REQUEST FOR FORMAL HEARING

Come CDH Preserve, LLC, Dennis Cunningham, Cathy Cunningham, Violet Monroe, and Mary Jent, Applicants to Intervene, by and through the undersigned counsel, and REQUEST A FORMAL HEARING in the above mentioned matter for reasons set for in the Motion for Leave to Intervene and Kentucky Utilities response, as follows.

The Public Service Commission must determine if the application by Kentucky Utilities to spend between \$6.9 million and \$9 million to build three temporary transmission lines in Hardin County is a wasteful duplication of facilities. KU asserts that such expenditure is not. These Applicants for Full Intervention assert that such construction is clearly a wasteful duplication of facilities. See Motion to Intervene, paragraph 7.

The Public Service Commission cannot properly determine this issue without setting the matter for formal hearing.

WHEREFORE, based upon the disputed material issues raised within the record of this matter, these Applicants for Intervention Request the Public Service Commission set this matter for Formal Hearing.

Respectfully Submitted,
