Re: Case No. 2009-00176

Dear Mr. Derouen:

On May 19, 2009 the Commission issued its Order in Case No. 2009-00176 approving the quarterly Gas Cost Adjustment of Columbia Gas of Kentucky, Inc., ("Columbia") as proposed. Columbia proposed the revised rates to be effective with Unit 1 of its June billing cycle which was June 1, 2009.

The billing cycle schedule has been amended and Unit 1 of June is scheduled to bill on May 29, 2009. In order to retain the timing of the change in rates coincident with the monthly billing cycles, Columbia asks the Commission to amend its Order of May 19, 2009 to permit the revised rates to become effective May 29, 2009. The revised rates are a decrease of \$2.2157 per Mcf from the currently authorized rates.

Thank you.
