PUBLIC SERVICE
COMMISSION

Dear Mr. Derouen:

This week we received our copy of the Commission's Order requesting the City to produce our documentation and financial information for the City of Greensburg's Utility System in case # 2009-00428 dated Dec. 11th.

I would respectfully ask that we be given a small extension of time to deliver the requested information due to the fact that our accountant/CPA, Nancy Stearman, left on an extend holiday for Boston this past Tuesday and is not due back until after Christmas. The original date requested that we deliver the requested information is December 23rd, we would ask that the date be pushed back to 1/15/2010 and the remaining timeline be pushed back accordingly.

We apologize for any problem this may cause but being a small community and relying on outside expertise puts us at a disadvantage we it comes to this type of request in a short period of time. If you have any questions feel free to contact me at (270) 932-4298 or by email at mayor@Greensburgonline.com. Thank you for your consideration of this matter.

Sincerely,

George "Lisle" Cheatham, II
Mayor
City of Greensburg
