Ray & I (Justine Young) We do not
want the Blue Grass Tower put up
because of health problems. Et Ray
has a heart stent & has had cancer
Our Granddaughters have heart devices
My sister Imogene White has a
pace maker. There's a one lane
road. When you ^{meet} someone, one or the
other has to back up $\frac{1}{2}$ mile. The
School bus comes over the road & back
It would be bad meeting the trucks
We just don't believe we need the
tower over here.

Thank you.
