Re: ***In the Matter of Communications Venture Corporation, d/b/a INdigital Telecom for Arbitration of Certain Terms and Conditions of Proposed Interconnection Agreement with BellSouth Telecommunications, Inc., d/b/a AT&T Kentucky – Case No. 2009-00438***

Dear Mr. Derouen:

The purpose of this letter is to advise the Public Service Commission of the Commonwealth of Kentucky (the "Commission"), in compliance with the Proposed Procedural Schedule issued in this case by the Commission on January 25, 2010, whether Communications Venture Corporation, d/b/a INdigital Telecom ("INdigital Telecom") and BellSouth Telecommunications, Inc., d/b/a AT&T Kentucky ("AT&T Kentucky") desire the Commission's mediation services.

INdigital Telecom is presently working with AT&T Kentucky in an attempt to resolve the outstanding issues in this matter. It is, however, unclear at this time whether the parties will be successful in that endeavor.

As a result, INdigital Telecom believes that the parties may need the benefit of the Commission's mediation services at some point in the future, but currently would like to allow more time for the parties to resolve the issues. INdigital Telecom asked AT&T Kentucky if it also agreed that the Commission's future involvement may be required, but AT&T Kentucky indicated that it does not believe, at this time, that the Commission's mediation would assist the parties in resolving their differences.

Nevertheless, INdigital Telecom believes it prudent to notify the Commission that it does anticipate needing the Commission's mediation services at some future time if the parties are

unsuccessful in their negotiations. INdigital Telecom will make the appropriate request at that time.

Thank you, and if you have any questions, please call me.

Sincerely,

DINSMORE & SHOHL LLP
