Re: Hickory Water District Rate Case No. 2009-00350

Dear Sirs:

In our most recent letter to the PSC, we requested that the Commission approve rates that are 20% higher across-the-board than the rates recommended by Staff in Appendix C of the Staff Report. These approved rates would be 20% higher at each rate step, but still much lower than the 66.55% increase suggested in the Staff Report. Hickory is re-notifying customers of the suggested approved rates via newspaper notice on June 10th, 17th, and 24th. We will provide the Commission with a letter from the newspaper publisher within the next two weeks as evidence that this re-notification has occurred, and we will also provide an affidavit from the publisher after the notice has been published for the final time on June 24th.

If you need to contact me to discuss this matter, I can be reached at (270) 856-4300.

Sincerely,

Sam Davis, Chairman
Hickory Water District
