RE: Case #2009-00148

Dear Mr. DeRouen:

Enclosed is the original and ten copies of the break down requested for the year 2007. Also attached is a summary billing analysis. I believe the difference in the totals is adjustments for leaks, misreads, bad debts etc.

I'm sorry for the delay as I was waiting to hear back from Mr. Reid concerning the fax I sent September 9, 2009.

If you have any questions I can be reached at 270-554-1661.

Sincerely,

Linda M. Cissell

COMMISSION STAFF'S FIRST INFORMATION REQUEST
TO HENDRON WATER DISTRICT

Hendron Water District ("Hendron"), pursuant to 807 KAR 5:001, is to file with the Commission the original and 10 copies of the following information, with a copy to all parties of record. The information requested herein is due within 14 days of the date of this request. Responses to requests for information shall be appropriately bound, tabbed, and indexed. Each response shall include the name of the person responsible for responding to the questions related to the information provided.

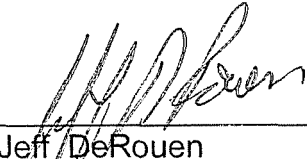

Each response shall be answered under oath or, for representatives of a public or private corporation or a partnership or association or a governmental agency, be accompanied by a signed certification of the preparer or the person supervising the preparation of the response on behalf of the entity that the response is true and accurate to the best of that person's knowledge, information, and belief formed after a reasonable inquiry.

Hendron shall make timely amendment to any prior response if it obtains information which indicates that the response was incorrect when made or, though correct when made, is now incorrect in any material respect. For any request to which Hendron fails or refuses

to furnish all or part of the requested information, it shall provide a written explanation of the specific grounds for its failure to completely and precisely respond.

Careful attention should be given to copied material to ensure that it is legible. When the requested information has been previously provided in this proceeding in the requested format, reference may be made to the specific location of that information in responding to this request. When applicable, the requested information shall be separately provided for total company operations and jurisdictional operations.

1. Provide a breakdown of annual usage by meter size using the schedules attached in the Appendix to this data request.
