  
Cannonsburg Water District

Dear Mr. Reid:

As per of phone conversation today, please include in the application for the purchased water adjustment, the wholesale rate for Big Sandy Water District and the leak adjustment rate that we discussed. Please find enclosed the tariff sheet for these items. We have requested the effective date of April 13, 2009, if this date is not acceptable, we request the effective date of May 13, 2009. These dates reflect our meter reading dates. We have an old billing software program and we do not have the ability to pro-rate the water usage for two different rates. If you have any further questions, please let me know.

Sincerely,

Danny R. Clarkston  
Manager
