PUBLIC SERVICE
COMMISSION

Dear Mr. Moser:

Thank you for your phone message in response to my Jan 15 letter to you. Thanks for offering to "talk me through" my questions. I don't need to be "talked through". I am not five years old. I have an MBA from the University of Ky; so I can understand written correspondence. I usually can even understand numbers -

I am sure that you have one or two secretaries; so please correspond in writing. I asked you for the names and annual compensation for each of Ky Power's officers. I also asked for the percentage increase in their compensation over the past five years -

My other questions were spelled out in my letters to the Public Service Commission and the Ky attorney General's office.

Please do me a favor. Show me how great your "quality service" is. Answer my letter. Once again, I am praying that your 34.95% rate increase is not granted.

Sincerely

Rev. Geraldine Burdett
