RE: Beech Fork Water Commission Increase

To Whom It May Concern:

2009-00406

The Powell's Valley Water District has been notified by the Beech Fork Water Commission of a significant rate increase in the amount of \$.087 per 1000 gallons effective January 1, 2010.

The Powell's Valley Water District cannot absorb the large additional cost once the new rate increase goes into effect. We are asking for a review of the enclosed information and approval in time to meet the new increase the District will incur January 1, 2010.

We are enclosing the original and 10 copies of a Purchase Water Adjustment, new Tariff filing, worksheets and a copy of the notice from Beech Fork Water Commission.

If you have any questions, please call our office 606 663-5870.

Sincerely,

Stephen Everman, Chairman
