PUBLIC SERVICE  
COMMISSION

10 Aug 2010

To: Whom it may concern

I Jeffrey C. Cox received a check from AT & T for the amount of \$66.26.

It made no reference as to being a settlement to the case I have with the commission against AT & T.

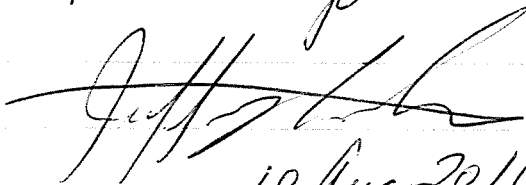

After speaking with Job Pirney informing him of receipt of the check & no mention of a settlement, and upon his advisement it would not affect the case, I cashed the check.

I, however do not consider that check of \$66.26 a settlement of the case & wish to pursue my case against AT & T.

I also find it insulting that AT & T attempt to use such tactics to bypass the case against them.

Case # 2009-00460

Thank You
