In Re: Case No. 2009-00256
New Cingular Wireless, PCS, LLC.

Dear Director :

This is to advise that the Transportation Cabinet received Notice of the Cabinet's right to protest the new tower. The Cabinet does not anticipate any impact or hazard to the roadway, therefore there is no protest.

However, the required signage must be installed further away from the roadway than the Cabinet's signs and must be removed when the posting period ends. Thank you .

Sincerely yours,

CASS T. NAPIER
