Re: Case 2009-00418
Elkhorn Water District

Dear Mr. Derouen,

As chairman of the Elkhorn Water District, I am requesting an extension of time, an additional twenty-one days, to respond to the Commission Staff's Third Information Request dated, April 26, 2010. The response is currently due on Monday, May 10, 2010.

Additionally, Elkhorn Water District requests that an informal conference be held during May 2010, so that this matter can be discussed and hopefully clarified.

Consideration of these requests is very much appreciated.

Yours truly,

Garland Moore
Chairman
Elkhorn Water District
