RE: Case No. 2009-00410
Filing Deficiencies

The Commission staff has reviewed your application in the above case. This filing is rejected for the reasons set forth below.

Filing deficiencies pursuant to 807 KAR 5:001:

(1) Section 10 (3)(b) – The present and proposed rates for each customer class to which the proposed rates would apply.

- A. The customer notice, Application, Exhibit D, shows nonrecurring charges as including "Reconnect for disconnect," with a proposed rate of \$35, whereas the proposed tariff, Exhibit B, PSC 8, 1st Revised Sheet 9, shows a proposed "Reconnection Charge" for other than non-payment of \$65 and a proposed "Collection of Delinquent Accounts" reconnection for non-payment of \$65.
- B. The customer notice shows three party Pole Attachments with a proposed rate of \$4.60, whereas the proposed tariff, Exhibit B, PSC 5, 1st Revised Sheet 46, shows the rates to be \$4.63.

The statutory time period in which the Commission must process this case will not commence until the above-mentioned information is filed with the Commission. If your filing contains a proposed effective date, the rejection of your filing for reasons of deficiencies voids that proposed effective date. When you file the required information to correct the deficiencies, you may refile your proposed tariff with a new proposed effective date that is a least 30 days from the date you file the required information. You are requested to file 10 copies of this information within 15 days of date of this letter. If you need further assistance, please contact my staff at 502-564-3940.

Sincerely,

Jeff Derouen
Executive Director
