Confirm that Ms. Gibbs is the person responsible for these accounts or has authorization to request termination of service.

RESPONSE TO SECOND DATA REQUEST OF COMMISSION STAFF**

Data Request 002:

NEUC references a mutual agreement between Columbia and NEUC at page 3 of its Motion to Dismiss. In its response to Item 2 of Commission Staff's First Request to NEUC, it states that the agreement is unwritten. State whether Columbia is familiar with the mutual agreement discussed by NEUC. If so, provide a brief summary of the terms of the agreement, the intent of the parties to the agreement, and the date the agreement was reached.

Response: I am told by Russell Ryan that the mutual understanding referenced by NEUC dates back to when Roy Dunham owned the company that is now NEUC. The companies had an understanding of some sort, but the details are unknown and Mr. Dunham has been deceased for 10-15 years. Regardless of the existence of the mutual agreement, I am aware that NEUC did not seek a Certificate of Convenience and Necessity from the Commission before establishing a target date for the switch of the customers in question which is required by KRS 278.020.

CERTIFICATE OF SERVICE

I hereby certify that a copy of the foregoing Responses of Columbia Gas of Kentucky, Inc. to Staff's Second Data Requests was served upon all parties of record by regular U. S. mail this 26th day of April, 2010.
