Dear sir,
I am sending this to ask for help in this increase in our electric bills.
What is proposed is unjust. We live in eastren ky. And people here
can't pay this kind of increase. We will have people die from no heat.
Many will have to chose to pay a bill like this or eat or get meds.
If this goes threw then even children will go with food. I ask you please help us.
Please stop this rate increase please. Don't let the people here die or not eat or go without
there meds. THANK YOU . I am sure you can see our problem.

Thank you,
Charlene Cox
