I read about the rate increase to go before the PSC. Saturday, 1-23-10, recieved a letter from AEP..with same info....I AM STUNNED THAT AEP WANTS

A RATE ICREASE OF THIS SIZE. I assume they ask for 33 per cent and the PSC gives them 24 per cent..That way the PSC looks like they are concerned

and doing their job. AEP only gets 24 per cent so the people say we showed them.....See ,I understand the little game....Let s face it..both the PSC and AEP are in the same BED.

Totally uncalled for in the RECESSION WE ARE IN..No matter how AEP, PSC spins it.and what the IDIOTS IN DC SAY...10 per cent unemployment is a disgrace.

VOTE NO NO NO TO AEP....
