Re: Ridgelea Investments, Inc. Rate Case No. 2009-00500

Dear Sirs:

On December 15, 2009, the Commission received a rate increase application filed by Ridgelea Investments, Inc. Included within that application at Exhibit 3 was Ridgelea's proposed tariff, with a proposed effective date of January 21, 2010. On December 23, 2009, the Commission issued a "No Deficiency" letter, but subsequently withdrew this letter on January 4, 2010 and found Ridgelea's application to be deficient. Ridgelea filed a response to the January 4 letter on January 8, 2010, and the record now reflects that January 8, 2010 is the official filed date for this case.

Since the proposed tariff filed by Ridgelea with an effective date of January 21, 2010 was not suspended by the Commission, and because of the above-mentioned confusion regarding the official filed date of this application, Ridgelea is hereby refileing the proposed tariff with a proposed effective date of February 28, 2010. If further information is needed at this time, please advise me by calling (513) 851-8886.

Sincerely,

Charles Hungler, Jr., President
