Dwaine and Debra Stigall have decided to withdraw the prior application to purchase the Lovelaceville Water Co., **Due** to the fact that we were not told the truth and did not know of all of the violations against Lovelaceville Water Company, and that it is not meeting all of the state specification and regulations. This will take several thousand dollars to bring back into compliance.

We are letting all parties know as of August 31st we are giving all responsibility and duties back to the McGowan's. We will be willing to lease the wells back to them for a monthly fee or will sell it back to them if that is an option.

We are sorry for any problems that this may have cause, but we do not need these problems that were pushed on us, because of half truths.

We will be at the August 17th meeting for any questions you may have.

We are not accepting the ownership of Lovelaceville Water Company .
