Dear Sirs:

Attached please find an original and 10 copies of an Alternative Rate Filing ("ARF") application for Middletown Waste Disposal, Inc. sewer utility. A copy of this filing has also been sent to the Office of the Attorney General. In addition to the rate application, Middletown has attached supporting documentation, the notice that was mailed to customers, and a sworn verification of mailing. Also, please incorporate by reference in this case Middletown's annual reports on file with the Commission.

Middletown is proposing that the new rates become effective on July 30, 2009, and has provided a proposed tariff to that effect, included with Attachment B of the application. In addition, Middletown has attempted to the best of its ability to fully comply with the Commission's ARF filing requirements. However, please consider this a request for waiver of any filing requirements which Middletown may have inadvertently overlooked, on the grounds that all relevant information has been provided to allow the processing of this case to begin.

Sincerely,

A handwritten signature in black ink, appearing to read "Donald Lorenz".
