O R D E R

This matter arises upon the motion of the Horse Cave Water Commission ("Horse Cave"), filed June 16, 2009 for full intervention. It appears to the Commission that such intervention is likely to present issues and develop facts that will assist the Commission in fully considering the matter without unduly complicating or disrupting the proceedings. The Commission, being otherwise sufficiently advised, finds that Horse Cave should be granted full rights of a party in this proceeding.

IT IS HEREBY ORDERED that:

1. The motion of Horse Cave to intervene is granted.
2. Horse Cave shall be entitled to the full rights of a party and shall be served with the Commission's Orders and with filed testimony, exhibits, pleadings, correspondence, and all other documents submitted by parties after the date of this Order.
3. Should Horse Cave file documents of any kind with the Commission in the course of these proceedings, Horse Cave shall also serve a copy of said documents on all other parties of record.

By the Commission
