Re: *Jackson Purchase Energy Corporation
Notice of Intent to File
Case No. 2007-00116*

Dear Sir:

Please accept this letter as notice that Jackson Purchase Energy Corporation intends to file an application for amendment of three of its tariff sheets, which tariffs were previously approved in the above referenced matter. Per discussions with Commission Staff, Jackson Purchase Energy Corporation intends to file its application under the same case number unless otherwise instructed by the Commission. While it may be unnecessary to file a notice of intent to the Commission, I felt it appropriate to do so regardless.

In the event the Commission determines it is necessary to assign a new case number, Jackson Purchase Energy Corporation respectfully requests that you assign said case number and notify me of the same so that I may include it in any published notice.

Should you need any further information from me regarding this filing, please contact me.

Sincerely,

Melissa D. Yates
