**Subject:** your comments in case 2009-00459 - Kentucky Power Co. rates

Dear Ms. Miller:

Thank you for your comments regarding the rate increase proposed by Kentucky Power Co. (American Electric Power Co.) Your comments will be placed into the case file for the Commission's review as it considers this matter. For your future reference, the case number in this matter is 2009-00459. Please cite it in any future correspondence regarding this case so that your comments may be readily directed to the case file.

Thank you again for your interest.

We never seen Ky Power Trucks out around our area when the power was out. We seen trucks from other states but we never seen our own Ky power.

I think the power company should not be allowed to raise our bills. Even though the power was out people still ended up with hi bills to pay.

**Pike County KY**

Pike County Judge Executive says "pure neglect" led to numerous outages during December storm  
The Pike County judge-executive is now threatening to file a lawsuit against Kentucky Power for the power outages in December. The Public Service Commission just received the letter on Tuesday. PSC representatives say they are evaluating the situation.
