Re: Case 2009-00418
Elkhorn Water District
Notice and Request for Withdrawal
of Application

Dear Mr. Derouen,

I wish to advise the Commission that Elkhorn Water District has met and voted to withdraw the application for a change in a non-recurring charge, and which is now under consideration as Case 2009-00418. This matter was discussed in an informal conference with Commission Staff on May 26, 2010. We were advised of the availability of a "rock clause" that could be added to our tariff. During this conference we discussed that if the tariff change were to be filed, it would likely be necessary to withdraw our current application. The District has prepared the "rock clause" provision for filing with the Division of Tariffs.

Yours truly,

Garland Moore, Jr.
Chairman
Elkhorn Water District
