Re: Hendron Water District Case No. 2009-00148 - Notice of Intent

Dear Sirs:

Attached please find an original and 6 copies of the signed tariff of Hendron Water District placing into effect the water rates proposed in Case No. 2009-00148. Notice of the proposed rates, and a proposed effective date of May 15, 2009 was duly given pursuant to KRS 278.180 in Hendron's application filed on April 9, 2009. By Order dated May 14, 2009, the Commission recognized notice had been given and issued an Order suspending the proposed rates for 5 months up to and including October 14, 2009. Because Hendron is unaware when the Commission will issue a final decision in this case, Hendron is hereby notifying the Commission pursuant to KRS 278.190(2) of its intent to exercise its right to put the rates into effect, subject to refund, for service rendered on and after October 15, 2009. More specifically, Hendron's November meter readings - and hence December billing - for service rendered after October 27, 2009 will be billed at the proposed rates.

Sincerely,

Don Peck, Chairman
Hendron Water District
