**Case No. 2009-00459
MOTION TO INTERVENE OF
PIKE COUNTY SENIOR CITIZENS PROGRAM, INC.**

Pursuant to K.R.S. 278.310 and 807 KAR 5:001 Section 3(8), the Pike County Senior Citizens Programs, Inc., requests that it be granted limited intervenor status in the above-captioned proceeding and states in support thereof as follows:

1. The Pike County Senior Citizens Programs, Inc., is a non-profit corporation incorporated in 1989 consisting of the directors of the senior citizens centers and other social services staff serving the needs of the elderly in Pike County, Kentucky.
2. The electric rate increase being considered by the Commission in this case would have a significant impact on the elderly residents of Pike County. Electricity represents a substantial cost for the Pike County elderly population, most of whom are no longer able to work and who depend on a limited and fixed income from public benefits to pay for their expenses. Many of the senior persons served by the Pike County Senior Citizens Programs, Inc., have incomes below the poverty level. These elderly residents served by the Pike County Senior Citizens Programs, Inc., are customers of Kentucky Power Company.
3. 807 KAR 5:001 Section 3(8) states that any person who wishes to become a party to a proceeding before the commission may by timely motion request that he be granted leave to intervene.
4. The position of the Pike County Senior Citizens Programs, Inc., cannot be adequately represented by any existing party. The Pike County Senior Citizens Programs, Inc., intends to

play a constructive role in the Commission's decision-making process herein and the Pike County Senior Citizens Programs, Inc.'s participation will not unduly prejudice any party.

WHEREFORE, the Pike County Senior Citizens Programs, Inc., requests that it be granted limited intervenor status in the above captioned proceeding.

Respectfully submitted,

A handwritten signature in black ink, reading "Stephen A. Sanders", written over a horizontal line.
